**JUNE TERM 2004**

**MAY 25** — TUESDAY. Deadline for completed “Student Account Information Form” (required of all students registered for Spring classes) and payment, if a balance is due.

**JUNE 1** — TUESDAY. Advising and registration (Scarborough Hall, Room 104).

**JUNE 1** — TUESDAY. Classes begin. Last day to withdraw and receive 100% tuition/fee refund.

**JUNE 2** — WEDNESDAY. Last day to withdraw and receive 80% tuition/fee refund.

**JUNE 2** — WEDNESDAY. Last day to add a class for academic credit.

**JUNE 3** — THURSDAY. Last day to withdraw and receive 60% tuition/fee refund.

**JUNE 7** — MONDAY. Last day to withdraw and receive 45% tuition/fee refund.

**JUNE 8** — TUESDAY. Last day to withdraw and receive 25% tuition/fee refund.

**JUNE 8** — TUESDAY. Last day to drop a course or withdraw without possible academic penalty.

**JUNE 16** — WEDNESDAY. Junior Qualifying Examination (JQE).

**JUNE 24** — THURSDAY. Last class day.

**JUNE 24** — THURSDAY. Last day to drop a course or withdraw.

**JUNE 28** — MONDAY. Final Examinations.

**JUNE 29** — TUESDAY. Final grades due.

**JULY TERM 2004**

**JUNE 29** — TUESDAY. Deadline for completed “Student Account Information Form” (required of all students registered for Spring classes) and payment, if a balance is due.

**JULY 5** — MONDAY. Advising and registration (Scarborough Hall, Room 104).

**JULY 5** — MONDAY. Classes begin; last day to withdraw and receive 100% tuition/fee refund.

**JULY 6** — TUESDAY. Last day to withdraw and receive 80% tuition/fee refund.

**JULY 6** — TUESDAY. Last day to add a class for academic credit.

**JULY 7** — WEDNESDAY. Last day to withdraw and receive 60% tuition/fee refund.

**JULY 8** — THURSDAY. Last day to withdraw and receive 45% tuition/fee refund.

**JULY 12** — MONDAY. Last day to withdraw and receive 25% tuition/fee refund.

**JULY 12** — MONDAY. Last day to drop a course or withdraw without possible academic penalty.

**JULY 28** — WEDNESDAY. Last day to withdraw and receive 60% tuition/fee refund.

**JULY 29** — THURSDAY. Final examinations.

**AUG. 2** — MONDAY. Final grades due.

**AUG. 5** — THURSDAY. Official date of Summer graduation (no commencement exercises).

**FALL SEMESTER 2004**

**AUG. 17** — TUESDAY. Deadline for completed “Student Account Information Form” (required of all students registered for Fall classes) and payment, if a balance is due.

**AUG. 19-20** — THURSDAY-FRIDAY. Faculty workshop.

**AUG. 21** — SATURDAY. Residence halls open for new students, 9:00 a.m.

**AUG. 21-24** — SATURDAY-TUESDAY. New Student Orientation.

**AUG. 22** — SUNDAY. Residence halls open for returning students, 2:00 p.m.

**AUG. 23-24** — MONDAY-TUESDAY. Advising and registration for new and returning students.

**AUG. 25** — WEDNESDAY. Classes begin.

**AUG. 26** — THURSDAY. Last day to withdraw and receive 100% tuition/fee refund.

**AUG. 31** — TUESDAY. Last day to withdraw and receive 80% tuition/fee refund.
ACADEMIC CALENDAR

SEPT. 2 ..................THURSDAY. Last day to add a class for academic credit.
SEPT. 7 ..................TUESDAY. Last day to withdraw and receive 60% tuition/fee refund.
SEPT. 14 ...............TUESDAY. Last day to withdraw and receive 45% tuition/fee refund.
SEPT. 21 ...............TUESDAY. Last day to withdraw and receive 25% tuition/fee refund.
SEPT. 28 ...............TUESDAY. Last day to drop a course or withdraw without possible academic penalty.
SEPT 29 ...............WEDNESDAY. Junior Qualifying Examination (JQE).
OCT. 2 ..................SATURDAY. Junior Qualifying Examination (JQE).
OCT. 11 ..................MONDAY. Last day to file for graduation for students completing requirements by the end of Spring 2005.
OCT. 11-15 ............MONDAY-FRIDAY. Mid-semester period.
OCT. 16 ..................SATURDAY. Homecoming.
OCT. 20 ...............WEDNESDAY. Mid-term grades due.
OCT. 22 ..................FRIDAY. Classes dismissed for Fall Break, 5:00 p.m.; cafeteria service ends with evening meal; residence halls closed for Fall Break, 6:00 p.m.
OCT. 25-26 ............MONDAY-TUESDAY. Fall Break (Faculty and students – no classes).
OCT. 26 ...............TUESDAY. Residence halls reopen, 3:00 p.m.
NOV. 23 ...............TUESDAY. Classes dismissed for Thanksgiving Holiday at 9:45 p.m. (evening classes will meet); cafeteria service ends with evening meal; residence halls close, 6 p.m.
NOV. 24-26 ............WEDNESDAY-FRIDAY. Thanksgiving Holidays (no classes).
NOV. 28 ..................SUNDAY. Residence halls reopen, 3:00 p.m.
DEC. 8 ...............WEDNESDAY. Last regular class day.
DEC. 8 ..................WEDNESDAY. Last day to withdraw or drop a course.
DEC. 9 ..................THURSDAY. Study day.
DEC. 10-15 ............FRIDAY-WEDNESDAY. Final examinations.
DEC. 17 ..................FRIDAY. Final grades due; rehearsal for Winter Commencement 10:00 a.m.; cafeteria service ends with evening meal.
DEC. 18 ..................SATURDAY. Winter Commencement, 10:00 a.m., Rogers Spiritual Life Center; official graduation date; residence halls close, 3:00 p.m.

SPRING SEMESTER 2005

JAN. 4 ...............TUESDAY. Deadline for completed “Student Account Information Form” (required of all students registered for Spring classes) and payment, if a balance is due.
JAN. 9 ..................SUNDAY. Residence halls open, 2:00 p.m.
JAN. 10 ..................MONDAY. Advising and registration for new and returning students.
JAN. 11 ..................TUESDAY. Classes begin. Observe Monday class schedule (makeup day for MLK Day).
JAN. 13 ..................THURSDAY. Last day to withdraw and receive 100% tuition/fee refund.
JAN. 17 ..................MONDAY. Martin Luther King Holiday (no classes); limited food service.
JAN. 18 ..................TUESDAY. Last day to withdraw and receive 80% tuition/fee refund.
JAN. 20 ..................THURSDAY. Last day to add a class for academic credit.
JAN. 25 ..................TUESDAY. Last day to withdraw and receive 60% tuition/fee refund.
FEB. 1 ..................TUESDAY. Last day to withdraw and receive 45% tuition/fee refund.
FEB. 7 ..................MONDAY. Last day to file for graduation for students completing requirements by the end of May term or July term 2005.
FEB. 8 ..................TUESDAY. Last day to withdraw and receive 25% tuition/fee refund.
FEB. 15 ..................TUESDAY. Last day to drop a course or withdraw without possible academic penalty.
FEB. 23 ..................WEDNESDAY. Junior Qualifying Examination (JQE).
FEB. 26 ..................SATURDAY. Junior Qualifying Examination (JQE).
FEB. 28-MAR. 4 ....MONDAY-FRIDAY. Mid-semester period.
MAR. 9 ..................WEDNESDAY. Mid-term grades due.
MAR. 18 ..................FRIDAY. Cafeteria service ends with evening meal; residence halls close, 6:00 p.m.

ACCREDITATIONS
East Texas Baptist University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501) to award associate and bachelor’s degrees. The University is authorized to certify teachers under authorization of the State Board for Educator Certification (SBEC) and is an accredited member of National Association of Schools of Music. ETBU is also authorized to educate students to sit for licensure examinations offered by the Board of Nurse Examiners for the State of Texas. The Nursing Program is accredited by the Commission on Collegiate Nursing Education and the Board of Nurse Examiners for the State of Texas.

OTHER MEMBERSHIPS
The University holds other memberships in the American Association of Colleges of Nursing, the Association of Southern Baptist Colleges and Schools, the Association of Texas Colleges and Universities, the Independent Colleges and Universities of Texas, the Texas Association of Colleges for Teacher Education, the Texas Association of Music Schools, the Council for Christian Colleges and Universities, and the National Collegiate Athletic Association.
THE EAST TEXAS BAPTIST UNIVERSITY 2004-05 CATALOG is a statement of present policies. Information in this catalog is as complete and accurate as possible at the time of publication. Please consult the website at www.etbu.edu for past and future catalogs as well as changes required since publication. East Texas Baptist University reserves the right to amend, add to, or delete any or all policies, procedures, requirements, tuition, fees and charges, major requirements, course offerings, class schedules, teacher assignments, and any or all aspects of its educational and co-curricular programs at any time without prior notice which are published in this catalog. Departments are authorized to update for all enrolled students those approved requirements within a program which are considered necessary for meeting professional standards or requirements of various accrediting agencies. Degree requirements for students admitted under this catalog and continuously enrolled expire at the end of the 2009-2010 academic year.

The value of programs offered in terms of achievement, employment, professional licensing, or other measure are in large part dependent on market conditions and factors beyond the University’s control. The University makes no representation or contract that following a particular course or curriculum will result in specific achievement, employment, or qualification for employment, admission to degree programs, or licensing for particular professions or occupations.

Other university policies or regulations are located in the Student Handbook and through other materials available to students.

PRIVACY AND DISCLOSURE OF STUDENT RECORDS

East Texas Baptist University is committed to complying with the Family Educational Rights and Privacy Act of 1974. Certain student information has been determined as public information under the terms of the act. This may include release of name, address, telephone number, e-mail address, date and place of birth, major field of study, participation in university sports and activities, weight and height of athletic team members, dates of attendance, degrees and awards received, and previous educational institutions attended. (A more complete description of the Family Educational Rights and Privacy Act may be located in the Office of Student Services.)

NON-DISCRIMINATION

East Texas Baptist University does not illegally discriminate in its programs or activities on the basis of race, color, national origin, sex, religion, disability, age, or status as a veteran or disabled veteran. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Dr. David Brooks, Vice President for Student Services
East Texas Baptist University
1209 N. Grove • Marshall, TX 75670-1498 • 903-923-2320

DISABILITIES

No individual who is otherwise qualified will be denied admission or excluded from participation in the University’s programs or activities solely by reason of a disability. Any student who needs accommodation for a disability must notify the Advising and Career Development Center as soon as possible after admission and at least thirty (30) days before the beginning of classes. The Advising and Career Development Center will require appropriate documentation of the disability and can assist in arranging reasonable accommodations for students with respect to advising, financial aid, registration, instruction, and campus residency.

Students with Disabilities. Disability compliance is coordinated through the Advising and Career Development Center. Students with disabilities and learning disorders are encouraged to contact the Director of Advising and Career Development at least thirty (30) days prior to the beginning of each semester. This office with the support of other divisions coordinates reasonable accommodations for students with documented disabilities.
MISSION STATEMENT

East Texas Baptist University is an undergraduate institution affiliated with the Baptist General Convention of Texas since 1912. Our purpose is the development of intellectual inquiry, social consciousness, wellness, skills for a contemporary society, global awareness, and Christian character, for we believe that these endeavors prepare students to accept the obligations and opportunities to serve humanity and the Kingdom of God. Our primary focus is on a quality academic program of baccalaureate studies in the humanities, natural and social sciences, fine arts, and selected professional areas. We are committed to Christian stewardship and to providing and maintaining an environment conducive to learning, leadership development, and academic excellence. We affirm that the liberal arts form the surest foundation for education and that the Christian faith provides the surest foundation for life.

We strive to serve students of varied ages and of diverse socioeconomic, geographic, cultural, ethnic, and religious backgrounds. We seek students who demonstrate a potential for success in our supportive and challenging environment. We employ Christian faculty who are dedicated to teaching, scholarship, advising, and service as they model the principles of the Christian faith. As a Baptist university we are committed to the integration of learning and Christian faith in the pursuit of truth.

THE VISION STATEMENT

Our vision is to provide “A World of Opportunity in a Community of Faith.”

BAPTIST HERITAGE

Education

Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ’s people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the preeminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.
Academic instruction at East Texas Baptist University began in 1917 with the inaugural session of a two-year institution known as College of Marshall. The campaign to launch the college had begun in 1911 and was led by William Thomas Tardy, pastor of Marshall’s First Baptist Church. Tardy negotiated the purchase of 100 acres of the original K. M. Van Zandt family plantation for $25,000. Keeping 50 of the 100 acres on Van Zandt Hill in northwest Marshall, the college subdivided and sold the remaining property. Marshall’s citizens subscribed another $70,000, and the Baptist General Convention of Texas assumed control of the college, appropriating $40,000 for buildings and furnishings. The trustees applied for and received a charter from the State of Texas in 1912, and Thurman C. Gardner, an early day Baptist Training Union leader, became the first president in 1913.

For the first building, Marshall Hall, contractors broke ground on July 5, 1915. Of neoclassical architecture and completed in 1916, Marshall Hall crowned the highest point in Harrison County. The robust building was a self-contained educational facility with a ground floor gymnasium, main floor administrative offices, laboratories, and library, third floor classrooms, and a chapel/theatre on the top floor.

The first freshman class registered in 1917 under President Henry Eugene Watters (1916-1918). The college boasted a teaching faculty of nine members. By the academic year 1918-19, some 300 students were enrolled in either a junior college or an academy curriculum. With World War I raging, a student cavalry unit drilled regularly on the college grounds.

New dormitories soon encircled the classic campus quadrangle. In 1924, Dr. Franklin S. Groner, the Secretary of the Baptist General Convention of Texas, conveyed the Baptists’ commitment to assume the college debt if the Marshall Chamber of Commerce would supply $12,500 annually for five years, enabling it to remain open.

Leading the college during the trying days of the great depression, Dr. Franklin Groner (1928-42) assumed the presidency and instituted a permanent endowment program. In 1935, an additional 43 acres were purchased, including the land and buildings of the St. Joseph’s Boys Industrial Orphanage, some of which was converted to men’s housing. In 1938, Baptist layman and builder Fred Hale broke ground for Laura Groner Hall, a modern residence hall for women. A reduced replica of Mt. Vernon, the stunning structure stood complete in 1940, its austere construction having cost only $10,500.

World War II robbed the campus of its men and resources. By 1943, only 137 students remained. In 1944, the trustees, making perhaps the most important decision in the institution’s history, asked the Baptist General Convention of Texas to elevate the college to four-year status and to change the name to East Texas Baptist College.

A former pastor of First Baptist Church, Midland, Texas, Dr. Harvey Daniel Bruce (1942-1960), the college’s ninth president, oversaw a vigorous postwar enrollment and building boom. Veterans arrived on campus, many bringing their families, and enrollment briefly surpassed 800. Prefabricated war surplus family housing was erected on the campus perimeter.

The college added Scarborough Chapel in 1948, which was built in the neo-Gothic style. Also added were Feagin Hall, a new men’s residence facility; a cafeteria and student center; and additions to the women’s residence hall, which was renamed for Merle Bruce, wife of the college president. Two ornate, neo-classical buildings were added in the 1950s, Sanderson Hall (now Craig Hall) to house the laboratory sciences departments, and Harvey Daniel Bruce Hall as the new library/administrative complex. Keys Gymnasium was built in 1960. In 1961 a new women’s residence hall, named after Evelyn Linebery, with its long portico and roomy plantation-style architecture, was completed.

Dr. Bruce labored to establish a liberal arts tradition, along with strong degree programs in Bible and religion. His administration’s crowning achievement came in 1957 when the Southern Association of
Colleges and Schools granted accreditation to East Texas Baptist College.

Under Dr. Howard C. Bennett as president (1960-76), the academic program established enduring credibility. Dr. Bennett, the former pastor of First Baptist Church, Kilgore, oversaw construction of the new Howard C. Bennett Student Center in 1973.

Dr. Jerry Dawson (1976-85), who had been Graduate Dean at Southwest Texas State University, became the first professional educator to lead the college. By 1982, the postwar “baby boom” peaked and enrollment stood at 920 students. A spacious new president’s home replaced the stately residence that Drs. Bruce and Bennett had occupied. After the opening of the Mamye Jarrett Library in 1979, H. D. Bruce Hall became available for the Religion and Teacher Education departments. Married students occupied several new brick housing units. Charles Fry Hall for Men was opened. As age claimed some of the original college buildings, the older men’s dormitory, buildings of the old orphanage, and various frame and prefabricated structures were dismantled during the 1970s and 1980s.

In 1984 the University Charter revision changed the institutional name to East Texas Baptist University. However, by 1985, enrollment gains had eroded. During the interim presidency of Dr. Harvey Lewis (1985-86), the University met various deferred maintenance and operating needs.

The former president of two other Baptist institutions from 1961 to 1986, Dr. Robert Craig (1986-92) launched a building program of unprecedented proportions, including the Fred Hale Business Building in 1988-89. Other subsequent construction projects were the Jenna Guest Music Building, the Louise Rogers Spiritual Life Center; major additions to the Bennett Student Center, construction of the Clifford Nelson Murphy Science Hall, and the Mabee Housing Complex.

The untimely death of Dr. Craig in March 1992, only two months prior to his announced retirement, was followed by the leadership of Dr. Bob E. Riley (1992-Present), who had been President of the Howard County Junior College District in Big Spring, Texas. Under Dr. Riley, the University experienced record student enrollments.

The campus continued to develop under President Riley’s leadership with the 1995 completion of the Dean Healthplex and Ornelas Gymnasium. Fall 1996 found the opening of The Joseph and Louise Ornelas Residential Complex and the renovation of Marshall Hall, which was completed in 1997. Meadows Hall, which houses the Murphy Instructional Technology Center and the Department of Mathematics was renovated and occupied beginning with the fall semester of 1999. The University Apartments opened in fall 2002, and the renovation of Scarborough Chapel into Scarborough Hall was complete in January 2004.

As the University seeks to streamline academic planning and to continue development of its academic and co-curricular programs, the task remains, as always, to affirm and focus the ETBU mission, to see God active in all its parts, and to sustain faithfully the ethical, spiritual, and intellectual foundations of a truly Christian liberal arts education.

THE ALUMNI ASSOCIATION

The University maintains an alumni office which serves as the primary link between the University and its graduates and former students.

Alumni are organized into a functioning body known as the Alumni Association of East Texas Baptist University. This Association is not only concerned with the welfare of graduates and former students of the institution but is vitally interested in developing a stronger university with a broad base of financial support. Presently the Association is seeking to increase the corpus of the Rufus Spraberry Memorial/Alumni Endowed Scholarship to $150,000. The scholarship serves to encourage families to make attending ETBU a family tradition. Students may apply for these scholarships during the spring semester.

The constitution of the Alumni Association offers two types of memberships: lifetime and annual. Further information regarding these memberships may be obtained from the Office of Alumni Relations.

THE CAMPUS

Located on Van Zandt Hill in the northwestern portion of Marshall, Texas, the university campus of over 200 acres occupies a site of scenic beauty. The buildings are grouped in a setting of native oaks and pines surrounded by sloping lawns. Evergreens and other shrubs employed in landscaping the grounds add to the natural beauty of the campus.

ANDERSON SPORTS COMPLEX, named to honor Marshall and Joan Anderson of Tenaha, Texas, includes all sports fields in the area: Young Field, Taylor Field, a soccer field, and the sand volleyball court.

CARLILE-HOWELL HALL, a brick and steel building, is a multiple use facility dating from the early 1980s. It now serves as the field house for the football program and provides athletic offices.

CHARLES E. HERRINGTON SERVICE CENTER, located at the southwest corner of the University, houses the offices of Public Relations and Marketing and Physical Facilities. It was dedicated on April 28, 2000, by Louise Ornelas and her husband, Joseph Z. Ornelas, as a memorial to Mrs. Ornelas’ late brother.

CHARLES FRY HALL is a one-story air-conditioned residence hall for 103 men. This facility is reserved mainly for upperclassmen. It features two-person private-entry suites with bath.

DEAN HEALTHPLEX, featuring the ORNELAS GYMNASIUM, which opened in May 1995, provides two physical education classrooms, six offices for staff, four racquetball courts, and an exercise area equipped with technologically advanced training equipment.

EVELYN LINEBERY HALL was completed in 1961 and provides gracious accommodations for 172 single female upperclassmen. It has a formal parlor, laundry facilities, and an apartment for the director. Its neo-classical architecture and wide portico are distinctive for classical configuration and beauty.

FEAGIN HALL is a spacious four-story air-conditioned residence hall of colonial design. It provides accommodations for 139 men and an apartment for the director. It features four-person suites with central bath.

FRED M. HALE BUSINESS BUILDING, occupied in the fall of 1989, houses the Fred M. Hale School of Business. Central to the building is its large multipurpose lecture hall.

GARDNER APARTMENTS on Van Zandt Street were completed in 1978 and originally consisted of eight one-bedroom apartments of 640 square feet each. These are equipped with ranges, refrigerators, and air conditioning. The completion of sixteen more one-bedroom apartments in 1981 brought the total to twenty-four.

HARVEY DANIEL BRUCE HALL, completed in 1956, is a two-story brick structure of Georgian Colonial design. Originally a library and administrative center, it has been renovated to provide offices, laboratories, and classrooms for the Departments of Teacher Education and Modern Languages. It also contains the Center for the Professional Development of Teachers.

HOWARD C. BENNETT STUDENT CENTER, which was completed in the fall of 1973 and expanded and renovated in the spring of 1991, houses the Division of Student Services. Facilities include the central lounge, the main cafeteria, a Chick-fil-A franchise, private dining rooms, the bookstore, post office, and game room. It is designed as the focal point for campus life for commuting and residential students, alumni and visitors, and for special events. Baptist Student Ministry offices are housed on the second floor.
JENNA GUEST MUSIC BUILDING, occupied in the fall of 1990, houses the School of Music and Fine Arts. It provides classrooms for music instruction, rehearsal halls for theatre and choir, studio/offices for applied music instruction, practice rooms, a music technology center, the Kawai electronic piano laboratory, and the 168-seat Mabee Recital Hall. Theatre Arts academic, production and administrative space, as well as visual arts administration are housed in the Jenna Guest Building.

MABEE HOUSING COMPLEX was completed in August 1992 and is a two-story, 126-bed apartment building for single female upperclassmen offering four private rooms per apartment with two three-bedroom apartments designed to accommodate mobility-impaired students. The wings open onto private courtyards leading to a commons area which contains an office, a laundry room, a social room, and an upstairs apartment for the director.

MAMYE JARRETT LIBRARY was made possible by the generosity of Mamye Jarrett, a longtime resident of Garrison, Texas. The library occupied the building in 1979. Housing some 115,000 volumes, additional resources include government documents, newspapers, periodicals, microforms, cassettes, recordings, video disks, video tapes, and curriculum materials. A newly automated catalog system enables students to quickly access information resources available on campus as well as from various external sources. A specialist in information technology will access additional sources from satellite transmission and traditional audio-visual materials.

Of Georgian design, the learning center has 30,000 square feet of floor space, a stack capacity of over 125,000 volumes, and space for 250 reader stations. The library has open stacks, audiovisual services, and comfortable reading facilities. An exhibit area features the renowned presidential wood cuts of mosaic artist James B. Mason donated by Mr. and Mrs. Cecil Keys of Longview plus various rare American Indian and other artifacts. The College of Marshall Heritage Hall, which commemorates the historical heritage of East Texas Baptist University, is located in the library.

MARSHALL HALL, a four-story fireproof brick building completed in 1916, was the first permanent structure erected on campus. It was partially renovated and air-conditioned during the summer and fall of 1985. It underwent complete renovations during the 1996-97 academic year and reopened for the Fall 1997 semester. It houses a spacious classroom, laboratory, and office facilities for the Department Behavioral Sciences, as well as serving as the University Administrative Center.

MEADOWS HALL, was first completed in 1949 and received its second major renovation, reopening for the Fall 1999 semester. It houses the Murphy Instructional Technology Center, classrooms, and the Department of Mathematics. The Center includes a multi-media classroom, mathematics learning center, and technology training center.

MERLE BRUCE HALL is a three-story, air-conditioned residence hall. The original building was completed in 1924 and subsequent additions led to its present configuration. Attractively furnished, it provides facilities for 139 freshman women and has laundry facilities, a large social room, a spacious reception hall, and an apartment for the director.

MURPHY SCIENCE BUILDING, newly occupied in the fall of 1991, provides classrooms, laboratories, and offices for the Departments of Biology and Chemistry-Physics.

ORNELAS GYMNASIUM provides for intercollegiate athletic contests for both men’s and women’s basketball and for women’s volleyball. It will seat 1,800 for athletic contests and up to 2,500 for special events. The facility includes an indoor jogging track, a fully equipped athletic training room, and ample locker room space for physical education classes, athletic teams, and faculty/staff. The “Tiger Room” is located at court level and provides an attractive location for meetings of the East Texas Baptist University Athletic Association, alumni, and friends of the University.

ORNELAS RESIDENTIAL CENTER was completed in June 1996 and is a two-story, 191-bed apartment building for single male upperclassmen offering four private rooms per apartment with one three-bedroom apartment designed to accommodate mobility impaired students. A spacious main lobby is located in the Center with two separate laundry facilities, private courtyards, office, storage room, and an apartment for the director.

ORNELAS STADIUM, named for Joseph and Louise Ornelas of Tyler, is the home of the East Texas Baptist University Tiger football team.
PRESIDENT’S HOME, a colonial-style home, was completed in 1977 and graces the campus from a high point on the north perimeter of the campus.

REDWINE HALL was acquired from the Marshall Independent School District in 1989. The building now services the Instrumental Program and contains a 3000 square foot band hall, faculty offices, practice rooms, and additional support space.

ROBERT E. CRAIG HALL is a two-story brick building of Georgian Colonial architecture. Dating from the mid-1950s, it formerly housed the science programs. It was extensively renovated in 1992 for the Department of Nursing and renamed for the former University president.

ROGERS SPIRITUAL LIFE CENTER, first occupied in July 1991, contains the 1,501-seat BAKER AUDITORIUM for the University community to convene for religious services, cultural and educational programs, and conferences. A multipurpose room, the Edwards Conference Center, provides additional facilities. A speech and preaching laboratory serves the academic program. Office space for the Division of Spiritual Development and the Department of Religion is also located there.

SCARBOROUGH HALL, dating from 1948, was originally built as Scarborough Memorial Chapel as a memorial to W. F. and Kara Scarborough and to Lee R. and Neppie Scarborough. Renovations completed in 2004 transformed Scarborough into a four-story academic building housing offices and classrooms for the School of Christian Studies, Departments of Communication, English, History/Political Science/Geography, and Academic Advising and Career Development.

SIMS-WEBB APARTMENTS, completed in 1974, consist of eight contemporary apartment units primarily for married students. The Cobb Apartments, a similar unit constructed as a pilot project, were completed and occupied in 1973. The sixteen two-bedroom apartments housed in the two buildings on Van Zandt Street contain more than 700 square feet each and are equipped with ranges, refrigerators, and air conditioning.

SOCcer FIELD, located on the North edge of campus, is the home of the East Texas Baptist University soccer teams.

TAYLOR FIELD, named for Earl and Louise Taylor of Linden, Texas, is the home of the East Texas Baptist University Lady Tigers softball team.

THE UNIVERSITY APARTMENTS have 100 male and 100 female beds arranged in a series of six separate buildings containing apartments housing four students in their own private room. The apartments are furnished with living room furniture, refrigerator and stove. In the center of the complex is the commons building which includes laundry facilities, two conference rooms for study and meetings, and a large lounge area furnished with tables, couches, snack bar, and big screen television.

WARREN F. KEYS GYMNASIUM, dating from 1960, provides additional space for intercollegiate athletics, intramural games, physical education classes, exercise and recreation areas. The gymnasium accommodates basketball, volleyball, badminton, and other student recreational activities.

YOUNG FIELD, named for A.C. and Sibyl Young of Dekalb, Texas, is the home of the East Texas Baptist University varsity baseball team.
ADMISSION AND ENROLLMENT

ADMISSION

East Texas Baptist University welcomes applications from all prospective students who meet its requirements and qualifications. Persons who wish to apply may obtain the required forms by writing the Office of Admissions, East Texas Baptist University, 1209 North Grove, Marshall, TX 75670-1498, or visit the website at www.etbu.edu. Applicants for admission must:

1. Submit a completed Application for Admission and Financial Aid.
2. Send an Application Fee of $25.00 with the Application for Admission and Financial Aid.
   (International Student Application Fee is $50.00 US - Re-enter fee is $15.00)
3. Submit official copies of the required transcripts. Entering freshmen with less than 24 transferrable semester hours must send a copy of their official high school transcript with a seal of authenticity, class rank, and date of graduation. A seventh semester transcript should be sent early to expedite the admissions decision. A final official transcript is required prior to attendance of university classes. All students with prior college level experience are required to disclose all colleges attended and present official transcripts prior to a decision on admission.
4. Submit ACT or SAT scores. Applicants with 24 or more transferable college semester hours are not required to submit test scores. Registration for these tests may be obtained by contacting your local high school counselor or by calling the ETBU Office of Advising. For students unable to take the national administration of these examinations, a residual ACT is offered on the campus of ETBU during the orientation process. These scores may only be used for ETBU purposes.
5. Exhibit good character, in the judgment of the University. East Texas Baptist University reserves the right to deny admission to any individual who has been convicted of a felony or a Class A (or equivalent) misdemeanor.

Once a student has submitted the required credentials, a decision regarding admission or denial of admission of the student to the University will be made in a timely manner. The student will be notified by mail by the Dean of Admissions.

ADMISSION REQUIREMENTS FOR THE BACHELOR OF APPLIED SCIENCE

1. Since the degree presumes a level of previous learning from employment or related activities, students must be a minimum of 25 years of age by the end of the previous academic year.
2. Essay [1-2 pages in length] indicating the reason for pursuing the degree.
3. Up-to-date and complete resume of all employment experiences and other educationally relevant activities/experiences.
4. Students with fewer than twenty-four (24) semester hours of transferable credit must also provide an official high school transcript and ACT or SAT scores.

ADMISSION TO THE FRESHMAN CLASS

Students granted admission to the freshman class are selected from applicants who meet the admission standards of East Texas Baptist University. Information used to determine admission to the University includes:

1. Graduation from an accredited high school with 22 credits, which must include the successful completion of at least 4 credits of English, 3 credits of mathematics, 2 credits of science, 2 1/2 credits of social studies, 1/2 credit of economics, 1 1/2 credits of physical education, 1/2 credit of health education, 1 credit of technology applications, 1/2 credit of speech, 1 credit of academic elective from world history, world geography, or an approved science. These standards conform to the Texas State Graduation requirements, minimum graduation plan.
2. Satisfactory test scores on either the ACT or SAT examination. The ACT is the preferred test and is offered residually at ETBU during the orientation process for those students unable to take it on a national test date. Acceptance may be granted to students who rank in the upper 40 percent of their graduating classes or have either a composite ACT score of at least 18 or a combined score of 860 or above on the SAT.
3. Evidence of good character.
APPEAL FOR ADMISSION TO THE UNIVERSITY

Applicants with an ACT score of 16-17 or SAT score of 760-850 who are not ranked in the upper 40 percent of their graduating class may appeal to the Admissions Committee. A formal letter of appeal should be submitted along with two letters of reference from individuals who are familiar with both the applicant’s personal profile and academic potential. These and any other relevant documents should be sent to the Dean of Admissions. Once all materials are received, a recommendation will be made by the committee based on the applicant’s portfolio, including diversity of achievements, recommendations, expressed objectives, and academic background. (No more than five percent [5%] of the new full-time students will be thus admitted, based on the previous year’s numerical data.) Admission will be granted on a priority basis, which is dependent upon the completion of all requirements of the application portfolio.

PERMISSION TO REGISTER FOR CLASSES

A student may receive a formal Letter of Acceptance to the University prior to the completion of the admissions file. For a new student to receive permission to register from the Admissions Office, the student must:

1. Complete the Application for Admission and Financial Aid, supplying official copies of the final transcripts from the appropriate schools and the required test scores as well as other required documentation.
2. Submit a completed Health Information form. This form may be obtained from the Office of Admissions and returned to that office. It will be forwarded on behalf of the student to the Office of Student Services.
3. Complete the required assessment testing, ACT or SAT and any other tests required.

GRADUATES FROM NON-ACCREDITED INSTITUTIONS

(INCLUDING HOME-SCHOOLS)

must have a composite ACT score of at least 18 or a combined SAT score of 860 to be granted acceptance to the University. Graduates from non-accredited high schools, including home school students, who score below the minimum on the ACT or SAT tests may follow the process of appeal as stated above.

NON-GRADUATES OF HIGH SCHOOL

may submit, in lieu of a high school diploma, a General Education Diploma (GED) certificate. Acceptance will be granted to holders of the GED certificate who have an ACT composite of at least 18 or a combined SAT score of 860 or better. A GED certificate holder with a minimum grade of 50 who submits an ACT score of 16-17 or a combined SAT score of 760-850 may be granted admission upon action by the Admissions Committee of the University.

AN APPLICANT FOR ADMISSION TO THE FRESHMAN CLASS WITH DEFICIENCIES

in the required pre-collegiate curriculum listed above will be considered for admission based on his or her total record. A student with two or more deficiencies must be admitted by recommendation of the Admissions Committee.

In all cases when a student is admitted with deficiencies, the student must enroll in University courses which remove the deficiencies in the earliest term that such University courses are offered. The deficiencies are absolved and University credit is granted for such courses in which a grade of “C” or better is made. A one-year sequence of two courses in the following will absolve units of deficiency as indicated: 4 credits of English, 3 credits of mathematics, 2 credits of science, 2 1/2 credits of social studies, 1/2 credit of economics, 1 1/2 credits of physical education, 1/2 credit of health education, 1 credit of technology applications, 1/2 credit of speech, 1 credit of academic elective from world history, world geography, or an approved science. In the case of a deficiency of one year or less, a student will be required to successfully complete one semester in the field of deficiency.

ADMISSION OF TRANSFER STUDENTS

Transfer students are students who have earned at least twenty-four (24) semester hours of transferable credit from other institutions. In addition to the general requirements for admission, transfer students must submit all official transcripts of any college attended. Students with fewer than twenty-four (24) semester hours of transferable credit must also provide an official high school transcript and ACT or SAT scores.

Acceptance is granted students who transfer from accredited colleges who meet the general admissions requirements and who are in good academic standing at the last college attended.
The registrar will provide an evaluation of credit transferred from accredited institutions and determine equivalency after transfer students have made application for admission to the University. Only official transcripts are accepted for evaluation.

Students who are on probation at the last college attended may be admitted to the University on probation. Students admitted on probation are limited to enrollment in no more than thirteen (13) semester hours and may be required to enroll in a course to develop appropriate skills during their first semester of attendance. To qualify for re-enrollment in subsequent terms, a student admitted on probation must earn a cumulative grade point average in accordance with university standards cited in the enrollment and attendance section of the catalog.

Junior college transfers are limited to transferring sixty-six (66) semester hours or up to one-half the number of hours required for their chosen degree. Students working towards the Bachelor of Applied Science degree may transfer up to seventy-two (72) semester hours from a junior college for completion of the B.A.S.

Grades on hours transferred to the University are recorded as received. No grade is changed. Course work accepted for credit from other institutions must have a 2.0 cumulative GPA. Courses with a grade of “D” are not acceptable in a major or minor field of study. Courses for which ETBU has no equivalent may be accepted as electives provided they are acceptable in the liberal arts program. In order to graduate, transfer students must make at least a 2.0 grade point average on all work taken at East Texas Baptist University. All graduates of ETBU must have a minimum of thirty-six (36) semester hours in residence at ETBU, with thirty-three (33) of the last forty-two (42) semester hours completed earned in residency at ETBU.

The University does not accept academic work from institutions which are not identified as accredited in Accredited Institutions of Postsecondary Education, published by the American Council on Education. However, students who are transferring from unaccredited institutions may petition the Registrar for an exception to the policy. The acceptance of each course will be determined by an evaluation by the corresponding department offering the course, with the decision of the department being final. The student must supply the following information to assist in the evaluation process:

1. An official transcript.
2. A course syllabus.
3. A catalog from the awarding institution.
4. Other documentation deemed necessary by the department.

Appeals must be made during the student’s first semester of attendance and will be evaluated by the Registrar, any necessary department chairmen, and the Vice President for Academic Affairs.

NON-DEGREE/TRANSIENT STUDENTS

Non-degree seeking students may be admitted if they are in transit from another postsecondary institution within the current academic year or the one preceding the current year. Enrollment is limited to seven (7) semester hours in any one term. Transcripts are waived and a non-degree application is required. Those spending consecutive semesters other than summer terms in transit are required to follow regular procedures for admission. Graduates of four-year institutions may be admitted as non-degree seeking students for up to the maximum hours allowable per term. All non-degree-seeking students must show documentary evidence of good standing at the last college of attendance. Students desiring to apply course work toward a degree must be formally admitted to the University.

ADMISSION OF INTERNATIONAL STUDENTS

Applicants who hold citizenship in a country other than the United States and who are not resident aliens of the United States will be considered international students. All federal laws and regulations as stipulated by the Immigration and Naturalization Service will be followed in the admission of international students.

A prospective international student wishing to apply for admission must submit to the Admissions Office all credentials specified in the second paragraph of the Admission to the University section of the catalog. The applicant must also provide the following:
1. Test of English as a Foreign Language (TOEFL) score of 500 or higher (173 or higher on computer based TOEFL) or proof of successful completion of an accredited ESL program.

2. Certification of Finances showing adequate financial support to meet all financial obligations considered to be costs of education.

International applicants to the freshman class who are unable to complete the ACT or SAT testing batteries and who, because of logistical barriers, are unable to complete the examinations prior to arrival in the United States, may be admitted on the demonstrated evidence of graded rankings in their regional systems of secondary education. These are to be evaluated as equal to standards required of students originating from within the United States. Standardized criteria are to be gathered and approved by the Dean of Admissions in consultation with the Admissions Committee. ACT/SAT testing for students admitted on this basis may be required for assessment purposes only.

Additional information concerning meals and housing during school holidays, contact Student Services. Financial requirements, may be obtained by contacting the Admissions Office.

The deadline for completing the Application for Admission for international students is ninety days prior to the start of the initial term of attendance. International students desiring to transfer credits from foreign universities are responsible for submitting to the Registrar professional evaluations of their transcripts. Fees for evaluation of credit are the responsibility of the student. The Registrar will determine which credits transfer and how they fit into the student’s degree plan.

PRE-COLLEGIATE RESIDENTIAL EXPERIENCE PROGRAM (PREP)

The PREP Program is designed to give capable students the opportunity to experience the quality of life and education offered at ETBU prior to graduation from high school. High school students between their junior and senior years may be admitted to East Texas Baptist University as part of the summer session(s) if they meet the following requirements:

1. Have a “B” average over three years of high school studies (80 or better on a 100 point scale; 3.0 or better on a 4.0 scale).
2. Are recommended by their high school principal or counselor.
3. Are at least 16 years of age by the first day of class and have completed the junior year in high school.

College credit is given upon graduation from high school for successful completion of courses taken in the early admissions program.

Students enrolled in the PREP Program are required to enroll in at least four semester hours but not more than seven semester hours per summer session. The PREP Program fee covers all tuition and fees, room, and board. Books and supplies must be purchased separately.

This program is not offered every year. Contact the Admissions Office for information.

EARLY ADMISSION OF HIGH SCHOOL STUDENTS

Part-time, non-degree seeking students currently enrolled in secondary school may be admitted to the University through special permission prior to their graduation from high school. Such students must have completed at least six semesters (three years) of graded high school work, have transcripted evidence of at least a 3.0 grade point average on a 4.0 scale, or the equivalent, for all high school work, and have the written recommendation of a school counselor or principal. Enrollment will be limited to no more than two classes or seven semester hours in any term.

Students who wish to be admitted under the above conditions and have not completed six semesters of high school work must submit a personally written statement related to the request, a written statement from a parent or guardian, a written statement from a school counselor or principal, and transcripted grades of any secondary school work completed. Recommendations to admit the above students will be made by the Admissions Committee. Such students will be limited to two courses or seven (7) semester hours in a given term.

Students applying under the above conditions must also fulfill requirements listed under the regular admission process. Students not fulfilling requirements cited above in all other cases must appeal for admission through the above committee.
ENROLLMENT AND ATTENDANCE POLICIES

ACADEMIC ADVISING AND REGISTRATION

The Advising and Career Development Center will assign all newly admitted students an academic advisor. The academic advisor will assist the student in planning his or her academic program and will approve the enrollment schedule for each semester. A student will not be authorized to register without the signature of his or her assigned advisor. Students returning after a semester’s lapse should contact the Advising and Career Development Center before registration. Students must have all financial accounts in good standing in order to register.

NOTE: While ETBU endeavors to provide accurate advising information and assistance, the student has final and complete responsibility for the selection of and registration in courses.

ACADEMIC DISCIPLINE

Conflicts involving matters of academic discipline will follow the academic appeals procedure described in the Student Handbook. These conflicts include, but are not limited to, cheating, plagiarism, student grievances related to academic assignments and classroom procedures, and violations of stated academic policies described in this catalog. All such incidents are required to be reported to the Vice President for Academic Affairs, who will refer to advisory guidelines outlined in the Student Handbook. Disciplinary measures may include dismissal from the University, failure of the class in question, failure of particular assignments, and/or disciplinary probation, which may include forfeiture of academic honors and/or involvement in certain academic and extra curricular programs.

Questions related to academic discipline should be referred to the Office of the Vice President for Academic Affairs or the Vice President for Student Services.

ACADEMIC LOAD

Full-time status requires that the student be enrolled in a minimum of twelve (12) semester hours during the fall and spring semesters. The normal load for students is fifteen to eighteen (15-18) semester hours. Students who need fewer than twelve (12) semester hours to complete all degree requirements and are in their final semester of enrollment will be treated as full-time students for athletic eligibility or campus residence purposes. Students who are enrolled in fewer than 12 hours during either a fall or spring term and wish to live in campus housing must obtain permission from the Office of Student Services.

A student in his or her first semester will not normally be permitted to take more than seventeen (17) semester hours of class work, including physical activity credit. After completion of one semester at the University, students in good academic standing may schedule as many as eighteen (18) semester hours.

Upon approval of the Office of Academic Affairs, a student may be permitted to carry nineteen (19) hours a semester if the following conditions are met:

1. A 2.5 grade point average on all previous work.
2. A 3.0 grade point average on the previous semester’s work.
3. At least 15 credit hours of work completed at East Texas Baptist University.

No more than seven (7) semester hours is authorized during each summer term (May, June, July).
ACADEMIC OR COURSE WITHDRAWALS

Students may withdraw without academic penalty through the date listed on the academic calendar. The student must withdraw officially. Failure to do so will result in an assigned grade of “F.” A student who withdraws from the University or falls below full-time status during the drop and add period will have a notation of “W” (Withdraw) posted to the official transcript. A student who withdraws from a course or courses or the University after the last day to register for credit through the fifth week of a regular semester (or a proportionate number of days for short terms) will have a notation of “W” (Withdraw) placed on his/her official transcript, indicating that there is no academic penalty. From the sixth week through the last class day (or a proportionate number of days for short terms) the student will have a notation of “W” (Withdraw) or “WF” (Withdraw Failing) on his/her official transcript. A grade of “WF” will be counted as hours attempted and used in computing the cumulative grade point average until the course is repeated with a passing grade.

A student may withdraw from a course or courses or from the University beginning with the first day through the last class day. A student may not withdraw from a course after exceeding the number of absences allowed according to the Class Attendance Policy in this Catalog.

To withdraw from a course or courses or from the University the student must secure a withdrawal form from the Registrar’s Office and follow the directions on the form, securing all required signatures. Parents or guardians of a single student under eighteen years of age will be notified by the University of the student’s withdrawal from the University. Students must process their own withdrawals.

Any refunds due to the student as a result of withdrawing from a course or from the University will be governed by the policies stated in the Refunds section of the Finances pages of this catalog. Failure to complete the official process will result in the forfeiture of any refund to which the student may be entitled.

Any student who withdraws from or otherwise leaves the University without clearing his/her financial record (i.e., without having returned borrowed books and equipment, paid any outstanding fines, and settled other financial matters with the University) will be subject to the following restrictions until such time that the record is cleared:

1. The student will not be permitted to re-enroll.
2. The student will not be eligible to receive a transcript of academic work completed.
3. The student will not be issued a diploma.

Students called into active military duty during a semester will be allowed to withdraw from courses in which they are enrolled without penalty. Official military orders should be presented in the Office of the Registrar at the time a student must stop attending classes. Upon presentation of a copy of the student’s official military orders, the student will have the following options:

1. The student may withdraw from a course or all courses with full refund of tuition and fees.
2. Depending on the point in the semester at which orders are received, the Vice President for Academic Affairs may permit final grades to be assigned based upon grades earned at that time.
3. Depending upon the point in the semester at which orders are received, the student may request grades of Incomplete with no restriction on completion date.

ADMINISTRATIVE WITHDRAWAL OF STUDENTS

Fraud or misrepresentation in any part of the admission or registration process, academic misconduct, social discipline, and special circumstances outside the control of the University may lead to the administrative withdrawal of a student. In the case of involuntary withdrawal, the chief administrative officers for Student Services, Enrollment Management, Administration and Finance, and Academic Affairs may initiate the withdrawal process and all must be notified of the withdrawal.

ACADEMIC PROBATION

A student may be placed on Academic Probation at the end of any semester or term in which the student fails to maintain “Good Academic Standing” (see page 23). He or she has one calendar year to raise his or her cumulative GPA to the required minimum, thus removing the probation. During that period, the student will be subject to the terms of an official Plan to Remove Academic Deficiencies, which may include a course to develop appropriate skills. Students who fail to meet the terms of the deficiency plan within the time allotted will be subject to Academic Suspension. The Academic Probation may be removed at the end of any semester or term if the cumulative GPA has been raised to or above the minimum GPA required for “Good Academic Standing.” First time freshmen whose initial enrollment is in a summer term will be evaluated at the end of the subsequent Fall semester.
Students on Academic Probation and/or those not making satisfactory academic progress as defined in the Financial Aid Programs section of the University catalog may not be eligible for federal/state financial aid. Individual scholarships may also have minimum cumulative grade point average standards. (Consult the Financial Aid office for conditions attached to specific programs or awards.)

**ACADEMIC SUSPENSION**

Students who fail to make satisfactory progress toward a degree after being placed on Academic Probation or Continued Academic Probation will be suspended from attending classes at East Texas Baptist University. The terms of the suspension will be clearly defined in a letter informing the student of his or her suspension.

Students on Academic Suspension will be eligible to re-enroll at the University after one regular semester. Summer terms may be used to correct the conditions of probation or suspension. Reinstated students will be placed on Academic Probation during the first semester of reinstatement and must remove the grade point deficiency within one year or be subject to a second suspension. Students placed on Academic Suspension for the second time will not be eligible to re-enroll until two regular semesters have elapsed. Students will not be allowed to re-enroll at the University following a third academic suspension.

Credit courses taken at another institution while the student is on academic suspension from the University will not be accepted.

**CLASS ATTENDANCE**

East Texas Baptist University is committed to the policy that regular and punctual attendance is essential to successful scholastic achievement. Attendance at all meetings of the course for which a student is registered is expected. To be eligible to earn credit in a course, the student must attend at least 75 percent of all class meetings.

1. Absences begin with the first meeting of a class, and students registering late incur absences from the first class meeting of the semester.
2. Students are responsible for all material covered in class meetings and are expected to meet all class requirements for the course.
3. Students who accumulate university-approved absences (athletic teams, musical organizations, other authorized groups) will be allowed to make up work missed as a result of that activity provided that:
   A. The activity was properly scheduled.
   B. The absence was authorized in advance.
   C. Arrangements were made with their instructors prior to the absence.

Such absences are, nonetheless, counted as classes missed. 

**Note:** All graded in-class activities, which by their nature cannot be taken in advance or made up upon return, will not count against the student’s grade OR may at the discretion of the faculty member be replaced by a different evaluation method.

4. The opportunity to make up work missed as a result of absences other than those identified in Item 3 above may be granted only when the instructor involved grants that privilege. Such absences should be documented by the student to the fullest extent possible.
5. Due to the nature of the content of some courses and some programs of study, more stringent attendance requirements may be required. Students should carefully follow all requirements contained in the course syllabi.

When a student has exceeded the absence limit for a class due to circumstances beyond his or her control, the student may appeal in writing. The appeal must be submitted to the Vice President for Academic Affairs Office and must document all absences and reasons for those absences. The appeal may be forwarded to the Deans Council, who will either:

1. Deny the appeal and hold the student to the absence policy.
2. Uphold the appeal and, with the consent of the instructor(s), develop a plan for allowing the student to make up work missed.

No appeal will be heard after six weeks from the date the student is notified that the absence limit has been exceeded.
CLASSIFICATION OF STUDENTS

Classification of students will be determined by the number of credits earned.

Classification is as follows:

Freshman: Less than thirty (30) semester hours
Sophomore: Thirty (30) semester hours
Junior: Sixty (60) semester hours
Senior: Ninety (90) semester hours and successful completion of the Junior Qualifying Examination (JQE).

COMPUTER COMPETENCY

As a graduation requirement, students must demonstrate basic computer competency by passing the computer competency portion of the Junior Qualifying Examination (JQE). This component of the JQE is satisfied by passing a basic computer competency assessment which consists of a hands-on test of computer skills and concepts.

The skills and knowledge on this test are an integral part of Computer Science 1363, Introduction to Computers. Opportunity to take the JQE Computer Competency test is included in this course. Additional information about the JQE is available from the Advising and Career Development Center.

COURSE GRADES

Credit in each course is dependent upon completion of all academic assignments required for that course. Assigned work may include class recitation, daily written work, tests, library assignments, research papers, laboratory assignments, and other requirements which facilitate learning and which enable the instructor to evaluate the progress of each student. Students will be informed at the beginning of the semester as to course requirements and the criteria for the determination of the final grade.

