

Camp Matching Scholarship Program Guidelines

East Texas Baptist University will match designated Christian camp gifts for ETBU students up to, but not exceeding \$1,000 per academic year per student. The following is a list of scholarship provisions and requirements for the ETBU camp matching scholarship program which must be completely reviewed and followed by each participating camp and student:

1. The scholarship program applies for both graduate and undergraduate students.
2. The scholarship program only matches funds from Christian camps that hold Jesus Christ to be Lord and Savior. Gifts from denominations (e.g. Baptist General Convention of Texas, United Methodist Conference, etc.) or para-camp organizations (e.g. Campus Crusade for Christ, BSM, Focus on the Family, etc.) are not included in this matching gift program. This is a matching scholarship program for individual Christian camps only. The recommended student must have been employed as a full-time staff member for at least one full summer at the camp or must currently be employed as a full-time year-round staff member at the camp which is funding the scholarship. The scholarship may not be used in lieu of compensation for working at the camp.
3. Scholarships under this policy are limited to a \$1,000 ETBU match per academic year (fall and spring semesters) per student. The ETBU matching scholarship can only be used to cover current actual costs charged to the student account with the current academic year and not for past bills. Any unused matching gift portion of the scholarship may be moved forward to another semester with the same academic year, but cannot be transferred to another future academic year. ETBU scholarships may not exceed the cost of tuition.
4. Scholarship funds given to ETBU should be managed by the camp and cannot originate with the student, the student's family, or with friends who give to benefit a specific student, creating a "pass through gift" situation. ETBU's Camp Ministry Matching Scholarship Program is consistent with federal Internal Revenue Service regulations that restrict donors from financially supporting individuals through scholarships for the purpose of obtaining a tax benefit. The camp should explain these limitations to individuals who contribute to the scholarship fund. Contributions to the scholarship fund for which a tax benefit will be sought should not be motivated by a desire to assist a specific student, but rather a general desire to assist students from the camp who are pursuing their education at ETBU. Any questions regarding this issue should be independently directed to a competent attorney, CPA, or tax consultant.
5. Before a scholarship gift is made to ETBU, the camp must determine that this scholarship program is within its benevolent and charitable purposes. Funds cannot be designated by the donor for a specific student and then expect to be matched by ETBU. Once the camp has determined that it desires to set up a scholarship fund, the camp director, treasurer, or other camp designee may recommend a specific student (or students) to receive the scholarship.
6. A check for each Camp Ministry Matching Scholarship disbursement should be made payable to East Texas Baptist University and sent to the Office of Financial Aid. Notation should be made on each check identifying the student who is recommended to receive the scholarship by name and student ID or SS#, as well as the semester to which the scholarship is to be applied. A camp check is preferred. If payment is made in the form of a non-camp check, wire, cashier's check or money order, it must be accompanied by a letter on camp letterhead denoting the above information. Cash and credit card payments cannot be accepted, and all funds must be paid in U.S. dollars.
7. The Office of Financial Aid reserves the right to request additional documentation from the camps participating in ETBU's Camp Ministry Matching Scholarship Program to verify eligibility. ETBU will have final say related to questions of eligibility for a specific student or camp.

Please note that no provisions of this policy constitute or may be relied upon as legal advice to a camp or individual.
