

# Hale-Moore Education Fund

Thank you for your interest in the Hale-Moore Education Fund. First-time applicants who will attend one of the seven Baptist institutions named in the Fund's Trust Agreement (and listed below), may be considered for financial assistance from the Fund, based on the following criteria:

- Recipients should be active Christians (preferably Baptist), involved in both the church and the community.
- Recipients are selected based on need, merit, or both. Consideration will be given to students in the "middle income" bracket who thus do not qualify for financial assistance available to low or very low income students.
- Recipients must have at least a "B" average (three points on a four-point system) and must maintain this average each semester to qualify for continued funding.

The application and award process takes place annually, prior to each Fall semester. No new scholarship applications are accepted for the Spring semester. Enclosed is an application form for first time applicants. Please feel free to copy or duplicate this application as needed. New applications for the Fall semester must be received by **Kerry Bashaw, Selection Committee, 405 West Austin Street, Marshall, TX 75670** on or before **June 30<sup>th</sup>** each year.

Only students receiving an award for the Fall semester are eligible for an award during the Spring semester. If the recipient has earned a "B" average or better in the most recently completed semester (three points on a four-point system), the student must send an official academic record/transcript to receive a scholarship award for the next semester. No new application is required from current recipients in order to continue the scholarship. Transcripts, however, must be received prior to **February 1<sup>st</sup>** to be considered for renewal in the Spring semester, and prior to **August 1<sup>st</sup>** to be considered for renewal in the following Fall semester.

**Important:** First time applicants must attach an official transcript covering the latest completed semester, whether from high school or college. An award for a potential recipient is contingent on proof of a grade point average of 3.0 or better in the most recently completed college semester. Also, one Letter of Recommendation is required from someone other than a family member that can speak to the applicant's character and/or church and community involvement. It is the responsibility of the applicant to provide this information. Letters of Recommendations must be included with the Scholarship Application, but transcripts may be mailed separately.