Student progress is evaluated according to a grading system that considers individual differences, differentiates levels of achievement, and reflects the student's competencies with the subject matter and course skills. Although criteria for grading will vary with subject area and instructor, achievement is indicated by the following grades, which are given by the instructor and placed on the student's Academic Record.

A ..............Superior Quality ................................................Four grade points per credit hour
B..................Above Average ....................................................Three grade points per credit hour
C ..................Strong Average College Level Work ................Two grade points per credit hour
D ..............Fair/Below College Standards ..........................One grade point per credit hour
F ..............No Credit ............................................................No grade points
I ..............Incomplete
IP ..............In Progress

For courses that by design (as indicated in the syllabus) cannot be completed during the semester or term of registration. If a grade of "IP" remains on the transcript after one calendar year from date of enrollment, it will be administratively changed to a grade of "F." A student may not graduate with an "IP" grade on the transcript.

W ..............Withdrew
WF ..............Withdrew Failing
XF ..............Failure due to excessive absences
CR ..............Credit .............................................................No grade or grade points
P ..............Passing .............................................................No grade points
NC ..............No Grade or Grade Points
NG ..............No Grade (Temporary – No grade submitted from instructor at time of posting)

COURSE NUMBERING

Regular University course numbers contain four digits. The first digit indicates whether the course is primarily for freshmen, sophomores, juniors, or seniors; the second indicates the number of hours credit; the third and fourth are a departmental designation. Course numbers containing a 7 as the third digit represent special topics courses and are not included in the catalog. Courses numbered in the 3000s and 4000s are considered to be advanced (upper division) courses.

COURSE PREREQUISITES

In order to ensure adequate student preparation for a particular course, prerequisites are established and listed after the course description. These prerequisites may be other numbered courses, academic standing,
or instructor consent. Students should consult the catalog carefully and adhere to the prerequisites. Permission to enroll in a course for which the student does not meet the published prerequisites must be obtained from the course instructor, the department chair, or the school dean.

**COURSE SUBSTITUTION**

As a part of a major, minor, or teaching specialization, all course substitutions must have the signature of the appropriate department chairman. Authorization forms are acquired from the Registrar’s Office.

**DROPPING AND ADDING COURSES**

Alteration of courses must have the signed approval of the student’s advisor. Dropping a course which simply results in reducing a load, or changing sections of the same course, does not require advisor’s approval. Adjustments to class schedules must be made during the drop and add period (the first seven class days of the fall or spring semesters or proportionate number of days for a short term).

**FRESHMAN SEMINAR**

This one hour course is required for all full-time, first-time freshmen, and each freshman must register for General Studies 1100, Freshman Seminar, during their first semester at ETBU. The course serves as the foundation of the University advising program and is designed to introduce freshmen to the important elements of a college education and the expectations of academic rigor at the University.

**GOOD ACADEMIC STANDING**

In order to be considered in good academic standing, students must maintain a cumulative grade point average (GPA) in compliance with the following:

<table>
<thead>
<tr>
<th>Semester Hours Attempted</th>
<th>Notification*</th>
<th>Minimum GPA</th>
<th>Probation</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-29</td>
<td>2.0 or less</td>
<td>2.0 or less</td>
<td>1.49 or less</td>
</tr>
<tr>
<td>30-59</td>
<td>2.0 or less</td>
<td>2.0 or less</td>
<td>1.74 or less</td>
</tr>
<tr>
<td>60 or more</td>
<td>2.0</td>
<td>1.99 or less</td>
<td></td>
</tr>
</tbody>
</table>

*Note: Notification indicates that while the student is not on probation the cumulative GPA is not sufficient for graduation. The student should strive to always maintain a GPA higher than 2.0.

**GRADE APPEALS PROCESS**

A student has a six-week period following the conclusion of a semester in which to request a grade change or to appeal the assigned grade. The student must follow these steps:

1. The student should first consult with the faculty member who assigned the grade to attempt to resolve the misunderstanding or difference of opinion regarding the assigned grade.

2. If the matter is not resolved in the faculty/student conference, then the student may submit a written request to the appropriate department chair. The written appeal should include all pertinent facts and copies of papers, grades, etc. The department chair will meet with the student and the faculty member to gather additional information as needed and attempt to resolve the issue. The department chair will communicate the results in writing to the student and the faculty member. The department chair will give priority treatment to the request.

3. If the student continues to be dissatisfied, the student may then appeal in the same manner to the Dean of the school which offers the course. The Dean will gather any additional information needed and attempt to resolve the difference of opinion as to the nature of the grade assigned. The Dean will communicate the results in writing to the student and the faculty member. The Dean will give priority treatment to the request.

4. If the student is still not satisfied, he/she may appeal to the Vice President for Academic Affairs who will consider the nature of the appeal and the information gathered as well as the recommendations from the faculty member, department chair, and Dean. The Vice President for Academic Affairs, depending on the nature of the appeal, may refer the matter to the Deans Council or uphold the previous recommendation and communicate the decision to the student. The Vice President for Academic Affairs will give priority treatment to the request.

5. If the appeal is referred to the Deans Council, they may gather any additional information required to make a recommendation to the Vice President for Academic Affairs who will review the Committee's recommendation.

6. The decision of the Vice President for Academic Affairs will be final and ends the appeal process.
GRADE POINT AVERAGE

In the 4-point system as used at East Texas Baptist University, an “A” earns four (4) grade points per credit hour, “B” earns three (3) grade points per credit hour, “C” earns two (2) grade points per credit hour, and “D” earns one (1) grade point per credit hour.

The grade point average is determined by dividing the total number of grade points by the total number of credit hours attempted. When a course is repeated (unless the course is specified in the course description as repeatable for credit), the official grade is the highest grade received, and these hours and grade points will be used in computing the grade point average. All other grades for the same course will be disregarded in computing the student’s grade point average; however, all courses repeated will be shown on the transcript with grades shown and zero hours credit. A 2.0 cumulative grade point average is the minimum required for graduation. Some degrees, majors, and minors require a higher standard. Consult the specific program or degree for further information.

GRADE REPORTS

Students have on-line access to view final grades through Campus Connect. Students who desire a printed copy of their grades must file a request in the Office of the Registrar each semester or term for which a report is desired. Students will be notified at mid-semester when they have a grade below “C.”

INCOMPLETE WORK

A student who has substantially completed a course but who lacks certain essentials of performance due to circumstances beyond his or her control may be granted an “I” (Incomplete). To request an Incomplete, the student must secure an Application for Grade of Incomplete from the Office of the Registrar and must secure the approval of the instructor and the Office of Academic Affairs. The instructor may award the Incomplete grade without a student request. The Application for Grade of Incomplete must be filed with the Registrar before the grade of Incomplete may be placed on the student’s transcript. In determining eligibility for granting an Incomplete, the following guidelines will be utilized:

1. The student must have completed at least twelve (12) weeks (or seventy-five percent of short terms) of classes.
2. The student must not lack more than one-half of the course requirements at the time that the contract is approved.
3. The student must not have exceeded the number of absences set forth in the catalog. If the absence limit has been exceeded, an appeal must be submitted to the Vice President for Academic Affairs, and if the appeal is approved, the student will be allowed to proceed with the Incomplete Contract.
4. All work must be completed within four (4) months of the end of the term in which the contract is approved.

Successful completion of the Incomplete Contract will entitle the student to a regular grade. Failure to complete the Incomplete Contract will result in an automatic grade of “F.”

JUNIOR QUALIFYING EXAMINATION

Successful completion of the Junior Qualifying Examination (JQE) is a graduation requirement. The examination must be taken by all students no later than the semester after they have completed forty-five (45) semester hours and must be passed before attainment of ninety (90) semester hours of university work. Students are prohibited from taking any upper division academic work beyond ninety (90) semester hours should the JQE not be completed successfully. Students may not apply for graduation until the JQE requirement is satisfied. Transfer students with at least forty-five (45) semester hours of transferred college work must take the JQE during their first semester in residence.

The JQE consists of several tests of general education basic skills typically obtained in the first two years of college which are foundational for performance in upper level courses. The student must obtain a satisfactory score on all areas of the JQE. Some areas are embedded in specific courses. For more information about the JQE, contact the Advising and Career Development Center. Test registration materials may be secured from the Center. It is the student’s responsibility to make application for the JQE, usually prior to completing sixty (60) semester hours. More information about the JQE is available through the above office.
The Advising and Career Development Center coordinates placement of all entering students, including transfers, with the Department of English and the Department of Mathematics. The departments will determine a student’s placement before the beginning of the advising and registration process. Placement is determined based on the information listed below in the department proficiency sections. Students may address any questions concerning their placement to the Advising and Career Development Center.

**English Proficiency**
1. English placement for students who do not have credit for English 1301 is determined by ACT English scores. Students with scores of 26 or higher may enroll in English 1392. International students whose English score on the ACT is 18 or lower, or who do not pass the writing examination, will be required to enroll in the English as a Second Language program. All others must enroll in English 1301.
2. As a graduation requirement, all students must demonstrate proficiency in writing and oral communication as evidenced by:
   A. Achieving a grade of at least “C” in English 1301 and English 1302 or 1303. Students desiring to transfer credit for equivalent courses from another institution must have achieved a grade of at least a “C” in those courses.
   B. Passing the writing and oral communication sections of the Junior Qualifying Examination (JQE).

**Mathematics Proficiency**
The academic advisor determines the University mathematics placement based on ACT scores, high school mathematics grades, intended major and degree, and other factors. As a graduation requirement, students must demonstrate proficiency in mathematics by passing the mathematics section of the Junior Qualifying Examination (JQE).

**Modern Language Placement**
The University offers placement examinations in elementary and intermediate Spanish and French for students proficient in any of these languages. Such examinations should be taken prior to beginning studies at the University, and the test for a given level can be taken only once. A variable amount of credit will be awarded based on the student’s score, ranging from four to eleven (4-11) semester hours. An advanced standing examination fee will be assessed. The credit for the course(s) will be recorded on the student’s official transcript. No grade is awarded, and the hours received will not be used in calculating the grade point average. Application is made to the chair of the Department of Modern Languages.

**PERMISSION FOR COURSE TRANSFER**
All transfer courses must be from accredited institutions. The University does not accept academic work from institutions which are not identified as accredited in “Accredited Institutions of Postsecondary Education,” published by the American Council on Education. Transfer courses fall into one of the following categories:

Courses to be applied in the general education portion of the degree. If the course to be taken is listed in the TCCN equivalency list found in the Appendix of this catalog, the student does not need permission in advance. If the course to be taken is not in the TCCN listing, the student must:
1. Complete and submit to the Registrar’s office a Permission for Course Transfer form before enrolling, AND
2. Make certain the course will meet the general education requirements specified for the student's declared major, AND
3. Submit official transcripts to the Registrar’s office upon completion of the course AND
4. Must not exceed eighteen (18) semester hours if enrolling for transfer courses anytime during the fall or spring terms without obtaining permission (see Academic Load policy).

**Note:** The general education requirements for each major are specified in the departmental sections of this catalog. A student's declared major is the basis of the degree audit for graduation. It is the student's responsibility to ensure the declared major is accurate and his/her degree audit current.

Courses to be applied to any major, minor, or teaching specialization requirement. The student must:
1. Complete and submit to the Registrar’s office a Permission for Course Transfer form before enrolling, AND
2. Obtain approval of the appropriate department chair, AND
3. Submit official transcripts to the Registrar’s office upon completion of the course AND
4. Must not exceed eighteen (18) semester hours if enrolling for transfer courses anytime during the fall or spring terms without obtaining permission (see Academic Load policy).

**Note:** Courses to be applied in the major, minor, or teaching specialization may not be taken Pass/Fail.
Courses to be used as elective credit. The student must:

1. Complete and submit to the Registrar’s office a Permission for Course Transfer form before enrolling, AND
2. Submit official transcripts to the Registrar’s office upon completion of the course AND
3. Must not exceed eighteen (18) semester hours if enrolling for transfer courses anytime during the fall or spring terms without obtaining permission (see Academic Load policy).

Permission for Course Transfer forms are available in the Registrar’s Office and on the ETBU website and must be completed and filed with the Registrar prior to taking the course.

Important Note: Failure to complete any of the above may be basis for denial of transfer credit.

REGISTRATION

Following admission to the University, students may register during approved times, providing that the University is in receipt of all required transcripts and assessment tests. All new students who have not satisfactorily completed English and mathematics requirements will be required to take University placement examinations prior to registration unless satisfying screening procedures. Newly admitted degree-seeking students with less than twenty-four (24) transfer semester hours are required, if they have not done so, to take the ACT assessment battery prior to registration.

SEMESTER HOURS

The semester hour is the basis for assigning credit for academic work. The term is generally used to identify one class hour of attendance per week during a regular semester. Two to three (2-3) hours of laboratory are generally equivalent to one hour of lecture or recitation.

OTHER COURSE CREDIT POLICIES

ADVANCED PLACEMENT PROGRAM

The University will grant credit by examination for courses on the basis of acceptable scores on the Advanced Placement Examinations of the College Entrance Examination Board in one or more of the following subjects: American history, biology, chemistry, English, European history, French, mathematics, physics, political science, psychology and Spanish. Credit and placement will be determined by the department of the University in which the same or an equivalent course is offered. Students should make arrangements through their counselors for taking these tests during their senior year of high school, and should have the scores sent to the Advising and Career Development Center. See Appendix for minimum score requirements.

ADVANCED STANDING-CREDIT BY EXAMINATION

Students enrolled at East Texas Baptist University may earn credit for certain courses offered by the University through various programs. The maximum hours which may be earned by examination is thirty (30) semester hours, with the exception of the B.S.N. degree, in which thirty-four (34) semester hours may be articulated through testing of registered nurses in their professional field of study, as authorized by the Department of Nursing. No credit by examination will be granted in a case in which (a) the course has been taken at an earlier date in any college, (b) the course is being taken at the time of the examination and it is after the last date to register for credit, or (c) the course is a prerequisite to a course already completed by the student.

ARMED FORCES

The University will grant credit for all appropriate educational experiences in the Armed Forces in accordance with the recommendations of the American Council on Education in its publication, A Guide to the Evaluation of Educational Experiences in the Armed Services, most current edition. Upon presentation of an original copy of the veteran’s DD 214 form, Army, Navy, Air Force, Marine Corps and Coast Guard veterans with continuous active duty may receive up to two hours of physical activity in kinesiology. One kinesiology activity credit may be awarded per each six months of active duty. All students, including military veterans, are required to successfully complete KINE 1164 Lifetime Fitness. Other credits for service in the armed forces may be documented on a case-by-case basis.
AUDITING COURSES

Any course may be taken on an audit basis when no college credit is desired. The student who enrolls as an audit student is not expected to satisfy any of the course requirements which regular credit students are expected to meet. He or she may participate in class assignments to the degree desired. No grade is awarded for an audit course. Intention to audit a course must be declared at the time of registration or during the change of schedule period. College credit will not be awarded for a course taken on an audit basis. Courses taken on an audit basis do not count toward full-time status.

COLLEGE LEVEL EXAMINATION PROGRAM

The University will grant credit for acceptable scores on the Subject Examinations of the College Level Examination Program (CLEP) in the following areas: American government, American history, American literature, biology (except for biology major, minor, or teaching field), general chemistry, college algebra, English composition (with essay), freshman English composition (with essay), English literature, French, general psychology, introductory calculus, introductory economics, Spanish, trigonometry, western civilization, and introductory sociology (No credit will be allowed for completion of the General Examinations.) These tests are administered at various testing centers across the nation at regular intervals throughout the year, and application forms may be secured by writing to CLEP. Tests will be administered on the ETBU campus during scheduled times. Application to take tests administered at ETBU is made through the Advising and Career Development Center. See Appendix for minimum score requirements.

CONFERENCE COURSES

Conference courses are utilized only when extraordinary circumstances exist in order for the student to meet degree requirements. The conference course should not be used: (a) to bypass fundamental portions of the curriculum, (b) to enhance the GPA, (c) to repeat a previously failed course, or (d) for the convenience of the student. The department chair may recommend a course substitution for a course requirement within the department curriculum in lieu of a conference course.

Procedure:

1. The student must be classified as a senior or a junior to enroll in a conference course.
2. The student's advisor must approve the conference course only after considering all other options.
3. A conference course is permitted only if the following requirements are met:
   A. A course deficiency is demonstrated upon examination of the student's degree audit.
   B. There are irreconcilable course scheduling conflicts.
   C. There is no departmentally acceptable course substitute.
   D. The course is not offered during the current academic year.
4. A specialized course syllabus, specific to the conference format, must be presented to the student in lieu of the regular syllabus. A copy of the syllabus must be attached to the application.
5. The advisor, instructor, department chair, and dean of the school must approve the application. Approval of the Vice President for Academic Affairs is required if any of the conditions are not met.
6. A fee of $25 per semester hour will be assessed for the conference course in addition to tuition.

Note: Applicants for an honors course must use the Directed Study Form.

Note: Credit for travel courses, internships, service learning, practica and others may be granted based on a contract, which must be signed by the supervising faculty member and the “on-site” supervisor. There must be a minimum of thirty (30) clock hours of “hands-on” learning experience per credit hour earned as well as documented weekly meetings with the instructor.

Internships and practica must be unpaid unless such arrangements are approved in writing by the Vice President for Academic Affairs. Registration in such courses is required for credit.

DEPARTMENTAL EXAMINATIONS

Departmental examinations are administered by selected departments for two separate purposes: Placement Exam

Placement exams are used to determine the appropriate level of instruction for entering students, usually freshmen. This ensures that the student will begin study in the field at the level at which he/she is most likely to succeed. There is no fee for placement exams.
**Advanced Standing**
A student who has acquired knowledge and skills of a specific course offered by the University (for example, by continuing education, self-study, or experience) may be allowed to take an advanced standing examination.

**Procedure for taking Advanced Standing Examinations:**
The procedure for the student is as follows:
1. Secure application form from the office of the dean of the school which offers the course.
2. Secure approval signature of the chairman of the department in which the course is taught.  
   *(Approval must be obtained fifteen (15) days prior to examination administration.)*
3. Secure the approval of the dean of the school which offers the course.
4. If approval has been given, pay the departmental examination fee in the Business Office.
5. Present completed and signed application form and fee receipt to the department chairman and make arrangements for the test administration.
6. Take the test at the agreed upon time and place.

The department chairman will then submit the approved form with the examination results, and fee receipt to the Registrar, who will post credit (if any) to the student’s transcript.

**Note:** No grades will be awarded for successful performance on the examination, but courses and credit hours will be posted to the academic transcript with the designation “CR.” These hours are not used in calculation of the grade point average.

**DIRECTED STUDY**
The directed study course is for an advanced and/or specified study not available in the current curriculum. Seniors or juniors may be allowed to pursue studies which cross departmental lines or to pursue advanced studies in a specific discipline.

**Procedure:**
1. The student must be classified as a senior or a junior to enroll in a directed study.
2. The student and the advisor jointly propose the directed study.
3. The advisor, with authorization of the department chair, will select a committee of one or two additional members.
4. The project, proposed by the student with direction from the advisor, should include methodology for research and an annotated bibliography.
5. The committee will review the proposal and submit it for approval to the department chair and the dean of the school. Approval of the Vice President for Academic Affairs is required if any of the conditions are not met.
6. The project will be completed and submitted for evaluation by the committee and a grade assigned through collaboration by the committee.
7. A syllabus must be attached to this application.
8. A fee of $25 per semester hour will be assessed for the directed study in addition to tuition.

**Note:** Application for an honors course must be made on the Directed Study Form.

**FINAL EXAMINATIONS**
Students are to take the final exam at the published time. Students may request a change in or special administration of their final exam for the following reasons:
1. Four scheduled exams on the same day
2. Serious personal illness
3. Death of an immediate family member

For any of the above three reasons, the student must discuss the matter with their faculty member. The faculty member may request verification of proof, so the student should be prepared to present any documentation requested. Such documentation may include class schedule, doctor’s letter, etc. The student and the faculty member must agree on a make up time.

**INTERNATIONAL BACCALAUREATE**
Students graduating from high schools that offer approved International Baccalaureate programs may request evaluation of their credits by the Advising and Career Development Center. Credit in lieu of college work will be granted dependent on the particular courses taken and grades earned. An official transcript from the student’s high school is required for official evaluation. See Appendix.
MODERN LANGUAGE EXAMINATION

The University offers examinations in Spanish and French for students who have proficiency in those languages. A variable number of semester hours, from four to eleven, may be awarded based upon the student's score. Application is made to the chairman of the Department of Modern Languages. No grade is awarded, and the hours received will not be used in calculating the grade point average. Student may choose to receive transcript credit or waive the course prerequisites.

Students who should consider taking these examinations include (a) those who have had special studies in preparation, other than college, beyond the high school level; (b) those who have been enrolled in accelerated high school classes; or (c) those who have scored in the top fifteen (15) percent of ACT, SAT, National Merit Scholarship, and other testing programs of a similar nature. The procedure for these examinations is as follows:

Students Seeking Transcript Credit:

1. Secure application form from the dean of the School of Humanities.
2. Secure approval signature from the chairman of the Department of Modern Languages. (Approval must be obtained fifteen (15) days prior to examination administration.)
3. Secure approval from the Dean of the School of Humanities.
4. If approval has been given, pay examination fee in the Business Office.
5. Present completed and signed application form with fee receipt to the department chairman.
6. Take the test at the agreed time and place.

The department chairman will then submit the approved form with the examination results to the Registrar’s Office, who will post credit (if any) to the student’s transcript.

Students Seeking to Waive Course Prerequisites:

1. Seek approval from the chairman of the Department of Modern Languages.
2. No application form is required for waiving prerequisites.
3. Take the test at the agreed time and place.
4. The student will be responsible for taking the required number of semester hours listed in the catalog for the area in which the courses were waived.

The department chairman will report the course(s) being waived to the Registrar’s Office.

Examinations in a limited number of additional foreign languages are available through the Advising and Career Development Center. CLEP (College Level Examination Program) and other language examination instruments are offered through the Advising and Career Development Center.

Students wishing to use any other language (not English) to meet their foreign language requirement at ETBU must provide the appropriate documentation. This documentation, which is the sole responsibility of the student, can be met by providing any of the following:

1. Transfer credit for the language courses (all the same language) taken at another accredited university.
2. Proof of credit for language courses taken through correspondence from another accredited university.
3. Proof of language proficiency through testing done at another accredited university.
4. Students wishing to meet their language requirement for their degree at ETBU, using examinations from other universities in languages other than those offered at ETBU (see item # 3 above), must secure approval from the chairman of the Department of Modern Languages, complete the ETBU application form, and pay the appropriate fee.

Students whose language cannot be documented through the above listed options must meet the requirement by taking one of the foreign languages offered at ETBU.

Complete details of University policies relating to advanced standing and credit by examination may be obtained from the Advising and Career Development Center.

Note: East Texas Baptist University does not guarantee the transferability of any credits granted by the University as a part of its Credit by Examination program.
REPEATING COURSES
Students may repeat courses for two reasons:
1. to raise a previously earned grade, or
2. to earn additional credit.
Note: Only certain courses may be repeated for additional credit and in most cases will only apply as elective credit. Students should consult the course description to determine if the course is repeatable for credit.

SPECIAL TOPICS COURSES
These courses may be offered at any level, though they are most generally junior and senior level courses. They represent a course not in the usual curriculum, typically an experimental course or an area of specialized interest to a group of students. These courses may range from one to six (1-6) semester hours. Although they are not listed in the catalog, they are designated on the course schedule using a 7 as the third digit in the course number.

SUMMER SESSION
East Texas Baptist University offers three summer session of approximately four weeks each. These sessions are designated as May, June, and July terms. The University calendar provides the exact dates. Students may enroll in any or all of the terms. Maximum credit is seven (7) semester hours per term. A schedule of course offerings is available for the summer sessions on the University’s web site or upon written request.

TRANSCRIPTS
The student’s permanent official record of all academic work is referred to as the transcript. In order to comply with the Privacy Act of 1974, transcripts of credits will be supplied to all students and former students only when requested in writing. All financial obligations must be paid in full or loan notes current. The Registrar’s Office should be notified at least three days before the transcript is needed in order to obtain the necessary approvals before the transcript copy is made. During peak times, such as registration or graduation, or the beginning or ending of a semester, the process may be delayed.

ACADEMIC HONORS
THE DEAN’S LIST
The Dean’s List is compiled of those students who have a 3.25 or higher grade point average on a minimum of twelve (12) semester hours in academic courses in which a regular grade is assigned. The list is compiled at the end of the fall and spring semesters.

THE DEAN’S LIST WITH HONORS
Students who have a 3.5 grade point average or above on a minimum of twelve (12) semester hours in academic courses will be named to the “Dean’s List with Honor.” This list is compiled at the end of the fall and spring semester.

GRADUATION HONORS
Members of the graduating class who complete their work with an overall grade point average of 3.85 or above are graduated summa cum laude; those with an average of 3.70 or above but less than 3.85 are graduated magna cum laude; and those with an average of 3.50 or above but less than 3.70 are graduated cum laude. To be considered to graduate with honor, a student must have already earned a minimum of forty-five (45) semester hours at East Texas Baptist University previous to the term of graduation. Transfer students must have their credits evaluated in terms of the grade point system used at East Texas Baptist University. Unofficial honors designation on the graduation program will be calculated at the end of the term completed prior to the one in which the student has been authorized to participate in the commencement ceremonies. Final calculation of honors will be affixed to the final official transcript based on the student’s comprehensive calculable grade point average.

OTHER PROGRAMS AND SERVICES
THE AU SABLE INSTITUTE
Au Sable offers an environmentally based curriculum which is endorsed by and is part of the ETBU curriculum in the biological sciences. Located at Mancelona in Michigan, its programs are structured toward promotion of Christian environmental stewardship. The Institute offers college level credit courses during
ETBU’s summer sessions. Courses are offered at the 3000 and 4000 (advanced) level and include environmental ethics, land resources, field botany, animal ecology, aquatic biology, conservation biology, limnology, insect biology and ecology, field geology, environmental chemistry, fish biology and ecology, restoration ecology, research, and various practica. Application is made through and enrollment approved by the Department of Biology at ETBU. Tuition is paid to Au Sable through ETBU.

HONG KONG BAPTIST UNIVERSITY

Hong Kong Baptist University and East Texas Baptist University have an exchange agreement whereby two ETBU junior or senior students are chosen each semester (year) to study on the campus of HKBU. Students may choose from a wide variety of courses offered in the HKBU catalog, sixty-five (65) percent of which are offered in English. Application is made through the Academic Affairs Office. Students must petition the Registrar in advance to apply the curriculum toward various programs of study at ETBU. Petition is made through submission of Permission for Course Transfer forms. Limited ETBU scholarships are available and are awarded on a case-by-case basis. Upon completion of study, an official HKBU transcript must be provided.

HONORS PROJECT

An Honors Project is designed to allow students the opportunity to conduct advanced research in their chosen discipline. The Honors Project culminates in graduating “with distinction” and special recognition during graduation ceremonies. The project is a four-semester program of individual research directed by a faculty member in the student’s academic major and supported by an Honors Project Committee.

In order to be eligible for an Honors Project, a student must meet the following criteria:
1. Have completed sixty (60) hours by the beginning of the first semester of the project,
2. Have completed six (6) hours in their major area, and
3. Maintain an overall GPA of 3.5 with a GPA of 3.75 in the student’s major.

The project must be completed in the student’s major. Students interested in conducting an Honors Project should discuss it with their academic advisor.

INTERNATIONAL STUDENT RELATIONS

The Office of International Student Relations meets various needs unique to international students and scholars. Specific services provided by the office include:
1. Advice and assistance in matters related to the students’ status as noncitizens of the United States.
2. New student campus and community orientation and the International Student Orientation course (GSTU 0101).
3. Academic advising for each international student until a degree plan is filed.

In general, the office also assists students in relating to other campus and community offices, agencies, and organizations.

MATHEMATICS LEARNING CENTER

The Mathematics Learning Center, located in Meadows Hall, provides individual assistance with mathematics skills. It also serves as a gathering place for small groups seeking to study mathematics collaboratively. Open daily, the MLC is staffed at selected hours by student assistants prepared to provide mathematics tutoring.

PLACEMENT ASSISTANCE

The Advising and Career Development Center provides computer-assisted job searches and a listing of position vacancies. Career fairs bring potential employers and graduate school representatives to campus.

WRITING TUTORS

The Department of English provides tutors to help students with their writing. Students in need of assistance should contact the department chair for more information.
STUDY ABROAD

East Texas Baptist University is a member of the Council for Christian College and Universities (CCCU), an organization of more than ninety evangelical Christian colleges. To learn more about the CCCU, you can visit the following website - www.bestsemester.com.

ETBU students may make application for any of the programs listed below. Study abroad programs are usually one semester in length and include various seminars of contemporary religious, cultural, and social importance in the region as well as immersion in a language component. Programs within the U.S. offer students a wide variety of experiences. Through the CCCU, ETBU students have the opportunity to study in many different national and international arenas, including those listed below.

In addition to those studies offered through the CCCU, opportunities are offered on a periodic basis by various ETBU departments. For additional information, contact the Coordinator of Travel Study, Chair of the Travel Study Committee, or the Registrar’s Office.

Students must petition the Registrar in advance to apply any off-campus study credit earned toward programs of study at ETBU. Petition is made through submission of “Permission for Course Transfer” forms. Application for admission to all travel studies is available from the Coordinator of Travel Studies. Approval by the Academic Affairs Office may also be required. A minimum cumulative GPA of 2.75 is required. Payment is made for CCCU programs through ETBU. Upon completion of study, an official transcript must be provided.

**CCCU STUDY ABROAD PROGRAMS:**

- Australia - Music and Art
- Central America - Creation Care (Theology and Biology)
- China - Language, History, Culture and Customs
- Costa Rica/Latin America - Language, History, Contemporary Issues and Perspectives
- Egypt - Language, History, Culture and Customs
- England - The Scholars’ Semester in Oxford
- Israel - History, Geography, Culture
- New Zealand - Creation Care (Theology and Biology)
- Russia - (Language, History, Culture and Customs)
- Uganda - African Studies, Language, Culture

**CCCU PROGRAMS WITHIN THE U.S.:**

- Asheville, NC - Journalism
- Au Sable, MI - Environmental Studies
- Chicago, IL - Urban Studies
- Colorado Springs, CO - Focus on the Family
- Los Angeles, CA - Film Studies
- Martha’s Vineyard, MA - Contemporary Music and Music Business
- Washington, DC - Political Science, Journalism
- Wheaton, IL - International Business
**THE ACADEMIC PROGRAM**

East Texas Baptist University seeks to prepare students to pursue knowledge and to develop their fullest potential as human beings by providing opportunities and an environment for intellectual and spiritual growth.

The educational program seeks to develop individuals in the following areas:

1. Oral and written communication.
2. Problem solving and decision making.
3. Analysis and critical thinking.
4. Historical, cultural, economic, and environmental awareness.
5. Spiritual awareness and value judgments.
6. Aesthetics.
7. Citizenship.
8. Physical and mental health practices.
10. Career or professional competence.
11. Life-long acquisition of knowledge.
12. Use of leisure time.

**POLICY STATEMENT-RELATED PROGRAM CHANGES/CONTINUING AND REENTERING STUDENTS**

Degree-seeking students in continuous attendance at the University are required to fulfill the number of semester hours required for a degree as listed in the University catalog at the semester of admission. Students not enrolled in the institution for two or more consecutive semesters are considered to have departed the institution, must apply for readmission, and must fulfill all academic requirements for programs and semester hours required at the time of reentry. It is sometimes necessary or appropriate, due to professional standards or judgment, for the University to change the terms and/or requirements of the programs offered. The University retains the right to terminate or change any of its policies, programs, major requirements, course offerings, class schedules, teacher assignments, and any or all aspects of its educational and co-curricular programs at any time without prior notice. Departments are authorized to update, for all enrolled students, those approved requirements within a program which are considered necessary for meeting professional standards or requirements of various accrediting agencies.

**ORGANIZATION OF THE ACADEMIC PROGRAM**

The University curriculum is organized by schools, each chaired by a dean. The seven schools, as well as the departments and programs, are as follows:

**SCHOOL OF BUSINESS – DR. CHARLES WILLIAMS, DEAN**

Department of Business
Computer Science Program

**SCHOOL OF CHRISTIAN STUDIES – DR. JOHN HARRIS, DEAN**

Department of Religion

**SCHOOL OF EDUCATION – DR. BRIAN NICHOLS, DEAN**

Department of Kinesiology and Exercise Science
Department of Teacher Education

**SCHOOL OF HUMANITIES – DR. SAMUEL ARGUEZ, DEAN**

Department of Communication
Department of History, Political Science, and Geography
Department of English
Department of Modern Languages

**SCHOOL OF MUSIC AND FINE ARTS – DR. THOMAS R. WEBSTER, DEAN**

Art Program
Department of Music
Department of Theatre Arts
DEGREE PROGRAMS

East Texas Baptist University offers nine degrees. They include the Bachelor of Arts (B.A.), the Bachelor of Science (B.S.), the Bachelor of Applied Science (B.A.S.), the Bachelor of Science in Nursing (B.S.N.), the Bachelor of Business Administration (B.B.A.), the Bachelor of Science in Education (B.S.E.), the Bachelor of Music (B.M.), the Associate of Arts (A.A.), and the Associate of Applied Science (A.A.S.).

DEGREE AUDIT

All students are required to file a degree audit in the Office of the Registrar. Filing of the degree audit should be initiated immediately after the completion of thirty (30) semester hours, but not later than the end of the sixth week of the semester following completion of sixty (60) semester hours. A copy of the degree audit is distributed to the major and minor departments, the Advising Office, the Department of Teacher Education (if applicable), and the student. Any deviation from the audit must be approved by all concerned.

Plan III (Secondary) All-level
- English
- History
- Mathematics
- Spanish
- Theatre Arts

BACHELOR OF SCIENCE IN NURSING DEGREE

AVAILABLE MAJOR:
- Nursing

MINORS

Accounting for Business Majors
The accounting minor for business majors will prepare students for business careers in the private sector, accounting-related fields, graduate school, or careers in public accounting.

Accounting for non-Business Majors
The accounting minor for non-business majors will introduce students to accounting-related fields. This minor is not designed for business students but will provide basic accounting rules for small firms needing specific non-public accounting skills.

American Studies
The minor will provide students an interdisciplinary approach to the study of historical, literary, social, religious, and political themes dominant in United States culture. The approach necessarily includes multi-disciplinary and multi-cultural components. The minor will allow students some flexibility in choosing courses related to personal interests and professional needs.

Biology
The minor provides a solid foundation in biology and to complement a student’s major. It will allow students to prepare for many different types of vocations.

British Studies
The minor will provide students a broad foundation for understanding Britain, the Isles, the Empire, and the global influence of British institutions, culture and the English language during the colonial and post-colonial and devolutionary periods.

Business Administration for non-Business Majors
The business administration minor is for non-business majors only and is not available for business majors. This minor will focus on the theory of business administration and the fundamentals of how businesses function and operate.

Chemistry
The minor will provide the student with exposure to the four major divisions of chemistry: inorganic, organic, analytical, and physical. This minor should prove particularly attractive to those considering a career in the health professions, environmental work, manufacturing, and oil/gas business. A basic understanding of chemistry is widely desired throughout corporate America.

Children’s Music
This minor is intended for students who have a background in music and who are interested in working with children in a music setting. Students will receive instruction that will prove helpful in church children’s choir programs, elementary education settings, or any other setting that involves the teaching of children.

Church History
The church history minor provides a strong, balanced foundation in the history of Christianity and the Church within the context of world history.
Computer Information Systems
The computer information systems minor will prepare students for a role in using computer technology as a support resource for business, industry, and government. The minor will focus on the necessity of developing and maintaining the most cost effective computer-based information systems that are responsive to end-user needs.

Counseling
The counseling minor provides a survey of the major theories of counseling and introduces students to the skills and practices essential to the process of facilitating change in human thought, emotion, and behavior.

Criminal Justice
The purpose of this minor is to stimulate thinking about the nature of justice and just relations within society, and to introduce students to the field of justice administration which includes, but is not limited to, law enforcement, corrections (court, prison, and parole), legal assisting, court administration, private security, and juvenile justice.

English
Students pursuing a minor in English can select from a variety of courses intended to increase their appreciation of literature, enhance their understanding of language, and sharpen their skills in rhetoric and composition. An English minor is an excellent complement to majors in such fields as history, speech, theater, business, and religion.

Faith Development
This minor will enable students to understand how psychological development, within specific social, familial, and religious contexts, can deeply influence a person's capacity for faithful relationships with self, with others, and with God. Integral to this study is the investigation of the ways in which crucial developmental factors can be supported, or hindered, by varying forms of religious experience.

Family Studies
This minor is intended to deepen students' understanding of the many ways in which every person both influences, and is influenced by, the system of relationships within their families. A practical, but in-depth, understanding of family dynamics, child development, and the resources for forging healthy relationships will help prepare students for the challenges of marriage and parenting.

Human/Social Services
This minor is intended to help students prepare for social service careers. They will learn about the field of social work, relationships with and among minority groups, and the resources available for meeting the challenges of complex social problems. Practicum and internship experiences will enhance learning and enable students to establish professional relationships and explore opportunities for future employment.

Kinesiology
This minor will enable a student to become physically educated, to gain physical activity skills that can be utilized throughout a person's entire life, and will allow the student to acquire skills specifically required for success in exercise-related professions.

Life Science
This minor prepares the student to teach life science classes at the secondary education level.

Management for Business Majors
The management minor will prepare students for future training in business careers involving planning, human resources, operations, graduate school, or careers in business management.

Marketing for Business Majors
The marketing minor will prepare students for future training in business careers involving sales, advertising, consumer behavior, graduate school, or careers in marketing.

Marketing for non-Business Majors
The marketing minor for non-business majors will introduce students to marketing related fields. This minor is not designed for business students but will provide basic marketing theories for those students desiring limited marketing knowledge.

Mass Communication
The mass communication minor will provide students a broad area of intellectual studies that will prepare them for success in a diverse society of media practitioners. The minor will also allow students the opportunity to incorporate mass communication courses that will support his/her major program of study.
Mathematical Science
Students who are majoring in disciplines as diverse as natural or physical sciences, humanities, and social or behavioral sciences may benefit from this minor. It will provide fundamental skills and techniques in mathematics that will support a wide variety of disciplines.

Music Conducting
This minor combines courses in conducting, performance and music theory. It provides necessary instruction for non-music students who seek opportunities to lead music ensembles in churches or other venues.

Music History
This minor combines courses in music history, performance and music theory. While it is available to all students who are interested in these courses, it compliments the history major particularly well.

Music Theory
This minor is designed for the student who has a background in music and is interested in understanding the elements of music. These courses prepare students to work with the language of music and prepare them to compose or arrange music for their own enjoyment.

Not for Profit Business Administration
The new minor will focus on not-for-profit organizations such as churches or church related fields but will also have practical benefits for any student wanting practical business training. The new minor will NOT be available for business students but will be designed as practical training for not-for-profit practitioners.

Organizational Development & Analysis
This minor will help students develop the skills of human resource management and will provide insight into the social psychology of organizations and the dynamics of work related groups. The applied focus of the minor will improve the marketability of students majoring in human relations.

Political Science
The general aim of this minor is to foster a deeper understanding and appreciation of political science and to examine how significantly it impacts our lives. The minor program also provides the foundation for further studies in American government and politics, constitutional law, and international relations, and serves as a useful supplemental program to majors in other disciplines. Associated with studies in political science, the department offers a Model United Nations program, which provides students the opportunity to apply their learning to debates on international relations issues.

Psychology
In this course of study, students are introduced to the schools of thought, and the methods of study used by psychologist to understand, predict, and control the enormous variations that are possible in human behavior.

Religion
This minor is intended to assist students in the creation of a board-based theological foundation for the expression of their life and faith. The flexibility of this minor allows for all students to reflect theologically upon and strengthen their own interests, gifts, ministries, and lifestyles, and to enhance their own chosen majors.

Sacred Music
This minor is available to any student; it is designed for the student who may seek involvement in a ministry position of any kind: pastoral, religious education, youth ministry, or others. The minor combines courses in sacred music, performance, and music theory. The sacred music portion of the minor provides a wide range of options that allows the student to select a specific area of interest.

Social Sciences
The interdepartmental minor provides a general background in the social sciences. The minor can supplement the student’s preparation for various careers, including Christian ministry, social work, business, and civic leadership.

Sociology
This minor is intended to help students better understand the groups to which they belong. Students may select courses and explore their own interests in understanding the nature of group development, group structure and collective behavior.

Spanish
The Spanish minor will provide the fundamentals of Spanish grammar, conversation, reading and writ-
ing. It will also provide students with opportunities for further study in advanced grammar, advanced conversation, culture and civilization, and literature. The minor will prepare students to communicate adequately in an increasingly Spanish speaking society.

**Speech Communication**
The speech communication minor is designed to allow students the opportunity to incorporate communication courses that will support his/her major program of study.

**Theatre Arts**
This minor introduces the student to the principle areas of theatre. It offers the opportunity to develop skills in and knowledge of the theatre and utilize it as an adjunct to a variety of other fields including ministry and teaching. Students who enjoy theatre for the sake of arts are encouraged to minor in theatre as well.

**DEGREE REQUIREMENTS**

**GENERAL REQUIREMENTS FOR BACHELOR’S DEGREES**
1. Completion of a minimum of one hundred twenty (120) semester hours
2. A minimum grade point average of 2.0. Also a minimum GPA of 2.0 on all courses taken at ETBU and a minimum grade of “C” in the major, minor, departmental core, and concentration *(if applicable).*
3. Application of no more than sixty-six (66) semester hours of junior college transfer credit.
4. Completion of general education, major, and minor *(if applicable)* requirements as listed for the degree sought.
5. Earn at least thirty-nine (39) semester hours in courses numbered 3000 and above.
6. Completion of a minimum of thirty-six (36) semester hours in residence at ETBU, which must include completion of at least thirty-three (33) of the last forty-two (42) semester hours in residence.
7. No more than eight (8) semester hours in physical activity courses.
8. Earn required chapel/assembly credits.
10. Successful completion of the Junior Qualifying Examination *(prior to completion of ninety (90) semester hours).*
11. Completion of a major program of study with at least thirty (30) semester hours *(at least twelve (12) semester hours of courses numbered 3000 or above completed at ETBU).*
12. Completion of a minor program of study *(if applicable)* with at least eighteen (18) semester hours *(at least six (6) semester hours of courses numbered 3000 or above completed at ETBU).*
13. No more than thirty (30) semester hours earned through CLEP, AP, or other college level testing.

**REQUIREMENTS SPECIFIC TO THE BACHELOR OF APPLIED SCIENCE DEGREE**
Satisfy all requirements listed above for other bachelor’s degrees *(with the following exceptions):*
1. Earn a minimum of thirty (30) semester hours in courses listed 3000 and above.
2. Acceptance of no more than seventy-two (72) semester hours of junior college transfer credit.

**GENERAL REQUIREMENTS FOR ASSOCIATE’S DEGREE**
1. Completion of sixty (60) semester hours.
2. Completion of listed general education, elective requirements and concentration *(if applicable).*
3. A minimum grade point average of 2.0 *(both overall and at ETBU)* with no grade lower than “C” on a concentration.
4. Satisfactory completion of the Junior Qualifying Examination *(JQE).*
5. Completion of a minimum of eighteen (18) semester hours in residence at ETBU with at least twelve (12) of the last fifteen (15) semester hours in residence.
6. Application of no more than twelve (12) semester hours in career experience *(portfolio credit for AAS degree only).*

**GRADUATION**
The University holds graduation ceremonies at the conclusion of fall and spring semesters. Graduates may be listed as having completed requirements at the conclusion of any term in which conditions for graduation have been satisfied. See “Procedure to Graduate” for additional information. To participate in Graduation Ceremonies all degree requirements must be met.
CURRICULUM REQUIREMENTS

All degrees offered by East Texas Baptist University have a liberal arts general education requirement. These courses are designed to prepare the student broadly for a variety of majors and professions. The courses do not narrowly focus on skills, techniques, or procedures specific to a particular occupation or profession but rather provide the opportunity for the student to be broadly educated and to integrate and see connections between and within disciplines.

REQUIREMENTS FOR THE ASSOCIATE OF APPLIED SCIENCE

English 1301 and either English 1302 or 1303 ................................................................. 6
Religion 1320 or 1330 ........................................................................................................ 3
Mathematics ....................................................................................................................... 3
Science (must be lab science) ......................................................................................... 4
Social Science (PSYC/SOCI/POSC) .............................................................................. 3
Primary Concentration .................................................................................................... 24
Secondary Concentration ............................................................................................... 12
General Studies 3100 (for those applying career experience) ....................................... 1
Electives (to total sixty (60) hours) .................................................................................. 4-5

Other Guidelines

1. A minimum of fifteen (15) semester hours must be earned in residence at East Texas Baptist University.
2. A maximum of twelve (12) semester hours in career experience may be applied to the degree.
3. One area of degree concentration must be chosen from a major/minor field currently offered by East Texas Baptist University.
4. General Studies 3100 is required for all students applying career experience to the degree.

Total: Sixty (60) Semester Hours

Note: The Secondary Concentration must be approved by either the academic advisor for the Primary Concentration or the B.A.S advisor (if portfolio experience is used).

REQUIREMENTS FOR THE ASSOCIATE OF ARTS

English 1301 and either 1302 or 1303, and six (6) semester hours from 2321, 2326, 2331 ......12
Music 1306 or Speech 1311 or Theatre Arts 1310 ................................................................3
Foreign Language (This requirement means that a student must complete two semesters in one language.) ....6-8
Religion 1320 and 1330 .................................................................................................... 6
History 1301 and 1302 or 2321 and 2322 ...................................................................... 6
Social Science: six (6) semester hours from:
- Political Science, Psychology, and Sociology ................................................................. 6
- Physical Activity (must include KINE 1164 and one other) ........................................... 2
Science (must be lab science) .......................................................................................... 8
Mathematics (six (6) hours from MATH 1300, 1314, 1316, 1342, 2301, 2313) ................. 6
Electives (to total sixty (60) hours) .................................................................................. 3-5

Total: Sixty (60) Semester Hours

REQUIREMENTS FOR THE BACHELOR OF APPLIED SCIENCE

The Bachelor of Applied Science degree is a degree program designed for working adults, adults who wish to return to school, and other non-traditional students. The degree provides a mechanism to recognize college level learning from prior work experience, individual and other types of study, prior academic experience, and transfer credit in fields which are not offered at ETBU.

Admission Requirements:

1. Students must be a minimum of twenty-five (25) years of age by the end of the previous academic year.
2. Essay (1 - 2 pages in length) indicating the reason for pursuing this degree.
3. Up-to-date and complete resume of all employment experiences and other educationally relevant activities/experiences.

PORTFOLIO CREDIT

B.A.S. students may earn up to 36 hours of course credit through academic or non academic training earned through on-the-job, military, individual study, or other documented experience. The student must enroll in GSTU 3100. This course guides the student through the portfolio preparation process. This portfolio credit may be used as one (or more) of the following:

1. May constitute the student’s minor (a minimum of eighteen (18) hours of portfolio credit would be required).
2. May count toward a minor if in a discipline offered by ETBU (for students whose portfolio credit is less than 18 hours).
3. May count toward electives.

Note: Portfolio credit may not be used to meet requirements for the major.

Student receives portfolio credit through GSTU XX88 Experiential Learning in [specify block] course.

Psychology 3331 (Elementary) .................................................................3

OR

Psychology 3335 (Secondary and All-Level) .............................................3

Specific course recommendations may vary depending on area and level of certification. Consult the academic departmental section for additional information.

Professional Education Requirements

To enroll in professional development courses in Teacher Education, a student must have sophomore standing and have a cumulative grade point average (GPA) of 2.5 or above. For a comprehensive explanation of professional education requirements for teacher certification, consult the Department of Teacher Education section in this catalog.

Content Area Requirements: Requirements for each academic area are listed under each department’s heading. Various certification options are detailed in the same section.

Total: One hundred twenty-two (122) Semester Hours
REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN NURSING

The University offers a baccalaureate degree program with a major in nursing. Students must complete a minimum of one hundred thirty-three to one hundred forty-one (133-141) semester hours of credit including sixty-four to seventy-two (64-72) semester hours in nursing. There are two specific program plans: (1) basic students (those who are entering nursing with no prior nursing education) and (2) registered nurses who have a diploma or associate degree in nursing.

General Education Requirements ............................................................................................................69
Major area of study ....................................................................................................................................64-72

Total: One hundred thirty-three to one hundred forty-one (133-141) Semester Hours

See Department of Nursing for Specific Requirements.

ACTIVITY COURSE REQUIREMENTS

Activity courses when repeated do not replace previous grades, rather count toward the total hours for degree requirements. Repeated activity course may not count toward general education requirements.

A maximum of eight (8) semester hours of physical activity classes (including KINE 1164) may be applied to the hours required for graduation. EXCEPTION: Medically excused students with a physician’s letter must take KINE 1164 and may take KINE 1109, Restricted Activities, to satisfy these requirements. Course details are listed under “Activity Courses” in the course section of the catalog.

After successfully completing KINE 1164, military veterans may receive up to two (2) semester hours of physical activity credit. Such credit will be granted by the Registrar upon presentation of the DD 214. (Refer to the “Armed Forces” paragraph of the Academic Program section of the catalog.)

MAJORS AND MINORS

A major is required for graduation with any baccalaureate degree. The major is the specialized and concentrated study in a particular discipline. A major requires a minimum of thirty (30) semester hours. To complete a major, students must complete twelve (12) advanced hours at ETBU.

A minor requires a minimum of eighteen (18) semester hours. Students should select one or more minors as an opportunity to complement their chosen major. Minors may prepare the student to apply their major to a particular interdisciplinary, ministry, cultural, or vocational setting. Minors often open future opportunities in ministry, to advance in one’s career, or pursue graduate study. To complete a minor, students must complete six (6) advanced hours at ETBU, unless specified.

Grades of “C” or above are required for all courses which count toward a major or minor.

DOUBLE MAJOR AND MINOR POLICY

Students pursuing double or multiple majors/minors must consult closely with their assigned advisor as well as the department chair of all other majors/minors sought. Majors and minors may be declared in the same department but must be in different disciplines. A student may complete two majors within a single bachelor’s degree, provided the requirements of both majors are satisfied and the approval of the department chairperson or chairpersons is obtained. If one major leads to one bachelor’s degree and the other to a different degree, the student will select one or the other degree at the time the degree plan is filed. Only one degree title will appear on the student’s transcript and diploma.

COURSE WORK MEETING MULTIPLE REQUIREMENTS

Courses may satisfy multiple curriculum requirements, but semester hours count only once.

ADDITIONAL BACHELOR’S DEGREES

A student who has earned one bachelor’s degree may receive a second bachelor’s degree from East Texas Baptist University by:
1. completing the general requirements for the second degree,
2. selecting and completing a major in a field not used as a major or a minor for the first,
3. selecting, with the advice of the major professor, and completing a related minor not used as a
major or a minor for the first degree, AND
4. completing a minimum of thirty (30) semester hours in residence after receiving the first degree.

**TIME LIMIT FOR ALL DEGREES**

The student has a maximum of six years to complete all requirements as listed in the University Catalog in effect during the first semester of enrollment. Students unable to complete the requirements within the designated time frame may complete the requirements under any subsequent catalog provided the six year rule is not exceeded. Any change in requirements necessary for state licensure or certification may be included at any time in the degree program.

**PROCEDURE TO GRADUATE**

1. A degree audit on file.
2. Passed all sections of the JQE prior to making application for graduation.
3. Complete, in accordance with a valid degree audit, all degree requirements listed in the University catalog at the time of enrollment.
4. Payment or satisfactory arrangements for all tuition and fees.
5. Application for graduation completed and filed in the Office of the Registrar at least three months prior to the beginning of the student’s final semester.
6. Participation in the graduation ceremonies. Permission to be excused from the ceremonies; must be requested from the Vice President for Academic Affairs at least thirty (30) days in advance of graduation.
ALLIED HEALTH AND PROFESSIONAL HEALTH PROGRAMS

DR. CATHERINE Cone, Advisor

The purposes of the Allied Health and Preprofessional Health Programs are: (1) to provide a foundation in the liberal arts for students who plan careers in the health fields; (2) to satisfy the entrance requirements for professional schools, particularly those in Texas; (3) to satisfy the requirements for graduation at East Texas Baptist University; and (4) to fulfill the major requirements of those departments in which the majority of these preprofessional students major.

The Allied Health program is designed to provide preprofessional education for those persons pursuing a career as a medical technologist requiring a baccalaureate program.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN MEDICAL TECHNOLOGY

General Education Requirements .................................................................47

- English 1301, 1303, plus three (3) hours sophomore literature .........................9
- Fine Arts (three (3) hours from music, theatre, art, or equivalent) ......................3
- Religion 1320 and 1330 .............................................................................6
- History 1301 or 1302 ..................................................................................3
- Social Sciences (PSYC 1301 and SOCI 1301) .............................................6
- Physical Activity (KINE 1164 and two different physical activity courses) ........3
- Science (must be lab science) ......................................................................4
- Political Science 2303 ................................................................................3

Minor area of study ..................................................................................18
Additional hours (see course outline) .........................................................25

Total: One hundred thirty-three (133) Semester Hours

MEDICAL TECHNOLOGIST

The Bachelor of Science degree in medical technology is offered at East Texas Baptist University in cooperation with Overton Brooks Veterans Administration Medical Center School of Medical Technology. Suggested sequence for the Bachelor of Science with a Major in Medical Technology:

**Freshman Year**

**FALL SEMESTER**

- Biology 1406 3
- English 1301 3
- Mathematics 1314 3
- Chemistry 1311 3
- Chemistry 1111 1

Total: 14 Semester Hours

**SPRING SEMESTER**

- Biology 1407 4
- English 1303 3
- Mathematics 1342 3
- Chemistry 1312 3
- Chemistry 1112 1

Total: 14 Semester Hours

**May Term**

- Speech 1311 and Kinesiology 11xx 4

Total for Freshman Year: Thirty-two (32) Semester Hours

**Sophomore Year**

**FALL SEMESTER**

- Chemistry 3303 3
- Chemistry 3103 1
- Biology 2401 4
- Psychology 1301 3

**SPRING SEMESTER**

- Chemistry 3304 3
- Chemistry 3104 1
- Biology 2402 4
- Biology 3452 3

Total: 14 Semester Hours
### PREPROFESSIONAL HEALTH PROGRAMS

Preprofessional programs offered at East Texas Baptist University include premedical, predental, prephysical therapy, prepodiatry, prepharmacy, preoptometry, preoccupational therapy, prephysician assistant, preremprophy, preoccupational therapy, prephysical therapy, prepodiatry, premedical records and dental hygiene are available upon consultation with the Allied Health Advisor. Students wishing to enroll in professional schools should obtain requirements for admission from these schools. Since the various professional schools have different requirements for entrance, preprofessional students should familiarize themselves as soon as possible with the requirements of their chosen school. Completion of the program at East Texas Baptist University does not guarantee acceptance into the professional sequence.

Premedical and predental students should plan to take the appropriate entrance examinations during the spring semester of the junior year and no later than August prior to their senior year.

As of February 2003 the following professional programs are reorganizing and changing required prerequisite courses: allopathic medicine, osteopathic medicine, dentistry, optometry, podiatric medicine, physical therapy, physician assistant, occupational therapy, respiratory therapy, pharmacy, and veterinary medicine.

Many of the bachelor level degrees will be replaced with master level degrees and thus will require the applicant to have a bachelor’s degree in a suitable field before acceptance into the program. All programs do require eight (8) semester hours of general biology for majors with accompanying laboratory and eight (8) semester hours of general (inorganic) chemistry for majors with accompanying laboratory.

### Senior Year

Twelve months will be spent at Overton Brooks Veterans Administration Medical Center School of Medical Technology or any approved school of medical technology. This will be the senior year, and the prescribed curriculum will be evaluated as forty (40) semester hours, eighteen (18) of which will be considered as advanced hours. At the end of this time the student will receive his or her B.S. degree from East Texas Baptist University. The grade of “C” or better must be made in all biology and chemistry courses. While the above program has been approved, East Texas Baptist University cannot guarantee that a student will be accepted by an approved school of medical technology. Each student must submit an application for admission at the appropriate time to the school of medical technology of his or her choice. Since the number of applicants accepted is relatively small in comparison to the total number applying, students are advised to plan alternate degree programs.

Senior Year: Forty-three (43) hours at Overton Brooks. *(All of these hours are advanced hours.)*

Degree Hours:
- Total advanced hours: Sixty-two (62) Semester Hours.
- Total hours on degree: One hundred thirty-three (133) Semester Hours.
Students desiring to pursue a career in the health professions must adhere to the steps listed below or risk delay in completing the program.

1. Register for at least these classes in their freshman year:

   **Fall** - Biology 1406, Chemistry 1311 and 1111, English 1301
   **Spring** - Biology 1407, Chemistry 1312 and 1112, English 1303, with no more than sixteen (16) semester hours each semester.

   **FALL SEMESTER**
   - BIOL 1406 General Biology I *
   - CHEM 1311 General Chemistry I **
   - CHEM 1111 General Chemistry I Laboratory
   - ENGL 1301 Rhetoric and Composition
   - GSTU 1100 Freshman Seminar
   - Electives (to total sixteen (16) semester hours)
   
   **SPRING SEMESTER**
   - BIOL 1407 General Biology II *
   - CHEM 1312 General Chemistry II
   - CHEM 1112 General Chemistry II Laboratory
   - ENGL 1303 Technical Writing
   - Electives (to total sixteen (16) semester hours)

   Total: 14 Semester Hours

   *Biology 1401 and Biology 1402 WILL NOT substitute for these courses.
   ** Chemistry 1300 WILL NOT substitute for this course.

E-mail: jcone@etbu.edu
The work offered in the Department of Behavioral Sciences has three main goals:

1. To aid in the professional preparation of students seeking careers in psychology, counseling or social work, Christian ministry, nursing, business, law, and criminology.
2. To give basic preparation to students who expect to attend graduate school in one of the social or behavioral sciences.
3. To contribute to the development of the student’s ability for critical thinking and capacity for personal reflection.

An education that emphasizes understanding the how and why of human behavior is not only valuable to anyone whose future involves interacting with others but also can lead to a broad range of career options. Because career opportunities in some areas of specialization require a graduate degree, it is important for students to take time to examine their interests, values, and goals before embarking on a course of study.

MAJORS AND MINORS

The department offers three major programs of study. Two of these, the major in psychology and the major in sociology, are specifically intended to prepare students for careers that require graduate study, and may be taken on either the Bachelor of Arts degree or the Bachelor of Science degree.

The third program of study leads to the Bachelor of Arts degree and is specifically intended for students with no immediate plans to pursue a graduate education. The human relations major offers students the opportunity to study psychology and sociology within the context of a broader liberal arts curriculum, while exploring various career options. Course requirements are designed to provide information and skills that may be useful to students who secure full-time jobs in areas that emphasize the importance of being able to work well with people.

The department also offers minors in psychology, sociology, counseling, criminal justice, faith development, family studies, human/social services, and organizational development & analysis. Students are encouraged to select two minors. An Integrative First Minor can be chosen to complement the student’s major and may be selected from minors offered in the department. A second minor can be chosen to enhance the student’s liberal arts degree and may be selected from any department in the university other than the Department of Behavioral Sciences.

CORNERSTONE COURSES

PSYC/SOCI 2332, Introduction to Research Methods, is required for all students with a major in the Department of Behavioral Sciences. In this course students are introduced to the philosophy and methods of science, which provide the foundation for all knowledge in each of the behavioral sciences. As part of the requirements for this sophomore-level course, students begin to explore a topic of interest for individual research that will be further developed in a junior-level “link” course. The requirements for the “link” course will include a research paper that is intended to connect work in the cornerstone course with a project required of all students at the senior level in PSYC/SOCI 4332.

”LINK” COURSE AND RESEARCH PAPER

At the conclusion of PSYC/SOCI 2332, the student’s selection of a “link” course will be registered in the department office and noted in the student’s advising file. The student’s departmental advisor must approve any subsequent changes in the designation of a “link” course and must verify that the “link” paper has been completed, before the student can be approved to register for PSYC/SOCI 4332.

SENIOR PROJECT

All students with a major in the Department of Behavioral Sciences must complete a research-based senior project as a part of PSYC/SOCI 4332. Students majoring in psychology or sociology will develop and conduct research projects intended to replicate or extend previous research findings. Students majoring in human relations will design and conduct human service projects that demonstrate the student’s ability to be a skilled consumer of existing research-based knowledge.
**HONORS PROGRAM**

To be eligible to participate in the University’s honor program, leading to graduation with distinction, students in the Department of Behavioral Sciences must earn an “A” grade in both MATH 2316 and PSYC/SOCI 2332. Information describing the Honors Project process is available in the department office.

**COMPUTER COMPETENCY**

All majors within the Department of Behavioral Sciences are expected to demonstrate competency in basic computer skills and in the use of SPSS. Basic skills will be assessed as a part of PSYC/SOCI 2332; skill in the use of SPSS will be assessed in PSYC/SOCI 4332.

- SOCL 4301 Sociological Theory
- SOCL 4332 Social/Experimental Research

**Electives** Nine (9) hours in sociology, approved by the advisor

### Business and Human Relations

This major is offered only on the Bachelor of Applied Science *(B.A.S.)* degree. It is designed for working adults and other non-traditional students. Please see the “Degree Requirements” section for details on this interdisciplinary major as well as other B.A.S. degree requirements.

### MINORS

**Counseling Minor Requirements:** Eighteen (18) semester hours as follows:

- PSYC 3301 Dynamics of the Counseling
- PSYC 3302 Marriage and Family Counseling
- PSYC 3375 Counseling Methods
PSYC 3305 Human Sexuality
PSYC 3306 Theories of Personality
PSYC 4301 Psychological Assessment

**Criminal Justice Minor Requirements**: Eighteen (18) semester hours as follows:
- SOCI 3303 Criminology
- CJUS 3304 Introduction to the Criminal Justice System
- CJUS 3305 Criminal Law and Procedure
- CJUS 3306 Violence and Victimization
- PSYC 3304 Behavior Modification
- SOCI 3309 Minority Groups

**Faith Development Minor Requirements**: Eighteen (18) semester hours as follows:
- SOCI 3362 Sociology of Religion
- PSYC 3360 Psychology of Religion
- SOCI/PSYC 3340 Death & Dying
- PSYC 3301 Dynamics of Counseling OR PSYC 3302 Marriage & Family Counseling
- PSYC 3336 Adult Psychology OR PSYC 3335 Psychology of Adolescence
- PSYC 3306 Theories of Personality

**Family Studies Minor Requirements**: Eighteen (18) semester hours as follows:
- SOCI 2301 Marriage & the Family
- PSYC 3302 Marriage & Family Counseling
- PSYC 3305 Human Sexuality
- PSYC 3331 Child Growth & Development
- PSYC 3335 Psychology of Adolescence
- PSYC 3336 Adult Psychology

**Human/Social Services Minor Requirements**: Eighteen (18) semester hours as follows:
- PSYC 2315 Psychology of Adjustment
- SCWK 3363 Christian Ministries
- SCWK 3364 The Field of Social Work
- SOCI 3309 Minority Groups
- PSYC 3335 Psychology of Adolescence OR PSYC 3336 Adult Psychology
- PSYC 3301 Dynamics of Counseling OR PSYC 3302 Marriage & Family Counseling

**Organizational Development & Analysis Minor Requirements**: Eighteen (18) hours as follows:
- PSYC 4369 Industrial Psychology
- PSYC 4301 Psychological Assessment
- SOCI 3301 Social Inequality OR SOCI /PSYC 3369 Group Dynamics
- MGMT 3350 Principles of Management
- MGMT 3353 Human Resources
- MGMT 4351 Organizational Behavior OR SPCH 4305

**Psychology Minor Requirements**: Eighteen (18) semester hours as follows:
- PSYC 1301 Introduction to Psychology
- PSYC 4307 History and Systems of Psychology
- PSYC 4304 Abnormal Psychology
  At least nine (9) semester hours of advanced electives in psychology

**Sociology Minor Requirements**: Eighteen (18) semester hours as follows:
- SOCI 1301 Introduction to Sociology
- SOCI 2332 Introduction to Research Methods
- SOCI 4301 Sociological Theory
  Electives in sociology to total eighteen (18) semester hours, at least six (6) advanced, approved by the advisor.
DEPARTMENT OF BIOLOGY

DR. ROY DARVILLE, CHAIR

The Department of Biology offers programs of study with a major and minor in biology. A life science major or minor is available for the Teacher Education Program for secondary-level certification. The department also serves other academic disciplines by providing biological knowledge and skills needed in those areas.

Students may take biology and environmental studies courses offered at Au Sable Institute of Environmental Studies in Michigan. Further details may be found in the International Education section of the catalog and from the chair, Department of Biology.

The department is committed to teaching the fundamental skills and techniques of biology, exploring how biology as a science is a way of knowing about life and instilling a desire for further study in biology.

Students who major in biology will:
1. Compare favorably in their knowledge of biological terms and concepts with those students completing a similar program statewide and nationwide.
2. Demonstrate understanding of the scientific method through understanding of biological concepts and acquisition of laboratory skills.
3. Develop a world-view that incorporates biology.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE

General Education Requirements ........................................47
   English 1301, either 1302, or 1303, and 2321 or 2326 or 2331 .........................................................9
   Fine Arts (three (3) hours from music, theatre, art or equivalent) .................................................................3
   Religion 1320 and 1330 ......................................................................................................................6
   History 1301, 1302, 2321, or 2322 ........................................................................................................3
   Social Science (PSYC 1301 or SOCI 1301) ............................................................................................3
   Physical Activity (KINE 1164 and two different physical activity courses) .............................................3
   Science (must be lab science) .....................................................................................................................8
   Mathematics 1314 and 1316 ....................................................................................................................6
   Speech 1311 .........................................................................................................................................3

Major area of study .................................................................................................................................37

Other Departmental Requirements .......................................16
   CHEM 1311/1111 and CHEM 1312/1112 ............................................................................................8
   PHYS 1401 and 1402 or PHYS 2425 and 2426 ....................................................................................8

Minor area of study .................................................................................................................................18

Electives (to total 120 hours)

Total: One hundred twenty (120) Semester Hours

AVAILABLE MAJORS

Biology Major Requirements for the B.S.:
Completion of thirty-seven (37) semester hours in the Biology Department as follows:

Biology Core Requirements:
   BIOL 1406 General Biology I
   BIOL 1407 General Biology II
   BIOL 2305 Introduction to Research Methods
   BIOL 3452 Microbiology
   BIOL 4403 Genetics

Track Requirements:
   GENERAL BIOLOGY TRACK
   BIOL 2428 Comparative Anatomy
   BIOL 3401 Invertebrate Zoology
   BIOL 4405 General Ecology

Additional six (6) semester hours in the department

ENVIRONMENTAL STUDIES TRACK
   BIOL 2406 Man and the Environment
BIOL 3400 Field Course  
BIOL 4405 General Ecology or BIOL 4406 Wetland Ecology

*Additional seven (7) semester hours in the department*

**HUMAN BIOLOGY TRACK**
- BIOL 2401 Human Anatomy and Physiology I  
- BIOL 2402 Human Anatomy and Physiology II  
- BIOL 4301 Cell Biology

*Additional seven (7) semester hours in the department*

**Completion of the following support courses:**
- CHEM 1311 General Chemistry I  
- CHEM 1111 General Chemistry I Laboratory  
- CHEM 1312 General Chemistry II  
- CHEM 1112 General Chemistry II Laboratory  
- PHYS 1401 General Physics I  
- PHYS 1402 General Physics II  
- MATH 1314 College Algebra  
- MATH 1316 Plane Trigonometry

---

**REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN EDUCATION**

*General Education Requirements (See Academic Programs Section)*

**Life Science Major Requirements for Secondary Level Certification, Plan I, on the B.S.E.:**

Forty-seven (47) semester hours as follows:
- BIOL 1406 General Biology I  
- BIOL 1407 General Biology II  
- BIOL 2406 Man and the Environment  
- BIOL 2428 Comparative Anatomy  
- BIOL 3401 Invertebrate Zoology  
- BIOL 3410 Field Botany  
- BIOL 3452 Microbiology  
- BIOL 4303 Population Biology  
- BIOL 4403 Genetics  
- BIOL 4405 General Ecology  
- CHEM 1311 General Chemistry I  
- CHEM 1111 General Chemistry I Laboratory  
- CHEM 1312 General Chemistry II  
- CHEM 1112 General Chemistry II Laboratory

**Integrated Interdisciplinary Major (EC-Grade 8) with Science Minor Certification on the B.S.E.:** (See Department of Teacher Education section.)

---

**MINORS**

**Biology Minor Requirements on Degrees other than B.S.E.:** Twenty (20) semester hours as follows:
- BIOL 1406 General Biology I  
- BIOL 1407 General Biology II  

Twelve (12) hours in Biology, eight (8) semester hours of which must be advanced.

**Life Science Minor Requirements for Secondary Level Certification, Plan II, on the B.S.E.:**

Twenty-three (23) semester hours as follows:
- BIOL 1406 General Biology I  
- BIOL 1407 General Biology II  
- BIOL 2428 Comparative Anatomy  
- BIOL 4303 Population Biology  
- BIOL 4403 Genetics  
- BIOL 4405 General Ecology
DEPARTMENT OF BUSINESS

DR. CHARLES WILLIAMS, CHAIR
Dean of the School of Business

MISSION AND PURPOSE

The Department of Business seeks to prepare undergraduate students for careers in business, business-related, and nonprofit organizations and to provide students with the academic preparation necessary to undertake study in various graduate and professional degree programs. The department strives to instill Christian values in its students and to develop individuals who are committed to the ethical and moral standards in business fostered by the Christian faith. The department places emphasis on quality teaching and is committed to supporting activities that help advance the economic development of the primary geographical area that the department serves. Students completing the undergraduate business degree programs offered by the Department of Business should:

1. Possess a fundamental knowledge of the basic business core subjects.
2. Possess an in-depth knowledge of their area(s) of business specialization.
3. Be prepared to pursue graduate studies in business.
4. Be able to apply Christian values in their employment practices.

The School of Business offers programs of study with a major or minor in computer information systems (CIS). The School of Business is committed to teaching computer awareness and literacy, providing the foundation for further study, and encouraging positive attitudes, habits, and ideals inherent in the use of computers. Students completing a baccalaureate program in computer information systems should:

1. compare favorably in their knowledge of undergraduate computer information systems with those completing a similar program nationally or statewide.
2. demonstrate adequate skills in logic through designing computer programs.

DEGREES

Students may select business programs under any one of the three degrees: B.S. in either business administration or computer information systems, B.B.A. in accounting, B.A.S. in business and human relations.

The Bachelor of Science degree permits students more flexibility in terms of objectives while majoring in business administration, computer information systems with a business emphasis, or computer information systems with a mathematics emphasis. A minor may be chosen from a discipline in the Department of Business or from minors offered by any other University department. Business Department minors are accounting, computer information systems, management, and marketing. A minor in business administration is also available for non-business students.

The Bachelor of Business Administration in Accounting (B.B.A.) is the professional degree for the student who anticipates a career in accounting. The B.B.A. student takes a thirty-nine (39) semester hour core plus thirty (30) hours in accounting.

The Bachelor of Applied Science degree recognizes college level portfolio credit from work or other service in the business community. The major offered for this degree by the Department of Business is an interdisciplinary major in business and human relations.

General education requirements and overall degree requirements pertaining to each degree and business major are listed below and in the Academic Program section of the catalog.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION

General Education Requirements ..................................................................................................................47

English 1301, 1303 and 2321 or 2326 or 2331 .......................................................................................9
Speech 1311 .................................................................................................................................................3
History 1301 ................................................................................................................................................3
Religion 1320 and 1330 ............................................................................................................................6
Social Science (PSYC/SOCI/POSC) ..............................................................................................................6
Mathematics 1342 and 2313.................................................................6
Fine Arts (three (3) hours from music, theatre, art or equivalent) .........................................................3
Physical Activity (KINE 1164 and two different physical activity courses) ........................................3
Science (must be lab science)..............................................................8

**Major area of study** .....................................................................36
- ACCT 2301 Principles of Financial Accounting
- ACCT 2302 Principles of Managerial Accounting
- BUAD 1305 Business Software Applications
- BUAD 3327 Business Law
- BUAD 4304 Business Communications
- BAUD 4352 Business Policy (Capstone)
- ECON 2301 Macroeconomics
- ECON 2302 Microeconomics
- FINA 3344 Managerial Finance
- MGMT 3350 Principles of Management
- MGMT 4366 Management Science
- MKTG 3324 Principles of Marketing

**Other Departmental Requirements** ...........................................9
- ENGL 3309 ..................................................................................3
- HIST 1302 .................................................................................3
- RLGN 3352 ................................................................................3

**Minor area of study** ....................................................................18

**Electives** (to total 120 hours) ......................................................10

**Total:** One hundred twenty (120) Semester Hours

---

**REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN COMPUTER INFORMATION SYSTEMS-BUSINESS EMPHASIS**

**General Education Requirements** ..........................................47
- English 1301, 1303 and 2321 or 2326 or 2331 ........................................9
- Speech 1311 ..............................................................................3
- History 1301 ............................................................................3
- Religion 1320 and 1330 ................................................................6
- Social Science (PSYC/SOCI/POSC) .................................................6
- Mathematics 1342 and 2313 ..........................................................6

Total: One hundred twenty (120) Semester Hours

REQUIREMENTS FOR THE BACHELOR OF BUSINESS
ADMINISTRATION IN ACCOUNTING

General Education Requirements .............................................................54
  English 1301, 1303 and two (2) courses selected from 2321 or 2326 or 2331 ....12
  Speech 1311 ............................................................................................3
  History 1301 and 1302 or 2321 and 2322 (select one pair) ......................6
  Religion 1320 and 1330 and 3352 ...........................................................9
  Mathematics 1342 and 2313 ..................................................................6
  Computer Science 1363 .........................................................................3
  Fine Arts (three (3) hours from music, theatre, art or equivalent) ..........3
  Science (must be lab science) .................................................................8
  Physical Activity (KINE 1164 and three (3) different physical activity courses) ..........4

Business Core Requirements for the B.B.A. in Accounting ....................39
  ACCT 2301 Principles of Financial Accounting
  ACCT 2302 Principles of Managerial Accounting
  BUAD 1305 Business Software Applications
  BUAD 3327 Business Law
  BUAD 4304 Business Communications
  BAUD 4352 Business Policy (Capstone)
  ECON 2301 Macroeconomics
  ECON 2302 Microeconomics
  ENGL 3309 Advanced Technical Writing
  FINA 3344 Managerial Finance
  MGMT 3350 Principles of Management
  MGMT 4366 Management Science
  MKTG 3324 Principles of Marketing
Major area of study

- ACCT 3332 Accounting Information Systems
- ACCT 3335 Intermediate Accounting I
- ACCT 3336 Intermediate Accounting II
- ACCT 3337 Financial Cost Analysis I
- ACCT 4331 Federal Tax Accounting I
- ACCT 4333 Auditing
- ACCT 4335 Advanced Accounting
- ACCT 4338 Governmental and Not-for-Profit Accounting
- ACCT 4340 Accounting Theory

Advanced Accounting Hours (three (3) semester hours)

Electives (to total 129 hours) ..........................................................6

Total: One hundred twenty-nine (129) Semester Hours

Note: In addition to other requirements, students planning to take the CPA examination in Texas must have thirty-six (36) semester hours specified accounting courses, twenty (20) semester hours in business courses in addition to accounting, and a total of one hundred fifty (150) semester hours of college work.

Requirements for the Bachelor of Applied Science

Business and Human Relations Major

This major is offered only on the Bachelor of Applied Science (B.A.S.) degree. It is designed for working adults and other non-traditional students. Please see the Academic Program section for details on this interdisciplinary major as well as other B.A.S. degree requirements.

Minors

Note: In no case may a student major and minor in the same discipline.

Accounting Minor for Business Students Requirements:
- ACCT 3332 Accounting Information Systems
- ACCT 3335 Intermediate Accounting I
- ACCT 3336 Intermediate Accounting II
- ACCT 3337 Cost Accounting
- ACCT 4333 Auditing

Advanced Accounting Hours (three (3) semester hours)

Computer Information Systems Minor Requirements: Eighteen (18) semester hours
- COSC 1301 Principles of Computer Science
- COSC 1318 Computer Programming

Management Minor for Business Students Requirements: Eighteen (18) semester hours
- MGMT 3353 Human Resource Management
- MGMT 3354 Business Information Systems Management
- MGMT 4351 Organizational Behavior
- MGMT 4353 Organizational Leadership
- MGMT 4359 Production Management

Advanced Management Hours (three (3) semester hours)

Marketing Minor for Business Students Requirements: Eighteen (18) semester hours
- MKTG 3325 Salesmanship
- MKTG 3352 Consumer Behavior
- MKTG 4321 Advertising
- MKTG 4322 Marketing Research
- MKTG 4345 International Marketing

Advanced Marketing Hours (three (3) semester hours)

Accounting Minor for Non-Business Students: Eighteen (18) semester hours
- ACCT 2301 Principles of Financial Accounting
- ACCT 2302 Principles of Managerial Accounting
Advanced Accounting Hours (six (6) semester hours)

Business Administration Minor for Non-Business Students Requirements: Eighteen (18) semester hours
- ACCT 2301 Principles of Financial Accounting
- ECON 2301 Macroeconomics
- ECON 2302 Microeconomics
- BUAD 1305 Business Software Applications
- MGMT 3350 Principles of Management
- MKTG 3324 Principles of Marketing

Marketing Minor for Non-Business Students Requirements: Eighteen (18) semester hours
- MKTG 3324 Principles of Marketing

Advanced Marketing Hours* (fifteen (15) semester hours)

Not-For-Profit Business Minor for Non-Business Students Requirements: Eighteen (18) semester hours
- ACCT 3210 Practical Management Accounting
- BUAD 1305 Business Software Applications
- BUAD 3327 Business Law
- BUAD 4304 Business Communications
- FINA 3210 Practical Financial Management
- MGMT 3310 Practical Management for Personal, Non-Profitable, and Religious Operations
- MKTG 3210 Practical Marketing Management
The Department of Chemistry and Physics offers a major and minor in chemistry and a physical science major for the Teacher Education Program for secondary level certification. The department seeks to provide students with the knowledge and skills necessary to prepare them for admission to professional schools in the health fields, for admission to graduate study in chemistry, for admission to the teaching profession, or for careers as chemists in industry.

Students completing the baccalaureate degree in chemistry should:
1. Compare favorably in their knowledge of undergraduate chemistry with those students completing a similar program nationally or statewide.
2. Possess the skills necessary for employment in industry.
3. Possess the skills necessary to remain current in their field.

**Requirements for the Bachelor of Science in Chemistry**

*General Education Requirements*: 47 hours
- English 1301, either 1302 or 1303, and three (3) hours sophomore literature: 9 hours
- Fine Arts (three (3) hours from music, theatre, art or equivalent): 3 hours
- Religion 1320 and 1330: 6 hours
- History 1301, 1302, 2321, or 2322: 3 hours
- Social Science (PSYC/SOCI/POSC): 6 hours
- Physical Activity (KINE 1164 and two different physical activity courses): 3 hours
- Science (see specific requirements below): 8 hours
- Mathematics (choose two (2) from 1342, 2301 and 2302): 6 hours
- Speech 1311: 3 hours

*Major area of study*: 37 hours

*Other Departmental Requirements*:
- PHYS 1401 and 1402 or PHYS 2425 and 2426: 8 hours

*Note*: PHYS 2425 and 2526 are strongly recommended.

*Recommended Additional Courses*:
- COSC 1363: 3 hours
- HIST (additional course required for pre-health professionals): 3 hours

*Minor area of study*: 18 hours

*Electives* (to total 120 hours): 18 hours

**Total**: One hundred twenty (120) Semester Hours

**Available Majors**

*Chemistry Major Requirements for the B.S. Degree*:
Thirty-six to thirty-seven (36-37) semester hours
- CHEM 1311 General Chemistry I
- CHEM 1111 General Chemistry I Laboratory
- CHEM 1312 General Chemistry II
- CHEM 1112 General Chemistry II Laboratory
- CHEM 3303 General Organic Chemistry I
- CHEM 3103 General Organic Chemistry I Laboratory
- CHEM 3304 General Organic Chemistry II
- CHEM 3104 General Organic Chemistry II Laboratory
- CHEM 3305 Quantitative Analysis
- CHEM 3105 Quantitative Analysis Laboratory
- CHEM 3306 Instrumental Analysis
- CHEM 3106 Instrumental Analysis Laboratory
CHEM 4101 Chemical Literature  
CHEM 4301 Physical Chemistry I  
CHEM 4103 Physical Chemistry I Laboratory  
CHEM 4302 Physical Chemistry II  
CHEM 4104 Physical Chemistry II Laboratory

**Chemistry Electives**, three (3) or four (4) semester hours from:  
CHEM 4167 Biochemistry Techniques  
CHEM 4367 Biochemistry  
CHEM 4308 Advanced Inorganic Chemistry

**Physical Science Major Requirements for Secondary Level Certification, Plan I, on the B.S.E.**; Forty-three (43) semester hours  
CHEM 1311 General Chemistry I  
CHEM 1111 General Chemistry I Laboratory  
CHEM 1312 General Chemistry II  
CHEM 1112 General Chemistry II Laboratory  
CHEM 3303 General Organic Chemistry I  
CHEM 3103 General Organic Chemistry I Laboratory  
CHEM 3304 General Organic Chemistry II  
CHEM 3104 General Organic Chemistry II Laboratory  
CHEM 3305 Quantitative Analysis  
CHEM 3105 Quantitative Analysis Laboratory  
CHEM 4308 Advanced Inorganic Chemistry  
GEOL 1403 Physical Geology  
GEOL 1404 Historical Geology  
PSCI 1402 Introduction to Meteorology and Astronomy

Eight (8) semester hours of physics, either:  
PHYS 1401-1402 General Physics I-II or  
PHYS 2425-2426 University Physics I-II

**Integrated Interdisciplinary Major (EC-Grade 8) with Science Minor Certification on the B.S.E.** (See Department of Teacher Education section.)

**MINOR**

**Chemistry Minor Requirements on Degrees other than the B.S.E.**: Twenty (20) semester hours  
CHEM 1311 General Chemistry I  
CHEM 1111 General Chemistry I Laboratory  
CHEM 1312 General Chemistry II  
CHEM 1112 General Chemistry II Laboratory  
CHEM 3303 General Organic Chemistry I  
CHEM 3103 General Organic Chemistry I Laboratory  
CHEM 3304 General Organic Chemistry II  
CHEM 3104 General Organic Chemistry II Laboratory  
CHEM 3305 Quantitative Analysis  
CHEM 3105 Quantitative Analysis Laboratory

**Note**: For a comprehensive explanation of program requirements and options for teacher certification, consult the Department of Teacher Education section in this catalog.
The Department of Communication seeks to provide students pursuing a degree in speech communication with a theoretical and practical knowledge of effective personal and public communication skills in a variety of settings.

Students completing a major in speech communication should:
1. Demonstrate a knowledge of public communication theory and practice.
2. Demonstrate a knowledge of interpersonal communication theory and practice.
3. Demonstrate a knowledge of effective listening skills.

The mass communication major course curriculum reflects an integrated, interdisciplinary approach to the study of the ever-changing world of mass communication. The mission of the mass communication major is to provide a broad area of intellectual studies that will prepare students to become ethical and responsible media professionals.

Students completing a major in mass communication should:
1. Be familiar with the legal, ethical and theoretical issues in the field of mass communication
2. Be familiar with the historical, economic and social perspectives of mass media
3. Demonstrate the ability to write unbiased copy for each area of the mass media

The department offers students the following programs of study:

**REQUIREMENTS FOR THE BACHELOR OF ARTS IN MASS COMMUNICATION OR IN SPEECH COMMUNICATION**

**General Education Requirements** ................................................................. 48
- English 1301, either 1302 or 1303, and three (3) hours sophomore literature .......... 9
- Fine Arts (three (3) hours from music, theatre, art or equivalent) ......................... 3
- Religion 1320 and 1330 .................................................................................. 6
- History 1301, 1302, 2321, or 2322 .................................................................. 3
- Social Science (PSYC/SOCI/POSC) .................................................................. 6
- Physical Activity (KINE 1164 and two different physical activity courses) .......... 3
- Science (must be a lab science) ...................................................................... 4
- Mathematics 1300, 1342, 1314, 1316, 2301, or 2313 ..................................... 3
- Speech 1311 .................................................................................................. 3

**Major area of study** .................................................................................. 30

**Minor area of study** .................................................................................. 18

**Electives (to total 120 hours)** ................................................................. 24

**Total: One hundred twenty (120) Semester Hours**

**AVAILABLE MAJORS**

**Mass Communication Major on the B.A. Requirements:**
Thirty (30 hours) semester hours as follows:
- COMM 1307 Introduction to Mass Communication
- COMM 2302 Alternative Media in a Diverse Society
- COMM 2339 Mass Media Writing
- COMM 3200 Communication Research Methods
- COMM 3307 Mass Communication Law and Ethics
- COMM 1303 Introduction to Journalism
- COMM 3321 Public Relations
- COMM 3350 Broadcast News Reporting
- COMM 3309 Graphic Design 1
- COMM 4450 Internship

**Speech Communication Major on the B.A. Requirements:**
Thirty-three (33) semester hours as follows:
- COMM 1307 Introduction to Mass Communication
SPCH 1342 Voice and Diction
SPCH 2302 Listening
SPCH 3200 Communication Research
SPCH 3303 Small Group Communication
SPCH 3307 Interpersonal Communication
SPCH 4100 Contemporary Issues in Speech Communication

Additional Speech Communication Courses selected from the following to total (15) semester hours, nine (9) of which must be upper level:

- SPCH 2341 Oral Interpretation of Literature
- SPCH 1303 Introduction to Journalism
- SPCH 2101 Performance Laboratory
- SPCH 3301 Speech and Theatre Activities for the Elementary School Child
- SPCH 3304 Argumentation and Debate
- SPCH 3309 Intercultural Communication
- SPCH 3321 Public Relations
- SPCH 4302 Persuasive Communication
- SPCH 4304 Advanced Public Speaking
- SPCH 4305 Organizational Communication
- SPCH 4350 Internships in Communication
- SPCH 4370-9 Special Topics
- SPCH 4390 Honors Research

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN EDUCATION IN SPEECH COMMUNICATION

General Education Requirements (See Academic Program Section)

Speech Communication Major on the B.S.E., Plan II, Requirements for Secondary Level Certification:

Thirty-one (31) semester hours:

All of the following: Twenty-eight (28) semester hours

- COMM 1307 Introduction to Mass Communication
- SPCH 2301 Voice and Diction
- SPCH 2302 Listening
- SPCH 2341 Oral Interpretation of Literature
- SPCH 3200 Communication Research
- SPCH 3303 Small Group Communication
- SPCH 3304 Argumentation and Debate
- SPCH 3307 Interpersonal Communication
- SPCH 4202 Directing Forensics
- SPCH 4304 Advanced Public Speaking

One (1) Additional Upper Level Speech Communication Course.

Note: Other certification requirements are listed in the Department of Teacher Education Section.

MINORS

Speech Communication Minor on the B.S.E., Plan II, Requirements for Secondary Level Certification:

Twenty-five (25) semester hours:

- COMM 1307 Introduction to Mass Communication
- SPCH 1342 Voice and Diction
- SPCH 2302 Listening
- SPCH 2341 Oral Interpretation of Literature
- SPCH 3200 Communication Research
- SPCH 3304 Argumentation and Debate
- SPCH 3307 Interpersonal Communication
- SPCH 4202 Directing Forensics
SPCH 4304 Advanced Public Speaking

Note: Other certification requirements are listed in the Department of Teacher Education Section.

Mass Communication Minor Eighteen (18) semester hours
Students with a minor in Mass Communication are required to take the following nine (9) hours:
- COMM 1307 Introduction to Mass Communication
- COMM 2302 Alternative Media in a Diverse Society
- COMM 2339 Mass Media Writing
Nine hours from the following:
- COMM 3200 Communication Research Methods
- COMM 3307 Mass Communication Law and Ethics
- COMM 1303 Introduction to Journalism
- COMM 3321 Public Relations
- COMM 3350 Broadcast News Reporting
- COMM 3309 Graphic Design 1
- COMM 4450 Internship

Minor in Speech Communication on Degrees other than the B.S.E. Requirements:
Eighteen (18) semester hours nine (9) of which must be advanced.
The Department of English seeks to develop the language skills and knowledge of literature expected of all liberally-educated students. The department offers three programs of study, (a) a major or minor in English, (b) an English major or minor for secondary level certification, and (c) an integrated major/minor in interdisciplinary studies/English language arts and reading for EC-Grade 8 teacher certification.

Students completing a major in English should:
1. Compare favorably in their knowledge of literature, composition, and rhetoric with students completing similar programs at other schools.
2. Compare favorably with their peers on standardized tests such as the TExES and GRE.
3. Be well prepared for graduate study, positions in the elementary and secondary schools, or other careers in the public and private sectors.

Instruction in literature at East Texas Baptist University is guided by the principle of literary merit set in a Christian context. The English Department not only seeks to expose learners to the traditionally accepted canon of American, British, and world literature and to provide a literary education commensurate with that in other colleges and universities but also proposes to present and interpret works from Christian perspectives. While instructors strive to be sensitive to the religious beliefs and traditions of all students who enroll in a literature course, some works may offend some students in one way or another. Students should be aware that including a literary work in the curriculum does not necessarily mean that the instructor or the department endorses the language or views expressed in it. Any student who objects to a particular selection should discuss the matter with his or her instructor.

NOTE: Students with an English score of 26 or above on the ACT may choose to take ENGL 1392, Honors Freshman English, in lieu of ENGL 1301. If they complete the course with a grade of “C” or higher, they will receive credit for ENGL 1301 as well.

MINORS

English Minor Requirements:
ENGL 1301 and 1302 or 1303
ENGL 2341 Forms of Literature
ENGL 3102 Introduction to English Studies
Additional English Courses (at least 6 hours must be upper level)

English Minor (Teaching field) for Secondary Level Certification, Plan II, on the B.S.E., Requirements:
ENGL 2341 Forms of Literature
ENGL 3102 Introduction to English Studies
ENGL 3301 Elements of Linguistics
ENGL 3302 Advanced Composition and Rhetoric
ENGL 3305 Critical Analysis of Literature
ENGL 3306 English in the Secondary School
ENGL 3311 Western Literature I
ENGL 3312 Western Literature II
COMM 1307 Introduction to Mass Communication
DEPARTMENT OF HISTORY, POLITICAL SCIENCE, AND GEOGRAPHY

DR. JERRY SUMMERS, CHAIR

The department seeks to foster disciplined historical study of the global human past, the institutions and traditions of law, government, and politics, and the past and present interactions of humans and the environment through geographical study. Students completing a major in history should have gained a thorough understanding and competence in historical understanding, research principles, methodology, and processes. Students seeking State of Texas teacher certification would meet or exceed state minimum criteria on the TEES.

The department offers a major and minor in history, a minor in political science, various majors and minors appropriate for teacher certification, and a minor in church history. Interdisciplinary minors are offered in American studies, church history, and British studies.

Pre-Law students may prepare for law school by taking any East Texas Baptist University major. The department faculty will advise students seeking entrance to law school.

Courses in political science do not count as history credit on a history major or minor.

REQUIREMENTS FOR THE BACHELOR OF ARTS IN HISTORY

General Education Requirements .........................................................48
English 1301, either 1302 or 1303, plus three (3) hours sophomore literature ..........9
Fine Arts (3 hours from music, theatre, art, or equivalent) ........................................3
Foreign Language (at least one semester second year, all hours in same language) ..........11
Religion 1320 and 1330 .........................................................................................6

Additional Departmental Requirements
For all majors and minors, unless otherwise specified 12 credit hours:
HIST 1301 United States to 1877
HIST 1302 United States since 1877
HIST 2321 Survey of Civilizations I
HIST 2322 Survey of Civilizations II

**Major area of study** ........................................................................................................................................30-60

**Minor area of study** (if needed)

**Electives** (to total 122 hours)

**AVAILABLE MAJORS**

**History Major for Secondary Level Certification, Plan II and Plan III, on the B.S.E.:**
Thirty-three (33) semester hours:
- **Background Surveys (12 hours)**
  - HIST 3301 Historiography
  - HIST 3302 History of Texas
- Six (6) advanced semester hours from U.S. history series. Nine (9) advanced semester hours from global history series.

**Social Studies Major for Secondary Level Certification, Plan I, on the B.S.E.:**
Thirty (30) semester hours of history, plus eighteen (18) semester hours in political science, geography, economics, speech communication, and social or behavioral sciences:
- **Background Surveys (12 hours)**
  - HIST 3301 Historiography
  - HIST 3302 History of Texas
- Six (6) semester hours from U.S. history series.
- Six (6) semester hours from European or global history series.
  - PSYC/SOCI 2332 Introduction to Research Methods
  - GEOG 1303 Foundations of Geography
  - GEOG 2312 Economic Geography
  - ECON 2301 Macroeconomics
  - ECON 2302 Microeconomics
- Three (3) advanced hours from social or behavioral sciences, or SPCH 3309 Intercultural Communication.

**Integrated Interdisciplinary Major (EC-Grade 8) with Social Sciences Minor on the B.S.E.:** Sixty (60) semester hours:
  - ARTS1301 Creative Arts in the Elementary School Curriculum
  - GSCI 3301 Science in the Elementary School I
  - GSCI 3302 Science in the Elementary School II
  - KINE 3301 Health and Fitness in the Elementary School
  - MATH 3301 Number Systems
  - MATH 3302 Mathematics for Elementary School Teachers
  - MUSI 3301 Music for Elementary Education
  - READ 3305 Language Skills in Reading
  - READ 3316 Pre-Literacy Development
  - READ 3364 Children's Literature for the Elementary School
  - READ 3600 Reading in the Elementary School
  - SSCI 3307 Social Studies for Elementary Teachers
  - HIST 1301 United States to 1877
  - HIST 1302 United States Since 1877
  - HIST 2321 Survey of Civilizations I
  - HIST 2322 Survey of Civilizations II
MINORS

American Studies Minor nineteen (19) credit hours as follows:
- HIST 2100 – Introduction to American Studies
- HIST 1301 US to 1877
- HIST 1302 US Since 1877
- ENGL 2326 American Literature
- POSC 2303 American & State Government

Six credit hours, three from each of two fields:
- HIST 3302 Texas History
- HIST 3304 US Since 1914
- HIST 3305 History of the South
- HIST 3361 American Constitutional Development I
- HIST 3362 American Constitutional Development II
- ENGL 4310 Literary Themes (as appropriate to American contexts)
- ENGL 4320 Literary Periods (as appropriate to American contexts)
- ENGL 4330 Major Authors (as appropriate to American contexts)
- MUSI 3304 Hymnology
- SOCI 2304 Social Problems
- SOCI 3301 Social Inequality
- SOCI/PSYC 3307 Seminar on Moral, Ethical, & Religious Issues
- SOCI 3309 Minority Groups
- THEA 3360 Introduction to Cinema Studies

British Studies Minor nineteen (19) credit hours as follows:
- HIST 2101 Introduction to British Studies
- ENGL 2321 British Literature
- HIST 1301 US to 1877
- HIST 3364 British Studies, 1714 to the Present

Nine credit hours from:
- ENGL 4304 Shakespeare
- ENGL 4310 Literary Themes (as appropriate to British Studies)
- ENGL 4320 Literary Periods (as appropriate to British Studies)
- ENGL 4330 Major Authors (as appropriate to British Studies)
- HIST 3303 Survey of English History to 1714

Church History Minor eighteen (18) credit hours as follows:
- HIST 2321 Survey of Civilizations I
- HIST 2322 Survey of Civilizations II
- HIST 3309 History of Christianity

Nine (9) credit hours from:
- HIST 3310 History of the Baptists
- HIST 4331 Early Modern Europe
- HIST 3340: Topics in Church History

History Minor, on Degrees other than B.S.E.: Eighteen (18) semester hours:
Background Surveys (12 Hours)

Advanced History Electives (to total six (6) semester hours, balancing the number of courses in the United States and European or global areas.)

History Minor for Secondary Level Certification, Plan II, on the B.S.E.: Twenty-four (24) hours:
Background Surveys (12 Hours)
HIST 3301 Historiography
HIST 3302 History of Texas

Three (3) advanced semester hours from U.S. history series.
Three (3) advanced semester hours from global history series.

Political Science Minor: Eighteen (18) semester hours:

Eighteen (18) credit hours as follows:

- POSC 2304 Introduction to Political Science
- POSC 1301 Introduction to International Relations
- POSC 2303 American and State Government
- POSC 3361 American Constitutional Development I
- POSC 3362 American Constitutional Development II
- POSC 4365 Comparative Economic and Political Systems

SOCIAL SCIENCES MINOR

An interdepartmental minor is offered to serve students whose careers call for a broad background in the social sciences. Pre-ministerial students, pre-social work students, business students, those preparing for civic leadership positions, as well as others might find the social sciences minor useful.

The Social Sciences Minor requires course work from three different approved areas (twenty-four (24) semester hours).

Choose the primary area from the choices below and complete requirements listed.

- History: 1301-1302 or 2321-2322 plus six (6) advanced semester hours
- Political Science: 2304, 1301 plus six (6) advanced semester hours
- Psychology: 1301, 3367 plus six (6) advanced hours
- Sociology: 1301 and three (3) additional semester hours plus six (6) advanced semester hours

Choose two additional support areas from the choices below and complete courses listed.

- Economics: 2301, 2302
- Geography: 1303, 2312
- History: 1301-1302 or 2321-2322
- Political Science: 2304, 1301
- Psychology: 1301, 3367
- Sociology: 1301 and three (3) additional semester hours

The minor is administered by the department from which the primary area is selected.
Physical education is an educational process which has as its aim the improvement of human performance and enhancement of human development through the medium of physical activities selected to realize this outcome. Toward this end, the department offers a variety of activity classes, the majority of which could be classified as lifetime sports.

A student completing a baccalaureate program in kinesiology will:

1. Be a physically educated person.
2. Possess physical activity skills that can be utilized throughout one’s entire life.
3. Demonstrate the knowledge and skills specifically required for success in professions or further studies in kinesiology and exercise science.

The department offers a major and minor in Kinesiology on the Bachelor of Science degree with possible emphasis in Athletic Training, Health and Wellness, Recreation Management or Sports Supervision; a major in Athletic Training on the Bachelor of Science degree; and All-Level Kinesiology on the Bachelor of Science in Education degree

ATHLETIC TRAINING EDUCATION PROGRAM

An athletic trainer is a qualified allied health care professional, educated and experienced in the management of health care problems associated with sport participation. In cooperation with physicians and other allied health care personnel, the athletic trainer functions as an integral member of the athletic health care team in secondary schools, colleges and universities, professional sports programs, sports medicine clinics, and other athletic health care settings. The athletic trainer functions in cooperation with medical personnel, athletic administrators, coaches, and parents in the development and coordination of efficient and responsive athletic health care delivery systems. The athletic trainer’s professional preparation is directed toward the development of specified competencies in the following domains: risk management and injury prevention, pathology of injuries and illnesses, assessment and evaluation, acute care of injury and illness, pharmacology, therapeutic modalities, therapeutic exercise, general medical conditions and disabilities, nutritional aspects of injury and illness, psychosocial intervention and referral, health care administration, and professional development and responsibilities. Through a combination of formal classroom instruction and clinical experience, the athletic trainer is prepared to apply a wide variety of specific health care skills and knowledge within each of the domains.

The program prepares graduates to assume entry level positions in the athletic training profession and provides a foundation for advanced study in athletic training. The student must satisfactorily complete all academic requirements as well as the supervised practical experience hours as set forth by the Athletic Training Advisory Board of Texas or the National Athletic Trainers’ Association Board of Certification. The ETBU Department of Kinesiology and Exercise Science does not guarantee that each person admitted to the athletic training educational program will pass all elements of the program or that those graduated from the program will be able to pass the licensing or certification exams. The attainment of these goals is dependent upon the degree to which the students diligently apply themselves to their studies.

ADMISSION AND PROGRAM REQUIREMENTS

All students must meet the following criteria prior to being officially admitted into the program:

1. Admission to East Texas Baptist University Athletic Training should be indicated as the major on the application.
2. Submission of Athletic Training Educational Program application to Program Director. The application includes the following:
   A. Three letters of reference (from someone other than a family member).
   B. Academic transcripts.
   C. ACT and/or SAT scores.
   D. Written essay outlining professional goals and objectives which should reflect a sincere interest in athletic training as a profession.
   E. Proof of current CPR certification.
3. Completion of a personal interview with the Program Director.
4. Completion of the following courses with a grade of “C” or above:
   A. KINE 1141 Practicum in Athletic Training I.
   B. KINE 1142 Practicum in Athletic Training II.
   C. KINE 1301 Introduction to Kinesiology.

The Athletic Training Education Program admission process is competitive in nature, with only twenty-four (24) students being officially admitted. All general education requirements are offered at ETBU or may be transferred from another college or university. Courses within the major must be taken at ETBU. Transfer students will be evaluated on an individual basis in reference to the major courses.

The profession of athletic training is physically as well as emotionally demanding. Students seeking a degree in athletic training must have certain abilities and skills relevant to the profession. Reasonable accommodations will be made for disabilities; however, students are expected to perform in a reasonably independent manner. Students will be expected to perform clinical proficiency skills in a laboratory setting as well as real-life situations.

DISMISSAL POLICIES

Students will be allowed to repeat only one of the courses in the major in which they score below a grade of “C.” Students may repeat the course in question the next time the course is offered. Students will not be allowed to take any other courses required in the major until the repeated course is satisfactorily completed. A course may be repeated only one time.

Dismissal from the program does not constitute dismissal from the University. The Athletic Training Educational Program reserves the right to dismiss any student whose behavior is deemed threatening to the welfare of any individual or is unsafe in any manner or who engages in unprofessional conduct.

Students who have been dismissed from the program will be given the opportunity to petition the Program Director for readmission to the program. In order to petition, the student must submit to the program director a formal letter indicating an intent to seek readmission prior to the end of the semester preceding requested re-entry. The student will be required to submit an essay outlining the reasons the student should be considered for readmission as well as complete a re-entry interview with the Program Director. Students may petition for readmission to the program only once.

RETENTION/PROGRESSION POLICY

With the exception of the repeated course option, students must earn a minimum grade of “C” in all required courses in the athletic training major to remain in the program. Students will also undergo a written performance evaluation at the end of each semester. These evaluations are intended to be a positive experience to show the student athletic trainer areas needing improvement such as attitude, communication skills, and clinical skills.

AFFILIATED CLINICAL EXPERIENCE

In conjunction with KINE 4350 (Clinical Internship in Athletic Training), students must complete an internship in a clinical setting off campus. It will be the responsibility of the student to secure a position in the setting of his or her choice. Internship positions should be arranged with other allied health care professionals such as medical doctors, orthopedic doctors, emergency medical technicians, paramedics, physical therapists, etc. Students may also choose to seek positions in clinics, hospitals, or high schools with other certified athletic trainers. Positions must be approved in advance by the Program Director.

Students will be required to have an affiliated site contract signed by the internship supervisor prior to the beginning of the clinical experience. The site supervisor must also agree to complete periodic written eval-
uations that will include documentation of the hours completed as well as descriptions of the interns’ skills and progression in the internship experience.

This course will be limited to students who have attained junior or senior level status.

ACCREDITATION
ETBU has completed the self-study and site visits phase for CAAHEP accreditation and is waiting on the JRC-AT recommendation and approval.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN KINESIOLOGY
- ATHLETIC TRAINING

General Education Requirements ..............................................................47
English 1301, 1303, plus three (3) hours sophomore literature.........................9
Fine Arts (Music 1306 or Theatre 1310) ......................................................3
Religion 1320 and 1330 ............................................................................6
History 1301, 1302, 2321, or 2322 .........................................................3
Social Science (PSYC 1301 and SOCI 1301) ..............................................6

KINE 2141 Practicum in Athletic Training III
KINE 2142 Practicum in Athletic Training IV
KINE 2302 Care of Injuries
KINE 3141 Practicum in Athletic Training V
KINE 3142 Practicum in Athletic Training VI
KINE 3300 Therapeutic Modalities
KINE 3302 Injury Rehabilitation Techniques
KINE 3310 Concepts of Personal Health and Wellness
KINE 3312 Kinesiology and Applied Anatomy
KINE 3311 Physiology of Exercise
KINE 4141 Practicum in Athletic Training VII
KINE 4309 Athletic Training
KINE 4350 Clinical Internship in Athletic Training

Additional Departmental Requirements (for program admission, licensing and/or certification)
KINE 1301 Introduction to Kinesiology
KINE 1302 Introduction to the Structure and Function of the Human Body
KINE 1306 Community First Aid and Safety
KINE 4301 Organization and Administration in Kinesiology and Sport
BIOL 1322 Nutrition (* Prerequisite for BIOL 2401)
BIOL 2402 Anatomy and Physiology II

Electives (to total 120 hours)
(Department recommendations for elective hours)
KINE 4304 Contemporary Issues in Kinesiology and Sport
KINE 4306 Evaluation in Kinesiology
KINE 4310 Human Disease
BIOL 2302 Medical Terminology

Minor area of study
Electives (to total 120 hours)

Total: One hundred twenty (120) Semester Hours
Requirements for the Bachelor of Science in Kinesiology

General Education Requirements ................................................................. 47
  English 1301, either 1302 or 1303, plus three (3) hours sophomore literature .......... 9
  Fine Arts (3 hours from music, theatre, art, or equivalent) ........................................ 3
  Religion 1320 and 1330 ........................................................................... 6
  History 1301, 1302, 2321, or 2322 ................................................................. 3
  Social Science (PSYC/SOCI/POSC) .............................................................. 6
  Physical Activity (KINE 1164 plus two (2) additional hours) .......................... 3
  Science (must be lab science) .................................................................. 8
  Mathematics 1300, 1342, 1314, 1316, 2301, 2302, 2313 ............................... 6
  Speech 1311 ......................................................................................... 3

Major area of study (including eighteen (18) hours of Kinesiology Core courses) .......... 36

Kinesiology Core, 18 hours:
  KINE 1301 Introduction to Kinesiology
  KINE 1302 Introduction to Structure and Function of the Human Body
  KINE 1306 Community First Aid and Safety
  KINE 3311 Physiology of Exercise
  KINE 3312 Kinesiology and Applied Anatomy
  KINE 4306 Evaluation in Kinesiology

Professional Emphasis, 12 hours: (Twelve additional hours selected by the student. The student is encouraged to choose a professional emphasis as listed below. Six (6) of the twelve (12) hours must be upper division)
  Athletic Training: (This emphasis does not meet state licensing or national certification requirements.)
    KINE 2302 Care of Injuries
    KINE 3300 Therapeutic Modalities
    KINE 3302 Injury Rehabilitation Techniques
    KINE 4309 Athletic Training
  Sports Supervision:
    KINE 2302 Care of Injuries
    KINE 2314 Recreational Facility Supervision
    KINE 4301 Organization and Administration in Kinesiology and Sport
    KINE 4304 Contemporary Issues in Kinesiology and Sport
  Health and Wellness:
    KINE 2302 Care of Injuries
    KINE 3301 Health and Fitness in the Elementary Schools
    KINE 3310 Concepts of Personal Health and Wellness
    KINE 4310 Human Diseases

Professional Skills and Techniques, 6 hours: (only two (2) credit hours may be selected from the "Techniques of Coaching" courses.)
  KINE 2100 Rhythmic Activities
  KINE 2101 Activities for Special Populations
  KINE 2102 Fundamental Motor Skills
  KINE 2105 Lead-Up Activities and Innovative Team Sports
  KINE 2106 Individual and Dual Lifetime Activities
  KINE 2107 Techniques for Teaching Tumbling
  KINE 2113 Outdoor Recreational Activities
  KINE 4100 Techniques for Coaching Soccer
  KINE 4101 Techniques for Coaching Football
  KINE 4102 Techniques for Coaching Baseball
  KINE 4103 Techniques for Coaching Basketball
  KINE 4104 Techniques for Coaching Volleyball

Total: One hundred twenty-two (122) Semester Hours

MINORS

Kinesiology Minor on Degrees other than B.S.E. Requirements: Eighteen (18) semester hours which must include:

- KINE 1301 Introduction to Kinesiology
- KINE 1302 Introduction to the Structure and Function of the Human Body

Plus (+) 12 additional hours (6 hours must be advanced courses; 3 hours must be Professional Skills and Techniques courses.)
DEPARTMENT OF MATHEMATICS

DR. BOBBY H. BammeL, Chair

The Department of Mathematics offers programs of study with a major or minor in mathematical sciences and a major or minor for secondary-level teacher certification in mathematics. An integrated major/minor in interdisciplinary studies/mathematics for EC-Grade 8 teacher certification is also offered. The department serves other academic disciplines by providing the mathematical skills needed in those areas.

For students taking mathematics courses, the department is committed to teaching the fundamental skills and techniques of mathematics, developing mathematics as a mode of thought, and encouraging attitudes, habits, and ideals inherent in the study of mathematics, including the desire to pursue further study.

Students completing a major in mathematics should:
1. Compare favorably in their knowledge of undergraduate mathematics with those students completing a similar program nationally or statewide.
2. Demonstrate adequate mathematical reasoning skills appropriate to students at this level.

The mathematics major, in accordance with a recommendation of the Mathematical Association of America (MAA), has been designed to reflect a more applied orientation demanded for today’s career opportunities. To provide this more versatile curriculum, the major is designated as “mathematical sciences.” The mathematical sciences major’s course requirements provide preparation for industrial positions, graduate study in mathematics or computer science, and a variety of other career options.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN MATHEMATICAL SCIENCES

Thirty-five to thirty-six (35-36) semester hours in mathematics and eleven (11) semester hours of academic support courses are required.

**General Education Requirements** .................................................................47

- English 1301, either 1302 or 1303, plus three (3) hours sophomore literature ..........9

- MATH 2301 Calculus with Analytic Geometry I
- MATH 2302 Calculus with Analytic Geometry II
- MATH 3300 Foundations of Mathematical Reasoning
- MATH 3303 Calculus with Analytic Geometry III
- Two courses from the following (with at least one course at 4000 level):
  - MATH 3304 Calculus with Analytic Geometry IV
  - MATH 3306 Differential Equations
  - MATH 3308 Linear Algebra
  - MATH 3322 Numerical Analysis OR MATH 3422 Numerical Methods
  - MATH 4302 College Geometry
  - MATH 4303 Probability and Statistics*
  - MATH 4305 Abstract Algebra
  - MATH 4307 Real Analysis

*Note: MATH 1342 or successful performance on a departmental statistics examination is a prerequisite for MATH 4303.

Departmental Recommendations ..................................................18-19

- PHYS 2425 University Physics I
- PHYS 2426 University Physics II

(One or both of these courses may be used to satisfy the General Education science requirement, depending upon how many semester hours are required.)
The Department of Modern Languages seeks to prepare students to develop the language skills and culture awareness necessary for the fulfillment of certain degree requirements. Also, the department seeks to prepare students who are in pursuit of the following programs of study: (a) a major or minor in Spanish; (b) a Spanish major or minor for the secondary level certification. The department offers courses in Spanish and French.

Students completing baccalaureate programs in Spanish should:
1. Be able to demonstrate their knowledge of the Spanish language, culture, and literature.
2. Be well prepared for their first position in the field.
3. Be well prepared to enter, and successfully complete, graduate school programs.
4. Compare favorably with their peers on the written and oral Spanish TExES and TOPT examinations.

REQUIREMENTS FOR THE BACHELOR OF ARTS IN MODERN LANGUAGE

**General Education Requirements**

- English 1301, either 1302 or 1303, plus three (3) hours sophomore literature..................9
- Fine Arts (three (3) hours from music, theatre, art, or equivalent) ........................................3

Additional six (6) hours of upper division Spanish courses .................... 6

Professional Education Development courses as required for the Secondary Education Minor
  (See Teacher Education).

MODERN LANGUAGE PLACEMENT

The University offers placement examinations in elementary and intermediate Spanish and French for students who have proficiency in any of these languages. Such examinations should be taken prior to beginning studies at the University, and the test for a given level can be taken only once. A variable number of semester hours, from four to eleven, may be awarded based on the student's score. No grade is awarded and the hours received will not be used in calculating the grade point average. Application is made to the Chairman of the Department of Modern Languages. The student will pay an administrative fee if he/she wishes to have the credit for the course(s) recorded on the transcript. If he/she wishes to waive the course prerequisites only, there is no fee and no application form required.
DEPARTMENT OF MUSIC

DR. THOMAS R. WEBSTER, CHAIR
Dean of the School of Music and Fine Arts

MISSION

The mission of the Department of Music is to serve students of varied ages and diverse social, geographic, economic, cultural, and religious backgrounds in the study of music. Students completing a baccalaureate program in music should:

1. Excel in their primary performance medium as evidenced by mid-course and senior recital evaluations.
2. Demonstrate proficiency in their secondary performance medium as evidenced by success on the secondary proficiency examination.
3. Demonstrate excellence in their general knowledge of music.

East Texas Baptist University is an accredited institutional member of the National Association of Schools of Music. The curricula are designed to prepare students for various professions in music. In addition, all students have opportunities to develop musical skills and an appreciation and understanding of music.

The Department offers the Bachelor of Music degree with majors in vocal performance, piano performance, sacred music and all-level music education. A Bachelor of Arts music major is also available as preparatory study to graduate work in certain areas of specialty or as cultural enrichment. Minors in music and sacred music are also offered.

Elaboration of the following materials may be found in the Music Student Handbook.

APPLIED MUSIC LESSONS

Applied music lessons are available in voice, piano, organ, guitar, band, and other string instruments. Students majoring in music may elect any one of these as their applied concentration, with the exception of stringed instruments. Enrollment in applied lessons may be limited in accordance with departmental guidelines.

To receive one (1) semester hour of credit, students must attend one twenty-five (25) minute lesson per week. Applied music students receiving two (2) or more semester hours credit in their concentration study must attend two twenty-five minute lessons or the equivalent per week. Performance and repertoire requirements for the various performance areas and levels of study are detailed in the current version of the Music Student Handbook.

Student absences from applied lessons are made up only in cases of school approved absences. Necessary absences on the part of the instructor will be made up.

SECONDARY APPLIED MUSIC STUDY

Secondary applied music study must be completed by all music majors. Students may choose any performance area (voice, piano, percussion or wind instrument) not related to their primary performance area. Band instrument concentrations may not choose another band instrument for their secondary performance area. All students with voice and band instrument concentrations must successfully complete a piano proficiency examination regardless of their choice for a secondary performance area.

Secondary Applied Music normally consists of three or four (3 or 4) semesters but must be continued until proficiency requirements are met. With the instructor’s consent, a student may attempt to complete the requirements after one (1) semester of study. If successful, additional semesters are not required.

RECITAL PERFORMANCE

Recital performance is required of all music majors and minors. Students should refer to the current version of the Music Student Handbook for the performance requirements for each level of private study and each separate music major.
RECITAL ATTENDANCE

Recital attendance is required of all music majors and minors. Twenty credits must be earned each semester in two performance categories. Students should refer to the current version of the Music Student Handbook for details on the credits system. Students who need recital credit must register for MUSI 1000. Degree requirements are not met until sufficient recital credit appears on the student’s permanent record.

ACCOMPANIST AND RECITAL FEES

All students taking applied music lessons in wind instrument or voice will be charged an accompanist fee as indicated in the Fees Section of this catalog. This fee allows each student to have an accompanist for half of the week. In addition, the accompanist will play for the student’s general student recital performances, studio classes and jury performances. Students who are presenting a recital must register for the appropriate recital performance course number. This course is a zero hour course and, therefore, does not require tuition. It does require an additional accompanist fee in order to provide the student with an accompanist for the recital performance and additional rehearsal. This additional fee will be assessed only to those students who require accompanists for the recital.

MUSIC LABORATORY EXPERIENCE

Music laboratory experience is required of all music majors and minors. The exact number of credits will vary according to the specific requirements for each degree. Participation in Chapel Choir or Concert Choir is required for voice concentrations. Participation in Marching Band and Concert Band is required for band instrument concentrations. The keyboard coordinator will recommend the most appropriate ensemble to meet this requirement for the students with a keyboard concentration. Only one (1) semester hour of music lab experience may count as elective credit.

MUSIC PLACEMENT EVALUATIONS

All students seeking a Bachelor of Music degree or a Bachelor of Arts degree in music must audition for acceptance into the music program at ETBU. The requirements of this audition may be obtained by contacting the Department of Music office. The audition will evaluate each student’s performance abilities in two performance areas and test their academic competency in music theory. The auditions will allow the music faculty to place each new student in appropriate theory and performance classes. Any student who does not pass the audition will be required to seek a different academic degree. Students desiring a degree in Vocal Performance or Piano Performance will be required to pass an additional performance audition after two semesters of music study. The Music Student Handbook has complete details regarding this audition.

CREDIT TOWARD A MUSIC MAJOR OR MINOR

All lessons in this category may be taken at the freshman, sophomore, junior or senior level as designated by the first digit of the course number. In addition, students may enroll in one to four (1-4) semester hours of applied study as dictated by the degree structures. Only Piano Performance and Vocal Performance majors are encouraged and required to register for more than two (2) semester hours of applied study in any given semester. Other music majors may register for more than two (2) semester hours with the consent of the applied instructor and the student’s advisor.

The following applied lesson numbers are repeatable and result in additional hours of credit and grade points, but the grade may not be used to remove a previous grade: 4225-26, 4325-26, 4235-36, 4335-36, 2145-46, 3445-46, 4245-46, 4345-46, 4445-46, 2155-56, 4255-56, 4355-56

RECITALS

These courses allow a student to present a public recital. Students must pass a hearing presented before an adjudication panel of at least three music faculty members 1-2 weeks prior to the anticipated date of the recital. Full details of the recital and hearing requirements are outlined in the current version of the Music Student Handbook.
General Education Requirements

English 1301, 1302 plus 3 hours sophomore literature

Fine Arts (three (3) hours from music, theatre, art or equivalent)

Foreign Language (at least one semester second year, all hours in same language)

Religion 1320 and 1330

History 1301, 1302, 2321, or 2322

Social Science (PSYC/SOCI/POSC)

Physical Activity (KINE 1164 and two different physical activity courses)

Science (must be a lab science)

Mathematics 1300, 1342, 1314, 1316, 2301, or 2313

Speech 1311

AVAILABLE MAJORS

Sacred Music Major Requirements for the B.M.:

Basic Musicianship ......................................................................................... 29
  MUSI 1000 Recital (each semester of applied study)
  MUSI 1100 Introduction to Music
  MUSI 1116, 1117 Elementary Ear Training I, II
  MUSI 2116, 2117 Advanced Ear Training I, II
  MUSI 1311, 1312 Elementary Harmony I, II
  MUSI 2312 Advanced Harmony
  MUSI 3303 Form and Analysis
  MUSI 3203 20th Century Analytical Techniques
  MUSI 3201 Conducting,
  One of the following:
    MUSI 3205 Choral Conducting
    MUSI 3207 Instrumental Conducting and Literature
  MUSI 4301, 4302 Music History I, II

Applied Study/Performance ............................................................................ 22-25
  Applied Concentration (Fourteen (14) semester hours)
  Secondary Performance Study (One to four (1-4) semester hours)
  Music Laboratory (performance ensembles for seven (7) semester hours)
  Senior Half-Recital

Sacred Music Major study ............................................................................. 24
  MUSI 3367 Church Music Materials and Methods I
  MUSI 3368 Church Music Materials and Methods II
  MUSI 4307 Organization and Administration of the Church Music Program
  MUSI 3304 Hymnology
  MUSI 4304 Music in Worship
  MUSI 4350 Practicum in Music Ministry
  MUSI 4101 Conducting Project
  MUSI 1120 Handbell Choir
  One of the following:
    MUSI 1157 Opera Workshop
    MUSI 1120 Handbell Choir
    THEA 1120 Theatre Workshop I
  Three (3) semester hours from the following:
    MUSI 3310 Piano Pedagogy (piano concentrations)
MUSI 3206 Organ Pedagogy
MUSI 2108 Service Playing (organ concentrations)
MUSI 4310 Vocal Pedagogy (voice concentrations)
MUSI 1135, 1136, and 1183 or 1155 applied study (band instrument concentrations)

Music Electives ................................................................................................................................................5-8

Departmental Recommendations:
MUSI 3104 Functional Piano Skills for the Choral Conductor
PSYC 3301 Dynamics of the Counseling Process
SPCH 3321 Public Relations
THEA 3302 Religious Drama

Vocal Performance Major Requirements for the B.M.:

Basic Musicianship .........................................................................................................................................27
MUSI 1000 Recital (each semester of applied study)
MUSI 1100 Introduction to Music
MUSI 1116, 1117 Elementary Ear Training I, II
MUSI 2116, 2117 Advanced Ear Training I, II
MUSI 1311, 1312 Elementary Harmony I, II
MUSI 2312 Advanced Harmony
MUSI 3303 Form and Analysis
MUSI 3203 20th Century Analytical Techniques
MUSI 3201 Conducting
MUSI 4301, 4302 Music History I, II

Applied Study/Performance ............................................................................................................................30-33
Applied Concentration (Twenty-two (22) semester hours)
Secondary Performance Study (One to four (1-4) semester hours)
Music Laboratory (performance ensembles for seven (7) semester hours)
Senior Half-Recital

Vocal Performance Major study .....................................................................................................................17
MUSI 11157 Opera Workshop (three (3) semesters)
MUSI 2104 Vocal Diction I
MUSI 3102 Vocal Diction II
MUSI 4310 Vocal Pedagogy
MUSI 3385 Advanced Studies in Singing: Performance Practices
MUSI 3386 Advanced Studies in Singing: Repertoire
THEA 1351 Beginning Acting
MUSI 3051 Junior Voice Recital
MUSI 4051 Senior Voice Recital

Music Electives (to equal eighty-three (83) hours in music) ......................................................................6-9

Additional Departmental Requirements:
FREN 1411 Elementary French I

Departmental Recommendations:
FREN 1412 Elementary French II
FREN 2311, 2312 Intermediate French I, II
THEA 4466 Advanced Acting

Piano Performance Major Requirements for the B.M.:

Basic Musicianship .........................................................................................................................................28
MUSI 1000 Recital (each semester of applied study at ETBU)
MUSI 1100 Introduction to Music
MUSI 1116, 1117 Elementary Ear Training I, II
MUSI 2116, 2117 Advanced Ear Training I, II
MUSI 1311, 1312 Elementary Harmony I, II
MUSI 2312 Advanced Harmony
MUSI 3303 Form and Analysis
MUSI 3203 20th Century Analytical Techniques
MUSI 3306 Orchestration
MUSI 4301, 4302 Music History I, II

Applied Study/Performance ..............................................................................32-35
- Applied Concentration (Twenty-four (24) semester hours)
- Secondary Performance Study (One to four (1-4) semester hours)
- Music Laboratory (performance ensembles for seven (7) semester hours)
- Senior Half-Recital

Piano Performance Major study ........................................................................18
- MUSI 3310 Piano Pedagogy
- MUSI 3302 Techniques of Piano Accompanying
- MUSI 3308 Techniques and Materials for Class Piano
- MUSI 3311 Piano Literature I
- MUSI 3312 Piano Literature II
- MUSI 3343 Piano in Chamber Ensemble
- MUSI 3040 Junior Keyboard Recital
- MUSI 4040 Senior Keyboard Recital

Music Electives (to equal eighty-three (83) hours in music) ........................................2-5

Departmental Recommendations:
- MUSI 3104 Functional Piano Skills for the Choral Conductor

Total: One hundred twenty-seven (127) Semester Hours

REQUIREMENTS FOR THE BACHELOR OF MUSIC DEGREE IN ALL-LEVEL MUSIC EDUCATION

Students will choose either the choral or instrumental track according to their applied concentration and career goal.

General Education Requirements ..............................................................................46
- English 1301, 1302 or 1303 and 3 hours sophomore literature ........................................9
- Religion 1320 and 1330 ..........................................................................................................6
- History 1301, 1302 ..................................................................................................................6
- Political Science 2303 ..............................................................................................................3
- Speech 1311 ..............................................................................................................................3
- Science (must be lab science) ...................................................................................................4
- Mathematics 1342 ..................................................................................................................3
- Computer Science 2363 ..........................................................................................................3
- Psychology 3335 ....................................................................................................................3
- Fine Arts (three (3) hours from art, music or theatre) .................................................................3
- Physical Activity (KINE 1164 and one physical activity course) .............................................3

Major area of study ........................................................................................................64-67
- Basic Musicianship ................................................................................................................27
- MUSI 1000 Recital (each semester of applied study) .................................................................0
- MUSI 1100 Introduction to Music ...........................................................................................1

MUSI 4206 Secondary Choral Music Administration
MUSI 4207 Music Materials for the Elementary School

**Music Education Major (Instrumental Track)** ..................................................17
MUSI 2109, 2110 Woodwind Methods I, II
MUSI 2118 Percussion Methods
MUSI 2119, 2120 Brass Methods I, II
MUSI 2123 Strings Methods
MUSI 2129 Choral Methods
MUSI 3200 Music for Children
MUSI 3207 Instrumental Conducting and Literature
MUSI 4207 Music Materials for the Elementary School
MUSI 4209 Marching Band Technology and Instrumental Music Administration
MUSI 4224 Teaching Instrumental Music

**Departmental Recommendation:**
MUSI 3306 Orchestration

**Professional Education Requirements** .................................................................................21
Total: One hundred thirty-one (131) Semester Hours

**MINORS**

**Music Theory** - Nineteen (19) semester hours
Theory - Seventeen (17) semester hours
MUSI 1116 Elementary Ear Training I
MUSI 1117 Elementary Ear Training II
MUSI 1311 Elementary Harmony I
MUSI 1312 Elementary Harmony II
MUSI 2312 Advanced Harmony
MUSI 3303 Form and Analysis
MUSI 3306 Orchestration
Piano - Two (2) credit hours (class or private) one credit hour each semester

**Conducting** – Eighteen (18) credit hours
Theory – Eight (8) hours
MUSI 1116 Elementary Ear Training I
MUSI 1117 Elementary Ear Training II
MUSI 1311 Elementary Harmony I
MUSI 1312 Elementary Harmony II
Conducting - Four (4) credit hours
MUSI 3201 Conducting
MUSI 3202 Advanced Conducting
Piano – Two (2) credit hours (class or private) one (1) credit hour each semester
Lab – Four (4) credit hours from
MUSI 1150, 2150, 1130, 1133 one (1) credit hour each semester
**Music History** – Eighteen (18) credit hours
Theory – Three to six (3-6) hours
- MUSI 1311 Elementary Harmony I
- MUSI 1312 Elementary Harmony II

**Music History** - Six to nine (6-9) credit hours
- MUSI 4301 Music History I
- MUSI 4302 Music History II

*Three (3) hours directed study - Research*

**Performance/Lab** - Six to nine (6-9) credit hours from any combination; no more than one (1) performance credit hour and one (1) lab credit per semester
- MUSI 1150 Chapel Choir
- MUSI 2150 Concert Choir
- MUSI 1130 Concert Band
- MUSI 1133 Marching Band

**Sacred Music** – Eighteen (18) credit hours
Theory – Three to six (3-6) hours
- MUSI 1311 Elementary Harmony I
- MUSI 1312 Elementary Harmony II

Sacred Music - Six to nine (6-9) credit hours
- MUSI 3367 Church Music Mat/Meth. I
- MUSI 3368 Church Music Mat/Meth. II
- MUSI 3304 Hymnology
- MUSI 3352 Advanced Studies in Sacred Music
- MUSI 3365 Music in the Small Church
- MUSI 4304 Music in Worship
- MUSI 4307 Org./Admin. of Church Music Program
- MUSI 4350 Practicum in Music Ministry

Performance/Lab – Six to nine (6-9) credit hours from any combination; no more than one (1) performance credit hour and one (1) lab credit per semester
- MUSI 1150 Chapel Choir
- MUSI 2150 Concert Choir
- MUSI 1130 Concert Band
- MUSI 1133 Marching Band

**Children’s Music** – Eighteen (18) credit hours
Theory – Three to six (3-6) hours
- MUSI 1311 Elementary Harmony I
- MUSI 1312 Elementary Harmony II

Children’s Music - Seven (7) credit hours
- MUSI 3200 Music for Children
- MUSI 3367 Church Music Mat/Methods I
- MUSI 4207 Music Materials for Elementary School

Performance/Lab - Five to eight (5-8) hours any combination; no more than one (1) performance credit hour and one (1) lab credit per semester
- MUSI 1150 Chapel Choir
- MUSI 2150 Concert Choir
- MUSI 1133 Marching Band
- MUSI 1130 Concert Band

Applied or class instruction
DEPARTMENT OF NURSING

DR. CAROLYN HARVEY, CHAIR
Dean, Frank S. Groner Endowed Memorial School of Professional Studies

The Department of Nursing offers a baccalaureate degree with a major in nursing. There are two program plans. One plan, the generic program, is for students with no prior nursing education. The other plan, the RN to B.S.N. Program, is for registered nurses who have a diploma or associate degree in nursing who wish to obtain a Bachelor of Science in Nursing degree.

In keeping with the Mission of East Texas Baptist University, the faculty of the Department of Nursing is dedicated to the development of intellectual inquiry, social consciousness, wellness, Christian character, professional standards of behavior, and to providing a challenging academic atmosphere within a Christian environment. The faculty strives to prepare its graduates for the practice of nursing in a variety of health care settings within a culturally, racially, and ethnically diverse environment, and to provide a foundation for graduate study in nursing.

Upon completion of the nursing program, graduates are expected to:

1. Synthesize and incorporate empirical knowledge from nursing, religion, science, and the humanities into nursing practice.
2. Provide holistic nursing care based on knowledge derived from theory, practice, and research.
3. Use the nursing process as a basis for providing care for individuals, families, aggregates, and communities of varying cultures and ethnic groups.
4. Apply research findings in providing holistic nursing care.
5. Collaborate with other health care providers and consumers in promoting health and well being of people and effecting change in the health care system.
6. Demonstrate accountability for incorporating professional, ethical, moral, and legal aspects of nursing into nursing practice.
7. Value independent and self-directed learning as a lifelong process in personal and professional growth.
8. Identify and implement nursing roles designed to meet changing health care needs of society, including health promotion, disease prevention, illness care, restoration, rehabilitation, health counseling, and teaching.
9. Exhibit sound clinical judgment, critical thinking, and decision making based upon the nursing process in unstructured settings and situations with unpredictable outcomes.
10. Demonstrate ability to implement appropriate leadership strategies and management competencies as generalists in professional nursing.

The profession of nursing requires practice and application of theoretical concepts. This is accomplished in learning laboratories on campus as well as in various community, primary, secondary, and tertiary health care facilities. Faculty and/or approved registered nurse preceptors employed in these agencies provide supervision. Some facilities require a background check before a student can be admitted. Students may be required to complete background checks and drug screens if required by the clinical agency.

The program prepares graduates to assume entry level positions in nursing practice and provides a foundation for advanced study in nursing. Graduates of the generic program are eligible to apply to take the examination for licensure as registered nurses, as set forth in the Texas Occupations Code and Statutes Regulating the Practice of Professional Nursing.

The Department of Nursing does not guarantee that each person admitted to the nursing programs will pass all elements of the programs or that those graduated from the generic program with the B.S.N. degree will be able to pass nursing board examinations and/or secure employment as a nurse. Attaining these goals depends upon the degree to which the students diligently apply themselves to their studies and upon the economic forces influencing the health care industry. Neither of these factors is within the control of the ETBU Department of Nursing.

ACCREDITATION

The Nursing Program is accredited by the Commission on Collegiate Nursing Education and the Board of Nurse Examiners for the State of Texas. The Board of Nurse Examiners for the State of Texas can be con-
tacted at P.O. Box 430, Austin, Texas 78767-0430, or by telephone at (512) 305-7400. The Commission on Collegiate Nursing Education (CCNE) can be contacted at One Dupont Circle, N.W., Suite 530, Washington, D.C. 20036-1120, or by telephone at (202) 887-6791.

**GENERIC B.S.N. PROGRAM**

**ADMISSION AND PROGRAM REQUIREMENTS**

Applicants to the generic program must meet requirements for admission to the University. If nursing as a major is indicated on the application to the University, the student will be assigned an advisor in the Department of Nursing.

The program is four years in length, with the first two years consisting of sixty-nine (69) semester hours of general education courses. The last four semesters consist of upper division nursing courses.

Required freshmen and sophomore general education courses are offered at ETBU or may be transferred from another college or university. All nursing courses must be taken at ETBU.

**ADMISSION TO THE NURSING PROGRAM**

Students are admitted to the Bachelor of Science in Nursing generic program each fall semester. Prior to admission, students must complete all general education requirements and NURS 3311, Introduction to Professional Nursing. Completion of requirements does not automatically assure admission to the Bachelor of Science in Nursing (B.S.N.) program.

Program application must be made prior to March 1 of the year in which fall enrollment is expected. Applicants for admission to the generic program will be considered when students have accomplished the following:

1. Gained admission to the University.
2. Submitted a B.S.N. application.
3. Earned a grade point average of at least 2.8 on a 4.0 scale.
4. Earned a grade of “C” or higher in all required natural and behavioral science courses, MATH 1342, and NURS 3311.
5. Held a satisfactory interview with the Nursing Admission Committee.
6. Obtained a satisfactory score on standardized preadmission tests.
7. Submitted names of two (2) references, one personal and one from a former teacher.
8. Completed or be in the process of completing all general education courses.
9. Provided the Nursing Department with copies of all transcripts from schools attended.

Enrollment is limited to the space available. ETBU does not discriminate on the basis of age, sex, race, religion, or marital status. At the time of enrollment in clinical nursing courses, the student must provide proof of:

2. Professional liability insurance.
3. Current required immunizations.

**ADMISSION NOTIFICATION**

Notification of admission to the program is made by mail. Students who are accepted must submit all required immunization forms and other documentation to the Department of Nursing prior to beginning the program.

Credit by examination may be earned for certain general education courses. Students may not obtain credit by examination for any nursing courses.

**GRADING POLICIES**

A grade of “C” or better must be earned in MATH 1342 and all natural and behavioral science courses. All course grades transferred to or earned at ETBU will be used in calculation of the cumulative grade point average (GPA). The grading scale for nursing courses is as follows:
The laboratory component of all clinical courses is evaluated as “P” (pass) or “F” (fail). Students must be successful in both lecture and laboratory components to earn credit for these courses. All nursing courses must be completed with a grade of “C” or better in order to progress to the next semester.

REPEAT COURSE
Students are permitted to repeat only one nursing course in which they earn a grade below “C.” Students who earn a grade below “C” in one nursing course may repeat the course in question the next time the course is offered, depending on space availability. Other nursing courses may not be taken and the student may not progress in the program until the course is satisfactorily completed. A course may be repeated only one time.

STANDARDS FOR ADMISSION AND RETENTION
A candidate for the B.S.N. degree must have abilities and skills of four varieties: observation, communication, motor, and behavioral. Reasonable accommodations may be made for some disabilities. However, a candidate is expected to perform in a reasonably independent manner.

1. Observation: A candidate must be able to observe a patient/client accurately. Examples of observation include, but are not limited to, listening to heart and breath sounds, visualizing the appearance of a surgical wound, detecting the presence of a foul odor, and palpating an abdomen.

2. Communication: A candidate must be able to communicate/interact effectively with patients/clients and other members of the health care team to obtain information, describe patient situations, and perceive nonverbal communication.

3. Motor: A candidate must have adequate motor function to work effectively with nursing problems and issues and carry out related nursing care. Examples of nursing care include, but are not limited to, ambulating and positioning clients, cardiopulmonary resuscitation; administration of intravenous, intramuscular, subcutaneous and oral medications; application of pressure to stop bleeding; opening an obstructed airway; and provision of client daily hygiene care.

4. Behavioral: A candidate must possess the emotional health required for total utilization of his or her intellectual abilities. Candidates need to be able to tolerate physically taxing workloads and to function effectively during stressful situations. They must be capable of adapting to ever-changing environments, displaying flexibility, appropriately interacting with others, and learning to function in the case of uncertainty that is inherent in clinical situations involving clients.

DECLARATORY ORDER
The Board of Nurse Examiners has identified certain circumstances that may render a potential candidate ineligible for licensure as a registered nurse in the State of Texas. The Board provides individuals the opportunity to petition for a Declaratory Order as to their eligibility in accordance with Article 301.257 of the Nursing Practice Act. (Deferred order, prosecution, or adjudication - a determination by a court that is withheld or delayed for a specific time period.)

If a candidate answers "YES" to any of the following questions, they must complete a Declaratory Order Petition Packet Request form and return it to the BNE’s office. Processing the petition may take six (6) months to twenty-one (21) months, after all the required documentation has been provided, depending on the circumstances. Once all requested documentation has been received, the candidate will be notified that the Petition has been transferred to the Enforcement Department for review. A Declaratory Order filing fee of $150 is paid to the BNE when the petition is submitted. (This fee is subject to change by BNE without notice).

1. Have you ever been denied licensure by any licensing/certifying agency in any state, country or province?
2. Have you ever had disciplinary action taken against you by any licensing/certifying authority in any state, country, or province?
3. Have you ever been convicted of a crime or received a deferred order, with or without an adjudication of guilt, for felony or misdemeanor offense other than a minor traffic violation?

4. Have you been diagnosed, treated or hospitalized in the past five (5) years for schizophrenia or other psychotic disorders, bipolar disorder, paranoid personality disorder, antisocial personality disorder, or borderline personality disorder. (You may answer "no" if you have completed and/or are in compliance with TPAPN for mental illness.)

5. Have you been addicted or treated for the use of alcohol or any drug within the past five (5) years? (You may answer "no" if you have completed and/or are in compliance with TPAPN for substance abuse.)

6. Have you been issued any order concerning your eligibility for examination or licensure by this Board or have you ever received a proposal of ineligibility from the Board?

DISMISSAL POLICY/Academic Requirement for Continuation

Students must earn a minimum grade of “C” in all nursing courses. Students who earn a grade below “C” in any nursing course will be dismissed from the program. Such students may apply for readmission for the semester in which the course is next offered. The Department of Nursing reserves the right to dismiss students without previous warning for unsafe and/or unprofessional behavior. The conduct of nursing students should be highly ethical as defined by the American Nurses Association (ANA) in the Code for Nurses. Personal integrity is reflected in professional judgments. Consequently, the Department of Nursing reserves the right to dismiss students from the Program for unprofessional or unsafe behavior. Dismissal from the program does not constitute dismissal from the University.

READMISSION POLICIES

1. Students who have been dismissed from the program due to failure to maintain the academic requirements as noted above may be readmitted only once.

2. Students who have had to interrupt successful progression in the Nursing Program for personal reasons or illness may reapply to the program only once. If it has been more than three (3) years since the student left the program, the student must begin the Nursing Program over. Any student readmitted to the Nursing Program who has been out of the program for one or more years or who was dismissed for academic reasons must meet the Nursing Program admissions requirements in effect at the time of readmission.

3. Students seeking readmission to the nursing program must:
   a. Submit a letter to the Progression Committee requesting readmission.
   b. Complete the Readmission Information Form.
   c. Successfully complete any remediation deemed necessary by the Progression Committee.

GRADUATION REQUIREMENTS

In addition to meeting University requirements for graduation, students pursuing a B.S.N. degree must complete the course of study within three (3) years from the date of initial enrollment in the Nursing Program. No credit will be applied toward the B.S.N. degree for nursing courses completed more than three (3) years prior to the date on which the degree is conferred. An extension of time may be granted to students who are called to active military service.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN NURSING

**General Education Requirements** .................................................................................................69

- English 1301, and either 1302 or 1303, and three (3) semester hours from 2321, 2326, 2331 .................................................................9
- Fine Arts (three (3) hours from art, music or theatre) .................................................................3
- History 1301 and 1302 ....................................................................................................................6
- Political Science 2303 ......................................................................................................................3
- Chemistry 1311/1111 or 1305/1105 ..............................................................................................4
- Biology 1322, 2401, 2402, or 1471, 1472, 3301, and 3452 .............................................................18
- Social Science (Psychology 1301, 2314, and Sociology 1301) .....................................................9
- Religion 1320 or 1330, and 3352 or 3355 ......................................................................................6
Physical Activity *(KINE 1164 and one (1) additional physical activity course)* ........................................2
Mathematics 1342 ............................................................................................................................3
Foreign Language (Spanish 2304) ......................................................................................................3
Speech 1311 ......................................................................................................................................3

**Major area of study** .........................................................................................................................64-72

Total: One hundred thirty-three to one hundred forty-one (133-141) Semester Hours

**AVAILABLE MAJORS**

**Nursing Major Requirements for the B.S.N. (Generic Program):**
Sixty-four (64) semester hours are required. Nursing courses are offered in sequence and must be completed sequentially.

- NURS 3311 Introduction to Professional Nursing
- NURS 3621 Nursing Concepts, Process, and Practice
- NURS 3341 Health Assessment
- NURS 3351 Professional Communications
- NURS 3231 Pharmacology
- NURS 3361 Research in Nursing
- NURS 3622 Adult and Family Health
- NURS 4341 Care of the Elderly
- NURS 4631 Psychiatric and Mental Health Nursing
- NURS 3342 Nursing Care of Children and Adolescents Across Community Settings
- NURS 3632 Nursing Developing Families
- NURS 4622 Community Health Nursing
- NURS 4621 The Individual and Family with Complex Health Problems
- NURS 4644 Leading and Managing in Nursing
- NURS 4232 Professional Role Development

**Suggested Sequence of Courses:**

**FRESHMAN YEAR**

**FALL SEMESTER**
- CHEM 1311 General Chemistry I or CHEM 1305 Chemical Concepts ..................................................3
- CHEM 1111 General Chemistry I Lab. or CHEM 1105 Chemical Concepts Lab .......................................1
- ENGL 1301 Rhetoric and Composition I ...............................................................................................3
- PSYC 1301 Introduction to Psychology ..................................................................................................3
- HIST 1301 United States to 1877 ..........................................................................................................3
- RLGN 1320 Intro. to Old Testament or RLGN 1330 Intro. to New Testament ........................................3
- KINE 1164 Lifetime Fitness ..................................................................................................................1
- GSTU 1100 Freshman Seminar ..........................................................................................................1

**TOTAL** Eighteen (18) Semester Hours

**SPRING SEMESTER**
- BIOL 1322 Nutrition ..........................................................................................................................3
- SOCI 1301 Introduction to Sociology ....................................................................................................3
- ENGL 1302 Rhetoric and Composition II OR 1303 Technical Writing ....................................................3
- SPCH 1311 Fundamentals of Speech ....................................................................................................3
- HIST 1302 United States Since 1877 ......................................................................................................3
- KINE (Activity Course) .......................................................................................................................1

**TOTAL** Sixteen (16) Semester Hours

**SOPHOMORE YEAR**

**FALL SEMESTER**
- BIOL 2401 Human Anatomy and Physiology I OR BIO 1471 Human Anatomy & Physiology for Health Professionals I ............................................................4
- MATH 1342 Elementary Statistics ........................................................................................................3
- POSC 2303 American Government .....................................................................................................3

**RN TO B.S.N. PROGRAM**

The RN to B.S.N. program is for graduates of associate degree and diploma nursing programs who hold the RN license in the State of Texas. The curriculum is designed to enable the employed nurse to complete the Bachelor of Science in Nursing degree while continuing employment. Emphasis is placed upon self-directed learning, promoting personal and professional growth, providing holistic care to individuals, families, and communities, and encouraging independent action. The program prepares the nurse to function as a generalist within the health care system and provides a basis for continued professional development and graduate study in nursing.

**ADMISSION AND PROGRAM REQUIREMENTS**

Applicants must be admitted to East Texas Baptist University prior to admission to the nursing program.
All general education courses must be completed prior to admission to the nursing program except in special situations approved by the Nursing Admission Committee and the Dean of the Frank S. Groner Endowed Memorial School of Professional Studies.

RN students are admitted to the nursing program each spring semester. Applications must be submitted by December 1 of the semester prior to desired admission date.

Admission to the Nursing Program Requires:
1. Graduation from an approved nursing program.
2. A transcript from each college or university attended.
3. Admission to East Texas Baptist University.
4. Completion of application to the Bachelor of Science in Nursing program.
5. Evidence of current RN license for the State of Texas.
6. Professional liability insurance.
8. Evidence of physical exam within the last two (2) years.
10. A minimum of “C” in any prerequisite course and a grade point average of 2.8 on a 4.0 scale.

Admission Notification
Notification of admission is made by mail. Enrollment is limited to space available. ETBU does not discriminate in its nursing program admissions on the basis of age, sex, race, religion, or marital status.

Prerequisites
Before beginning the nursing major courses, the student must complete at least sixty-nine (69) semester hours of general education courses. (See the University Degrees section of the catalog for a listing of these courses.) Courses may be taken at ETBU or transferred from another college or university. Transfer credit is granted according to the policy outlined in the University catalog.

Nursing Major Requirements for the B.S.N. (R.N. to B.S.N.):
Nursing courses build on prior learning. Validation is accomplished by a validating process, including satisfactory scores on the ERI RN Assessment Test. Thirty-four (34) semester hours may be obtained toward the nursing major upon successful completion of the validation process.

This Nursing Major Requires: Thirty-eight (38) semester hours in nursing courses as follows:
NURN 3312 Transition to Professional Nursing
NURN 3332 Trends and Issues in Nursing
NURN 3222 Health Assessment
NURN 4301 Illness Care: Continuum of Care
NURN 4402 Illness Care: Continuum of Care Clinical
NURN 4311 Community Health Nursing
NURN 4411 Community Health Nursing Clinical
NURN 4321 Scientific Inquiry in Nursing
NURN 4312 Leadership and Management
NURN 4412 Management Clinical
NURN 4322 Professional Role Development
NURN 4370 Elective (Special Topics)

Credit by Examination
Credit by examination may be earned for certain general education courses. Students may not obtain credit by examination for any nursing courses.

Grading Policies
A grade of “C” or better must be earned in MATH 1342 and all natural and behavioral sciences. All course grades transferred to or earned at ETBU will be used in calculation of the cumulative grade point average (GPA). The grading scale for nursing courses is as follows:
A - 92-100
B - 83-91
All nursing courses must be completed with a grade of “C” or better in order to progress to the next semester.

**REPEAT COURSE**

Students are permitted to repeat only one nursing course in which they earn a grade below “C.” Students who earn a grade below “C” in one nursing course may repeat the course in question the next time the course is offered, depending upon space availability. Other nursing courses may not be taken and the student may not progress in the program until the course is satisfactorily completed. A course may be repeated only one time.

**RETENTION-PROGRESSION POLICY**

With the exception of the repeated course option, students must earn a minimum grade of “C” in all nursing courses to remain in the nursing program.

**DISMISSAL POLICY**

Students who earn a grade below “C” in more than one nursing course will be dismissed from the Nursing Program. Dismissal from the Program does not constitute dismissal from the University. The Department of Nursing reserves the right to dismiss a student whose behavior is deemed to threaten the welfare of any individual or is unsafe in any manner or engages in unprofessional conduct.

**READMISSION POLICY**

Students who have earned a grade below “C” in more than one nursing course may apply for readmission to the Nursing Program only once. Readmission will be determined on the basis of space availability. Students in this category who wish to seek readmission to the Nursing Program must contact the Dean of the Frank S. Groner Endowed Memorial School of Professional Studies prior to the end of the semester preceding requested re-entry.

Students who have had to interrupt successful progression in the Nursing Program for personal reasons or illness may reapply to the program only twice. If it has been more than three (3) years since the student left the program, the student must begin the Nursing Program over.

**GRADUATION REQUIREMENTS**

In addition to meeting University requirements for graduation, students pursuing a Bachelor of Science in Nursing degree must complete the course of study within three (3) years from the date of initial enrollment in the Nursing Program. No credit will be applied toward the B.S.N. degree for nursing courses completed more than three (3) years prior to the date on which the degree is conferred. An extension of time may be granted to students who are called to active military service.

**SCHEDULING OF CLASSES**

Classes are scheduled with the working student in mind. Courses may be taken on a part-time or full-time basis.
The faculty of the Department of Religion welcomes students into a community of learning, rigorous scholarship, academic freedom, ministry, and service. As a part of the historic and long-standing service to the foundation curriculum of East Texas Baptist University, the faculty seeks to lead students to a mature understanding of the Bible and the development of a Christian worldview. Through teaching, mentoring, and advising, students will be given the opportunity to gain a basic knowledge of God’s word, to reflect upon its theology, and to apply it personally and professionally.

The Department of Religion is also committed to equipping students who are preparing for vocational and bi-vocational ministries. The faculty seeks to encourage and challenge—both spiritually and academically—those students who have responded to the divine call into Christian ministry; to prepare students for additional graduate studies; and to equip students to serve as pastors, youth ministers, education ministers, missionaries, professors, and other positions of Christian leadership, by providing a foundation of high quality academic training and practical ministry opportunities. Students will be given the opportunity to develop their skills in biblical interpretation, to display analytical and reflective thought, and to integrate a Christian worldview into their life and ministry.

ADMISSION REQUIREMENTS
Admission to a major within the Department of Religion is by formal application and consists of the following:
1. Completion of no less than thirty (30) undergraduate semester hours.
2. Completion of all Department of Religion general education courses with a “C” or higher for each course.
3. Completion of an application for a major within the Department of Religion.
4. Completion of an entrance examination with a score of “70” or above.
5. Submission of a portfolio that includes a personal testimony, personal expectations of the Department of Religion relative to the student’s preparation for Christian ministry, a letter of recommendation from the student’s current pastor, or if the applicant is the pastor, from the deacon chair on behalf of the church body, ministry experiences and honors, and a resume.
6. Completion of a personal interview with the chair of the Department of Religion or a designated representative.

Upon satisfactory completion of the admission process, a letter of acceptance or denial from the chair of the Department of Religion will be sent to the student. Once accepted into a major program of study within the Department of Religion, a student must maintain a cumulative 2.00 grade point average (i.e., GPA) and a 2.25 GPA for all coursework within the Department of Religion. If a student falls below these levels, he/she must retake courses to raise his/her GPA. No student will graduate from the Department of Religion with less than a 2.25 GPA in his/her major field of study.

STUDENT OBJECTIVES
The Department of Religion seeks:
1. To equip students with the ability to articulate a general knowledge of the contents of the Bible.
2. To equip ministry students with the information and skills necessary for them to excel academically, vocationally, and professionally.

MINISTERIAL TUITION AID PROGRAM REQUIREMENTS
Students receiving the Ministerial Scholarship are required to successfully complete RLGN 2340 at some point in their studies at East Texas Baptist University, preferably before the completion of sixty (60) semester hours. For more information, please consult the catalog section pertaining to Religious Life.
REQUIREMENTS FOR THE BACHELOR OF ARTS IN RELIGION

General Education Requirements
- English 1301, either 1302 or 1303 and 3 hours sophomore literature ...................... 9
- Fine Arts (three (3) hours from music, theatre, art, or equivalent) ................................. 3
- Foreign Language (at least one semester second year, all hours in same language) ........ 11
- Religion 1320 and 1330 ...................................................................................................... 6
- History 2321 or 2322 ......................................................................................................... 3
- Social Science (PSYC 1301 or SOCI 1301) ........................................................................ 3
- Physical Activity (KINE 1164 plus two [2] additional hours) ........................................ 3
- Science (must be lab science) .......................................................................................... 4
- Mathematics 1300, 1342, 1314, 1316, 2301, or 2313 ........................................................ 3
- Speech 1311 ..................................................................................................................... 3

Major area of study (see below) .......................................................................................... 30

Additional Departmental Requirements:
- RLGN 1353
- GREEK 1411, GREEK 1412, GREEK 2311, GREEK 2312 (only on the Biblical Studies Concentration)

Departmental Recommendations
- GREEK 1411, GREEK 1412, GREEK 2311, GREEK 2312
- ENGL 2331
- GEOL 1404

Minor (see below) .................................................................................................................. 18

Electives (to total 120 hours) ................................................................................................ 24

Total: One hundred twenty (120) Semester Hours

AVAILABLE MAJOR

Integrated Religion Major Requirements: Thirty-three (33) semester hours, with a selected concentration or other departmental minor

THEOLOGICAL STUDIES: Nine (9) semester hours
- RLGN 3354 Biblical Interpretation I
- RLGN 4301 Biblical Interpretation II
- RLGN 2352 Introduction to Christian Doctrine

HISTORICAL STUDIES: Three (3) semester hours
- HIST 3309 The History of Christianity
- HIST 3310 The History of Baptists

PHILOSOPHICAL STUDIES: Three (3) semester hours
- RLGN 3352 Christian Ethics

MINISTERIAL STUDIES: Twelve (12) semester hours
- RLGN 2340 Ministry Formations
- RLGN 3342 Evangelism
- RLGN 3330 Christian Missions
- RLGN 3314 Church Leadership

BIBLICAL STUDIES: Six (6) semester hours

Old Testament Studies: Three (3) semester hours
- RLGN 3321 The Pentateuch
- RLGN 3322 The Historical Books
- RLGN 3323 The Prophets
- RLGN 3324 The Books of Wisdom and Poetry

New Testament Studies: Three (3) semester hours
- RLGN 3331 The Gospels
- RLGN 3332 The General Epistles
- RLGN 3333 Acts and the Pauline Epistles
- RLGN 3334 The Book of Revelation
AVAILABLE CONCENTRATIONS
ONE OF THE FOLLOWING CONCENTRATIONS OR MINOR FROM ANOTHER DEPARTMENT MUST BE SELECTED:

BIBLICAL STUDIES CONCENTRATION: Eighteen (18) semester hours (Four semesters of Greek required)

Biblical Hebrew: Six (6) semester hours
- HEBR 1311 Introduction to Biblical Hebrew I: Grammar
- HEBR 1312 Introduction to Biblical Hebrew II: Translation

Old Testament Studies: Six (6) semester hours
- RLGN 3321 The Pentateuch
- RLGN 3322 The Historical Books
- RLGN 3323 The Prophets
- RLGN 3324 The Books of Wisdom and Poetry

New Testament Studies: Six (6) semester hours
- RLGN 3331 The Gospels
- RLGN 3332 The General Epistles
- RLGN 3333 Acts and the Pauline Epistles
- RLGN 3334 The Book of Revelation

MISSIONS CONCENTRATION: Eighteen to nineteen (18-19) semester hours

Foundation Studies: Twelve (12) semester hours
- RLGN 3315 Principles and Methodologies of Church Planting
- RLGN 4302 Cross-Cultural Missions
- RLGN 3369 Comparative World Religions
- POSC 2304 Introduction to International Relations

Support Studies: Six to seven (6-7) semester hours
- GEOG 1303 Foundations of Geography
- PSYC 3360 Psychology of Religion
- PSYC 3369 Group Dynamics
- RLGN 2314 Principles of Christian Teaching
- RLGN 2357 Philosophy of Religion
- RLGN 2442 Expository Preaching
- SOCI 3309 Minority Groups
- SOCI 3362 Sociology of Religion
- SPCH 3309 Intercultural Communications

PASTORAL MINISTRY CONCENTRATION: Eighteen to nineteen (18-19) semester hours

Philosophical Studies: Six (6) semester hours
- RLGN 2357 Philosophy of Religion
- PSYC 3360 Psychology of Religion

Ministerial Studies: Twelve to thirteen (12-13) semester hours
- RLGN 3442 Expository Preaching
- RLGN 2312 Foundations of Christian Education
- RLGN 3355 Christian Faith and Contemporary Bioethics
- RLGN 4341 Church Administration
- PSYC 3301 Dynamics of the Counseling Process
- PSYC 3307 Seminar on Moral, Ethical, and Religious Issues
- PSYC 3302 Marriage and Family Counseling
- SCWK 3363 Christian Ministries
- SOCI 2301 Marriage and the Family
- RLGN 2314 Principles of Christian Teaching
CHURCH EDUCATION AND ADMINISTRATION CONCENTRATION: Eighteen (18) semester hours

*Foundations of Christian Education:* Nine (9) semester hours
- RLGN 4341 Church Administration
- RLGN 2312 Foundations of Christian Education
- RLGN 2314 Principles of Christian Teaching

*Age Group Ministries:* Nine (9) semester hours
- RLGN 3311 Childhood Ministry
- RLGN 3312 Youth Ministry
- RLGN 3313 Adult Ministry

YOUTH EDUCATION AND ADMINISTRATION CONCENTRATION: Eighteen (18) semester hours

*Twelve (12) semester hours:*
- RLGN 2314 Principles of Christian Teaching
- RLGN 3312 Youth Ministry
- RLGN 3361 Church Recreation
- PSYC 3335 Psychology of Adolescence

*Six (6) semester hours from:*
- RLGN 2312 Foundations of Christian Education
- RLGN 3313 Adult Ministry
- RLGN 4341 Church Administration
- PSYC 2314 Development Through the Life Span

ANY MINOR FROM ANOTHER DEPARTMENT

MINOR

*Religion Minor:* Eighteen (18) semester hours

*Religion General Education Courses:* Six (6) semester hours:
- RLGN 1320 Introduction to the Old Testament
- RLGN 1330 Introduction to the New Testament

*Twelve (12) semester hours from the Department of Religion, nine (9) semester hours of which must be advanced hours.*
DEPARTMENT OF TEACHER EDUCATION

DR. BRIAN NICHOLS, CHAIR
Dean of the School of Education

The Teacher Education Program at East Texas Baptist University provides a comprehensive background of professional education courses designed to prepare future elementary, secondary, and all-level teachers to perform effectively in the classroom setting.

The State Board for Educator Certification (SBEC) establishes teacher certification standards. Any change in these standards must be reflected in East Texas Baptist University’s certification requirements. Therefore, any modifications in the State law affecting ETBU certification requirements takes precedence over statements in this catalog.

The current certification levels for teaching certificates include Early Childhood-Grade 4; Grades 4-8; Grades 8-12; and All-Level.

MISSION STATEMENT

The Department of Teacher Education is responsible for developing a strong program of preparation for prospective public school teachers. Among the purposes of the department are to (1) provide a quality professional preparation program leading to teacher certification in Texas, (2) require a strong academic foundation, (3) provide practical applications through site-based experiences, and (4) promote ethical and professional practices.

Students completing graduation and certification requirements for the B.S.E. will be able to:
1. Demonstrate knowledge of learner-centered proficiencies for teachers.
2. Demonstrate proficiency on all state mandated tests.
3. Demonstrate proficiency in the utilization of multimedia technology in the classroom.
5. Be employed as a classroom teacher within one year of completing certification requirements, if they desire.

SITE-BASED PROGRAM

The Teacher Education program is committed to ensuring that all students receive effective, high-level teacher preparation. ETBU is a fully approved Center for the Professional Development of Teachers (CPDT). The CPDT includes East Texas Baptist University, Marshall ISD and other area school districts, Region VII Education Service Center, and representatives from businesses and organizations in the area. The major goals for the CPDT as well as the Department of Teacher Education are to collaboratively plan, develop, and implement a site-based teacher education program resulting in increased learning (higher performance scores) by public school students as well as higher passing rates for ETBU students on the state mandated tests. Additional components of the site-based program include a full range of experiences with culturally diverse and low socio-economic students as well as students who have perceptual/physical challenges. Learning experiences include attending school board and faculty meetings, participating in grade level and vertical planning, facilitating parental involvement, participating in workshops, assisting with training for technology, and planning and participating in special events.

The Strategic Action Plan of the department includes the following program evaluation:
1. Assessment of learning outcomes.
2. Performance evaluations using various measures.
3. Successful performance on tests required for all certification candidates.
4. Full appraisal requirements of the state and local district for the program’s students.

ADMISSION INTO THE TEACHER EDUCATION PROGRAM

Admission to the Teacher Education Program of the University is by application to the Dean of the School of Education during the semester in which the student is enrolled in EDUC 3302.

Students who plan to make application for admission to the Teacher Education Program are encouraged to obtain a copy of the admission policy and standards for admission as early as possible to avoid delays in the admission process. Transfer and post-graduate students must satisfy all admission requirements.
The Teacher Education Council may prescribe additional screening procedures to evaluate the emotional stability and communication effectiveness of an applicant. A negative TB test is required before field experiences are scheduled.

MAJOR STEPS IN COMPLETING TEACHER CERTIFICATION REQUIREMENTS

STEP 1: Complete requirements for admission to the Teacher Education Program.

In order to be admitted to the Teacher Education Program, a student must:
1. Have completed the application process for admission to the Teacher Education Program.
2. Be classified as a sophomore or higher.
3. Have met the 2.50 GPA requisites (cumulative, in major, minor, and professional development).
5. Have completed most general education requirements for the B.S.E.
6. Have demonstrated proficiency in reading, oral and written communication, critical thinking, computer proficiency and mathematics (Junior Qualifying Examination).
7. Not be on disciplinary probation.

STEP 2: Complete requirements for admission to elementary, secondary, or all-level Certification/Internship block(s).

In order to be admitted to an internship block, a student must:
1. Have completed Education 3301 and 3302 with a grade of “C” or higher, and a GPA in these two courses of 2.50 or higher.
2. Have met all requirements indicated in Step 1 above.
3. Have been admitted to the Teacher Education Program.

STEP 3: Complete requirements for admission to the Student Teaching Level and be placed in the public schools.

In order to be admitted to the Student Teaching Level and be placed in a student teaching assignment, a student must:
1. Have met all requirements indicated in Steps 1 and 2 above.
2. Have completed application and placement forms for a student teaching assignment.
3. Have completed all requirements of the internship block(s).
4. Have a cumulative GPA of 2.50 or higher in all college work at the time of application.
5. Have a minimum GPA of 2.75 or higher in teaching field(s) or interdisciplinary major.
6. Have a grade of “C” or higher and a cumulative GPA of 2.50 or higher in all professional development courses required for certification.
7. Have completed all general education courses as prescribed in the degree plan.
8. Have written approval of the major and minor departments.
9. Not be on disciplinary probation.
10. Have filed application for admission to the Student Teaching Level during the semester prior to student teaching according to the deadline published.
11. Lack no more than six (6) additional hours, plus student teaching to graduate.

Students may not be admitted to the Teacher Education Program and the Student Teaching Level during the same semester.

STEP 4: Complete requirements for graduation, state-mandated tests, and certification.

In order to be recommended for certification, the student must:
1. Pass the appropriate practice tests prior to taking state-mandated tests.
2. Pass required state-mandated tests.
3. Complete all academic requirements for the degree.
4. Complete all requirements of the Teacher Education Program of the University.

Note: Anyone seeking a standard certificate as an educator based upon completion of an approved educator certification program may take the appropriate certification examination required at such time as the entity delivering the certification program determines the individual’s readiness to take the examination, or upon successful completion of the program, whichever comes first.

All certification requirements are subject to the State Board for Educator Certification standards, rules,
and regulations. The State Board for Educator Certification has the authority to suspend, revoke, or refuse to issue a teaching certificate to a person who has been convicted of a felony or misdemeanor for a crime which directly relates to the duties and responsibilities of the teaching profession. The Department of Public Safety and SBEC will conduct a criminal record search of all certificate applicants.

STUDENT TEACHING IN PUBLIC SCHOOLS

In order for a student to be placed in the public schools for student teaching, he or she must have a cumulative grade point average of 2.5 or higher on all college work and in all professional development courses, and 2.75 in the selected teaching field(s) or in the interdisciplinary major.

Any probation or suspension from the University automatically removes a student from the Student Teaching Program. The student, if qualified, may apply for readmission after satisfying all University requirements.

The student teaching experience consists of six (6) semester hours and a minimum of fourteen (14) consecutive weeks of all day assignments which will begin during the public school inservice period. Specific criteria for student teaching courses will be found in the course descriptions.

GUIDELINES FOR STUDENT TEACHING ASSIGNMENT

- The Director of Student Teaching, in accordance with the guidelines and procedures of the University and the local school district, will make the assignment.
- Assignments will be made only with school districts where it is possible for the student teacher to attend the required weekly seminar.
- School districts listed on the University’s list of approved districts will have a program that is of a quality nature, and will be used in making assignments.
- The class and school have a wide range of activities and program experiences available.
- A certified teacher, with at least three years of teaching experience, is available and has been recommended by the principal and/or leadership personnel in the school district.
- The teacher agrees to work with a student teacher, is skilled in human relations, and works well with others. The needs and interests of the student teacher are considered.
- Student requests are considered.

STUDENT TEACHING SEMINARS

During full-time student teaching, students are required to meet weekly with the University supervisor. This seminar will be held outside of regular school hours unless the University supervisor decides that student teachers may leave their school earlier for these meetings. If that decision is made, the University supervisor is responsible for notifying all supervising teachers and will provide a list of meeting dates, times, and places to both the student teacher and supervising teacher. Attendance, participation, and all academic work required during these meetings will count in the total grade for student teaching.

CERTIFICATION AFTER BACHELOR’S DEGREE

Persons with a baccalaureate degree seeking initial certification must (1) meet qualifications for admission to both the University and the Teacher Education Program, (2) meet qualifications for certification, (3) complete a minimum of eighteen semester hours of coursework in residence at East Texas Baptist
University, and (4) pass appropriate state-mandated tests before they will be recommended for certification. An evaluation fee of $25 is required for preparation of a deficiency plan. Upon enrollment, this fee will be credited to the student's account. Contact ETBU School of Education for information.

APPEALS PROCESS

An appeals process is available to students at any stage of the Teacher Education Program. If a student is denied admission into the program, student teaching, or certification, he or she may appeal in writing to the Dean of the School of Education. The teacher education faculty and/or Teacher Education Council will review the student's appeal and reach a decision which the Dean of the School of Education will send, in writing, to the student. If the individual wishes to appeal further, he or she may request, in writing, a review by the Vice President for Academic Affairs. After this review the decision will be sent, in writing, to the student and to the Dean of the School of Education. The decision of the Vice President for Academic Affairs is final.

TEACHER EDUCATION COUNCIL

The Teacher Education Council is comprised of the chairman of the Teacher Education Department, appointed full-time faculty members of the Teacher Education Department, and a representative from each department with approved certification programs.

ASSESSMENT OF THE TEACHER EDUCATION PROGRAM

An on-going system of assessment is used to determine the quality of the Teacher Education Program through accreditation processes with the State Board for Educator Certification (SBEC) and Southern Association of Colleges and Schools.

CERTIFICATION PROCEDURES

All certification requirements are subject to State Board for Educator Certification standards, rules, and regulations. After successfully completing student teaching and all University and teacher education requirements, the student may be recommended for certification by the Teacher Education Council. This may be met through fulfillment of all appropriate requirements listed in the Teacher Education Program, passing the appropriate TExES tests, filing an application for certification, and paying appropriate fees.

LEVELS OF CERTIFICATION

The certificate levels for teacher certification include Early Childhood–Grade 4; Grades 4-8; Grades 8-12; and All-Level.

### Available Majors in Elementary Education

For Integrated Interdisciplinary Majors EC-Grade 8. Leads to EC-Grade 4 and Grades 4-8 Certifications.

**Integrated Interdisciplinary Major with Mathematics Minor (EC-Grade 8) on the B.S.E.:**

Sixty (60) semester hours:

- ARTS 1301 Creative Arts in the Elementary School Curriculum
- GSCI 3301 Science in the Elementary School I
- GSCI 3302 Science in the Elementary School II
- GEOG 1303 Foundations of Geography
- KINE 3301 Health and Fitness in the Elementary School
- MUSI 3301 Music for Elementary Education
- READ 3305 Language Skills in Reading
- READ 3316 Pre-Literacy Development
- READ 3364 Children’s Literature for the Elementary School
- READ 3600 Reading in the Elementary School
- SSCI 3307 Social Studies for Elementary Teachers
- MATH 1342 Elementary Statistics
Integrated Interdisciplinary Major with Science Minor (EC-Grade 8) on the B.S.E.:  
Sixty-six (66) semester hours:
- ARTS 1301 Creative Arts in the Elementary School Curriculum
- GEOG 1303 Foundations of Geography
- KINE 3301 Health and Fitness in the Elementary School
- MATH 3301 Number Systems
- MATH 3302 Mathematics for Elementary School Teachers
- MUSI 3301 Music for Elementary Education
- READ 3305 Language Skills in Reading
- READ 3316 Pre-Literacy Development
- READ 3364 Children’s Literature for the Elementary School
- READ 3600 Reading in the Elementary School
- SSCI 3307 Social Studies for Elementary Teachers
- GSCI 3301 Science in the Elementary School I
- PSCI 1415 Physical Science
- PSCI 1402 Introduction to Meteorology and Astronomy
- BIOL 1406 General Biology I
- BIOL 1407 General Biology II
- GEOL 1403 Physical Geology
- GEOL 1404 Historical Geology

Integrated Interdisciplinary Major with Social Studies Minor (EC-Grade 8) on the B.S.E.:  
Sixty (60) semester hours:
- ARTS 1301 Creative Arts in the Elementary School Curriculum
- GSCI 3301 Science in the Elementary School I
- GSCI 3302 Science in the Elementary School II
- KINE 3301 Health and Fitness in the Elementary School
- MATH 3301 Number Systems
- MATH 3302 Mathematics for Elementary School Teachers
- MUSI 3301 Music for Elementary Education
- READ 3305 Language Skills in Reading
- READ 3316 Pre-Literacy Development
- READ 3364 Children’s Literature for the Elementary School
- READ 3600 Reading in the Elementary School
- SSCI 3307 Social Studies for Elementary Teachers
- HIST 1301 United States to 1877
- HIST 1302 United States Since 1877
- HIST 2321 Survey of Civilization I
- HIST 2322 Survey of Civilization II
- HIST 3302 History of Texas
- POSC 2303 American and State Government
- GEOG 1303 Foundations of Geography
Integrated Interdisciplinary Major with Language Arts and Reading Minor (EC-Grade 8) on the B.S.E.:
Fifty-four (54) semester hours:
- ARTS 1301 Creative Arts in the Elementary School Curriculum
- GSCI 3301 Science in the Elementary School I
- GSCI 3302 Science in the Elementary School II
- GEOG 1303 Foundations of Geography
- KINE 3301 Health and Fitness in the Elementary School
- MATH 3301 Number Systems
- MATH 3302 Mathematics for Elementary School Teachers
- MUSI 3301 Music for Elementary Education
- SSCI 3307 Social Studies for Elementary Teachers
- READ 3305 Language Skills in Reading
- READ 3600 Reading in the Elementary School
- ENGL 3365 Adolescent Literature
- READ 3316 Pre-Literacy Development
- READ 3364 Children’s Literature for the Elementary School

Nine-hour track in either English or Reading

**ENGLISH TRACK**
- ENGL 3301 Linguistics: Advanced English Grammar
- ENGL 3302 Advanced Composition and Rhetoric

*Choose one additional sophomore literature course (in addition to general education requirements).*

**READING TRACK**
- READ 4350 Research and Practicum in Current Trends in Reading
- READ 4351 Diagnostic Teaching of the Elementary Child, A Practicum

*Choose one of the following:*
- ENGL 3301 Linguistics: Advanced English Grammar
- ENGL 3302 Advanced Composition and Rhetoric

Integrated Interdisciplinary Major with non-certifiable concentration in Church Ministries (EC-Grade 4) on the B.S.E.:
Fifty-seven (57) semester hours:
- ARTS 1301 Creative Arts in Elementary School
- MATH 3301 Number Systems
- MATH 3302 Mathematics for Elementary School Teachers
- KINE 3301 Health and Fitness in the Elementary School
- MUSI 3301 Music for the Elementary Education
- GSCI 3301 Science in the Elementary School I
- GSCI 3302 Science in the Elementary School II
- SSCI 3307 Social Studies for Elementary Teachers
- ENGL 3301 Linguistics OR ENGL 3302 Advanced Composition and Rhetoric
- READ 3305 Language Skills in Reading
- READ 3316 Pre-Literacy Development
- READ 3364 Children’s Literature for the Elementary School
- READ 3600 Reading in the Elementary School
- GEOG 1303 Foundations of Geography
- RLGN 2312 Foundations of Christian Teaching
- RLGN 2314 Principals of Christian Teaching
- RLGN 3311 Childhood Ministry
- RLGN 3314 Church Leadership
- RLGN 4341 Church Administration
AVAILABLE MAJORS IN SECONDARY EDUCATION

Secondary Major and Minor Certification Plans for Grades 8-12

ETBU students desiring to teach at the secondary school level (grades 8-12) must choose one (1) of the three (3) plans listed below. (The minimum GPA for all majors and minors is 2.75.)

PLAN I: This plan includes one (1) major and no minor. Students must select one (1) of the following majors:

- Life Science ....................................................47
- Mathematics ..................................................38
- Physical Science..............................................43
- Social Studies..................................................48

Note: (See departments for specific course requirements for the major and minor).
Secondary Professional Development (Twenty-one (21) semester hours).

PLAN II: This plan requires two (2) academic fields which correspond to certification tests and fields. Students must choose a major and a minor from the following:

MAJORS
- English ............................................................31
- History ............................................................33
- Mathematics ..................................................32
- Spanish............................................................30
- Speech Communication ....................................31
- Theatre Arts....................................................31-32

MINORS
- English ............................................................31
- History ............................................................33
- Life Science ....................................................23
- Mathematics ..................................................33
- Spanish............................................................30
- Speech Communication ....................................25
- Theatre Arts....................................................26

Note: (See departments for specific course requirements for the major and minor).
Secondary Professional Development (Twenty-one (21) semester hours).

PLAN III: This plan requires one (1) major for certification purposes and a minor from any available non-teacher education minor offered by ETBU. (Some departmental minors are not available.)

MAJORS
- English ............................................................31
- History ............................................................33
- Mathematics ..................................................32
- Spanish............................................................30
- Theatre Arts....................................................31-32

Note: (See departments for specific course requirements for the major and minor).
Secondary Professional Development (Twenty-one (21) semester hours).

AVAILABLE MAJORS IN ALL-LEVEL EDUCATION

This plan is limited to one (1) Academic Teaching Field offered by ETBU and prepares students to teach in grades EC-12.

The minimum GPA for the Academic Teaching Field is 2.75.

Select one (1) from the following approved teaching fields:

Kinesiology (Physical Education)

One academic specialization (thirty-six (36) semester hours) including eighteen (18) semester hours of upper division courses with six (6) semester hours of upper division courses designed for elementary level and six (6) semester hours of upper division courses designed for secondary level.
Music
Theatre Arts
An academic specialization (twenty-four (24) semester hours) including eighteen (18) semester hours of upper division courses with six (6) semester hours of upper division courses designed for elementary level and six (6) semester hours of upper level courses designed for secondary level.

Note: See departments for specific course requirements.

All-Level Professional Development (Twenty-one (21) semester hours).

SITE-BASED AND CAMPUS-BASED DELIVERY BLOCKS
The on-site elementary provisional certificate program consists of three (3) program blocks. The programs for all-level and secondary provisional students consist of two (2) program blocks. Each block is a prerequisite to succeeding blocks. Contact the Department of Teacher Education for further information about the courses in each block.
DEPARTMENT OF THEATRE ARTS

BRENT MADDOX, CHAIR

The Department of Theatre Arts seeks to provide students pursuing a degree in theatre arts with both an academic and a practical exploration of historical, cultural, and aesthetic context of western theatre.

Students completing a baccalaureate program in theatre arts will:
1. Demonstrate an understanding of theatre history, theatre criticism, the body of theory and methods leading theatre to its present form in contemporary society.
2. Demonstrate an understanding of specific practical assignments in the areas of performance, technical theatre production, theatre design, and theatre administration.

The department offers students the following programs of study: (a) a major or minor in theatre arts, (b) a major or minor in theatre arts education with secondary level certification, and (c) a major in theatre arts education with all level certification.

REQUIREMENTS FOR THE BACHELOR OF ARTS IN THEATRE

General Education Requirements .................................................................48
English 1301, either 1302 or 1030, plus three (3) hours sophomore literature .......... 9
Fine Arts (three (3) hours from music, theatre, art or equivalent) ..............................................3
Foreign Language (at least one semester second year, all hours in same language) .......... 11
Religion 1320 and 1330 ..................................................................................6
History 1301, 1302, 2321, or 2322 ..............................................................................3
Social Science (PSYC/SOCI/POSC) ...........................................................................3
Physical Activity (KINE 1164 and two different physical activity courses) ..................3
Science (must be lab science) ..................................................................................4
Mathematics 1300, 1342, 1314, 1316, 2301, or 2313 .............................................3
Speech 1311 ........................................................................................................3

Major area of study ..........................................................................................38

Departmental Recommendations:
HIST 2321, 2322 Survey of Civilization I, II
MUSI 1306 Appreciation of the Arts

Minor ........................................................................................................18

Electives (to total 120 hours) ........................................................................16

Total: One hundred twenty (120) Semester Hours

AVAILABLE MAJOR

Theatre Arts Major requirements on the B.A.:
Thirty-eight (38) semester hours:
All of the following (Twenty-six (26) semester hours):
THEA 1120 Theatre Workshop I
THEA 1121 Theatre Workshop II
THEA 1351 Beginning Acting
THEA 2103 Theatre Workshop III
THEA 2320 Introduction to Stagecraft
THEA 3104 Theatre Workshop IV
THEA 3200 Cornerstone Studies in Theatre
THEA 3303 Technical Theatre
THEA 4302 Play Directing
THEA 4308 History of Western Theatre
THEA 4466 Advanced Acting
THEA 4100 Capstone in Theatre Studies

Twelve (12) additional hours in theatre arts approved by Theatre Arts Department chair.
Departmental recommendations for General Education: HIST 2321, 2302 and MUSI 1304.
General Education Requirements........................................................................................................46

- English 1301, and 1302 or 1303, and three (3) hours from 2321, 2326, 2331, 2341* .................................9
- *(ENGL 2341 is required for English, Language Arts and Reading majors/minors)
- Speech 1311 ........................................................................................................................................3
- History 1301 and 1302 ..........................................................................................................................6
- Social Science (POSC 2303) ..................................................................................................................3
- Science (must be a lab science) ..............................................................................................................4
- Mathematics 1342 .................................................................................................................................3
- Computer Science 2363 ........................................................................................................................3
- Fine Arts (three (3) hours from music, theatre, art or equivalent) .........................................................3
- Physical Activity (KINE 1164 and two (2) different physical activity courses) ..................................3
- Religion 1320 and 1330 .......................................................................................................................6
- Psychology 3331 (Elementary Education)  
  OR  
  Psychology 3335 (Secondary and All-Level Education) ................................................................3

Theatre Arts Education Major requirements (teaching field) on the B.S.E., with All Level Certification:

Thirty-seven (37) content area hours and six (6) academic support hours (Forty to forty-three (40-43) total):

All of the following (Thirty-one (31) semester hours):

- THEA 1351 Beginning Acting
- THEA 2103 Theatre Workshop III
- THEA 2301 Voice and Diction
- THEA 2320 Stagecraft
- THEA 2341 Oral Interpretation
- THEA 3104 Theatre Workshop IV
- THEA 3200 Cornerstone Studies
- THEA 3301 Speech and Theatre Activities for the Elementary School Child
- THEA 3303 Technical Theatre Design
- THEA 4301 Children’s Theatre
- THEA 4302 Play Directing
- THEA 4308 History of Western Theatre

Content Area Electives: Select six (6) semester hours from:

- THEA 3360 Cinema Studies
- THEA 3302 Religious Drama
- THEA 4331 Theatre Management
- SPCH 3303 Small Group Communication
- SPCH 3306 Mass Media

Required Academic Support Courses (Six (6) semester hours):

- MUSI 1306 Appreciation of the Arts (may be utilized to meet general education fine arts requirement)
- ARTS 1302 Fundamentals of Art

Theatre Arts Major requirements (teaching field) on the B.S.E., Plan II and Plan III, for Secondary Level Certification:

Thirty-one to thirty-two (31-32) semester hours:

All of the following (Twenty-five (25) semester hours):

- THEA 1351 Beginning Acting
- THEA 2103 Theatre Workshop III
- THEA 2301 Voice and Diction
- THEA 2320 Introduction to Stagecraft
- THEA 2341 Oral Interpretation of Literature
- THEA 3104 Theatre Workshop IV
THEA 3200 Cornerstone Studies in Theatre
THEA 3303 Technical Theatre
THEA 4302 Play Directing
THEA 4308 History of Western Theatre

**One course from the following (Three to four (3-4) semester hours):**
- THEA 4310 Dramatic Theory and Criticism
- THEA 4331 Theatre and Fine Arts Management
- THEA 4466 Advanced Acting

**Three (3) semester hours from the following:**
- THEA 1120 Theatre Workshop I
- THEA 1121 Theatre Workshop II
- THEA 3101 Production Workshop
- THEA 3301 Speech and Theatre Activities for the Elementary School Child
- THEA 3302 Religious Drama
- THEA 3360 Introduction to Cinema Studies
- THEA 4301 Children’s Theatre
- THEA 4310 Dramatic Theory and Criticism
- THEA 4331 Theatre and Fine Arts Management
- THEA 4390-99 Honors Research

---

## MINORS

**Theatre Arts Minor Requirements on Degrees other than the B.S.E.:** Twenty-three (23) semester hours:

**All of the following (Twenty (20) semester hours):**
- THEA 1120 Theatre Workshop I
- THEA 1351 Beginning Acting
- THEA 2103 Theatre Workshop III
- THEA 2320 Introduction to Stagecraft
- THEA 3104 Theatre Workshop IV
- THEA 3200 Cornerstone Studies in Theatre
- THEA 3303 Technical Theatre
- THEA 4302 Play Directing
- THEA 4308 History of Western Theatre

**Three (3) semester hours of theatre arts approved by the Theatre Arts Department chair.**

**Theatre Arts Minor requirements (teaching field) on the B.S.E., Plan II, for Secondary Level Certification:**

Twenty-six (26) semester hours:

**All of the following (Nineteen (19) semester hours):**
- THEA 1351 Beginning Acting
- THEA 2103 Theatre Workshop III
- THEA 2301 Voice and Diction
- THEA 2320 Introduction to Stagecraft
- THEA 2341 Oral Interpretation of Literature
- THEA 4302 Play Directing
- THEA 4308 History of Western Theatre

**Four (4) semester hours from the following (Four (4) semester hours):**
- THEA 3303/3103 Technical Theatre/Theatre Workshop IV
- THEA 4466 Advanced Acting

**Three (3) semester hours of theatre arts approved by the Theatre Arts Department chair.**
COURSE DESCRIPTIONS

The number following the course title indicates the distribution of the course credit as follows: (lecture, lab, semester hours).

ACCOUNTING

**ACCT 2301 Principles of Financial Accounting (3,0,3)**
This course presents an introduction to the principles and procedures of financial accounting with emphasis placed on the measurement, recording, and preparation of general-purpose financial reports for profit-oriented organizations based on generally accepted accounting principles.

**ACCT 2302 Principles of Managerial Accounting (3,0,3)**
This course presents an introduction to the principles and procedures of accounting that apply primarily to the accumulation and reporting of accounting information for internal management decision making and control in profit-oriented organizations. **Prerequisite: ACCT 2301.**

**ACCT 3210 Practical Management Accounting (2,0,2)**
This course presents an overview of practical accounting practices as they relate to individuals, non-profitable organizations, and religious or charitable organizations, with an emphasis placed on budgeting, taxation, social security issues, financial software, and bookkeeping activities. **Those students majoring in business may not take this course for credit.**

**ACCT 3332 Accounting Information Systems (3,0,3)**
This course deals with the development and use of modern accounting information systems. Emphasis is placed on the use of computerized procedures, including microcomputer applications. **Prerequisite: ACCT 2302.**

**ACCT 3335 Intermediate Accounting I (3,0,3)**
This course presents an in-depth study of the theory, principles, and procedures of the measurement, recording, and reporting of financial accounting information according to generally accepted accounting principles. **Prerequisite: ACCT 2302.**

**ACCT 3336 Intermediate Accounting II (3,0,3)**
This course is a continuation of the in-depth study of the theory, principles, and procedures of the measurement, recording, and reporting of financial accounting information according to generally accepted accounting principles. **Prerequisite: ACCT 3335.**

**ACCT 3337 Cost Accounting (3,0,3)**
This course presents a study of the principles and procedures pertaining to the accumulation and utilization of cost data for financial reporting purposes and by management for making internal decisions and controlling operations. Some of the topics covered are cost terminology and classifications, analysis of cost behavior, cost systems and accumulation procedures, standard costs, cost-volume-profit relationships, and relevant costs for decision making. **Prerequisite: ACCT 2302.**

**ACCT 4331 Federal Tax Accounting I (3,0,3)**
This course covers the federal income taxation of individuals and the preparation of individual federal income tax returns. **Prerequisite: ACCT 2302.**

**ACCT 4332 Federal Tax Accounting II (3,0,3)**
This course covers the federal taxation of partnerships, trusts, estates, and corporations. **Prerequisites: ACCT 4331.**

**ACCT 4333 Auditing (3,0,3)**
The principles, standards, and procedures of auditing are covered in this course. Auditing techniques, internal controls, and reports are emphasized. **Prerequisite: ACCT 3336.**

**ACCT 4335 Advanced Accounting (3,0,3)**
This course covers the principles and techniques of consolidation, partnership accounting, and accounting for international transaction. Emphasis is placed on the procedures of preparing consolidated financial statements. **Prerequisite: ACCT 3336.**
ACCT 4338 Governmental and Not-for-Profit Accounting (3,0,3)
This course deals with the principles and practices that apply to fund accounting used by governmental units and not-for-profit organizations. Some of the topics covered are revenues, expenditures, appropriations, tax levies, budgets, special funds, and financial reports. Prerequisite: ACCT 2302.

ACCT 4340 Accounting Theory (3,0,3)
This course covers theory of accounting with emphasis on the development of standards, account pricing, and financial reporting. Prerequisite: ACCT 4335.

ACCT 4350 Practicum/Internship (3,0,3)

ALLIED HEALTH
AHTH 4103 Clinical Serology and Immunology Laboratory (0,1,1)
This course consists of practice instruction and laboratory practice for in vitro testings of antigen-antibody reactions as well as specific responses made by lymphocytes to foreign substances. Clinical application and interpretation of results are stressed. This one (1) hour course consists of thirty-five (35) hours per week for three (3) weeks.

AHTH 4114 Clinical Microscopy (1,0,1)
Advanced theory on the use of urine and other body fluids to evaluate clinical conditions seen in diseased states is studied. This course consists of nine (9) one (1) hour lectures.

AHTH 4115 Clinical Urinalysis Laboratory (0,1,1)
This course includes laboratory practice and instruction in the use of chemical determinations and microscopic examinations to evaluate urine specimen in health and disease. This one (1) hour course consists of thirty-five (35) hours of laboratory per week for three (3) weeks.

AHTH 4116 Clinical Parasitology, Mycology, and Mycobacteriology (1,0,1)
This course is an advanced study of parasites, fungi and tubercle bacilli, as they relate to conditions causing disease in man. The course consists of seventeen (17) one (1) hour lectures.

AHTH 4118 Clinical Laboratory Administration (0,1,1)
This course is a study of modern management concepts for the clinical laboratory. The course consists of one (1) week rotation of thirty-five (35) hours per week through the departments.

AHTH 4202 Clinical Serology and Immunology (2,0,2)
This course is a study of advanced concepts in the use and interpretation of serological and immunological procedures and data. The course consists of nineteen (19) one (1) hour lectures.

AHTH 4206 Clinical Immunohematology (2,0,2)
This course is a study of advanced concepts of current theories used in a hospital blood bank that provides blood transfusions as a therapeutic tool. The course consists of twenty-two (22) one (1) hour lectures.

AHTH 4210 Special Clinical Chemistry and Toxicology Laboratory (0,2,2)
This course includes practical introduction and laboratory practice in specialized biochemical procedures used in a modern clinical laboratory for diagnostic and therapeutic purposes. The course consists of thirty-five (35) hours per week for three (3) weeks.

AHTH 4211 Automated Clinical Chemistry Laboratory (0,2,2)
This course includes practical instruction and laboratory practice on the use of highly automated state of the art instrumentation including the troubleshooting of this equipment. The two (2) hour course consists of thirty-five (35) hours per week for four (4) weeks.

AHTH 4217 Clinical Parasitology, Mycology, and Mycobacteriology Laboratory (0,2,2)
This course includes practical instruction and laboratory practice in the performance of clinical procedures used in the identification of parasites, fungi, and acid fast organisms. The course consists of thirty-five (35) hours per week for five (5) weeks.

AHTH 4300 Clinical Hematology (2,0,2)
This course is a study of advanced concepts in the use and interpretation of hematological, coagulation, and quality control procedures. The course consists of thirty-three (33) hours per week for three (3) weeks.
AHTH 4304 Clinical Bacteriology (2,0,2)
This course is a study of advanced concepts in the use and interpretation of medical bacteriological procedures and data used in diagnosis and maintenance of health. The course consists of twenty-nine (29) one (1) hour lectures for three (3) weeks.

AHTH 4307 Clinical Immunohematology Laboratory (0,2,2)
This course includes practical instruction and laboratory practice in transfusion therapy, donor collection of blood and blood components, identification of typical antibodies as well as an assessment of the need and/or adverse effects of transfusions in a variety of clinical situations. The course consists of thirty-five (35) hours per week for six (6) weeks.

AHTH 4309 Manual Chemistry Laboratory (0,2,2)
This course includes practical instruction and laboratory practice in the performance of routine biochemical procedures used in a modern clinical laboratory. The course consists of thirty-five (35) hours per week for six (6) weeks.

AHTH 4380 Clinical Medical Technology Problems (3,0,3)
This is a directed study.

AHTH 4405 Clinical Bacteriology Laboratory (0,4,4)
This course includes practical instruction and laboratory practice in the performance of bacteriological procedures used in a health care facility and the correlation of data and interpretation of result. The course consists of thirty-five (35) hours per week for eight (8) weeks.

AHTH 4408 Clinical Chemistry (4,0,4)
Clinical Chemistry is an application of biochemical theories to interpret clinical findings as they relate to health and disease. The course consists of forty-five (45) one (1) hour lectures for three (3) weeks.

AHTH 4501 Clinical Hematology Laboratory (0,5,5)
This course includes practical instruction and laboratory practice on normal and abnormal blood films, coagulation procedures, special hematology procedures, and troubleshooting instrumentation, with correlation and interpretation of results obtained. The course consists of thirty-five (35) hours per week for ten (10) weeks.

Note: Allied Health courses numbered 4000 are taught at Overton Brooks Veterans Administration Medical Center School of Medical Technology.

ART
ARTS 1301 Creative Arts in the Elementary School Curriculum (3,0,3)
This course presents a study of the history, organization, evaluation, and function of the creative arts in elementary curriculum. Opportunity is provided for the student to work with the various materials and equipment suitable for classroom use.

ARTS 1302 Fundamentals of Art (3,0,3)
A general course in the fundamentals of art offers creative activities in drawing, design, color, and related experiences.

BIOLOGY
BIOL 1322 Nutrition (3,0,3)
This course is a study of food, kinds and functions; body processes; and diets in health and disease. Prerequisite: Four (4) semester hours of chemistry.

BIOL 1406 General Biology I (3,1,4)
This is an introductory course designed for biology majors and minors. Topics include the history and philosophy of biology, chemical concepts of life, the cell, genetics, and the origin and development of life on earth. This course includes a two-hour laboratory per week.

BIOL 1407 General Biology II (3,1,4)
This course is a continuation of BIOL 1406. Topics include plant form and function, animal form and function, and ecology. This course includes a two-hour laboratory per week. Prerequisite: BIOL1406.

BIOL 1408 Life Science (3,1,4)
An overview of biology is explored with an emphasis on the scientific process. Topics include biology as
a science; the scientific method; basic biological concepts; and social aspects of science, biology, and technology. It does not count on the major or minor in biology. The course includes a two-hour laboratory per week.

**BIOL 1410 Human Health and Disease (3,1,4)**  
Normal and abnormal body function will be explored using simplified models, flowcharts, classifications and descriptions. Diseases will be surveyed by system, including, where possible, diseases of interest to the students. Students will be exposed to concepts of various basic medical sciences and the scientific bases of disease treatment and prevention. The course is for students wishing to explore biomedical and health sciences. It does not count towards a major or minor in biology. The course includes a two-hour laboratory per week.

**BIOL 2302 Medical Terminology and Health Occupations (3,0,3)**  
This course consists of a study of the health fields and the basic structure of medical words including prefixes, suffixes, roots, combining forms and plurals; pronunciation, spelling, and definition of medical terms; emphasis on building a professional vocabulary required for working in the medical field; and a study of the health occupations.

**BIOL 2305 Introduction to Research Methods (3,0,3)**  
This course is an introduction to the principles of research in the biological sciences. The course will give the student a foundation in the philosophy of science, the scientific method, data analysis, and report writing. Students will be required to conduct a literature review of a research topic and write a proposal to conduct research on the topic. CHEM 1312/1112 and MATH 1342 strongly recommended. **Prerequisite: BIOL 1406.**

**BIOL 2401 Human Anatomy and Physiology I (3,1,4)**  
This course emphasizes the integration of structure and function of the integumentary, skeletal, muscle, nervous, and endocrine systems. The course includes a three-hour laboratory per week. Included in the laboratory is the gross anatomy of the human skeleton, cat, sheep brain, and cow eye and the microscopic anatomy of each system. Experiments are performed to demonstrate muscular physiology, human reflex physiology, sensory physiology, and hormonal actions. This is a course for biology or closely related majors. **Prerequisite: BIOL 1407 or BIOL 1322.**

**BIOL 2402 Human Anatomy and Physiology II (3,1,4)**  
This course is a continuation of BIOL 2401 with emphasis on the integration of structure and function of the cardiovascular, respiratory, digestive, urinary, and reproductive systems. The course includes a three-hour laboratory per week. Laboratory exercises include dissection of the cat, mammalian heart, and mature pig lungs. Microscopic anatomy of each of the systems is included. Experiments are performed to demonstrate cardiovascular physiology, blood pressure, digestive physiology, urinalysis, gametogenesis, and the principles of human genetics. **Prerequisite: BIOL 2401.**

**BIOL 2406 Man and the Environment (3,1,4)**  
This is an overview of how man relates to the environment. Topics include ecology, energy, populations, natural resources, and pollution. The course includes a two-hour laboratory per week.

**BIOL 2428 Comparative Anatomy (3,1,4)**  
This is a brief survey of the chordates followed by a detailed study of organ systems of representative vertebrates. Careful dissections are made on the lamprey, shark, mudpuppy, and cat. The course includes a three-hour laboratory per week. **Prerequisite: BIOL 1407.**

**BIOL 3100-3600 Field Course (One to six (1-6) semester hours)**  
Courses will be designed which will involve lectures, discussion and collecting trips, short oral and written examinations, and summary reports in biological areas which are not available on the campus. **Prerequisites: Four (4) semester hours of biology and permission of the instructor.**

**BIOL 3201 Biology Laboratory: Instruction and Management (0,2,2)**  
This course is designed to acquaint students with general laboratory procedures such as setting up laboratories, making out laboratory practicals, grading, and instructing laboratory work.

**BIOL 3301 Pathophysiology (3,0,3)**  
This course emphasizes the etiology, pathogenesis, clinical manifestations, and treatment of human diseases and disorders. The connections between structure, function, and dysfunction will be discussed. **Prerequisites: BIOL 1322, 2401, 2402, 3452, and four (4) semester hours of chemistry.**
BIOL 3401 Invertebrate Zoology (3,1,4)
This course is a consideration of the habits, gross and microscopic structures, physiology, classification, and importance of the invertebrates. It includes a three-hour laboratory per week. Prerequisite: BIOL 1407.

BIOL 3410 Field Botany (3,1,4)
This is an advanced botany course with an emphasis on the plant species and communities of East Texas. Topics include an overview of plant taxonomy, a survey of native East Texas plants, and an analysis of East Texas plant communities. This course includes a three-hour laboratory per week. Prerequisite: BIOL 1407.

BIOL 3450 Histology (3,1,4)
This is the study of the microscopic structure of vertebrate tissues and will include a detailed study of cells and tissues, their origin and function in the adult. The course includes a three-hour laboratory per week. Prerequisite: BIOL 2402 or BIOL 2428.

BIOL 3452 Microbiology (3,1,4)
This course includes a study of prevalence, morphology, physiology, taxonomy, and importance of microorganisms. The course includes a three-hour laboratory per week. Prerequisites: Four (4) semester hours of biology and four (4) semester hours of chemistry.

BIOL 4100 Seminar (1,0,1)
This course emphasizes biological research and literature. Prerequisite: Senior standing.

BIOL 4167 Biochemistry Techniques (0,1,1) (Same as CHEM 4167)

BIOL 4301 Cell Biology (3,0,3)
Study of the principles of cell biology is emphasized. Topics will include cell membranes, cell organelle structure and function, energy flow and metabolism. Prerequisites: Sixteen (16) semester hours of biology and eight (8) semester hours of general chemistry.

BIOL 4302 Immunology (3,0,3)
This course is the study of the structure and function of antigens and antibodies, nature of immune responses, immunological diseases, and immunological methods. Prerequisite: BIOL 3452.

BIOL 4303 Population Biology (3,0,3)
Study of the microevolutionary and macroevolutionary processes that occur within populations that lead to genetic and phenotypic change. History of evolutionary thinking, population genetics, and the analysis of evolutionary forces are discussed. Competencies required by the State of Texas TExES Life Science examinations covered. BIOL 4403 Genetics strongly recommended.

BIOL 4367 Biochemistry (3,0,3) (Same as CHEM 4367)

BIOL 4401 Embryology (3,1,4)
This course deals with the process by which animals of various types develop from the fertilized egg to maturity. The course includes a three-hour laboratory per week. Prerequisite: BIOL 2402 or BIOL 2428.

BIOL 4403 Genetics (3,1,4)
This course is a thorough study of classical, population, and molecular genetics. Genetics as it relates to bacteria, plants, and humans will be discussed. This course includes a three-hour laboratory per week. Fruit fly breeding experiments and other experiments are conducted to demonstrate genetic principles. Prerequisites: BIOL 1406 and 1407.

BIOL 4405 General Ecology (3,1,4)
This is a course in general ecology. Topics include the physical environment, energy, population ecology, community ecology, ecosystems, and systems ecology. This course includes a three-hour laboratory per week. Prerequisites: BIOL 1406 and 1404.

BIOL 4406 Wetland Ecology (3,1,4)
Wetland Ecology will examine definitions and types of wetlands and will topically study hydrology, biogeochemistry, and wetland management, including the protection, valuation, creation, and restoration of wetlands. It will include a three-hour laboratory per week. Prerequisites: BIOL 1407.
BIOL 4410 Advanced Human Physiology (3,1,4)
This course provides advanced consideration of the physiology of human organ systems. Lecture focuses on the basic science of physiology as it relates to the clinical features of normal and abnormal human body function. A three-hour laboratory focuses on clinical tests and computer models of human body function. A laboratory or literature research project is also required. Prerequisite: BIOL 2402 or BIOL 2428.

BUSINESS ADMINISTRATION

BUAD 1305 Business Software Applications (3,0,3)
This course will utilize PC’s for users to demonstrate a basic understanding of major business software applications. Prerequisite: Basic computer literacy is required.

BUAD 3327 Business Law (3,0,3)
This course includes a study of the general principles of law as applied to business transactions: contracts, agency, negotiable instruments, business organizations, trusts and estates, and government regulations.

BUAD 4304 Business Communications (3,0,3)
This course covers the form, construction, and uses of the various types of business communications, including business letters and reports. Prerequisite: SPCH 1311.

BUAD 4352 Business Policy (3,0,3)
This course studies the solution of comprehensive business problems by utilizing principles and concepts from the various business disciplines, such as accounting, economics, finance, management, and marketing. Prerequisites: FINA 3344, MGMT 3350, MKTG 3324, and senior standing. (Capstone course)

CHEMISTRY

CHEM 1105 Chemical Concepts Laboratory (0,1,1)
This course is an introduction to the methods and techniques of measurement, observation, and reporting of physical and chemical data. Emphasis will be placed on chemical reactions encountered in daily life.

CHEM 1111 General Chemistry I Laboratory (0,1,1)
This course is an introduction to methods and techniques of chemical experimentation, observation, and measurement of physical and chemical properties. Prerequisite: Registration in or completion of CHEM 1311.

CHEM 1112 General Chemistry II Laboratory (0,1,1)
This course is a study of the qualitative and quantitative aspects of inorganic chemistry with an emphasis on equilibrium and kinetic theory. Prerequisite: CHEM 1311/1111.

CHEM 1305 Chemical Concepts (3,0,3)
This course is for the liberal arts student and presents the essentials of the basic laws, theories, and concepts of chemistry; the types of chemical reactions; and an overview of inorganic, organic, and biochemical compounds.

CHEM 1311 General Chemistry I (3,0,3)
This course is a study of the general principles governing chemical and physical change. Emphasis is placed on atomic and molecular structure, formulas, equations, periodicity, solutions, and physical states. Special emphasis is placed on stoichiometric calculations.

CHEM 1312 General Chemistry II (3,0,3)
This course is a study of chemical equilibrium, kinetics, thermodynamics, chemical families, and elementary principles of inorganic analysis. Prerequisite: CHEM 1311/1111.

CHEM 3103 General Organic Chemistry I Laboratory (0,1,1)
This course is an introduction to the techniques used in organic chemistry with emphasis on the separation and purification of organic compounds. Emphasis is placed on preparation, properties, and reactions of organic compounds. Prerequisite: CHEM 1312/1104.

CHEM 3104 General Organic Chemistry II Laboratory (0,1,1)
This course is a continuation of Chemistry 3103 with the addition of interpretation of spectra in the classification and identification of compounds. Prerequisite: CHEM 3303/3103.
CHEM 3105 Quantitative Analysis Laboratory (0,1,1)
This course is a study of selected experiments in quantitative analysis designed to typify classical volumetric and gravimetric methods. **Prerequisite: Enrollment in or completion of CHEM 3305.**

CHEM 3106 Instrumental Analysis Laboratory (0,1,1)
This course is an introduction to the use of instruments in chemical analysis. **Prerequisites: CHEM 1302 and PHYS 1402 or 2402.**

CHEM 3303 General Organic Chemistry I (3,0,3)
This course is a study of structure, nomenclature, preparation, and reactions of hydrocarbons. **Prerequisite: CHEM 1312.**

CHEM 3304 General Organic Chemistry II (3,0,3)
This course is a study of the specialized functional groups of organic compounds with an emphasis on structure, mechanisms, and synthesis. **Prerequisite: CHEM 3303.**

CHEM 3305 Quantitative Analysis (3,0,3)
This course is a review of the classical volumetric and gravimetric methods of analysis with emphasis on the theory and calculations of quantitative analysis. **Prerequisite: CHEM 1312/1104.**

CHEM 3306 Instrumental Analysis (3,0,3)
This course is a study of instrumental methods of analysis including optical, electrometric, and chromatographic techniques with emphasis on the theory, design, and applications of the various instruments. **Prerequisites: CHEM 1312/1104 and PHYS1402 or 2402.**

CHEM 4101 Chemical Literature (1,0,1)
This course is a study of the published sources of chemical information, the location of information, literature search methods, and organization of information. The course also includes a review of the various fields of chemistry followed by an examination of general chemical knowledge. **Prerequisite: CHEM 4301.**

CHEM 4103 Physical Chemistry I Laboratory (0,1,1)
The student will perform experiments in the areas of thermodynamics, electrochemistry, equilibria, and kinetics. **Prerequisite: Enrollment in or completion of CHEM 4301.**

CHEM 4104 Physical Chemistry II Laboratory (0,1,1)
This course is a continuation of Chemistry 4103. **Prerequisites: CHEM 4301 and 4103.**

CHEM 4167 Biochemistry Techniques (0,1,1)
Theory and practice of common biochemical techniques including: photometry, centrifugation, chromatography, electrophoresis, immunodiffusion, biochemical reaction kinetics, membrane preparations, cellular studies, and other topics. Emphasis is on attaining technical competence. A student research project that applies techniques learned in the course is required. **Prerequisites: CHEM 3304/3104 and registration in or completion of CHEM 4367.**

CHEM 4301 Physical Chemistry I (3,0,3)
This course is an introduction to chemical thermodynamics and kinetics. Topics include chemical electrochemistry and quantum mechanics with applications to problems in chemistry. **Prerequisites: CHEM 1312, MATH 2301, and PHYS 1402 or 2402.**

CHEM 4302 Physical Chemistry II (3,0,3)
This course is a continuation of Chemistry 4301. Topics include chemical electrochemistry and quantum mechanics with applications to problems in chemistry. **Prerequisite: CHEM 4301.**

CHEM 4308 Advanced Inorganic Chemistry (3,0,3)
This course is an intensive study of the principles of inorganic chemistry including atomic structure, nomenclature, chemical bonding, thermodynamics and reactivity, stereochemistry, acid and base theory, and coordination compounds. **Prerequisite: CHEM 1312.**

CHEM 4367 Biochemistry (3,0,3) **(Same as Biology 4367)**
This course is a study of the chemical constitution and chemical changes of living matter, metabolism, and energy transfer. **Prerequisite: CHEM 3304.**
COLLEGE STUDY SKILLS

CSSK 0101 College Study Skills (1,0,1)
This course provides an introduction to university life, with emphasis on study skills and adjustment to campus life. It is offered for one hour of nondegree, nontransferable credit, and is required for students admitted conditionally and those on probation. Must be repeated until conditions of admission and/or probation have been removed.

COMMUNICATION

COMM 1303 Introduction to Journalism (3,0,3) (Same as SPCH 1303)
This introductory course is designed to provide practical knowledge and experience in news gathering, news writing, and editing for the print media, particularly newspapers and magazines. Special attention is given to basic writing skills for reporting, interviewing, and feature writing.

COMM 1307 Introduction to Mass Communication (3,0,3)
This course is designed to acquaint the student with the theory, practice, policies, and techniques of the print and broadcast media. Special attention is given to analyzing media effects on thinking and culture.

COMM 2302 Alternative Media in a Diverse Society (3,0,3)
This course is designed to acquaint students with the historical contents of the mass media and its relationship with minorities and women in advertising, entertainment, broadcasting and public relations campaigns. The course is designed to discourage negative reinforced stereotypical thoughts and attitudes concerning the role of minorities and women in the broadcast industry.

COMM 2339 Mass Media Writing (3,0,3)
This course will allow students the opportunity to study the fundamental principles of information gathering, writing, editing and reporting. Students will be given practical assignments to perfect their knowledge and skills in various areas of mass communication. This course will include a number of written exercises.

COMM 3200 Communication Research Methods (2,0,2) (Same as SPCH 3200)
This course is designed to prepare the student to successfully complete upper division studies in the speech communication discipline. Emphasis will be placed on understanding and conducting research, developing critical thinking abilities, and recognizing the role of speech communication in society. Required for all majors; recommended for minors. Students should take the course prior to or at the beginning of their junior year.

COMM 3307 Mass Communication Law and Ethics (3,0,3)
This course will examine how the law treats the gathering and publications of news events. This course will use the First Amendment and the extent to which it protects the gathering and publication of news.

COMM 3309 Graphic Design 1 (3,0,3)
This is a basic introduction to various aspects of graphic design covering concepts, typography, composition, form, rendering, production and desktop publishing. Students will also be introduced to the concepts of digital photography, logo creation, advertisements, presentations, and using a scanner. In-class critiques will help to develop student’s problem solving and design development styles and skills. This course deals with a variety of graphic design topics.

COMM 3350 Broadcast News Reporting (3,0,3)
This introductory course is a study of the theoretical and technical application of program delivery associated with radio and television stations. The course of study will provide a historical overview of the broadcast industry.

COMM 4X50 Internship in Communication (0,3,3)
This internship provides communication majors and minors an opportunity to receive practical work experience under faculty and professional supervision. Students chosen will work as interns in organizational communication, communication consulting, broadcasting, or public relations. Must have consent of the instructor. This course may be repeated once for elective credit with departmental chair’s approval. This course is for variable credit and will increase by one credit hour for students with a concentration in mass communication.
COMPUTER SCIENCE

COSC 1301 Principles of Computer Science (3,0,3)
This course introduces a student to the field of computer science. Topics discussed include hardware and software, problem-solving and algorithm development, programming languages, data structures, software engineering, and the Internet. This is a first course for CIS majors and minors. Basic computer literacy is required.

COSC 1318 Computer Programming (3,0,3)
This course is an introduction to problem-solving using a high level programming language, Microsoft Visual C++. Computer organization design techniques, structured programming concepts, object-oriented programming, and algorithm development will be covered. Prerequisite: COSC 1301 or MATH 3300 (from ETBU for math majors).

COSC 1363 Introduction to Computers (3,0,3)
Basically for computer literacy, this course is designed to acquaint the student with general computer concepts and uses of computers in business and specific applications and vocabulary applicable to users of computers. Students are given hands-on experience with common software such as word processing, spreadsheets, databases and World Wide Web browser. This course does not count toward a major or minor in CIS. If a student takes both COSC 1363 and COSC 2363, only one will count toward the general education requirement. The other may only be used for an elective.

COSC 2315 Data Structures (3,0,3)
This course uses Microsoft Visual C++ as the primary teaching language. Topics covered include string processing, recursion, sorting, lists, binary trees, pointers, arrays, and simple data structures. Applications are made to a variety of disciplines. Prerequisite: COSC 1318 with a grade of “C” or better.

COSC 2308 Personal Computer Operating Systems (3,0,3)
This is a study of the current popular operating systems found on personal computers. Topics covered will vary based on the particular operating systems being examined. Students will be given hands-on experience working with the systems software being studied. Prerequisite: COSC 1363 or COSC 1301.

COSC 2363 The Use of Technology in Education (3,0,3)
This course is designed to provide all teacher education students the computer and technological competencies necessary for success in the public school classroom. It includes computer concepts, vocabulary, and hands-on experience with hardware, software, and other electronic devices applicable to education. It also emphasizes the use of technology in classroom management, curriculum planning, and learning and teaching methods. The course is intended for teacher education students. If a student takes both COSC 1363 and COSC 2363, only one will count toward the general education requirement. The other may only be used for an elective.

COSC 3317 E-Commerce and Internet Applications (3,0,3)
This course is an overview of e-commerce and the Internet, which will allow students an opportunity to investigate and to learn about the Internet and its many uses in the business world. Prerequisite: Basic computer literacy is required.

COSC 3321 FORTRAN Programming (3,0,3)
This course is a study of the FORTRAN 90 programming language with an emphasis on the scientific applications of the language. Prerequisite: COSC 1318.

COSC 3323 COBOL Programming (3,0,3)
This course is a study of COBOL 85 programming language. It also includes structured and object-oriented programming techniques, with an emphasis on the commercial applications of the language. Prerequisite: COSC 1318.

COSC 3328 Visual Basic Programming (3,0,3)
This course will provide training in computer programming using Visual Basic. Object-oriented programming as well as visual programming techniques will be emphasized. Prerequisite: COSC 1318.

COSC 3329 Programming with JAVA (3,0,3)
This course is a study of object-oriented programming techniques as they are implemented in JAVA. Applications in traditional business and web-development are included. The class will include discussions about software engineering, the development of JAVA applets, graphics, animation as well as stand alone computer programs. Prerequisites: COSC 1318.
COSC 3364 Programming Methods for Data Processing Applications (3,0,3)
This course includes advanced programming concepts in COBOL 85 for commercial applications. Emphasis is placed on the table handling, file handling, and data access methods. A term project is required where the student develops a commercial computer system using COBOL 85. Prerequisite: COSC 3323 with a grade of “C”.

COSC 3422 Numerical Methods (3,2,4) (Same as MATH 3422)

COSC 4100 Survey of Professional Literature (1,0,1)
This one-hour course is designed to acquaint the student with the professional literature in computer science and techniques of research reporting appropriate to computer science. Internet research techniques will also be discussed and used. A term paper is required. Prerequisites: Senior standing and six (6) semester hours of advanced computer science courses.

COSC 4321 Information Systems Development (3,0,3)
This is a study of traditional, structured, and advanced concepts and techniques for the design and development of an information system. Special emphasis will be placed on the development of database systems using fourth generation tools. Prerequisite: Twelve (12) semester hours of computer science, including at least two different programming languages.

COSC 4325 Advanced Database Techniques (3,0,3)
This course gives students the opportunity to design and implement a database using a current Windows-based database management software package and its application language. Techniques for designing a database system are reviewed and put into practice on the term project. Prerequisite: COSC 4321 with a grade of “C” or better.

COSC 4326 Computer Science Practicum (3,0,3)
This course provides practical application of the knowledge gained through coursework in computer science. The student will be placed in a work/study environment for 10-15 hours per week. The interests of each student will be considered when placement is decided. Prerequisite: Senior standing CIS major and instructor approval during the semester prior to enrolling in the practicum.

CRIMINAL JUSTICE

CJUS 3304 Introduction to the Criminal Justice System (3,0,3)
This course provides a broad overview of the criminal justice system. It will explore the history, development, structure, and philosophy of the three major components of the criminal justice system: law enforcement, the courts, and corrections.

CJUS 3305 Criminal Law and Procedure (3,0,3)
This course includes the topics of punishment; specific crimes; ingredients of a crime; group criminality; special defenses; limitations of criminal law; constitutionalization of criminal procedure, arrest, search, and seizure; wiretapping; electronic eavesdropping; the use of secret agents, police interrogation, confessions, lineups, and other pretrial identification procedure; and application of the exclusionary rule, right to counsel, and raising constitutional claims.

CJUS 3306 Violence and Victimization (3,0,3)
This course examines the nature of violence in our society, including victimization by strangers, family members, and intimate partners. Both victimization theory and applied responses to victimization by the criminal justice system are reviewed. This course includes a study of situational factors and responses to victims, crime prevention and victim services programs, and victim-offender relationships.

CJUS 3307 Seminar on Moral, Ethical, and Religious Issues (3,0,3) (Same as PSYC 3307 and SOCI 3307)
This course is a study of theories and practices in areas of moral, ethical, and religious issues as they pertain to the different facets of professional practice. Emphasis will be placed on the moral development of the student and the ability to reason through ethical dilemmas. Prerequisite: Junior standing and completion of one (1) of the following: CJUS 3304 or SOCI 3303 or PSYC 3301 or PSYC 3302 or PSYC 3331 or PSYC 3335 or PSYC 3336 or consent of the instructor.

ECONOMICS

ECON 2301 Macroeconomics (3,0,3)
Macroeconomics is the study of the theories and principles that guide the national economy. Emphasis is placed on the market system in a global economy.
**ECON 2302 Microeconomics (3,0,3)**
Microeconomics is the branch of economics that deals with individual economic agents such as consumers and producers.

**ECON 3343 Problems in Economics (3,0,3)**
This course covers historic and present-day economic problems and their effects on society. **Prerequisites: ECON 2301 and 2302.**

**ECON 3361 International Finance and Trade (3,0,3) (Same as FINA 3361)**

**ECON 4350 Practicum/Internship (3,0,3)**

**EDUCATION**

**EDUC 3301 The Professional Teacher and Diverse Learners (3,0,3)**
This course will give students an opportunity to explore the field of teaching by building a background that includes an historical overview, as well as current trends, legal issues, and professionalism, as they apply to teaching in the public schools. The present structure, organization, and management of local, state and national systems will be reviewed. In-depth study of diverse learners and the legislation and regulation of special needs students will also be included. Thirty (30) clock hours of on-site field experience is required. If concurrently enrolled in EDUC 3302, most General Education requirements must be completed prior to enrollment in order to meet the requirements for admission to the Teacher Education Program. **Prerequisites: Sophomore standing and cumulative GPA of 2.5.**

**EDUC 3302 Learning and Evaluation Theory for the Practitioner (3,0,3)**
This course will give attention to the following components: human growth and development, nature of learning, nature of teaching, tests, and measurement, and teaching in a multicultural classroom. Students should make application to the Teacher Education Program while enrolled in this course. If concurrently enrolled in EDUC 3301, most General Education requirements must be completed prior to enrollment in order to meet the requirements for admission to the Teacher Education Program. **Prerequisite: Sophomore standing; Completion of or concurrent enrollment in EDUC 3301; and cumulative GPA 2.5.**

**EDUC 3303 Classroom Management and Effective Teaching in the Elementary School (3,0,3)**
Pre-service teachers will explore the methods and strategies needed to foster a positive learning climate with equity and excellence. Students will also learn effective communication techniques and instructional strategies that will help them successfully deal with the special needs student and today’s culturally diverse classroom. **Prerequisites: EDUC 3301 and EDUC 3302; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program. This course is a prerequisite for all Elementary Literacy Block (formerly Block II) courses.**

**EDUC 3304 The Integrated Curriculum for EC-8 (3,0,3)**
This course will cover curriculum organization, planning, evaluation, and practical applications of instructional methods as they apply to the curriculum for early childhood through grade 8. An overall understanding of how all the curriculum areas relate to one another will be realized through thematic teaching. **Prerequisites: Senior standing, completion of Literacy Block (formerly Block II); concurrent enrollment in READ 3305, SOCI 3307, EDUC 4352; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.**

**EDUC 3352 Language Arts Internship for the Elementary School (0,8,3)**
This internship is to be taken concurrently with the Elementary Literacy Block (formerly Block II) to give students an opportunity to observe and practice the knowledge and skills in the Reading/English/Language Arts elementary classroom. This course is necessary to fulfill the State’s requirements for field-based education programs. **Site-based laboratory fee required.** **Prerequisites: Junior standing; completion of EDUC 3301, EDUC 3302; concurrent enrollment in READ 3600, READ 3364; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.**

**EDUC 4307 Classroom Management and Effective Teaching for the Secondary School (3,0,3)**
This site-based course examines classroom management techniques and research related to the effective management of the secondary classroom learning environment, student behavior, and
classroom resources. Strategies and practice for teaching reading in all content areas are included. **Prerequisites:** EDUC 3301, EDUC 3302; senior standing; to be taken in the same block as EDUC 4308, EDUC 4358 (secondary) or EDUC 4357 (all-level); cumulative, major/minor, professional development GPA of 2.5; and admission to the Teacher Education Program.

EDUC 4308 The Secondary School Curriculum (3,0,3)
This site-based course presents events and concepts that have shaped the organization, objectives, planning, and evaluation of the secondary curriculum. Emphasis is given to curriculum development within the framework of the Texas Essential Knowledge and Skills. Concepts of the curriculum guide, the course of study, the instructional unit, lesson plans, and basic lesson design are studied within a collaborative framework. Characteristics and needs of students with special needs are scrutinized. Instructional accommodations and modifications for the at-risk learner are examined in the secondary setting. **Prerequisites:** EDUC 3301 and 3302; senior standing; to be taken in the same block with EDUC 4307 and EDUC 4358; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.

EDUC 4316 Directed Student Teaching in Grades 4-8 (0,3,3)
Students are assigned to classrooms in the public schools all day for seven (7) weeks. Pre-service teachers will be given the opportunity to observe and teach in all areas covered in the classroom to which they are assigned. Seminar for pre-service teachers will be held one afternoon each week on the University campus. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. All paperwork necessary to complete the State certification process will be completed. **Prerequisites:** Completion of EDUC 3301, EDUC 3302, Literacy and Curriculum/Internship Blocks (formerly Blocks II and III); cumulative and professional development GPA of 2.5, major/minor GPA of 2.75; concurrent enrollment in EDUC 4317; and admission to the Student Teaching Level.

EDUC 4317 Directed Student Teaching in EC-Grade 4 (0,3,3)
Students are assigned to classrooms in the public schools all day for seven (7) weeks. Pre-service teachers will be given the opportunity to observe and teach in all areas covered in the classroom to which they are assigned. Seminar for pre-service teachers will be held one afternoon each week on the University campus. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. All paperwork necessary to complete the State certification process will be completed. **Prerequisites:** Completion of EDUC 3301, EDUC 3302, Literacy and Curriculum/Internship Blocks (formerly Blocks II and III); cumulative and professional development GPA of 2.5, major/minor GPA of 2.75; concurrent enrollment in EDUC 4316; and admission to the Student Teaching Level.

EDUC 4318 Directed Student Teaching in the Secondary School I (0,3,3)
Students are assigned to public school classrooms all day for seven (7) weeks in their major teaching field, during which time they observe their supervising teachers to become oriented to classroom procedures, and then begin to assume increasing responsibility for teaching the classes. One day each week all student teachers meet on the University campus for a one-hour seminar. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. **Prerequisites:** Completion of EDUC 3301, EDUC 3302, Curriculum/Internship Blocks (formerly Block II); cumulative and professional development GPA of 2.5, major/minor GPA of 2.75; concurrent enrollment in EDUC 4320; and admission to the Student Teaching Level.

EDUC 4320 Directed Student Teaching in the Secondary School II (0,3,3)
Students are assigned to public school classrooms all day for seven (7) weeks in their minor teaching field, during which they observe their supervising teachers to become oriented to classroom procedures, and then begin to assume increasing responsibility for teaching the classes. One day each week all student teachers meet on the University campus for a one-hour seminar. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. **Prerequisites:** Completion of EDUC 3301, EDUC 3302, Curriculum/Internship Block (formerly Block II); cumulative and professional development GPA of 2.5, major/minor GPA of 2.75; concurrent enrollment in EDUC 4318; and admission to the Student Teaching Level.
EDUC 4335 Student Teaching for All-Level, Elementary (0,3,3)
Students are assigned to an elementary school all day for seven (7) weeks. One day each week all student teachers meet on the University campus for a one-hour seminar. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. (Student teaching laboratory fee required). Prerequisites: Completion of EDUC 3301, EDUC 3302, Curriculum/Internship Block (formerly Block II); cumulative and professional development GPA of 2.5; major/minor GPA of 2.75; concurrent enrollment in EDUC 4336; and admission to the Student Teaching Level.

EDUC 4336 Student Teaching for All-Level, Secondary (0,3,3)
Students are assigned to a secondary school all day for seven (7) weeks. One day each week all student teachers meet on the University campus for a one-hour seminar. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. (Student teaching laboratory fee required). Prerequisites: Completion of EDUC 3301, EDUC 3302, Curriculum/Internship Block (formerly Block II); cumulative and professional development GPA of 2.5; major/minor GPA of 2.75; concurrent enrollment in EDUC 4335; and admission to the Student Teaching Level.

EDUC 4352 Elementary Internship and Certification Preparation (1,8,3)
This internship is to be taken concurrently with the Curriculum/Internship Block (formerly Block III) to give students an opportunity to observe and apply practical information learned about teaching in the elementary classroom. Students will spend part of the semester in an elementary school and part of the semester in a middle school. This course is necessary to fulfill the State’s requirements for field-based education programs. This course will also help students learn strategies and review and practice for the certification exam mandated by the State of Texas for teacher certification. A student must make 75 percent on appropriate practice exams to pass this course. Passing this course is a requirement for graduation with a B.S.E. degree. A student must be enrolled in the Curriculum Block (formerly Block III) to take this course the first time. (Site based laboratory fee required). Prerequisites: Senior standing; completion of EDUC 3301, EDUC 3302, Literacy Block (formerly Block II); cumulative, major/minor and professional development GPA of 2.5; concurrent enrollment in EDUC 4335; and admission to the Teacher Education Program.

EDUC 4357 All-Level Internship and Certification Preparation (1,3,3)
This internship has been designed to provide students with an opportunity for practical application of information learned about teaching skills in the elementary and secondary schools. Students are assigned public school mentors in the elementary and secondary schools. Students will be assigned to an elementary school for a block of time and to the secondary school for a block of time. This course will also help students learn strategies and review and practice for the certification exam mandated by the State of Texas for teacher certification. A student must make 75 percent on the appropriate practice exam for the state-mandated exam to pass this course. Passing this course is a requirement for graduation with a B.S.E. degree. (Site-based laboratory fee required). Prerequisites: Senior standing; completion of EDUC 3301, EDUC 3302, Literacy Block (formerly Block II); cumulative, major/minor and professional development GPA of 2.5; concurrent enrollment in EDUC 4335; and admission to the Teacher Education Program.

EDUC 4358 Secondary Internship and Certification Preparation (1,3,3)
This internship has been designed to provide students with an opportunity for practical application of information learned about teaching skills in the secondary school. Students are assigned public school mentors in their major and minor fields. Students spend one block of time in their major and /or one block of time in their minor teaching fields. This course fulfills the State’s requirement for site-based education courses. This course will also help students learn strategies, review, and practice for the certification exam mandated by the State of Texas for teacher certification. A student must make 75 percent on the appropriate practice exam for the state-mandated exam to pass this course. Passing this course is a requirement for graduation with a B.S.E. degree. A student must be enrolled in the Curriculum Block (formerly Block II) in order to take this course the first time. (Site-based laboratory fee required). Prerequisites: Senior standing; completion of EDUC 3301, EDUC 3302; cumulative, major/minor and professional development GPA of 2.5; concurrent enrollment in EDUC 4307, EDUC 4308; and admission to the Teacher Education Program.

EDUC 4612 Directed Student Teaching in the Elementary School (0,6,6)
This course is designed specifically for students seeking an EC-4 Generalist certification with
Church Ministries minor. Students are assigned to classrooms in the public schools all day for fourteen (14) weeks. The period of assignment is expected to provide extensive directed observation of all classroom activities and a generous period of teaching in all classes held during the time of their assignment. One day each week all student teachers meet on the University campus for a one-hour seminar. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. *(Student teaching laboratory fee required).* **Prerequisites:** Cumulative and professional development GPA of 2.5; major GPA of 2.75; and admission to the Student Teaching Level.

**EDUC 4616 Directed Student Teaching in the Secondary School** *(0,6,6)*
This course is designed for secondary Plan I and III students. Students are assigned to the public school classroom all day for fourteen (14) weeks, during which they observe their supervising teacher to become oriented to classroom procedure, and then begin to assume increasing responsibility for teaching the classes. One day each week all student teachers meet on the University campus for a one-hour seminar. Seminar is a required part of student teaching and all pre-service teachers are expected to attend. *(Student teaching laboratory fee required).* **Prerequisites:** Cumulative and professional development GPA of 2.5; major GPA of 2.75; and admission to the Student Teaching Level.

**ENGLISH**

**ENGL 1301 Rhetoric and Composition I** *(3,0,3)*
This is a course in the reading and writing of prose, mainly exposition.

**ENGL 1302 Rhetoric and Composition II** *(3,0,3)*
This course continues the study of writing and critical thinking skills begun in ENGL 1301. It emphasizes the writing and reading of argumentative prose and adapting writing to various audiences. The course continues to emphasize process writing while concentrating on the research paper. **Prerequisite:** ENGL 1301 with a grade of “C” or higher.

**ENGL 1303 Technical Writing** *(3,0,3)*
This course serves as an introduction to science and technical writing, emphasizing the rhetorical consideration of audience, content, and structure. It studies such forms as abstracts, processes, descriptions of mechanisms, and laboratory and research reports. **Prerequisite:** ENGL 1301 with a grade of “C” or higher.

**ENGL 1392 Honors Freshman English** *(3,0,3)*
This intensive course in rhetoric, composition, and literature includes a brief review of the writing process and rhetorical analysis, followed by an introduction to the techniques of studying short fiction, the novel, poetry, and drama. Emphasis is placed on writing the short critical essay and on preparing a fully documented research paper. Students who complete the course with a grade of “C” or higher will be awarded credit for English 1301 as well. This course may be taken only once. **Prerequisite:** ACT score of 26 or above in English or permission of the department.

**ENGL 2100 Introduction to American Studies** *(1,0,1)* *(Same as HIST 2100)*

**ENGL 2101 Introduction to British Studies** *(1,0,1)* *(Same as HIST 2101)*

**ENGL 2321 British Literature** *(3,0,3)*
This course surveys British literature from the Old English period to the present. It is designed for non-majors and will not count toward the English major on the B.A. degree, or toward the English Language Arts or secondary English programs on the B.S.E. degree. Students pursuing these degrees must take ENGL 2341 to satisfy the general education requirement. **Prerequisites:** ENGL 1301 and 1302 or 1303 with a grade of “C” or higher.

**ENGL 2326 American Literature** *(3,0,3)*
This course surveys American literature from the colonial period to the present. It is designed for non-majors and will not count toward the English major on the B.A. degree, or toward the English Language Arts or secondary English programs on the B.S.E. degree. Students pursuing these degrees must take ENGL 2341 to satisfy the general education requirement. **Prerequisites:** ENGL 1301 and 1302 or 1303 with a grade of “C” or higher.

**ENGL 2331 World Literature** *(3,0,3)*
This course surveys world literature from antiquity to the present. It is designed for non-majors.
and will not count toward the English major on the B.A. degree, or toward the English Language Arts or secondary English programs on the B.S.E. degree. Students pursuing these degrees must take ENGL 2341 to satisfy the general education requirement. **Prerequisites: ENGL 1301 and 1302 or 1303 with a grade of “C” or higher.**

**ENGL 2341 Forms of Literature (3,0,3)**
This course provides an introduction to literary terminology and techniques of studying various literary genres including the short story, poetry, and drama. Students pursuing the English major or minor on the B.A. degree, or the English Language Arts or secondary English programs on the B.S.E., must take this course as part of the general education requirements. **Prerequisites: ENGL 1301 and 1302 or 1303 with a grade of “C” or higher.**

**ENGL 3102 Introduction to English Studies (1,0,1)**
This course is an introduction to the discipline of English studies. It is intended to prepare students for upper-level coursework in literature, linguistics, composition, and criticism. Topics include research and bibliography preparation; introduction to writing in the discipline; introduction to professional organizations; and opportunities for employment and further study. Students are encouraged to take the course in the spring of the sophomore year. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3301 Elements of Linguistics (3,0,3)**
Linguistics studies the nature of language, including the sound system, language variation, and the history of the English language. The course also gives an overview of grammar, including traditional and transformational–generative grammar. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3302 Advanced Composition and Rhetoric (3,0,3)**
This is an intensive study of the principles of composition with practice in composing the various modes of discourse. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3304 Psycholinguistics (3,0,3)**
Psycholinguistics studies the mental aspects of language, especially its acquisition, storage, comprehension, and production. The course examines linguistic inferences drawn from observations of spontaneous oral speech and planned writing. It also considers the relationship of language to thought, language as a mode of communication, and language as a socializing agent. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3305 Critical Analysis of Literature (3,0,3)**
This study of the form, theory, and content of fiction, nonfiction, drama, and poetry also trains in research methods and the critical analysis of literature. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3306 English in the Secondary School (3,0,3)**
This is an investigation of the theoretical and practical aspects of the field of English in the secondary school. **Prerequisites: Nine (9) semester hours of English and admission to the Teacher Education Program.**

**ENGL 3307 Creative Writing (3,0,3)**
This course is a seminar in creative writing. Class time will be devoted to lectures on the craft of writing and critiquing student work that has been prepared outside of class. By the end of the course, students will complete a collection of 10-15 poems, a 10-15 page short story, or the first 10-15 pages of a novel. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3308 Theory and Practice: Teaching English as a Second Language (3,0,3) (Same as EDUC 3308)**
This course will survey theories of what language is, as well as how a second language is learned and/or acquired, as a basis for exploring how English as a second language might best be taught and tested. It will also examine the issues related to syllabus design, teaching methods, and materials selection in TESL (Teaching English as a Second Language). Specifically, the course will attempt to define ESL proficiency; review models of English description and theories of second language acquisition; survey TESL methods developed from these theories; explore the role of context in language comprehension and learning; and develop principles, techniques, and materials for teaching and testing the four skill areas of listening, reading, speaking, and writing in the ESL classroom. This course is required for students seeking ESL endorsement. **Prerequisites: ENGL 3301 and 3304.**

**ENGL 3309 Advanced Technical Communication (3,0,3)**
This course introduces students to the field of technical communication through current theory
and practical applications of scientific and technical discourse, covering such topics as technical editing, usability testing, proposal writing, ethics, oral presentations, visual rhetoric, writing style, and international technical communication. **Prerequisite: Nine (9) semester hours of English. ENGL 1303 is highly recommended.**

**ENGL 3311, Western Literature I (3,0,3)**
This course surveys Western literature from ancient times through the Renaissance. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3312, Western Literature II (3,0,3)**
This course surveys Western literature from the Enlightenment to the present. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 3360 Introduction to Cinema Studies (3,0,3) (Same as THEA 3360)**

**ENGL 3365 Adolescent Literature (3,0,3)**
This course introduces students to literature written for adolescents. It includes both classic and contemporary examples classified by genre and evaluated in terms of literary strength, thematic content, and appropriateness for age levels. Special attention is given to literature that motivates behavior and shapes perceptions for these children. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 4304 Shakespeare (3,0,3)**
The life, Age, and selected works of Shakespeare are studied. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 4310 Literary Themes (3,0,3)**
This course studies a major theme in literary history (e.g., Realism, Romanticism, Transcendentalism). The topic will change each time the course is offered. The course may be repeated for credit when topics vary. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 4320 Literary Periods (3,0,3)**
This course studies the major work in a given literary period (e.g., Medieval/Renaissance, 18th Century, Romantic Period, Victorian Age, 20th Century). The topic will change each time the course is offered. The course may be repeated for credit when topics vary. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 4330 Major Authors (3,0,3)**
This course is an in-depth study of a single major author or group of writers. The topic will change each time the course is offered. The course may be repeated for credit when topics vary. **Prerequisite: Nine (9) semester hours of English.**

**ENGL 4340 Literary Genres (3,0,3)**
This course studies a major literary genre (e.g., short story, novel, plays). The topic will change each time the course is offered. The course may be repeated for credit when topics vary. **Prerequisite: Nine (9) semester hours of English.**

**FINANCE**

**FINA 3210 Practical Financial Management (2,0,2)**
This course focuses on financial management issues for individuals, non-profitable organizations, and religious or charitable organizations. The course will cover financial management for the church, personal money management, and advising church members about finance. **Those students majoring in business may not take this course for credit.**

**FINA 3342 Financial Institutions (3,0,3)**
This course provides an understanding of the management of financial services. The course examines management of a variety of financial institutions and financial services which are increasingly provided by all types of financial institutions. **Prerequisites: ECON 2301 and 2302.**

**FINA 3344 Managerial Finance (3,0,3)**
This course presents an introduction to financial management. Major areas of study include the basic concept of time value of money, valuation of bonds and stocks, risk and return, and capital budgeting techniques. **Prerequisites: ACCT 2302, ECON 2301, 2302, MATH 1301, and MATH 2313.**
FINA 3346 Investments (3,0,3)
The course provides an overview of investment opportunities. Emphasis is placed on analyzing risk and returns. Prerequisite: FINA 3344.

FINA 3349 Portfolio Analysis (3,0,3)
This course studies how portfolio analysis techniques are used by individuals and institutions. Prerequisite: FINA 3344.

FINA 3361 International Finance and Trade (3,0,3) (Same as ECON 3361)
This course examines the financial operations of the firm from an international point of view. This course is designed to expose students to theories of trade, international monetary systems, exchange rates, futures, swaps, and currency markets. Prerequisite: ECON 2301.

FINA 4354 Strategic Corporate Finance (3,0,3)
This course focuses on strategic financial management in corporations. Emphasis is placed on analyzing potential projects and determining the firm’s long term financing policy to fund the projects. Prerequisite: FINA 3344.

FINA 4358 Risk and Insurance (3,0,3)
This course focuses on management of risk by business and individuals through insurance and other methods. Prerequisite: FINA 3344.

FINA 4350 Practicum/Internship (3,0,3)

FRENCH
FREN 1411 Elementary French I (3,1,4)
This course is an introduction to the French language and culture. Emphasis is given to grammar, vocabulary, oral practice, and basic reading skills. Three hours lecture and two one-hour laboratory periods each week are required.

FREN 1412 Elementary French II (3,1,4)
This course is a continuation of FREN 1411. Prerequisite: FREN 1411 or sufficiently high score on the departmental placement test.

FREN 2311 Intermediate French I (3,1,4)
This course places continued emphasis on the speaking, reading, and writing aspects of the French language. Prerequisite: FREN 1412 or sufficiently high score on the departmental placement test.

FREN 2312 Intermediate French II (3,1,4)
This is a continuation of FREN 2311 with emphasis on reading, writing, and oral proficiency. Prerequisite: FREN 2311 or sufficiently high score on the departmental placement test.

GENERAL SCIENCE
GSCI 3301 Science in the Elementary School I (3,0,3)
This course is a review of science content for the elementary school including animals, plants, principles of ecology, human anatomy and physiology, oceans and marine life, basic laboratory equipment and skills, and scientific problem-solving processes. This course is required for students selecting an interdisciplinary major and seeking teacher certification at the elementary level. Prerequisite: Sophomore standing.

GSCI 3302 Science in the Elementary School II (3,0,3)
This course is a review of science content for the elementary school, including elementary chemistry, weather and climate, elementary physics, earth’s structure, basic astronomy, basic laboratory equipment and skills, and scientific problem-solving processes. This course is required for all students selecting an interdisciplinary major and seeking teacher certification at the elementary level. Prerequisite: Sophomore standing.

GENERAL STUDIES
GSTU 1X88, 2X88, 3X99, 4X88 Experiential Learning in [specify block]
This course provides students in the B.A.S. degree a method to capture college credit for relevant non-academic experience. Such experience generally is work, military, or other documented learning experiences. GSTU 3100 guides the student through the portfolio process and must be completed before apply-
ing for portfolio credit. This is a variable credit course of one (1) to nine (9) hours at freshman, sophomore, junior, and/or senior level. There is an additional fee for portfolio credit.

**GSTU 0101 International Student Orientation (3,0,3)**
This course is an introduction to college life at East Texas Baptist University with specific emphasis on those unique needs of the international student. It is recommended for all initial international students as a one (1) hour, nondegree, nontransferable credit awarded on a pass/fail basis. It may be repeated once. **Prerequisite: International student status.**

**GSTU 1100 Freshman Seminar (1,0,1)**
This course will introduce all first-time, full-time, freshman to the important elements of a college education. As a part of the course, students will begin to establish personal, academic, and career goals. The course is required as the foundation for the academic advising program of the University.

**GSTU 3100 Introduction to Life/Work (1,0,1)**
Emphasis is placed on life/work planning as students in this course are taught skills of becoming life-long learners. Applied Studies candidates develop, as a project of the course, a prior learning portfolio to assess learning experience.

**GSTU 3101 Peer Leadership (1,1,0)**
This course is for students serving as Peer Leaders in the GSTU 1100 classes. The course serves as a resource for ideas, activities, and problem solving situations that will assist the student in their duties as a peer leader. The course presents and develops skills needed for peer leaders in acting as a role model, counselor, mentor, and classroom assistant.

**GEOGRAPHY**

**GEOG 1300 Foundations of Geography (3,0,3)**
The course explores geography as a broad academic discipline useful for understanding the physical and spatial features of the earth, its regions, climates, resources, and human cultures and their interactions with the earth environment. Students will be introduced to the principles of mapmaking and interpretation, climatological analysis, and human, cultural, political, economic, and urban geography.

**GEOG 2312 Economic Geography (3,0,3)**
The course is a study of the nature, distribution, and spatial dynamics of man’s economic activities, the distribution of primary economic units and their processing to the consumer.

**GEOLOGY**

**GEOL 1403 Physical Geology (3,1,4)**
This course is an introductory study of the earth’s rocks, minerals, internal composition, and structure. This course will also examine the many natural internal and external agents and geologic processes that have modified the earth and continue to shape its present-day surface.

**GEOL 1404 Historical Geology (3,1,4)**
This course is an introductory study of the geologic history of the earth and its inhabitants with a particular emphasis on the North American continent. Throughout this course the geologic processes and principles that have shaped our planet will be examined; including plate tectonics, age dating of geologic materials, fossil preservation, and ancient depositional environments.

**GREEK**

**GREK 1411 Introduction to the New Testament Greek I (3,1,4)**
An introduction to the Koine Greek language in preparation for the exegesis of the Greek New Testament. Attention will be given to the basic forms, grammatical structure, and vocabulary of the Greek language. A lab will be provided to provide the student the opportunity for practical application of the classroom lecture and learned concepts. **Prerequisite: Sophomore standing.**

**GREK 1412 Introduction to the New Testament Greek II (3,1,4)**
A continuation of Greek 1411. Translation of the Greek New Testament will begin. A lab will be provided to provide the student the opportunity for practical application of the classroom lecture and learned concepts. **Prerequisite: GREK 1411, with a grade of “C” or higher.**
GREK 2311 New Testament Translation (3,0,3)
Grammatical and syntactical structure will constitute the basis for accurate translation. Interpretation is engaged. Prerequisite: GREK 1412.

GREK 2312 New Testament Exegesis (3,0,3)
Exegetical principles employing linguistic tools will be learned. Emphasis on interpretation will be included. Prerequisite: GREK 2311.

HEBREW

HEBR 1311 Introduction to Biblical Hebrew I: Grammar (3,0,3)
An introduction to the basics of biblical Hebrew. Emphasis is placed on the basic forms, grammatical structure, and vocabulary of the Hebrew language. This course cannot be used in part or in whole to satisfy the general education language requirement.

HEBR 1312 Introduction to Biblical Hebrew II: Translation (3,0,3)
A continuation of an introduction to the basics of biblical Hebrew. Emphasis is placed on grammar, syntax, translation and exegesis of the biblical Hebrew text. This course cannot be used in part or in whole to satisfy the general education language requirement. Prerequisite: HEBR 1311.

HISTORY

HIST 1301 United States to 1877 (3,0,3)
The course surveys United States history from colonization through the Reconstruction period.

HIST 1302 United States Since 1877 (3,0,3)
The course continues HIST 1301, surveying the period from 1877 to the present.

HIST 2100 Introduction to American Studies (1,0,1)
The course introduces American Studies as a multi-disciplinary approach to the study of American culture and social experience. The class will examine the philosophy and methods of American Studies, and survey the various approaches to the discipline.

HIST 2101 Introduction to British Studies (1,0,1)
The course introduces British Studies as a multi-disciplinary approach to the study of British history, culture, and institutions. The class will examine the philosophy and methods of British Studies, and survey the various approaches to the discipline.

HIST 2321 Survey of Civilization I (3,0,3)
The course is a survey of world societies from prehistoric times through the sixteenth century.

HIST 2322 Survey of Civilization II (3,0,3)
The course is a continuation of HIST 23 from the sixteenth century to the recent past.

HIST 3301 Historiography (3,0,3)
This course will acquaint the student with the professional literature, including the work of significant historians, conflicting viewpoints, and history as art and science. Techniques will be developed in the research, interpretation, and reporting appropriate to this department. Prerequisite: Junior standing with Nine (9) semester hours in history or permission of instructor.

HIST 3302 History of Texas (3,0,3)
Attention will be given to Texas as a colonial outpost, a republic, a state in the Confederacy, and a state in the Union. Social and cultural topics will be considered. Prerequisites: HIST 1301 and 1302.

HIST 3303 Survey of English History to 1714 (3,0,3)
The course is a survey of England from pre-Roman times to the end of the Stuart era tracing the dominant political, constitutional, social, religious, and economic developments connected with the history of the English peoples at home and abroad. Prerequisites: HIST 2321 and 2322.

HIST 3304 The United States Since 1914 (3,0,3)
The course examines United States history since 1914, emphasizing political, social, and cultural issues. Prerequisites: HIST 1301 and 1302.

HIST 3305 History of the South (3,0,3)
This is an intensive advanced survey of the old and new South, emphasizing the political and cultural heritage of the southern United States. Prerequisites: HIST 1301 and 1302.
HIST 3306 Europe Since 1914 (3,0,3)
The course is a survey of the major European political, economic, social, and ideological developments from 1914 to the present. Prerequisites: HIST 2321 and 2322.

HIST 3308 History of China (3,0,3)
This course is a survey of Chinese civilization and history starting with the Shang period and culminating in recent developments in the People’s Republic of China. During the second half of the course the focus is on late Qing and twentieth-century developments, including the Chinese Communist ascendancy, Maoist ideology, Deng’s reform leadership, and Chinese relations with Taiwan, Hong Kong, and the United States.

HIST 3309 History of Christianity (3,0,3) (Same as RLGN 3309)
A survey of the history of Christianity from its beginnings in the New Testament Era to the present. Attention will be given to the leading personalities, the major documents of Christianity, the major developments such as the Reformation and the varied expressions of the faith. The course is not an option for teacher education majors.

HIST 3310 History of Baptists (3,0,3) (Same as RLGN 3310)
The course is a survey of Baptist history from its beginnings to the present. Attention will be given to the personalities, major developments, beliefs, key documents and major controversies involving Baptists. The course is not an option for teacher education majors.

HIST 3340 Topics in Church History (3,0,3)
The course studies a topical area in the history of Christianity, and the topic will change each time the course is offered. The planned topics include Medieval Europe and the Church, the Reformation, a History of Revival, American Christianity, a History of Missions and Evangelism, and Modernity and the Church, 1648-1914. Other topics will be presented when suitable. Prerequisites: HIST 2321 and 2322 or instructor consent.

HIST 3361 American Constitutional Development I (3,0,3)
The course is cross-listed as POSC 3361. See the Political Science listing.

HIST 3362 American Constitutional Development II (3,0,3)
The course is cross-listed as POSC 3362. See the Political Science listing.

HIST 3364 British Studies, 1714 to the Present (3,0,3) (Same as POSC 3364)
The course continues HIST 3303. It examines the history of Britain, the Isles and Empire beginning with the Hanoverian monarchy, considering social, economic and religious factors, and emphasizing constitutional developments affecting the monarchy and Parliament. Prerequisites: HIST 2321 and 2322.

HIST 4331 Early Modern Europe (3,0,3)
The course considers European history from 1450 to 1815, with emphasis on the thematic political, cultural, and religious developments of the Renaissance, Reformation and Enlightenment periods, and the influence on western Europe of the revolutionary transition from the Ancién Regime to the Napoleonic Regime. Prerequisites: HIST 2321 and 2322 and junior standing.

HIST 4361 Diplomatic History of the United States (3,0,3) (Same as POSC 4361)
This intensive survey examines the foreign policy and diplomatic relations of the United States from 1789 to the present. Prerequisites: HIST 1301 and 1302 and junior standing.

HIST 4363 Russian and Soviet Studies (3,0,3)
It is a brief survey of the entire field of Russian history with emphasis on the period since the Revolution of 1917. Prerequisites: HIST 2321 and 2322 and junior standing.

KINESIOLOGY

ACTIVITY COURSES:
KINE 1101 Archery (0,1,1)
Students will receive basic cognitive, affective and psychomotor instruction related to field archery. Recreational and leisure values will be emphasized. A fee will be collected at registration to cover the purchase of arrows for each student. See fee Schedule. If this course is repeated it will count for elective credit only.

KINE 1102 Badminton (0,1,1)
Students will receive basic cognitive, affective and psychomotor skill instruction related to the game of
badminton. Recreational and leisure values will be emphasized. *If this course is repeated it will count for elective credit only.*

**KINE 1103 Fall Team Sports (0,1,1)**
Students will receive basic cognitive, affective and psychomotor skill instruction related to various sports and games normally enjoyed during the fall of the year. The class will include but is not limited to touch football, volleyball, and basketball. Emphasis will be on leisure, non-competitive enjoyment of these games. *If this course is repeated it will count for elective credit only.*

**KINE 1104 Spring Team Sports (0,1,1)**
Students will receive basic cognitive, affective and psychomotor skill instruction related to various sports and games normally enjoyed during the spring of the year. This course may include baseball, softball, and soccer. *If this course is repeated it will count for elective credit only.*

**KINE 1106 Tennis (0,1,1)**
Students will receive basic cognitive, affective and psychomotor skill instruction related to the game of tennis. *If this course is repeated it will count for elective credit only.*

**KINE 1107 Golf (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to the game of golf. *See fee schedule. If this course is repeated it will count for elective credit only.*

**KINE 1108 Strength and Conditioning (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to the design and implementation of a basic strength and conditioning program based on the individual's level of fitness. Laboratory experiences in the fitness room of the Dean Healthplex are included. *If this course is repeated it will count for elective credit only.*

**KINE 1109 Restricted Activities (0,1,1)**
This course is designed to allow the medically excused student to participate in a program of exercise and movement specific to his / her abilities. After receiving a medical doctor's written approval, each student will receive a personal fitness prescription. Laboratory work in the Dean Healthplex is required. *This course may be repeated with permission of Department Chair.*

**KINE 1112 Soccer (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to the game of soccer. *If this course is repeated it will count for elective credit only.*

**KINE 1114 Aerobic Activities (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to a program of aerobic exercise designed to improve one's personal health-related fitness level. Step aerobics, low-level kickboxing, strength training utilizing resistance tubing and power walking are included. *If this course is repeated it will count for elective credit only.*

**KINE 1115 Special Activities (0,1,1)**
This course will be offered as needed to cover various special activity courses not currently offered by the University. *If this course is repeated it will count for elective credit only.*

**KINE 1118 Bowling (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to the game of bowling. *See fee schedule. If this course is repeated it will count for elective credit only.*

**KINE 1119 Tumbling (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to the sport of tumbling. Health-related benefits will be emphasized. *If this course is repeated it will count for elective credit only.*

**KINE 1120 Racquetball (0,1,1)**
Students will receive basic cognitive, affective and psychomotor skill instruction related to the sport of racquetball. *If this course is repeated it will count for elective credit only.*

**KINE 1122 Fencing (0,1,1)**
Students will receive basic cognitive, affective, and psychomotor skill instruction related to the sport of fencing. Techniques of foil fencing, bouting and directing will be emphasized. *If this course is repeated it will count for elective credit only.*
KINE 1123 Ropes Challenge Course (0,1,1)
Students will be introduced to and involved with the ropes challenge course. Students will develop an understanding of discovery or experiential education and an awareness of the use of the challenge course tool through participation and activity. If this course is repeated it will count for elective credit only.

KINE 1124 Tae Kwon Do for Self-Defense (0,1,1)
Students will receive basic cognitive, affective and psychomotor instruction in the maneuvers necessary for basic self-defense as taught through the discipline of Tae Kwon Do. See fee schedule. If this course is repeated it will count for elective credit only.

KINE 1164 Lifetime Fitness (0,1,1)
Students from the University's general population will receive basic cognitive, affective and psychomotor skill instruction necessary for a lifetime of physical activity related to health and wellness. The major components of health related physical fitness, including personal assessment, prescription and practice of physical activities designed for fitness, are emphasized. Laboratory experiences in the Dean Healthplex are included. This course is required for all University graduates as part of the general education physical activity requirement. If this course is repeated it will count for elective credit only.

LECTURE COURSES:
KINE 1301 Introduction to Kinesiology (3,0,3)
This survey course is designed to orient the prospective physical educator to the historical development of kinesiology from ancient through contemporary times. Sociological, physiological, and psychological principles and their application to the profession will be emphasized. This should be the kinesiology major's initial course.

KINE 1302 Introduction to the Structure and Function of the Human Body (3,0,3)
This course is an introduction to the structures and functions of the various systems of the human body, especially as they relate to movement and physical activity.

KINE 1306 Community First Aid and Safety (3,0,3)
This course is designed to help the student develop the knowledge necessary to be an effective first responder to accidents or injuries. National Safety Council CPR and First Aid certification is optional.

KINE 2301 Curriculum and Instruction (3,0,3)
This course is designed to introduce the prospective physical educator to curriculum designs, including writing lesson plans and behavioral objectives, as well as various instructional strategies.

KINE 2302 Care of Injuries (3,0,3)
This course is an introduction to the practical knowledge of dealing with sports related injuries. The course includes a study of the prevention, evaluation, basic treatment, and rehabilitation of injuries. Practical, hands-on lab experiences are included.

KINE 2303 Lifespan Motor Development (3,0,3)
This course is designed to promote an understanding of human motor development from birth to death. The related aspects of the cognitive, affective, and psychomotor domains will be emphasized. The objectives for implementing developmentally appropriate physical education, physical fitness and sport programs will be stressed.

KINE 2314 Recreational Facility Supervision (3,0,3)
This course is an introduction to the functions, responsibilities, and expectations of the recreational facility manager. It will provide an in–depth study of recreational facilities as they operate in modern society.

KINE 3300 Therapeutic Modalities (3,0,3)
This course will instruct the student in the precautions, indications and contraindications of therapeutic modalities generally utilized in athletic training as a discipline. Prerequisite: KINE 2302

KINE 3301 Health and Fitness in the Elementary School (3,0,3)
This course will introduce the future elementary educator to current trends of health education in the elementary schools. Development of a conceptual curriculum and practical application will be emphasized.

KINE 3302 Injury Rehabilitation Techniques (3,0,3)
This course will instruct the student in the planning and implementation of a comprehensive injury rehabilitation and reconditioning program, especially focusing on injuries sustained by the physically active person. Prerequisite: KINE 2302
KINE 3310 Concepts of Personal Health and Wellness (3,0,3)
This course is a study of the current concepts of personal health and wellness as they relate to the teaching of secondary school students. Emphasis will be placed on assessment and prescription of fitness levels for high school age students.

KINE 3311 Physiology of Exercise (3,0,3)
This course is designed to provide a study of the physical changes experienced by the human body during exercise. The main systems of the body will be examined. The effects of exercise with regard to aging and gender will be considered. Prerequisite: KINE 1302

KINE 3312 Kinesiology and Applied Anatomy (3,0,3)
This course offers the future kinesiologist the opportunity to apply previously learned facts and concepts of the structure and function of the human body to basic and advanced human movements. Analysis of skill performances and their relationship to muscle, skeletal, and nervous systems will be emphasized. Prerequisite: KINE 1302

KINE 3313 Recreational Facility Management Internship (3,0,3)
This internship will provide an opportunity in the professional atmosphere of a recreational facility for students to examine, explore, and refine their skills in management of such facilities. This internship is designed to assist students with decisions concerning a career in recreational facility management. Most of the class activities will take place outside of a structured classroom setting. Prerequisite: KINE 2314

KINE 3314 Problem Solving in Recreational Facility Management (3,0,3)
This course is designed to acquaint students with the knowledge and resources necessary to perform site evaluations, participate in site management, conduct grounds assessments, assess problems, manage food service, and make minor repairs to physical facilities. Prerequisite: KINE 2314

KINE 4107 Special Projects in Kinesiology (1,0,1)
This course is designed to acquaint the student with the professional literature and the techniques of research reporting appropriate to this profession. Prerequisites: Senior status and approval of department chairman.

KINE 4301 Organization and Administration in Kinesiology and Sport (3,0,3)
This course provides a study of the principles and practices of personnel leadership, planning, budgeting, scheduling of facilities and events, purchasing, and other topics related to the operation of a physical education program in the public schools.

KINE 4304 Contemporary Issues in Kinesiology and Sport (3,0,3)
This course surveys the modern trends and issues related to physical education programs today. Included is a study of up-to-date principles relating to the field. The interpretations and application of these principles to program planning is emphasized. NOTE: This course is to be taken during or immediately prior to student teaching. Prerequisites: KINE 1301 and senior status.

KINE 4306 Evaluation in Kinesiology (3,0,3)
This course will include a brief history of testing and measurement in kinesiology. Various statistical procedures necessary for kinesiology/exercise science will be introduced. Tests of physical fitness, social efficiency, and motor skills will be studied.

KINE 4309 Athletic Training (3,0,3)
This course is an advanced study of the prevention, evaluation, first aid, treatment, and rehabilitation of injuries incurred by the physically active population. The organization and administration, education, and counseling of persons with athletic injuries is covered. Prerequisite: KINE 3300, KINE 3302

KINE 4310 Human Diseases (3,0,3)
This course will compare and contrast the human body in health and disease. Emphasis will be placed upon wellness through lifestyle as a disease preventative.

KINE 4350 Clinical Internship in Athletic Training (0,3,3)
This course is designed to offer controlled practical experiences in an allied health care setting approved by the Athletic Training Educational Program Director. Internship positions should reflect the student's career specialization area. This course may be repeated with program director approval to accommodate varied internship positions. It is expected that the student will obtain 150 hours of practical experience in this course. Prerequisites: Junior or senior status and signature of ATEP Director.
PROFESSIONAL SKILLS / TECHNIQUES COURSES:
(These courses are specifically designed for the Kinesiology major or minor. Students will not be allowed to count these courses toward fulfilling the physical activity general education requirement. Any student, regardless of major or minor, may receive elective credit for these courses if they so choose.)

KINE 1141 Practicum in Athletic Training I (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. First semester students will work toward mastery of specific competencies and proficiencies in the areas of Directed Clinical Experience, Athletic Training Clinic Operations, Administration, Acute Care of Injuries and Illnesses, and Risk Management. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: Signature of the ATEP Director.

KINE 1142 Practicum in Athletic Training II (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. Second semester students will work toward mastery of specific competencies and proficiencies in the areas of Basic Pharmacology and Nutrition, Acute Care of Injuries and Illnesses, Taping, Wrapping, Bracing, and Padding, Risk Management, and Specific Injury Management. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: KINE 1141.

KINE 2100 Rhythmic Activities (0,1,1)
This course is designed to introduce the future teacher to various developmental games and playground activities which are enjoyed by elementary school students.

KINE 2101 Activities for Special Populations (0,1,1)
This course will be an introduction to the development of physical education programs that meet the needs of special populations.

KINE 2102 Fundamental Motor Skills (0,1,1)
This course will be an introduction to the application of fundamental and specialized motor skills necessary in competent movement for participation in a wide variety of physical activities and for proper growth and development of the elementary school child.

KINE 2105 Lead-Up Activities and Innovative Team Sports (0,1,1)
This course is designed for the future teacher and will include the various games and activities used by educators to introduce skills related to team sport participation.

KINE 2106 Individual and Dual Lifetime Activities (0,1,1)
This course is designed to prepare the prospective Kinesiology teacher to instruct individual and dual lifetime activities that are often part of the public school curriculum. Particular emphasis will be given to the activities of Badminton, Bowling, Golf, Tennis and Racquetball.

KINE 2107 Techniques for Teaching Tumbling (1,0,1)
This course will cover the psychological and physiological aspects of teaching beginning tumbling. Cognitive, social and psychomotor benefits as well as health related benefits will be emphasized.

KINE 2113 Outdoor Recreational Activities (0,1,1)
This class offers the university student the opportunity to participate in various outdoor leisure and recreational activities such as camping, canoeing, fishing and hiking.

KINE 2141 Practicum in Athletic Training III (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. Third semester students will work toward mastery of specific competencies and proficiencies in the areas of Basic Assessment and Evaluation, Basic Pharmacology and Nutrition, and Specific Injury Management for lower extremities. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: KINE 1141.

KINE 2142 Practicum in Athletic Training IV (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. Fourth semester students will work toward mastery of specific competencies and proficiencies in the areas of Basic Assessment and Evaluation, and Specific Injury Management. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: KINE 2141.
KINE 3141  Practicum in Athletic Training V  (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. Fifth semester students will work toward mastery of specific competencies and proficiencies in the area of Therapeutic Exercise. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: KINE 2142.

KINE 3142  Practicum in Athletic Training VI  (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. Sixth semester students will work toward mastery of specific competencies and proficiencies in the areas of Specific Injury Management and Therapeutic Modalities. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: KINE 3141.

KINE 3304  Ropes Course Process  (3,0,3)
This course is designed to teach the techniques of group facilitation for initiatives and ropes / challenge course events, activity presentation and sequencing, safety techniques and construction principles, and the processing of experiences for the transfer of learning. This course will prepare the student to become a certified challenge course facilitator.

KINE 4100  Techniques of Coaching Soccer  (1,0,1)
This course will cover the psychological and physiological aspects of coaching soccer. Strategies for games and training techniques will be emphasized.

KINE 4101  Techniques of Coaching Football  (1,0,1)
This course will cover the psychological and physiological aspects of coaching football. Strategies for games and training techniques will be emphasized.

KINE 4102  Techniques of Coaching Baseball  (1,0,1)
This course will cover the psychological and physiological aspects of coaching baseball. Strategies for games and training techniques will be emphasized.

KINE 4103  Techniques of Coaching Basketball  (1,0,1)
This course will cover the psychological and physiological aspects of coaching basketball. Strategies for games and training techniques will be emphasized.

KINE 4104  Techniques of Coaching Volleyball  (1,0,1)
This course will cover the psychological and physiological aspects of coaching volleyball. Strategies for games and training techniques will be emphasized.

KINE 4141  Practicum in Athletic Training VII  (0,1,1)
This course consists of directed practical experiences for working with athletes and the physically active population. Seventh semester students will work toward mastery of specific competencies and proficiencies in the areas of Specific Injury Management, Basic Assessment and Evaluation, Risk Management, Communication, Administration, and Athletic Training Presentation. Skills will be instructed under the supervision of an approved clinical instructor. This class will meet two times per week. Prerequisite: KINE 3142.

MANAGEMENT

MGMT 3310  Practical Management for Personal, Non-profitable, and Religious Organizations  (3,0,3)
This course will provide the student with a practical foundation for developing leadership, strategic planning, organizational structure and governance, physical resources, and staffing issues for individuals, non-profitable organizations, and religious or charitable organizations. Those students majoring in business may not take this course for credit.

MGMT 3350  Principles of Management  (3,0,3)
This course is an introduction to the managerial functions and the management process. Topics included are areas of traditional management and such contemporary issues as teamwork, diversity, quality, ethics, and the global environment. The major objective is to familiarize the student with the knowledge, roles, responsibilities, and skills required of modern managers. Prerequisite: ACCT 2302, ECON 2301, ECON 2302, and BUAD 1305.

MGMT 3353  Human Resource Management  (3,0,3)
This is a study of the basic personnel processes involved in the selection, training, motivation and remu-
eration of employees, including the maintenance of labor relations in light of changing technological, social and economic conditions. **Prerequisite:** MGMT 3350.

**MGMT 3354 Business Information Systems Management (3,0,3)**
This course focuses on organization and management of information systems. The primary emphasis of this course is the application of technology in business problem solving and decision making. **Prerequisite:** MGMT 3350.

**MGMT 4351 Organizational Behavior (3,0,3)**
This course will study the interaction of the individual with the organization, motivation theories, and the relationship between organizations and individuals. **Prerequisite:** MGMT 3350.

**MGMT 4353 Organizational Leadership (3,0,3)**
The course will provide a basis for applying contributions of various theories of leadership to the diagnosis and development of successful intervention strategies for managing individual as well as complex organizational systems and processes. By studying leadership roles and skills, students can develop their personal aptitude for leadership. **Prerequisite:** MGMT 3350.

**MGMT 4356 Problems in Management (3,0,3)**
This course emphasizes the application of management theory and philosophy to current business problems. **Prerequisite:** MGMT 3350.

**MGMT 4357 Theory and Practice of Supervision (3,0,3)**
This is a practical course that covers the skills needed to become an effective supervisor. Practice of these skills in class will provide the confidence necessary to properly perform the function of management. **Prerequisite:** MGMT 3350.

**MGMT 4359 Production Management (3,0,3)**
This course is a study of the management of production systems with emphasis upon the concepts and methods of planning and controlling production. **Prerequisites:** MGMT 3350.

**MGMT 4366 Management Science (3,0,3)**
An introduction to quantitative techniques applicable to business and economics. Topics include queuing analysis, linear programming, transportation programming, PERT/CPM, and simple linear regression. **Prerequisites:** MATH 1301 and MATH 2313.

**MGMT 4369 Industrial Psychology (3,0,3) (Same as PSYC 4369)**
This course covers the principles, practices, and problems of industrial psychology. **Prerequisite:** Junior standing.

**MGMT 4350 Practicum/Internship (3,0,3)**

**MARKETING**

**MKTG 3210 Practical Marketing Management (2,0,2)**
This course will provide the student with a practical foundation for developing an advertising program for individuals, non-profitable organizations, and religious or charitable organizations. **Those students majoring in business may not take this course for credit.**

**MKTG 3324 Principles of Marketing (3,0,3)**
This course presents the fundamental principles and methods of marketing as it relates to the producer, the wholesaler, the retailer, and the consumer. **Prerequisites:** ACCT 2302, ECON 2301, ECON 2302, BUAD 1305.

**MKTG 3325 Salesmanship (3,0,3)**
This course presents the fundamental principles of selling involved in the distribution of goods and services. The course includes a study of economic problems connected with selling and analysis of the product and the market. **Prerequisite:** MKTG 3324.

**MKTG 3326 Retailing (3,0,3)**
This course presents a study of the business activity of selling goods or services to the final consumer for personal non-business use. The course covers basic retailing principles, practices, and procedures. Included are such topics as managing the buying, pricing, promotion, layout, security of merchandise, and location of the retail organization. **Prerequisite:** MKTG 3324.
MKTG 3352 Consumer Behavior (3,0,3)
Consumer Behavior is a study of consumer attitudes, preferences, and consumption patterns with implications for marketing management decisions. Prerequisite: MKTG 3324.

MKTG 3356 Sales Management (3,0,3)
This course emphasizes solutions to various sales problems with special emphasis on the decision-making process. Major areas of study will be organization, recruitment, selection and supervision, time and territory management, motivation, compensation, leadership, sales planning, forecasting, resource allocation, and ethical issues in sales management. Prerequisites: MKTG 3324, 3325, and MATH 2313.

MKTG 4321 Advertising (3,0,3)
This course presents a study of successful advertising principles and practices. Ethics and truth in advertising are emphasized. Prerequisites: MKTG 3324, MATH 31342, and MATH 2313.

MKTG 4322 Marketing Research (3,0,3)
This course presents a study of marketing research methods exercised to enhance decision-making effectiveness and solve marketing problems. Marketing research design and sampling techniques are presented. Prerequisites: MATH 2313, MKTG 3324.

MKTG 4326 Marketing Management (3,0,3)
This is an integrated capstone course in marketing. Emphasis will be on analyzing marketing problems in the areas of marketing research, product development, pricing, advertising, distribution, sales management, and sales promotion. Prerequisites: MATH 2313, MKTG 3324.

MKTG 4345 International Marketing (3,0,3)
This course will provide a study of how marketing managers can adapt international marketing practices to cultural, social, political, legal and economic factors. International marketing problems and opportunities will be examined. Prerequisites: MKTG 3324.

MKTG 4350 Practicum/Internship (0,3,3)

MATHEMATICS

MATH 1300 Finite Mathematics (3,0,3)
This course is designed as a course for liberal arts students. It assumes minimal algebraic and geometric background. Emphasis is on logic, set theory, graph theory, consumer mathematics, and probability. It does not count on major, minor, or specialization in mathematics. Access to a departmentally approved scientific calculator is required.

MATH 1314 College Algebra (3,0,3)
This course is devoted to the study of functions, their graphs, and their inverse; factoring, as well as the use of synthetic division and partial fractions; linear, quadratic, rational, radical, and exponential expressions; and solutions to systems of equations and inequalities using graphing, elimination, and Cramer’s rule. It does not count on a major, minor, or specialization in mathematics. Access to a departmentally approved graphing calculator is required. Prerequisites: Math ACT score of at least 20 or consent of the department.

MATH 1316 Plane Trigonometry (3,0,3)
This course consists of a study of transcendental functions. It includes a brief discussion of exponential and logarithmic functions but deals mainly with trigonometric functions and their applications. Concepts and graphing techniques are developed using graphing calculators. Access to a departmentally approved graphing calculator is required. Prerequisite: MATH 1314 or the consent of the department.

MATH 1342 Elementary Statistics (3,0,3)
This course is an introduction to the principles and methods of descriptive and inferential statistics. It is recommended for students in social and behavioral sciences, business, natural and physical sciences, nursing, and teacher education. Access to a departmentally approved scientific calculator is required.

MATH 2301 Calculus with Analytic Geometry I (3,0,3)
This course includes elements of analytic geometry, functions, limits, derivatives, and applications of the derivative. A departmentally approved graphing calculator is required. Prerequisites: MATH 1314 and 1316, or consent of the department.
MATH 2302 Calculus with Analytic Geometry II (3,0,3)
Topics include integrals and their applications; exponential, logarithmic, trigonometric and inverse trigonometric functions, and related derivatives and integrals; and formal integration techniques. A departmentally approved graphing calculator is required. Prerequisite: MATH 2301 with a grade of “C” or better.

MATH 2313 Mathematics with Applications to Business and the Social Sciences (3,0,3)
This course includes applications of algebra, linear algebra, and probability to the areas of business and the social sciences. Access to a departmentally approved graphing calculator is required. Prerequisite: Math ACT score of at least 20 or consent of the department.

MATH 2316 Data Analysis (3,0,3)
This is an introduction to a variety of statistical methods to analyze data sets and uncover important information about data. The statistical methods introduced will include: linear regression and correlation, one-way and two-way ANOVA, multiple regression, and some nonparametric procedures. This course will not be oriented toward theory or formula-based calculations but rather toward using SPSS software to create graphical and numerical output and then interpreting this output. Prerequisites: MATH 1342.

MATH 2325 Functions and Modeling (3,0,3)
This course will focus on algebraic and transcendental functions, complex numbers, measurement, and the mathematics of finance. Emphasis will be placed on mathematical modeling and the use of graphing calculators. A departmentally approved graphing calculator is required.

MATH 3300 Foundations of Mathematical Reasoning (3,0,3)
This course introduces the logic and techniques used in the proofs of mathematical theorems and covers topics in set theory and number theory. Prerequisite: MATH 2302 with a grade of “C” or better.

MATH 3301 Number Systems (3,0,3)
This course uses basic concepts of sets, number theory, whole numbers, integers, and rational and irrational numbers as decimals to develop the real numbers. Enrollment is limited to elementary education majors unless approved by instructor. Prerequisites: Junior standing and MATH 1342.

MATH 3302 Mathematics for Elementary School Teachers (3,0,3)
This course covers mathematical content areas for elementary grades such as probability, statistics, geometry, measurement, geometric constructions, and algebra. Enrollment is limited to elementary education majors. Prerequisites: MATH 3301 and junior standing.

MATH 3303 Calculus with Analytic Geometry III (3,0,3)
Topics include applications of the calculus, indeterminant forms, improper integral, Taylor’s formula, infinite series, plane curves, vectors, and polar coordinates. A departmentally approved graphing calculator is required. Prerequisite: MATH 2302 with a grade of “C” or better.

MATH 3304 Calculus with Analytic Geometry IV (3,0,3)
A course in multivariate calculus, the material includes a study of three-dimensional analytic geometry, differential calculus of functions of several variables, multiple integration, and further topics in integration. A departmentally approved graphing calculator is required. Prerequisite: MATH 3303 with a grade of “C” or better.

MATH 3305 Discrete Methods (3,0,3)
This course introduces the basic techniques and modes of reasoning of combinatorial problem solving. Topics include graph theory, counting principles, permutations, combinations, and recurrence relations. Prerequisite: MATH 3300 with a grade of “C” or better.

MATH 3306 Differential Equations (3,0,3)
An introductory course in differential equations including techniques for solving equations and supporting theory. Some applications are included. Prerequisite: MATH 3303 with a grade of “C” or better.

MATH 3308 Linear Algebra (3,0,3)
Topics include matrix algebra and elementary operations, determinants and their applications, vector spaces, and characteristic roots and vectors. A departmentally approved graphing calculator is required. Prerequisite: MATH 2301 with a grade of “C” or better.
MATH 3322 Numerical Analysis (3,0,3)
This course develops problem-solving techniques using numerical methods. Topics include roots of equations, interpolation and representation of functions, solutions of systems of equations, least squares, and numerical differentiation and integration. Credit may be earned in only one of the following courses: MATH 3322, MATH 3422, or COSC 3422. A departmentally approved graphing calculator is required. **Prerequisite: MATH 2302 with a grade of “C” or better.**

MATH 3325 Using Technology to Teach Mathematics (3,0,3)
This course investigates the various uses of computers and other technology in the teaching of mathematics. Topics will include the use of graphing calculators, computer algebra systems, and other mathematical software. A departmentally approved graphing calculator is required. **Prerequisite: MATH 2302.**

MATH 3422 Numerical Methods (3,1,4) (Same as COSC 3422)
This course includes advanced programming concepts, problem-solving using numerical methods. Topics include roots of equations, interpolation and representation of functions, solution of systems of equations, least-squares, and numerical differentiation and integration. The course requires three hours lecture and two hours laboratory weekly. Credit may be earned in only one of the following courses: MATH 3422, COSC 3422, or MATH 3322. **Prerequisite: COSC 3321 and MATH 3303 with a grade of “C” or better.**

MATH 4200 Capstone Course in Mathematics (2,0,2)
This two-hour course serves as a capstone course for all mathematics majors. It provides a vehicle for synthesizing major mathematical concepts studied in the major core and provides an opportunity for the student to become further acquainted with significant mathematical writings. A senior research paper is required. **Prerequisites: Senior standing and completion of or concurrent enrollment in the other major core courses.**

MATH 4302 College Geometry (3,0,3)
This course places an emphasis on Euclidean geometry with an introduction to selected non-Euclidean geometries. **Prerequisite: MATH 3300 with a grade of “C” or better.**

MATH 4303 Probability and Statistics (3,0,3)
This course is designed as an introduction to mathematical statistics. Topics include descriptive statistics, probability, random variables and their distributions, sampling, regression, and correlation. Selected non-parametric statistics are introduced. **Prerequisites: MATH 3300 with a grade of “C” or better; MATH 1342 or successful performance on departmental examination.**

MATH 4304 History of Mathematics (3,0,3)
This is a study of the historical development of mathematical concepts and the men and women who developed them. **Prerequisites: MATH 2302 with a grade of “C” or better and junior standing.**

MATH 4305 Abstract Algebra (3,0,3)
An introduction to abstract algebra, this course focuses on fundamental concepts of basic algebraic systems; groups, subgroups, and homomorphism; and rings, ideals, integral domains, and fields. **Prerequisite: MATH 3300 with a grade of “C” or better.**

MATH 4307 Real Analysis (3,0,3)
This is an introductory course on real-function theory. It includes a study of the real number system, limits, sequences, series, continuity, and convergence. **Prerequisites: MATH 3300 and MATH 3303**

MUSIC

MUSI 1000 Recital (1,0,0)
Recital is required of all music majors, music minors, and music education specialization during semesters in which they are registered for applied concentration study.

MUSI 1100 Introduction to Music (1,0,1)
This course is designed to acquaint the beginning student with an overview of the field of music. It will deal with styles, major periods, media of performance, textures, literature, employment opportunities, and aptitude testing. It is designed for majors and minors in music and any others interested in a brief survey of the field.
MUSI 1103 Class Guitar I (1,0,1)
Instruction includes strumming the seven basic chords in the keys of G and C with or without musical scores. Taped cassettes accompany the guitar manual as an aid to practice. The possession of a guitar is required.

MUSI 1104 Class Guitar II (1,0,1)
Instruction will continue the use of the seven basic chords in the keys of G and C and expand to the keys of D, A, and F with or without musical scores. Both strumming and finger picking are developed. Taped cassettes accompany the guitar manual as an aid in practice. The possession of a guitar is required. **Prerequisite: MUSI 1103 or consent of instructor.**

MUSI 1116 Elementary Ear Training I (1,0,1)
Elementary Ear Training I is an applied skills course designed to develop skills in sight singing, rhythmic reading, improvising short melodic and rhythmic phrases and notating melodies, rhythms and chords using folk, western and northwestern melodies. **Prerequisite: MUSI 1311 or concurrent enrollment.**

MUSI 1117 Elementary Ear Training II (1,0,1)
This course is an extension of MUSI 1101 in the development of sight singing and ear training ability. The class meets two hours per week. **Prerequisites: MUSI 1116 and 1311.**

MUSI 1120 Handbell Choir (0,1,1)
Handbell Choir is a laboratory experience in playing handbells. The study includes the various ways of playing the bells, an acquaintance with the literature for bells, and how to care for the instruments. This is a course in which music laboratory credit may be earned. This course may be repeated for additional credit. **Prerequisites: Some ability to read music and instructor’s consent.**

MUSI 1130 Concert Band (0,1,1)
Concert Band is the primary performance ensemble of the instrumental program. It performs a wide variety of wind band literature and serves as a public relations arm for the School of Music and Fine Arts. The Band performs periodically during the academic year and tours in the spring of each year. While the director’s consent is required for all band members, participation is open to all students with previous band experience. Formal attire is required. This course may be repeated for additional credit.

MUSI 1133 Marching Band (0,1,1)
The ETBU Marching Band is an organization open to all students without audition who have band experience prior to coming to ETBU. The band performs at ETBU Football Games and other related athletic events, and the band provides a variety of opportunities for students to accept roles of leadership and responsibility. The band is designed to provide an enjoyable performance experience and a musically educational experience for all participants. In addition, the band serves as a working lab for music education students preparing for vocations in public school band programs. This course may be repeated for additional credit.

MUSI 1138 Instrumental Ensemble (0,1,1)
Students interested in participating in any instrumental ensemble other than Concert Band should enroll in Music 1138. This course includes participation in the Jazz Ensemble, Flute Choir, Brass Choir, and other chamber ensembles. Director’s consent is required for all instrumental ensembles, but these groups are open to all students regardless of major. This course may be repeated for additional credit.

MUSI 1150 Chapel Choir (0,1,1)
Chapel Choir is a choral organization open to all students without an audition. Various styles of sacred music are rehearsed and performed in the University chapel services or in evening concert. Music laboratory credit may be earned in this course. Formal attire is required. This course may be repeated for additional credit.

MUSI 1157 Opera Workshop (0,1,1)
This course is a laboratory experience in the performance of opera. Study includes singing, acting, staging, selection of props, mechanical demands, etc. The course is normally offered during the spring semester and is one in which music laboratory credit may be earned. This course may be repeated for additional credit. An opera score is required. **Prerequisite: Instructor’s consent.**

MUSI 1158 University Singers (0,1,1)
This ensemble is a performing group of limited size selected from the Concert Choir membership which studies and performs choral chamber music from different periods and styles, such as madrigal, pop
music, “swing choir” music, etc. Music Laboratory credit may be earned in this course. This course may be repeated for additional credit. Note: Formal attire is required. Prerequisite: An audition with the director.

MUSI 1181 Class Piano I (1,0,1)
Basic musicianship is taught through music reading, elementary piano technique, and piano repertoire. Students are placed in one of four progressive levels. Prerequisite: Instructor's consent.

MUSI 1182 Class Piano II (1,0,1)
This is an extension of MUSI 1181. Prerequisite: MUSI 1181 or instructor's consent.

MUSI 1183 Class Voice I (1,0,1)
A study of the fundamentals of singing including posture, breathing, tone quality, extension of range, etc. is taught. It is designed for those interested in singing who have had little or no training or experience.

MUSI 1184 Class Voice II (1,0,1)
This is an extension of MUSI 1183. Prerequisite: MUSI 1183 or instructor's consent.

MUSI 1300 Fundamentals of Music (3,0,3)
A study of the rudiments of music theory is taught in this course. No prior knowledge of music is needed. The course is recommended for non-music majors but may count toward the Bachelor of Music degree as elective credit. For a laboratory experience, it is recommended that students also register for Chapel Choir or Concert Band.

MUSI 1306 Appreciation of the Arts (3,0,3)
Appreciation of the Arts is designed to acquaint the student with some basic aesthetic concepts of architecture, music, painting, and sculpture; to acquaint the student with some of the great works of these art media; and to develop an appreciation and understanding of various styles of artistic expression in these works.

MUSI 1311 Elementary Harmony I (3,0,3)
Elementary Harmony I is a study of the principal chords in both major and minor modes with emphasis upon part-writing and keyboard harmony.

MUSI 1312 Elementary Harmony II (3,0,3)
This course is a continuation of MUSI 1311 with the addition of secondary chords, the dominant seventh, the supertonic seventh, modulation to the closely related keys, and harmonization of chorale melodies based on the study of harmonies and non-harmonic devices as used in the chorales of J. S. Bach. Prerequisites: Music 1116 and 1311

MUSI 2103 Instrumental Methods (1,1,1)
Designed for students in the choral track of the music education major, this course provides an introduction to instructional techniques for string, brass, woodwind and percussion instruments.

MUSI 2104 Vocal Diction I (1,0,1)
This course includes class instruction in pronunciation of English and Italian for singers, and it introduces the International Phonetic Alphabet.

MUSI 2108 Service Playing (1,0,1)
Service Playing includes class instruction in hymn playing, solo and choir accompaniment, conducting from the organ console, and basic organ repertoire for the church service. This class meets two hours per week. Prerequisites: Four semesters of organ lessons or approval of the instructor.

MUSI 2109 Woodwind Methods I (1,1,1)
Designed for students in the instrumental track of the music education major, this course provides specific instruction in instructional techniques and beginning level performance of the flute and saxophone.

MUSI 2110 Woodwind Methods II (1,1,1)
Designed for students in the instrumental track of the music education major, this course provides specific instruction in instructional techniques and beginning level performance of the clarinet and double reeds.

MUSI 2116 Advanced Ear Training I (1,0,1)
Development of advanced sight singing ability and aural acuity relative to intervals, chords, and rhythms
is experienced in Advanced Ear Training I. This class meets two hours per week. **Prerequisites: MUSI 1312 and 1117.**

**MUSI 2117 Advanced Ear Training II (1,0,1)**
This is an extension of MUSI 2101 in the development of advanced sight singing and ear training ability. Advanced Ear Training II meets two hours each week. The student must make application for a degree plan to avoid a grade of “I” (Incomplete) and to avoid losing music scholarships. **Prerequisites: MUSI 2116 and 2312.**

**MUSI 2118 Percussion Methods (1,1,1)**
Designed for students in the instrumental track of the music education major, this course provides an introduction to instructional techniques for percussion instruments.

**MUSI 2119 Brass Methods I (1,1,1)**
Designed for students in the instrumental track of the music education major, this course provides instructional techniques for trumpet and horn.

**MUSI 2120 Brass Methods II (1,1,1)**
Designed for students in the instrumental track of the music education major, this course provides an introduction to instructional and playing techniques for trombone, euphonium, and tuba.

**MUSI 2123 String Methods (1,1,1)**
Designed for students in the instrumental track of the music education major, this course provides specific instruction in instructional techniques and beginning level performance of the violin, viola, cello and bass.

**MUSI 2124 Choral Methods (1,1,1)**
To prepare students with an instrumental concentration with an All-Level certification to be able to function effectively in a secondary choral classroom.

**MUSI 2150 Concert Choir (0,1,1)**
Concert Choir is a select group of mixed voices which performs some of the more challenging music from the various periods and styles. This choir serves as a public relations arm of the department and tours in the spring of each year. Membership is by audition. Formal attire is required. This course may be repeated for additional credit. **Prerequisite: Instructor's consent.**

**MUSI 2181 Class Piano III (1,0,1)**
This course is an extension of MUSI 1182. **Prerequisite: MUSI 1182 or instructor's consent.**

**MUSI 2182 Class Piano IV (1,0,1)**
This course is an extension of MUSI 2181 and is repeatable for credit. **Prerequisite: MUSI 2181 or instructor's consent.**

**MUSI 2183 Class Voice III (1,0,1)**
An extension of MUSI 1184 Class Voice II. This course will continue the development of fundamentals of singing including proper breathing techniques, tone quality, range extension, etc. The class voice experience is designed to provide an instructional environment and performance laboratory for vocalists with limited experience in singing including music majors with a secondary performance area of voice. The class will begin guiding the student towards successful completion of the vocal secondary efficiency exam.

**MUSI 2184 Class Voice IV (1,0,1)**
An extension of MUSI 2183 Class Voice III. This course will continue the development of fundamentals of singing including proper breathing techniques, tone quality, range extension, etc. The class voice experience is designed to provide an instructional environment and performance laboratory for vocalists with limited experience in singing including music majors with a secondary performance area of voice. The class will complete the four-semester class voice sequence leading to the vocal secondary proficiency exam and is repeatable for credit.

**MUSI 2312 Advanced Harmony (3,0,3)**
This course begins with modulatory techniques introduced in MUSI 1312, continues with the more complex chromatic harmonies of the Late Nineteenth Century, and concludes with an introduction to Twentieth-Century compositional techniques. Theoretical knowledge will receive practical application through part-writing exercises and extensive analysis. **Prerequisites: MUSI 1117 and 1312.**
MUSI 3102 Vocal Diction II (1,0,1)
This course includes class instruction in pronunciation of French and German for singers, and meets two hours per week.

MUSI 3103 Organ Survey (1,0,1)
This course is designed to acquaint the church music student with the organ regarding its construction, maintenance, purchase, and use in worship and for the training of young organists.

MUSI 3104 Functional Piano Skills for the Choral Conductor (1,1,1)
Prepare students with an All-Level Music degree with keyboard skills necessary to function effectively in the class presentation and rehearsal.

MUSI 3200 Music for Children (2,0,2)
This course will expose the students to various methodologies useful in teaching music in the elementary school, offer the students opportunities to observe and teach lessons in music for various age levels, and aid the students in working with children both in elementary choirs and church choirs: Prerequisite: Junior standing. Must be passed before student teaching.

MUSI 3201 Conducting (2,0,2)
This course includes instruction in the techniques of choral and instrumental conducting through the study of works from the standard choral and orchestral repertory. Rehearsal techniques, score analysis and preparation, interpretation, and the technical and musical problems of the orchestra and choir will be studied. Prerequisite: Junior standing.

MUSI 3203 20th Century Music Analytical Techniques (2,2,0)
This Course Provides the student with the necessary language and techniques for analyzing a majority of 20th Century musical styles, from Impressionism to nonserial atonality, serialism, integral serialism, and aleatoric procedures.

MUSI 3205 Choral Conducting (2,1,1)
To prepare students to analyze, make score preparation, and to conduct larger choral and choral/instrumental works and to provide an in-depth study of musical periods and performance practice.

MUSI 3206 Organ Pedagogy (2,0,2)
This course includes the theories, materials, and techniques of organ teaching. Detailed discussion of basic principles and differences between French, English, and German schools of techniques and interpretation is held. Prerequisite: Two semesters of organ.

MUSI 3207 Instrumental Conducting and Literature (2,2,1)
Using the standard wind band repertoire, this class will concentrate on the development of instrumental conducting technique, score reading and analysis, and rehearsal techniques for the instrumental ensembles of various performance levels.

MUSI 3208 Music Composition (2,0,2)
This course is designed to examine and apply modern composition techniques, formal structure, the creative process and clear musical expression and communication. Prerequisite: MUSI 3303

MUSI 3211 Eighteenth Century Counterpoint (2,0,2)
This course is an analysis of contrapuntal music of the 18th century and writing of music involving techniques characteristic of the period. Prerequisite: MUSI 2312

MUSI 3301 Music for Elementary Education (3,0,3)
This course, designed for elementary education students, covers the basic fundamentals of music and music teaching as prescribed by the Texas Essential Knowledge and Skills. Attention is given to playing classroom instruments, movement, listening, singing, reading music, and improvising. Techniques of planning music lessons and delivering instruction will be considered. Prerequisite: Admission to the Teacher Education Program.

MUSI 3302 Techniques of Piano Accompanying (3,0,3)
This course is a study of historical, stylistic, and technical aspects of piano accompanying. Prerequisite: Sophomore standing in piano.
MUSI 3303 Form and Analysis (3,0,3)
This course is a form of analysis course in which students study how the basic elements of music are used to create formal structures. Students will (1) examine representative works and styles from the Middle Ages through the Twentieth Century and (2) compose short works reflecting their comprehension of these compositional forms and techniques. **Prerequisite: MUSI 2312.**

MUSI 3304 Hymnology (3,0,3)
Hymnology is a study of both the musical and literary aspects of great hymns and the biographies of outstanding composers and writers of hymns. It is a study of the hymn as a musical form in historical context. The relationship of congregational hymn singing to the integrated worship program is explored.

MUSI 3306 Orchestration (3,0,3)
Practical experience in arranging music compositions for the orchestra is gained from this course. Accompaniments for solo voices and/or instruments will be arranged to acquaint students with the tone colors of the orchestra. Some choral arranging will also be included. **Prerequisite: MUSI 3303.**

MUSI 3308 Techniques and Material for Class Piano (3,0,3)
This course is a study of the various methods and literature used in teaching piano in groups. Particular attention will be given to the use of the electronic piano laboratory. **Prerequisite: Junior level in piano.**

MUSI 3310 Piano Pedagogy (3,0,3)
This course includes the theories, materials, and techniques of piano teaching and provides opportunities for supervised practice teaching.

MUSI 3311 Piano Literature I (3,0,3)
This course will examine the history of keyboard music from the Renaissance through the Classical Period. Major works and composers will be studied, tracing the development of idiomatic keyboard styles and formal structures.

MUSI 3312 Piano Literature II (3,0,3)
This course, a continuation of Piano Literature I, begins with the study of the piano music of Schubert and continues with and examination of the repertoire throughout the Nineteenth and Twentieth Centuries. Major works and composers will be examined within a historical/stylistic context.

MUSI 3343 Piano in Chamber Ensemble (3,0,3)
In this course, pianists will study and perform music written for the piano in collaboration with other instruments (as in piano trios, quartets, quintets, and octets, which involve strings and/or woodwinds) and/or with other pianists (as in piano duets and piano duos).

MUSI 3367 Church Music Materials and Methods I (3,0,3)
A beginning course in which the materials and methods for organizing a fully graded church music program including children's choirs, youth choirs, senior adult choir, and instrumental groups.

MUSI 3368 Church Music Materials and Methods II (3,0,3)
A continued study of materials and methods for organizing a fully graded church music program, adult choir, handbell choir, and service playing.

MUSI 3385 Advanced Studies in Singing: Performance Practices (3,0,3)
This course is an independent study of vocal performance practice within historical and national styles. The particular area or areas to be studied will be determined following consultation with the instructor. The purpose is to enhance the student’s understanding of vocal interpretation. **Prerequisites: MUSI 3102.**

MUSI 3386 Advanced Studies in Singing: Repertoire (3,0,3)
This course is an independent study of vocal repertoire from particular historic and national styles with attention given to available music scores and recordings. The particular area or areas to be studied will be determined following consultation with the instructors. The purpose is to enhance the student’s knowledge of vocal literature.

MUSI 4100 Survey of Professional Literature (1,0,1)
This course is designed to acquaint the student with the professional literature and techniques of research reporting appropriate to this department. **Prerequisite: Senior standing.**
MUSI 4101 Conducting Project (0,1,1)
The student will present a Conducting Recital which was planned and approved in MUSI 4350. The student will meet regularly with the supervising music faculty member to dialogue about progress of the recital and will be responsible for providing the choir and the accompanist, choosing the repertoire, and preparing the performers.

MUSI 4203 Techniques and Materials for the Choral Music Program in the Secondary School (2,0,2)
Techniques and materials for choral groups of the junior and senior high schools, operetta production and materials, rehearsal techniques, etc.

MUSI 4206 Secondary Choral Music Administration (2,2,0)
To instruct students regarding the organization and administration of the choral music program on the secondary level.

MUSI 4207 Music Materials for the Elementary School (2,0,2)
This course is designed to acquaint the prospective elementary school music teacher with the materials for use in the music program in the elementary school. Must be passed before student teaching.

MUSI 4209 Marching Band Technology & Instrumental Music Administration (2,2,0) Designed for students in the instrumental track of the music education major, this course provides instruction on teaching marching band, the use of technology for drill design and arranging, and the administration of secondary instrumental music programs.

MUSI 4224 Teaching Instrumental Music (2,2,0)
Designed for students in the instrumental track of the music education major, this course provides instruction on teaching instrumental music in the secondary schools, teaching comprehensive musician ship, rehearsal techniques, and the programming and financing of each organization.

MUSI 4280 Advanced Studies in Music Education: Practicum (0,2,2)
This course is an independent study in secondary music education. The particular area or areas to be studied will be determined in consultation with the instructor. There will be an emphasis on observation and/or participation in the secondary public school music program prior to student teaching.

MUSI 4301 Music History I (3,0,3)
Music History is a review of general history with a more in-depth study of the history of music from Antiquity through the Baroque period. Styles, composers, and their compositions will be featured. Prerequisites: Instructor’s consent or declared music major or minor.

MUSI 4302 Music History II (3,0,3)
This course is a continuation of MUSI 4301 with attention given to the Classical, Romantic, and Contemporary periods. Prerequisites: Instructor’s consent or declared music major or minor.

MUSI 4304 Music in Worship (3,0,3) (Formerly MUSI 3381)
Music in Worship is a study of the role of music and the historical development of liturgical and non-liturgical worship practices.

MUSI 4307 Organization and Administration of the Church Music Program (3,0,3)
This course involves a study of philosophical bases for the organization of a church music program. Means of maintaining and administering the program are studied as they relate to the basic philosophies of church music. Prerequisite: Junior standing.

MUSI 4310 Vocal Pedagogy (3,0,3)
Theories and teaching procedures in training in the singing voice and preparing vocal groups for performance are explored. This course is designed for the teacher of voice and director of choral organizations.

MUSI 4350 Practicum in Music Ministry (3,0,3)
This course provides an on-the-job training in a church situation as a director or accompanist or in a capacity approved by the Music Department. Course requirements include periodic reports and plans. The conducting recital for MUSI 4101 will be developed and approved in consultation with the supervising instructor during the semester.

MUSI 4031 Senior Instrumental Recital (accompanist fee)
MUSI 2040 Sophomore Keyboard Recital (no accompanist fee)
MUSI 3040 Junior Keyboard Recital (no accompanist fee)
MUSI 4040 Senior Keyboard Recital (no accompanist fee)
MUSI 2051 Sophomore Voice Recital (accompanist fee)
MUSI 3051 Junior Voice Recital (accompanist fee)
MUSI 4051 Senior Voice Recital (accompanist fee)
NURSING

NURN 3312 Transition to Professional Nursing (3,0,3)
This course integrates prior learning experiences and emphasizes the theory, practice, and research focus of baccalaureate education. It promotes role transition for the registered nurse student.

NURN 3222 Health Assessment (3,0,3)
This course utilizes the nursing process in assessing the health of the individual, family, and community.

NURN 3332 Trends and Issues in Nursing (3,0,3)
This course explores and relates current trends and issues in nursing to health care in today’s society. It includes nursing theories and their relationships to nursing practice.

NURN 4301 Illness Care: Continuum of Care (3,0,3)
The course is the application of the nursing process in caring for the ill individual and his or her family in a multiplicity of settings utilizing advanced nursing interventions and is based on conceptual frameworks for nursing. Illness care is viewed on a continuum which includes acute, chronic, and rehabilitative phases.

NURN 4402 Illness Care: Continuum of Care Clinical (0,4,4)
This course is the application of clinical concepts of NURN 4301.

NURN 4311 Community Health Nursing (3,0,3)
This course incorporates previously acquired knowledge with new information in utilizing the nursing process with selected individuals, families, and groups for disease prevention, health promotion, health maintenance, health education, and coordination of care. Emphasis is placed upon concepts of public health and community organization and development.

NURN 4411 Community Health Nursing Clinical (0,4,4)
Clinical application of NURN 4311.

NURN 4321 Scientific Inquiry in Nursing (3,0,3)
This course explores the research process and its relevance to nursing practice. The primary focus is on the development of the student’s ability to be an effective consumer of research with emphasis on nursing theories and the research process.

NURN 4312 Leadership and Management (3,0,3)
This course explores health care delivery systems and how they function, emphasizing a first level management role. Application of selected organization and management theories and models is included.

NURN 4412 Management Clinical (0,4,4)
Application of clinical concepts of NURN 4312.

NURN 4322 Professional Role Development (3,0,3)
This course explores nursing roles and functions integrating previously acquired knowledge utilizing role theory and nursing process as a basis for role implementation.

NURS 3311 Introduction to Professional Nursing (3,0,3)
An introduction to nursing as a practice profession with emphasis on nursing’s history, roles, and relationship to other health care disciplines. The ETBU mission, philosophy, and organizing framework are presented. Testing fee assessed.

NURS 3621 Nursing Concepts, Process, and Practice (3,3,6)
This course is a foundation for all applied nursing courses in the ETBU program. It emphasizes nursing concepts, nursing process using critical thinking, and beginning applications of therapeutic nursing interventions. The laboratory component of this course is evaluated as “P” (pass) or “F” (fail). Prerequisite: Admission to the Nursing Program.

NURS 3341 Health Assessment (3,0,3)
The course is based upon the nursing process as it applies to health assessment of individuals, families, aggregates, and communities. Data collection, analysis and synthesis of data, and nursing diagnosis are emphasized. This course utilizes the nursing process in assessing the health of the individual, family, and community and assessments of selected individuals, families, and communities are practiced. Prerequisite: Admission to the Nursing Program.
NURS 3351 Professional Communications (3,0,3)
This course focuses on the application of principles of therapeutic and professional communications and relationships of various ages and cultural groups. Self-assessment, theories of communication, teaching, learning, and relationships in therapeutic and professional situations are introduced to identify attitudes, concepts, and knowledge necessary for the practice of professional nursing. **Prerequisite: Admission to the Nursing Program.**

NURS 3231 Pharmacology (3,0,3)
This course builds knowledge base of drugs and emphasizes the nurse's responsibility in drug administration. Drug classification, actions, effects, and nursing implications are emphasized. **Prerequisite: Admission to the Nursing Program.**

NURS 3361 Research in Nursing (3,0,3)
This course focuses on the research process and its relevance to nursing practice. Emphasis is on the development of the student's ability to be an effective consumer of research at an introductory level. **Prerequisite: Admission to the Nursing Program.**

NURS 3622 Adult and Family Health (3,3,6)
The course focuses on the application of the nursing process in caring for adults and families experiencing acute and chronic health problems. The laboratory component of the course is evaluated as “P” (pass) or “F” (fail). **Prerequisite: Completion of fall semester junior-level nursing courses. Testing fee assessed.**

NURS 3632 Nursing Developing Families (3,3,6)
The focus of this course is on the care of the individual and family during childbearing and child rearing and includes women's health, health promotion, and health maintenance. Clinical experiences with developing families in various settings are provided to develop clinical judgment and skills. The laboratory component of the course is evaluated as “P” (pass) or “F” (fail). **Prerequisite: Completion of all junior-level nursing courses. Testing fee assessed.**

NURS 3342 Nursing Care of Children and Adolescents Across Community Settings (3,0,3)
The focus of this course is on the nurse's role in the delivery of community-centered, culturally competent care of children from infancy through adolescence. **Prerequisite: Completion of all junior-level nursing courses.**

NURS 4621 The Individual and Family with Complex Health Problems (3,3,6)
The course is the application of the nursing process in caring for individuals and families experiencing complex health problems. It focuses on critical thinking, collaboration, management, and therapeutic interventions of the individual and family experiencing complex and critical health problems. The laboratory component of the course is evaluated as “P” (pass) or “F” (fail). **Prerequisite: Completion of all junior-level nursing courses.**

NURS 4631 Psychiatric and Mental Health Nursing (3,3,6)
The focus of this course is on the prevention, early identification and provision of care for individuals, families, and groups of various cultures and ages at risk for or experiencing psychosocial dysfunction or illness. The laboratory component of the course is evaluated as “P” (pass) or “F” (fail). **Prerequisite: Completion of fall semester junior-level nursing courses.**

NURS 4341 Care of the Elderly (3,0,3)
The focus of this course is on the gerontologic knowledge that is needed by the professional nurse who is responsible for promoting and maintaining the health of older adults in a variety of settings within the context of individual, family, aggregate, community, and society. **Prerequisite: Admission to the Nursing Program.**

NURS 4622 Community Health Nursing (3,3,6)
The focus of this course is on the role of the baccalaureate nurse in a community-based, population-focused practice. Emphasis is on the promotion of health and the prevention of disease in a variety of settings to individuals, families, aggregates, and the community. The laboratory component of the course is evaluated as “P” (pass) or “F” (fail). **Prerequisite: Completion of all junior-level nursing courses. Testing fee assessed.**

NURS 4644 Leading and Managing in Nursing (3,3,6)
The focus of this course is on theories, principles, and practices of nursing management. Trends and
issues in current health care and the role of the professional nurse in health care are emphasized. The laboratory component of the course is evaluated as “P” (pass) or “F” (fail). Prerequisite: Completion of fall semester senior-level nursing courses.

NURS 4232 Professional Role Development (2,0,2)
The focus of the course is on professional role development and concentrates on the transition from student to professional nurse. Role theory, professionalization, and nursing process as they relate to the changing role of the nurse in the current health care system are emphasized. Prerequisite: Completion of fall semester senior-level nursing courses.

Note: All clinical courses have eight (8) semester hours of directed clinical and eight (8) semester hours of independent clinical per week.

PHYSICAL SCIENCE

PSCI 1402 Introduction to Meteorology and Astronomy (3,1,4)
This course is an introduction to the sciences of meteorology and astronomy. This course consists of three hours lecture and two hours laboratory per week.

PSCI 1415 Physical Science (3,1,4)
This course is an introduction to the basic concepts of physics and chemistry. The course consists of three hours lecture and two hours laboratory per week.

PHYSICS

PHYS 1401 General Physics I (3,1,4)
This is an algebra-trigonometry based course in classical mechanics and thermodynamics. This course consists of three hours lecture and two hours laboratory per week.

PHYS 1402 General Physics II (3,1,4)
This course is a continuation of General Physics I topics include electricity, magnetism, light and optics, along with selected topics from modern physics. This course consists of three hours lecture and two hours laboratory per week. Prerequisite: PHYS 1401 or approval of the instructor.

PHYS 2425 University Physics I (3,1,4)
This is a calculus-based course in classical mechanics and thermodynamics. This course consists of three hours lecture and two hours laboratory per week. Prerequisite: MATH 2301 or approval of the instructor.

PHYS 2426 University Physics II (3,1,4)
This course is a continuation of University Physics I. Topics include electricity, magnetism, light and optics. Three hours lecture and two hours laboratory per week are required. Prerequisite: PHYS 2425.

POLITICAL SCIENCE

POSC 1301 Introduction to International Relations (3,0,3)
The course provides the student with a useful introduction to and understanding of the “politics of global problems.” Important concepts such as power, national interest, nationalism, and war, and such will be introduced. The nature of U.S. relations with other countries and the role of international organizations will be analyzed.

POSC 2303 American and State Government (3,0,3)
The purpose of this course is to provide an introduction to the foundations, behavior, institutions, and policies of American government and politics, state governments in general, and the State of Texas government in particular. Students will develop an understanding of how federal, state, and local governments interact with each other and influence their lives, enabling them to better deal with these governments. Prerequisite: HIST 1301 or concurrent enrollment in HIST 1301.

POSC 2304 Introduction to Political Science (3,0,3)
The general survey course introduces students to basic political concepts and issues, including the nature and task of the state and the ideologies which shape modern political life. The original works of Plato, Aristotle, and other political philosophers will be introduced in this course.
POSC 3361 American Constitutional Development I (3,0,3) (Same as HIST 3361)
The course is a chronological survey of the Constitution, its construction, and its interpretation through principal statutes and judicial decisions, with some emphasis on the economic and social interests influencing it to 1877. Prerequisites: HIST 1301, 1302, and POSC 2303.

POSC 3362 American Constitutional Development II (3,0,3) (Same as HIST 3362)
The course is a chronological survey from the Reconstruction Era to the present, considering congresional policies embodied in socioeconomic legislation, doctrines applied by the Supreme Court, and analysis and criticism of key Supreme Court cases. Prerequisites: HIST 1301, 1302, and POSC 2303.

POSC 3364 British Studies, 1714 to Present (3,0,3) (Same as HIST 3364)

POSC 4361 Diplomatic History of the United States (3,0,3) (Same as HIST 4361)

POSC 4365 Comparative Economic and Political Systems (3,0,3)
This course compares the economic and political systems of the major countries of the world. Prerequisites: Six (6) semester hours of history or political science and junior standing.

PSYCHOLOGY

PSYC 1301 Introduction to Psychology (3,0,3)
This course offers a study of the basic principles in psychology and their bearing on the nervous system, growth, learning, thinking, drives, emotions, intelligence, and individual differences.

PSYC 2314 Development through the Life Span (3,0,3)
This course is a brief overview of the physical, cognitive, and psychosocial developmental changes that occur throughout the life span, from prenatal development through death, with an emphasis on those aspects of human development that are most relevant to the nursing profession. This course will not count toward a major or minor in the Department of Behavioral Sciences.

PSYC 2315 Psychology of Personal Growth and Adjustment (3,0,3)
The aim of this course is to improve the quality of everyday living, including learning to recognize and cope effectively with stressful situations, to become aware of typical age-related psychological changes, to explore relationships with friends and partners, and to examine attitudes toward work and leisure.

PSYC 2332 Introduction to Research Methods (3,0,3) (Same as SOCI 2332)

PSYC 3301 Dynamics of the Counseling Process (3,0,3)
This course is a comparison of the major theoretical orientations to personal counseling, both from their conception and historical development as well as their contemporary applications. Prerequisite: PSYC 1301 or consent of instructor.

PSYC 3302 Introduction to Marriage and Family Counseling (3,0,3)
This course is an introduction to the area of marriage and family counseling. The student will be exposed to the major theories and models of family counseling including family systems theory. Prerequisite: PSYC 1301 or consent of instructor.

PSYC 3303 Physiological Psychology (3,0,3)
This is an examination of relationships between behavior and underlying physiological mechanisms. Aspects covered include neural conduction, sensory receptor mechanisms, learning and memory, and other aspects of higher critical functioning in both humans and animals. Prerequisite: Nine (9) semester hours of psychology or biology.

PSYC 3304 Behavior Modification (3,0,3)
A survey of the principles of learning as applied to selected problems of behavior in clinical, academic, correctional, and industrial settings. Some of the areas covered include behavioral management of children's disorders, self-management skills, productivity enhancement in the workplace, and techniques for coping. Prerequisite: PSYC 1301.

PSYC 3305 Human Sexuality (3,0,3)
The study of the role of sexuality in human adjustment explores the processes and variations in sexual functions and reproduction; intimate relationships; sexual and gender role development and behavior; and the social, cultural, historical, and moral contexts of sex and love. Prerequisite: PSYC 1301.
PSYC 3306 Theories of Personality (3,0,3)
This course is a comprehensive study of the theories of personalities: the personal histories of the theorists, the salient features of the theories, and their current status and evaluation. **Prerequisite: PSYC 1301.**

PSYC 3307 Seminar on Moral, Ethical, and Religious Issues (3,0,3)
(Same as CJUS 3307 and SOCI 3307)

PSYC/SOCI 3310 Advanced Research Design and Data Analysis (3,0,3)
This course explores the intersection of research design with statistical techniques. Advance methods of research are examined, with an emphasis on the application of appropriate statistical analysis. Interpreting results and writing research reports are also discussed. **Prerequisite: MATH 1342, 2316, and PSYC/SOCI 2332**

PSYC 3331 Child Growth and Development (3,0,3)
This course deals with basic concepts of human development and behavior. Emphasis is given to the physical, cognitive, and social development of the child from conception through adolescence. **Prerequisite: PSYC 1301 or consent of instructor. The prerequisite is waived for students seeking the B.S.E. degree.**

PSYC 3335 Psychology of Adolescence (3,0,3)
This course is a consideration of the development of the individual during the adolescent period. Emphasis is placed on the integration of behavior patterns expected of the adolescent within the framework of developmental tasks imposed by the American culture. **Prerequisite: PSYC 1301 or consent of instructor. The prerequisite is waived for students seeking the B.S.E. degree.**

PSYC 3336 Adult Psychology (3,0,3)
This course examines the processes of psychological development during the adult years. Topics will range from the young adult at beginning of maturity to the older adult and death. **Prerequisite: PSYC 1301 or consent of instructor.**

PSYC 3340 Death and Dying (3,0,3) (Same as SOCI 3340)

PSYC 3360 Psychology of Religion (3,0,3)
Treated in the study will be developments in the areas of psychology of religion and the psychology of doubt, faith, conversion, temptation, sin, forgiveness, prayer, and Christian vocation. **Prerequisite: PSYC 1301 or consent of instructor.**

PSYC 3367 Social Psychology (3,0,3) (Same as SOCI 3367)

PSYC 3369 Group Dynamics (3,0,3) (Same as SOCI 3369)
This course is a study of small group dynamics which includes group processes, group leadership, and the interaction of groups and individuals. Voluntary associations as well as informal groups will be analyzed. Implications will be drawn for industrial, educational, religious, familial, and friendship groups. **Prerequisite: PSYC 1301.**

PSYC 3151-3351; 4151-4351 Service Learning (One, two, or three (1, 2, or 3) semester hours)
Experiential learning projects are offered any regular semester based on agency availability, but arrangements must be made during the semester prior to desired time for project. No more than nine (9) semester hours may be earned through Service Learning; only three (3) semester hours may apply to the major or minor. Numbering of course varies with number of hours (1-3) and classification of student.

PSYC 4301 Psychological Assessment (3,0,3)
This course covers the construction and use of many kinds of mental measurements, including tests of personality, intelligence, achievement, and aptitude. This course is strongly recommended for students considering graduate study. **Prerequisite: PSYC 1301 and one of the following: SOCI/PSYC 2332, SOCI/PSYC 3366, or MATH 1342.**

PSYC 4304 Abnormal Psychology (3,0,3)
This course is a study of behavior patterns and causes of deviant behavior from childhood through later maturity. Neurotic and psychotic behaviors are examined. **Prerequisite: PSYC 1301.**

PSYC 4307 History and Systems of Psychology (3,0,3)
This course is an overview of the history, theories, and major theorists in the field of psychology. **Prerequisite: PSYC 1301.**
PSYC 4332 Experimental Psychology (3,1,4)
This course is an introduction to the methods and techniques commonly employed in conducting research in the field of psychology; the techniques of experimental control and experimental reports are emphasized. (Three hours lecture and 3 hours laboratory per week.) Prerequisite: Nine (9) semester hours of psychology including SOCI/PSYC 3310 and “link” paper, as approved by department chair.

PSYC 4369 Industrial Psychology (3,0,3) (Same as MGMT 4369)
This course is a broad study of the principles, practices, and problems of industrial/organizational psychology. Students are provided with a perspective of how psychology aids them in their careers and influences their lives as job applicants, employees, managers, professionals, and consumers. Prerequisite: Junior standing.

PSYC 4401-02 Internship in Psychology (0,4,4)
This is field placement in a community agency providing psychological services with the objective of integrating classroom experiences in an actual work setting. No more than eight credit hours may be earned in this internship, and only four may apply to the major or minor. This is offered any regular semester, based on agency placement availability, but arrangements for the internship must be made during the prior semester. Prerequisites: PSYC 1301, 3301 or 3302, 4304, and senior standing.

READING
READ 3305 Language Skills in Reading (3,0,3)
This three-hour course is designed to help the prospective teacher understand how to integrate the teaching of listening, oral and written expression, and handwriting in both traditional and whole language arts setting as well as across the curriculum. Students will participate in a variety of learning techniques both in class and on-site in the public schools. This course will be delivered in partnership with the elementary public schools. ETBU students will attend lectures on the University campus. Prerequisites: Completion of EDUC 3301, EDUC 3302, EDUC 3303, EDUC 3352, READ 3600, READ 3364; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program. Concurrent enrollment in EDUC 3304, EDUC 4352, SSCI 3307 is required.

READ 3316 Pre-Literacy Development (3,0,3)
In this course students will further develop the understanding of how young children grow and develop physically, socially emotionally, and cognitively as it relates to building a background for literacy. Each area will be closely examined and appropriate developmental materials, and teaching strategies will be explored. Prerequisites: Completion and/or concurrent enrollment in EDUC 3301, EDUC 3302, PSYC 3331. Site hours are required.

READ 3364 Children's Literature for the Elementary School (3,0,3)
Traditional and modern books for children, classified by genres, are read and evaluated. An overview of the history of children's literature is presented. This course will particularly emphasize those chosen pieces of literature which have received awards (Caldecott, Newbery, Bluebonnet, Coretta Scott King, Reading Rainbow Awards, etc.) Characteristics of books for elementary students will be emphasized. Prerequisites: Completion of EDUC 3301, EDUC 3302, EDUC 3303; concurrent enrollment in EDUC 3352, READ 3600; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.

READ 3600 Reading in the Elementary School (6,0,6)
This course includes current and historic reading approaches and methodologies, including the basal reader, language experience, whole language, computer-assisted programs, and teacher-delivered programs such as guided reading and Reading Recovery. Also included will be word identification strategies, including phonics, sight words, and structural analysis, as well as comprehension and study strategies. The course will also include the basic understanding of language (oral and written), spelling, grammar, and handwriting. The student will participate in and on-site internship to complete the requirements for this course. Prerequisites: Completion of EDUC 3301, EDUC 3302, EDUC 3303; concurrent enrollment in EDUC 3352, READ 3364; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.

READ 3350 Internship in Reading (3,0,3)
This course will offer flexibility by offering individual studies focused on specific needs in read-
ing/language arts. The course will include internship hours at the elementary school site with the course guidelines developed collaboratively by the Chairman of the Teacher Education Department, and the student. This course is to be utilized for those students who transfer from other institutions or experience difficulties with the program requirements. It may not be taken as a substitute for traditionally required reading courses on the degree plan without written approval by the School of Education Dean. This course requires on site activities. Prerequisites: Completion of EDUC 3301, EDUC 3302, and at least three (3) semester hours of reading; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.

READ 4350 Research and Practicum in Current Trends in Reading (3,0,3)  
This site-based course provides students with practical opportunities to investigate current trends in reading, compare other researched perspectives, examine research in the field, and evaluate reading approaches and techniques. Special emphasis in placed on what research says about struggling readers. Prerequisites: Completion of EDUC 3301, EDUC 3302, EDUC 3303; suggested completion of READ 3600, READ 3364; and suggested concurrent enrollment of READ 3305; cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.

READ 4351 Diagnostic Teaching of the Elementary Child, A Practicum (3,0,3)  
This course includes assessment strategies to help the elementary teacher with the children who have difficulties with reading. The participants will also learn how to interpret test data and use the data when discussing the school’s and/or children's strengths and weaknesses. Prerequisites: Completion of elementary Literacy and Curriculum Blocks (formerly Blocks II and III); cumulative, major/minor and professional development GPA of 2.5; and admission to the Teacher Education Program.

RELIGION

RLGN 1320 Introduction to the Old Testament (3,0,3)  
An introduction to the background, history, literature, and religion of the Hebrew people as revealed in the Old Testament and related literature. Special consideration will be given to the theological message of the Old Testament text.

RLGN 1330 Introduction to the New Testament (3,0,3)  
An introductory survey of the New Testament. Special attention will be given to the major themes, outlines, composition, history, cultural and historical background, and authorship of the books of the New Testament.

RLGN 1353 Introduction to Philosophy (3,0,3)  
An introduction to the methods and tasks of philosophical reflection. In dialogue with significant contributors throughout history and major schools of thought, the course addresses matters such as logic and critical thinking, the nature and extent of human knowledge, questions such as the existence of God and the reality of evil, and issues of moral responsibility and the good life.

RLGN 2312 Foundations of Christian Education (3,0,3)  
An introduction to religious education found in the Bible and throughout Christian history. This general survey intends to acquaint the student with the principal religious educational movements, including the developments among Southern Baptists.

RLGN 2314 Principles of Christian Teaching (3,0,3)  
An introduction to the principles of teaching as found in the Old and New Testaments. The application of biblical and current teaching methodologies will be applied to children, youth, and adults in a local church. Each student will plan and present to the class a mini-lesson.

RLGN 2340 Ministry Formations (3,1,4)  
The course provides students the opportunity to understand more fully their calling and the various aspects of Christian ministry as particularly expressed through the local church. Integral to this course is a mentoring relationship that allows students opportunity to observe and serve in ministry capacities under the guidance of qualified mentors. The course includes field and laboratory experiences. This course is required of all students receiving the Ministry Scholarship available through the Baptist General Convention of Texas. There is a Ministerial testing fee for this course.
RLGN 2343 Practicum in Evangelism (3,0,3)
A supervised partnership mission will be arranged outside the United States. This will provide on-the-job experience in personal evangelism, revival evangelism, and cross-cultural evangelism. The course will not apply to major, minor, or general education requirement.

RLGN 2352 Introduction to Christian Doctrine (3,0,3)
An introduction to the major features of the Christian faith, with an emphasis on the methods of and sources for theological reflection, Trinitarian faith, the person and the work of Christ, the Holy Spirit, the identity and mission of the Church, and eschatology. Persistent consideration will be given to the practical/ethical dimensions of Christian theology. Prerequisite: RLGN 1320 or RLGN 1330.

RLGN 2357 Philosophy of Religion (3,0,3)
This course is an attempt to utilize the techniques and insights of the formal discipline of philosophy in a serious investigation of the basic claims of religious belief. Attention will be given to matters such as the arguments for the existence of God, the problems of evil and suffering, the relationship between faith and reason, the relationship between religion and morality, and the challenges of religious diversity.

RLGN 3309 History of Christianity (3,0,3) (Same as HIST 3309)

RLGN 3310 History of Baptists (3,0,3) (Same as HIST 3310)

RLGN 3311 Childhood Ministry (3,0,3)
A survey of preschool and children’s work in the church will be made. Consideration will be given to pupil life, effective leadership, and programs for development in foundations for Christian life. Materials basic to teaching and working with these age groups in church education will be examined.

RLGN 3312 Youth Ministry (3,0,3)
A study of the philosophy and trends of youth ministries will be made. Emphasis will be placed on the planning and administering of a youth ministry in the local church. Attention will be given to the motivation of youth leaders and the development of programming ideas.

RLGN 3313 Adult Ministry (3,0,3)
This study focuses on characteristics and developmental periods of the age group, adult leadership and education in the church, curriculum materials, and activity programs suitable for adults.

RLGN 3314 Church Leadership (3,0,3)
This course examines the biblical foundations, theoretical styles of leadership, and the functional areas of church staff leadership. Study will be made of the leadership and functions of the pastor in a small church as well as the leadership and functions of a multiple-staff church.

RLGN 3315 Principles and Methodologies of Church Planting (3,0,3)
An introduction to church planting that seeks to integrate theological, missiological, and cultural church-planting principles. Students will be given the opportunity to gain an understanding of the theological, environmental, and leadership factors encountered by contemporary church planters.

RLGN 3321 The Pentateuch (3,0,3)
An exegetical study of the cultural and historical background, the major themes, and theological message of the Pentateuch (i.e., the books of Genesis, Exodus, Leviticus, Numbers, and Deuteronomy). Special attention will be given to practical application. Prerequisite: RLGN 1320.

RLGN 3322 The Historical Books (3,0,3)
An exegetical study of nature, origin, history, and the message of the books of Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah and Esther. Special attention will be given to practical application. Prerequisite: RLGN 1320.

RLGN 3323 The Prophets (3,0,3)
An exegetical study of the nature, origin, history, and message of prophecy and the books of Isaiah, Jeremiah, Ezekiel, Daniel, and the Book of the Twelve. Special attention will be given to practical application. Prerequisite: RLGN 1320.

RLGN 3324 The Books of Wisdom and Poetry (3,0,3)
An exegetical study of the nature, origin, history, and message of wisdom literature, poetry and the books of Job, Proverbs, Ecclesiastes, Psalms, Song of Solomon and Lamentations. Special attention will be given to practical application. Prerequisite: RLGN 1320.
RLGN 3330 Christian Missions (3,0,3)
Emphasis is placed upon the following aspects of the contemporary mission enterprise: geographical scope, types of ministries, qualifications of personnel, and local involvement. A survey of the biblical basis plus historical expansion of missions is provided.

RLGN 3331 The Gospels (3,0,3)
A study of the four Gospels relative to their literary genre, background, specific purposes, and relationships to each other. Attention will also be given to the basic teachings of Jesus as contained in the four gospels. Prerequisite: RLGN 1330.

RLGN 3332 The General Epistles (3,0,3)
The study of the books of Hebrews, James, 1&2 Peter, 1-3 John and Jude. Attention will be given to authorship, recipients, date, cultural circumstances, and basic teachings. Prerequisite: RLGN 1330.

RLGN 3333 Acts and the Pauline Epistles (3,0,3)

RLGN 3334 The Book of Revelation (3,0,3)
A hermeneutical and exegetical study of the book of Revelation. Special attention will be given to the genre, structure, and interpretive approaches. Prerequisite: RLGN 1330.

RLGN 3342 Introduction to Evangelism (3,0,3)
A survey will be made of personal and church evangelism. Current programs in evangelism will be explored. Attention will be given to the knowledge of and motivation for the building of evangelistic churches.

RLGN 3352 Christian Ethics (3,0,3)
This course gives attention to the means by which God enables his people to live faithfully, truthfully, and in hope in the face of a world that sustains none of these qualities. Particular attention will be given to how the community formed by faith in Jesus Christ relates to a world shaped by alternative stories, how scripture informs and shapes that community of faith, how God’s will can be discerned within that community, and how certain qualities of character are necessary for the display of a Christian witness in various (political, economic, family, and medical) spheres of life. Prerequisite: RLGN 1320 or RLGN 1330.

RLGN 3354 Biblical Interpretations I: Hermeneutics (3,0,3)
An introduction to the science of hermeneutics and its application to biblical interpretation. A survey will be made of the history of biblical interpretation and of the development of hermeneutics in the modern world. Attention will be given to the question of the location of meaning, the significance of genre, and the principles of general hermeneutics. Students will also demonstrate knowledge of the resources and methods of biblical research. Prerequisites: RLGN 1320 or RLGN 1330.

RLGN 3355 Christian Faith and Contemporary Bioethics (3,0,3)
This course will examine, from a Christian perspective, many of the key ethical issues raised by contemporary practices and possibilities within the medical field. A broad theological orientation will first be presented that will provide the context within which a variety of critical ethical issues will be examined. Particular attention will be given to the role of the church as the community charged with the task of forming lives that both express God’s compassion for the suffering and are able to accept suffering in the context of God’s redemptive work. Prerequisite: RLGN 1320 or RLGN 1330.

RLGN 3361 Church Recreation (3,0,3)
This course will study the philosophy of church recreation. Attention will be given to social recreation, indoor/outdoor games, day camping, family camping, and team sports. Consideration will be given to counseling opportunities and recreational facilities.

RLGN 3369 Comparative World Religions (3,0,3)
A detailed investigation, from a Christian perspective, into the basic beliefs and practices of the world’s other major religions: Buddhism, Hinduism, Taoism, Islam, and Judaism. Special attention will be given to an analysis and evaluation of how Western Christianity has related to those of other faiths.
RLGN 3442 Expository Preaching (3,1,4)
An introduction to the art and science of expository preaching; the process of writing and delivering an expositional biblical message will be learned and applied. The sermon content will be based upon the principles learned in hermeneutics and the skills applied in exegesis. A lab will provide the student with the practical application of sermon preparation and the opportunity to improve his/her delivery skills of expository preaching.

RLGN 4301 Biblical Interpretation II: Exegesis (3,0,3)
An introduction to the disciplines and methods of biblical interpretation. Attention will be given to grammatical, historical, contextual, and theological principles. Specific application will be made to a study of significant chapters and difficult passages of Scripture in both the Old Testament and the New Testament. Prerequisite: RLGN 3354.

RLGN 4302 Cross-Cultural Missions (3,0,3)
Utilizing a seminar case-study approach to missions, particular attention will be given to the nature, organization, and dynamics of culture, with insights being applied to missionary evangelism and church planting.

RLGN 4341 Church Administration (3,0,3)
A survey will be made of major areas of church administration. These areas include church organization, church planning and evaluation, budget planning, promotion and management, personnel and office administration, managing of facilities, church publications, food services, and staff relationships.

SOCIAL STUDIES

SSCI 3307 Social Studies for Elementary Teachers (3,0,3)
This course is designed to help students develop an understanding of the value of social studies as well as provide strategies for the effective integration of the various social studies disciplines. An understanding of how the teacher uses knowledge and skills of social studies, as defined by the Texas Essential Knowledge and Skills, to plan and implement effective instruction, assessment, and evaluation will be gained. Prerequisites: Completion of Block II; concurrent enrollment in EDUC 4352, EDUC 3304, and READ 3305; GPA 2.5. (Site-based)

SOCIAL WORK

SCWK 3363 Christian Ministries (3,0,3) (Same as SOCI 3363)
The role of Christian social ministries in the life of the Christian and the program of the local church is studied. Attention will be given to the helping ministries, crises ministries, family ministries, social ministries, and church ministries. Emphasis will be placed on helping persons through personal counseling, group involvement, and community resources.

SCWK 3364 The Field of Social Work (3,0,3) (Same as SOCI 3364)
This course provides a general overview of the profession, including a survey of existing public and private agencies and federal and state programs. A basic objective of this course is to provide the student with the philosophy, history, and development of the concepts and principles underlying social work as a profession. Prerequisite: SOCI 1301.

SCWK 3151-3351; 4151-4351 Service Learning (1, 2, or 3 semester hours)
This is an experiential learning project offered during any regular semester based on agency availability. Arrangements should be made during the semester prior to the desired time for the project. No more than nine (9) semester hours may be earned through Service Learning; only three (3) semester hours may apply to the major or minor. Numbering of courses varies with number of hours (1-3) and classification of student.

SCWK 4401-4402 Internship in Social Work (0,4,4)
This is a field placement in a social work agency that provides practical field experiences to which the student may apply and test the knowledge gained in the classroom. No more than eight credit hours may be earned in the internship and only four may apply toward the major or minor. It is offered during any semester based on agency placement availability, but arrangements should be made during the prior semester. Prerequisite: SOCI 3364 and senior standing.
SOCIOLOGY

SOCI 1301 Introduction to Sociology (3,0,3)
This course is a critical study of society, social structure, social organization, institutions, social stratification, and individual and socio-cultural processes.

SOCI 2301 Marriage and the Family (3,0,3)
This course is a brief overview of the institution of marriage and the family which includes the process of dating, courtship, and engagement. Patterns of husband-wife, parent-child, and parent-youth relationships in contemporary society are also included. Prerequisite: SOCI 1301 or consent of instructor.

SOCI 2304 Social Problems (3,0,3)
This course is a critical analysis of major social problems of contemporary society and the various social movements emerging to cope with those problems. Prerequisite: SOCI 1301 or consent of instructor.

SOCI 2332 Introduction to Research Methods (3,0,3) (Same as PSYC 2332)
This course offers an introduction to principles of research in the behavioral sciences. It aims to prepare students for subsequent research assignments and invites adventure in learning through the development of individual research projects in areas of intrinsic interest. Prerequisite: PSYC 1301 or SOCI 1301.

SOCI 3301 Social Inequality (3,0,3)
This course is a critical analysis of societal systems of stratification; caste, class, and manorial systems, with the major focus on the American stratification system and the historical changes of that system. Prerequisite: SOCI 1301.

SOCI 3303 Criminology (3,0,3)
This course is a comprehensive survey of crime in the United States, emphasizing the measurement, causes, and characteristics of crime and criminal behavior, as well as an overview of the American criminal justice system. Prerequisite: SOCI 1301 or consent of instructor.

SOCI 3304 Introduction to the Criminal Justice System (3,0,3) (Same as CJUS 3304)

SOCI 3305 Criminal Law and Procedure (3,0,3) (Same as CJUS 3305)

SOCI 3307 Seminar on Moral, Ethical, and Religious Issues (3,0,3) (Same as CJUS 3307 and PSYC 3307)

SOCI 3308 Cultural Anthropology (3,0,3)
This course is a critical analysis of social origins, with particular emphasis on culture, language, and social economic and kinship relations. It includes examples of preliterate and contemporary societies. Prerequisite: SOCI 1301.

SOCI 3309 Minority Groups (3,0,3)
This course is a critical analysis of ethnic groups in the culture of the United States with particular emphasis on the adjustment of minority groups such as the Hispanic-American and the African-American to the dominant group. Prerequisite: SOCI 1301 or consent of instructor.

SOCI 3310 Advanced Research design and Data Analysis (3,0,3) (Same as PSYC 3310)

SOCI 3340 Death and Dying (3,0,3)
This course is a survey of death and dying in American society, focusing on societal attitudes related to the process of death and dying, sociological and psychological factors involved, the societal treatment of dying and death, the process of dying, and loss and bereavement. Prerequisite: SOCI 1301 or PSYC 1301.

SOCI 3362 Sociology of Religion (3,0,3)
This course is a critical analysis of the role and functions of religion in human societies in a sociological frame of reference. Prerequisite: SOCI 1301 or consent of instructor.

SOCI 3363 Christian Ministries (3,0,3) (Same as SCWK 3363)

SOCI 3364 The Field of Social Work (3,0,3) (Same as SCWK 3364)

SOCI 3367 Social Psychology (3,0,3) (Same as PSYC 3367)
This course is a study of behavior basic to an understanding of man as a social being with particular
emphasis upon the behavior of the individual in the group and the effect of culture in shaping personality. Prerequisite: SOCI 1301 or PSYC 1301.

SOCI 3369 Group Dynamics (3,0,3) (Same as PSYC 3369)

SOCI 3151-3351; 4151-4351 Service Learning (1, 2, or 3 semester hours)
Experiential learning projects are offered during any regular semester based on agency availability, but arrangements must be made during the semester prior to the desired time of the project. No more than nine (9) semester hours may be earned through Service Learning; only three (3) semester hours may apply to the major or minor. Numbering of courses varies with number of hours (1-3) and classification of student.

SOCI 4301 Sociological Theory (3,0,3)
This course is a critical analysis of major contributions to the development of sociological theory. Discussion of significant theoretical problems and exposure to major professional journals are included. Prerequisite: SOCI 1301.

SOCI 4332 Principles of Social Research (3,1,4)
This course includes a laboratory which provides an introduction to statistical and non-statistical procedures to sociological research. Three hours of lecture and three hours laboratory per week are required. Prerequisites: SOCI 1301 and PSYC/SOCI 3310, and “link” paper, as approved by department chair.

SPANISH

SPAN 1411 Elementary Spanish I (3,1,4)
This course is an introduction to the Spanish language and culture. Emphasis is given to grammar, vocabulary, oral practice, and basic reading skills. Three hours lecture and three hours laboratory per week are included.

SPAN 1412 Elementary Spanish II (3,1,4)
This course is a continuation of SPAN 1411. Prerequisite: SPAN 1411 or sufficiently high score on the departmental placement test.

SPAN 2311 Intermediate Spanish I (3,0,3)
This course places continued emphasis on the speaking, reading, and writing aspects of the Spanish language. Prerequisite: SPAN 1412 or sufficiently high score on the departmental placement test.

SPAN 2312 Intermediate Spanish II (3,0,3)
This is a continuation of SPAN 2311 with emphasis on reading, writing, and oral proficiency. Prerequisite: SPAN 2311 or sufficiently high score on the departmental placement test.

SPAN 2304 Spanish for Health Professionals (3,0,3)
This is an introductory course to the Spanish language with emphasis on conversational Spanish for medical personnel. The course is designed specifically for students pursuing studies in the health professions. Students seeking a nursing degree with a minor in Spanish may use this course to count toward that minor. It does not count toward any other major, minor, or specialization in Spanish. It will not substitute for other Spanish courses listed in the catalog.

SPAN 3300 Spanish for the Secondary School (3,0,3)
This course is designed to acquaint the student with current methods of teaching Spanish, as well as to give opportunity for observation and practice of such in the language laboratory and in the elementary Spanish classes (1411-1412). This must be taken prior to student teaching. Prerequisite: SPAN 2312 or consent of instructor.

SPAN 3301 Advanced Spanish Conversation (3,0,3)
This is a course for conversation practice at an advanced level. A high volume of vocabulary acquisition is expected in order to participate in dialogues and situational topics. Prerequisite: SPAN 2312 or consent of instructor. However, nine (9) semester hours of Spanish at the 3000 or 4000 level is highly recommended.

SPAN 3302 Advanced Spanish Grammar and Composition (3,0,3)
This is an advanced study of Spanish grammar with special emphasis on composition. The course will be
of special interest to students who wish to improve their written Spanish. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPAN 3303 Accredited Study in a Spanish-Speaking Country (3,0,3)**
This course is designed to allow students to receive credits for study-abroad courses taken in Spanish-speaking countries. A written request stating the amount of credit applied for and the specific requirements must be signed by both the student and the department chairman at least two weeks prior to departure. A minimum of three consecutive weeks of study in the Spanish-speaking country will be required for credit. **Prerequisite:** SPAN 2312 with a minimum grade of “B” or consent of department chairman.

**SPAN 3304 Spanish Culture and Civilization (3,0,3)**
This is a general study of the history and culture of Spain. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPAN 3305 Spanish American Culture and Civilization (3,0,3)**
This is a general study of the history and culture of Spanish America. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPAN 3306 Teaching Mathematics, Science, Social Studies Bilingually (3,0,3)**
This course introduces the student to teaching aids and materials for bilingual education applicable to the teaching of mathematics, science, and social studies. Emphasis will be placed on the acquisition of skills necessary to teach these subjects in the child’s first language. **Prerequisite:** Completion of at least two upper level Spanish courses or possession of a teaching certificate accompanied by proficiency in Spanish.

**SPAN 3307 Teaching Language Arts and Reading Bilingually (3,0,3)**
This course introduces the student to teaching aids and materials for bilingual education applicable to the teaching of language arts and reading. Emphasis will be placed on the acquisition of skills necessary to teach these subjects in the child’s first language. **Prerequisite:** Completion of at least two upper level Spanish courses or possession of a teaching certificate accompanied by proficiency in Spanish.

**SPAN 4301 Spanish Literature I (3,0,3)**
This course is a survey of Spanish literature from the Middle Ages to the Eighteenth Century. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPAN 4302 Spanish Literature II (3,0,3)**
This course is a survey of Spanish literature from the Nineteenth Century to the present. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPAN 4303 Spanish American Literature I (3,0,3)**
This course is a survey of Spanish American literature from the Colonial period to Nineteenth Century Modernism. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPAN 4304 Spanish American Literature II (3,0,3)**
This course is a survey of Spanish American literature from Modernism to the present. **Prerequisite:** SPAN 2312 or consent of instructor.

**SPEECH**

**SPCH 1303 Introduction to Journalism (3,0,3) (Same as COMM 1303)**
This introductory course is designed to provide practical knowledge and experience in news gathering, newswriting, and editing for print media, particularly newspapers and magazines. Special attention is given to basic writing skills for reporting, interviewing, and feature writing.

**SPCH 1311 Fundamentals of Speech Communication (3,0,3)**
This course is a course designed to improve the student’s oral communication skills. Emphasis is placed on understanding the communication process as it takes place in interpersonal, small group, public address, and mass media communication contexts. Classroom exercises involve the student in various oral communication activities.

**SPCH 2101 Performance Laboratory (0,1,1)**
This is a course which provides practical experience in the presentation of panel discussions, symposia,
persuasive and expository speeches, and interpretational programs. Required for debate team and forensic competition. May be repeated to a maximum of four (4) credits.

SPCH 2301 Voice and Diction (3,0,3) (Same as THEA 2301)
The course involves a study of the fundamentals of voice production. Posture, breathing, tone quality, extension of pitch range, precise articulation, and the application of phonetics to general American speech sounds are covered.

SPCH 2302 Listening (3,0,3)
This course provides a study of the listening process, with special emphasis on identifying barriers to effective listening. Activities designed to improve the student’s listening skills are provided, and the results of current listening research are discussed.

SPCH 2341 Oral Interpretation of Literature (3,0,3) (Same as THEA 2341)

SPCH 3200 Communication Research Methods (3,0,3) (Same as COMM 3200)
This course is designed to prepare the student to successfully complete upper division studies in the speech communication discipline. Emphasis will be placed on understanding and conducting research, developing critical thinking abilities, and recognizing the role of speech communication in society. Required for all majors; recommended for minors. Students should take the course prior to or at the beginning of their junior year.

SPCH 3301 Speech and Theatre Activities for the Elementary School Child (3,0,3) (Same as THEA 3301)
This course provides the principles and methods for developing functional communication competencies in elementary children. Students develop materials in oral reading, choral speaking, story telling, and creative dramatics for students grades K-6.

SPCH 3303 Small Group Communication (3,0,3)
This course provides a study of small group theory and process. Special attention is given to leadership, organization, group analysis, and interaction. Students will observe and participate in group discussions on contemporary issues.

SPCH 3304 Argumentation and Debate (3,0,3)
This course is designed to provide students with an understanding and experience in using logical proofs, developing adequate evidence, conducting a thorough analysis of topics, and effectively presenting public speeches of advocacy and debate.

SPCH 3307 Interpersonal Communication (3,0,3)
This course is designed to improve interpersonal (one-to-one) communication skills. The development and maintenance of interpersonal relationships are examined, and causes of communication breakdown are reviewed.

SPCH 3309 Intercultural Communication (3,0,3)
The course provides a study of the relationship between communication and culture. Students will examine the effect of culture on human communication and develop strategies for communicating with people in contrasting domestic and international cultures.

SPCH 3321 Public Relations (3,0,3)
Public Relations is a course which introduces the student to the range of opportunities available in the field. Attention is given to researching, stating objectives, planning, and evaluating public relations campaigns in business, education, industry, non-profit organizations, and all levels of government.

SPCH 4100 Contemporary Issues in Speech Communication (1,0,1)
This course is designed as a seminar type of examination of problems and issues faced by those entering speech communication professions. As the student is expected to utilize materials from work across a four-year university experience, enrollment is limited to senior speech communication majors and/or minors. Prerequisite: SPCH 3200 or consent of instructor.

SPCH 4202 Directing Forensics (2,0,2)
This course is devoted to understanding the University Interscholastic League programs and its rules. The
student learns to locate suitable materials for presentation, the relationship of UIL activities to curricular programs, and ways to use the activities to meet education objectives. **Prerequisite:** SPCH 1302, 3304, or 4302 or consent of the instructor.

**SPCH 4302 Persuasive Communication (3,0,3)**
This course provides a study of persuasive strategies with particular attention given to the use of persuasion as a social tool for resolving controversy and forming opinions.

**SPCH 4304 Advanced Public Speaking (3,0,3)**
This course is an intensive study of the principles and practices of presentational communication. Topics covered include methods of topic analysis, computerized audience analysis research, reasoning, evidence evaluation, organization, and delivery of speeches. Students participate in several classroom presentations.

**SPCH 4305 Organizational Communication (3,0,3)**
This course constitutes an advanced study of communication as it takes place in business and industrial settings. Special attention is given to managerial communication, channels and networks, interviewing, oral reporting techniques, and organizational communication research. Students will conduct a communication audit of an off-campus organization. **Prerequisite:** SPCH 1311, 3303, 3307 or consent of the instructor.

**SPCH 4350 Internship in Communication (3,0,3)**
This internship provides the speech communication major or minor an opportunity to receive practical work experience under faculty and professional supervision. Students chosen will work as interns in organizational communication, communication consulting, broadcasting, or public relations. Must have consent of instructor. This course may be repeated once for elective credit with departmental chair’s approval.

**THEATRE**

**THEA 1120 Theatre Workshop I (0,1,1)**
Theatre Workshop I is a practical examination of the workings of technical theatre as applied to the productions of the Hilltop Players. At least sixty (60) practical hours are expected for each semester.

**THEA 1121 Theatre Workshop II (0,1,1)**
Theatre Workshop II is a practical examination of the workings of technical theatre as applied to the productions of the Hilltop Players. At least sixty (60) practical hours are expected for each semester.

**THEA 1310 Introduction to Theatre (3,0,3)**
This introductory course examines the theatre experience as both an art form and a social institution. The course is designed for the general student body. Those students who intend to major or minor in Theater Arts areas should elect another option to meet their fine arts requirement on the General Education curriculum.

**THEA 1351 Beginning Acting (3,0,3)**
An introduction to the approaches and techniques of the acting process for the novice performer.

**THEA 2341 Oral Interpretation of Literature (3,0,3) (Same as SPCH 2341)**
This course provides an introduction into the study of techniques for analyzing and communicating to an audience the intellectual and emotional meaning of prose, poetry, and drama.

**THEA 2103 Theatre Workshop III (0,1,1)**
Theatre Workshop III is a practical examination of the workings of technical theatre as applied to the productions of the Hilltop Players. At least sixty (60) practical hours are expected for each semester.

**THEA 2301 Voice and Diction (3,0,3) (Same as SPCH 2301)**

**THEA 2320 Introduction to Stagecraft (3,0,3)**
Introduction to Stagecraft introduces the practices and processes of technical theatre with specific consideration of scenery, lighting, properties, costumes, and makeup. Concurrent enrollment in THEA 2103 is required.
THEA 3101 Production Workshop (0,1,1)
This course is designed around specialized production, design, directing, or performance projects of the theatre arts major. **Prerequisite:** Junior or senior standing. **Student must be a B.A. or B.S.E. theatre arts major in order to enroll in this course.**

THEA 3104 Theatre Workshop IV (0,1,1)
Theatre Workshop IV is a practical examination of the workings of technical theatre as applied to the productions of the Hilltop Players. At least sixty (60) practical hours are expected for each semester.

THEA 3200 Cornerstone Studies in Theatre (2,0,2)
This course is an introduction to theatre as a field of study. Content will include professional and academic expectations in the field, career options and how to pursue them, and the structure of both traditional and creative research.

THEA 3301 Speech and Theatre Activities for the Elementary School Child (3,0,3) *(Same as SPCH 3301)*

THEA 3302 Religious Drama (3,0,3)
This course provides an examination of the use of drama as an evangelical tool in both historical and contemporary contexts, as well as consideration of ethical and aesthetic questions raised by that usage. Students have an opportunity for practical experience and application. The course is designed for both theatre majors and non-majors.

THEA 3303 Technical Theatre (3,0,3)
This course presents an introduction to the design process of theatrical scenery, lighting, and costume. The student will also experience the practical application of concepts and processes covered in lecture. Concurrent enrollment in THEA 3104 required. **Prerequisites:** THEA 2320, plus either THEA 1310 or THEA 3200.

THEA 3360 Introduction to Cinema Studies (3,0,3) *(Same as ENGL 3360)*
This course will provide a study of the cinematic art form, with attention given to the historical background along with an examination of social, ethical, literary, and aesthetic values as they relate to contemporary cinema. **Prerequisite:** Completion of six (6) semester hours of English with a grade of “C” or better.

THEA 4100 Capstone in Theatre Studies (1,0,1)
This seminar course is designed to serve as a contemporary issues for the student preparing to enter the professional field and for the student who is planning graduate study. The course is designed for the senior level of study. **Prerequisites:** THEA 3200 and either senior standing or permission of instructor.

THEA 4301 Children’s Theatre (3,0,3)
This course presents a study of the organization and production techniques required to present theatre both for and with children. Students are required to participate in the Hilltop Players production process. **Prerequisite:** One of the following THEA 1310, THEA 3200, MUSI 1304.

THEA 4302 Play Directing (3,0,3)
The course provides a study of the procedures and problems involved in directing a play from selection of scripts, auditioning, rehearsal management, and performance. An examination of the philosophical basis and historical context of the contemporary director is included. **Prerequisites:** THEA 1351, THEA 2320, and THEA 3200.

THEA 4308 History of Western Theatre (3,0,3)
The course is an examination of the history of occidental theatre from its beginning to the present. Particular attention will be paid to the social, cultural, and aesthetic milieu of significant theatrical periods. **Prerequisite:** THEA 3200 or permission of department chair.

THEA 4310 Dramatic Theory and Criticism (3,0,3)
The course is an examination of the principle theories and critical evaluative methods of occidental theatre from the Greeks to the present. Particular attention will be paid to aesthetic and ethical contexts with each period examined. **Prerequisite:** THEA 3200 or permission of department chair.
THEA 4331 Theatre and Fine Arts Management (3,0,3)
This course is an examination of practical and theoretical considerations in the process of theatre and fine arts presentation. The student will be introduced to financial, contractual, facility, administrative, and management considerations unique to the production of performance and arts events in both professional and academic environments. Prerequisite: THEA 1310 or THEA 3200 or MUSI 1304.

THEA 4466 Advanced Acting (3,1,4)
The course is an examination of the styles and modes of performance typical to the presentation of both pre-modern and contemporary drama. Particular attention will be paid to the works of Sophocles, Shakespeare, the Restoration Theatre, Ibsen, O’Neill, Chekov, and other significant contemporary playwrights. Students will attend three (3) hours of class and a 2-hour rehearsal/performance lab each week. Prerequisites: THEA 1351 and THEA 3200 or consent of instructor.
SPIRITUAL DEVELOPMENT

THE MINISTRY SCHOLARSHIP awarded by East Texas Baptist University, in cooperation with the Baptist General Convention of Texas, provides tuition assistance to Baptist students who are preparing for church related vocational Christian ministry. The Ministry Scholarship applies to tuition only for all eligible applicants.

To be eligible a student must:
1. Be planning to pursue church related vocational Christian ministry, as evidenced by personal testimony.
2. Be certified by a Baptist church, either by ordination, license, or statement of certification.
3. Furnish evidence, by way of written testimony of the pastor of a local cooperating Baptist church, of the student’s involvement with, support of, and commitment to a local cooperating Baptist church.

The following completed documents are required to make initial application for the Ministry Scholarship:
1. Ministry Scholarship application.
2. Church Certification form.
3. Letter of recommendation and support from the pastor of the certifying church.

These documents are to be filed prior to the beginning of the semester for which the scholarship application is being made. Eligibility for the Ministry Scholarship must be reviewed and reaffirmed annually. The student will complete a renewal application prior to May 1 each year.

Qualifying students who accept this Ministry Scholarship assistance commit themselves to take Religion 2440 “Ministry Formations” at some point in their studies at East Texas Baptist University, preferably during their sophomore year. Failure to complete the Ministry Formations course will require the student to repay the Ministry Scholarship. Participation in monthly MTAP meetings and peer groups is required of all scholarship recipients.

CHAPEL/ASSEMBLY PROGRAMS are held each Monday and Wednesday. The programs provide a community experience for the campus family. The primary focus and major emphasis of Chapel programs will be to present models of integrating spiritual vitality in all of life’s experiences. Assembly programs not oriented toward structured worship will be consistent with evangelical Christian faith and practice, both in content and in personality. Chapel/assembly, like any other required course and graduation requirement, is considered an essential part of each student’s education. Consequently, all students are provided opportunities for building these values through shared interaction.

CHAPEL/ASSEMBLY CREDIT must be earned when enrolled for seven (7) or more semester hours, according to the following table:

<table>
<thead>
<tr>
<th>Semesters Enrolled</th>
<th>Credits Needed</th>

</tbody>
</table>

Regardless of the number of semesters of enrollment at East Texas Baptist University or the number of hours taken each semester, each student is required to earn at least one chapel/assembly credit.

In a given semester, those enrolled for chapel/assembly are expected to attend all chapel/assembly programs. While the University recognizes that circumstances may require one to miss some programs, a student may earn chapel assembly credit for a given semester if 75 percent of the programs are attended.
ALTERNATIVE PROGRAMS may be allowed in a given semester for students with special problems relating to the regular chapel/assembly schedule, such as being enrolled in only Tuesday-Thursday and/or night classes. A reduction in the number of programs required for chapel assembly credit may be allowed for students enrolled for seven to eleven (7-11) semester hours. Forms for requesting a reduction or an alternate program are available in the Office of Spiritual Development and decisions concerning such requests are made by the Chaplain of the University and the Chapel/Assembly Advisory Committee.

Students enrolled in fewer than seven (7) semester hours in a given semester are exempt from chapel/assembly for that semester. Such students, nevertheless, are subject to the minimum chapel assembly credits prior to graduation.

Students not pursuing a degree are exempt from all chapel/assembly requirements. Transfer students may request credit for chapel attended at previous institutions by contacting the Chaplain of the University.

CHURCH ATTENDANCE, Bible study, and local church affiliation are strongly encouraged for all students.

THE BAPTIST STUDENT MINISTRY exists to help students come to know Jesus Christ personally and then to grow in grace and knowledge of Him. The Baptist Student Ministry sponsors “Time Out,” which is a student led worship service. There is also a variety of other ongoing ministries which help the student mature spiritually with emphasis on practical ministries and leadership training. The Baptist Student Ministry sponsors an off-campus fall retreat and encourages student participation in BSM events. Offices of the Baptist Student Ministry are located on the second floor of the Howard C. Bennett Student Center.

A MISSIONARY-IN-RESIDENCE spends furlough in the missionary home provided by ETBU. The missionary-in-residence provides a model and encouragement for students who are working through a call to vocational missionary service. The missionary-in-residence leads in campus-wide spiritual and academic events. Local Woman's Missionary Union groups help furnish the missionary home.
The Vice President for Student Services provides leadership for student life. Assisting also are the Director of Student Life, the Directors of Student Activities, Intramural Sports, Summer Camps, Game Room, and Residence Halls. The Division of Student Services also serves as a liaison with Student Government, the varsity cheerleaders, and Tigerline.

Services provided by the Student Services division include single and married student housing, student organizations and activities, the student center, summer camps, intramural sports, new student orientation, the student judicial system, food service, ID cards, game room, and student insurance. Additional information related to student life is located in the Student Handbook.

The objective of the Division of Student Services is to assist students in developing intellectually, socially, spiritually, and physically, thus becoming self-directing and capable of making efficient use of their personal resources.

**NEW STUDENT ORIENTATION** is provided for students entering East Texas Baptist University for the first time. During the general orientation, instructions and printed materials related to university life and survival are provided for each student. Assistance is provided in areas such as study skills, library usage, note taking, sources of assistance, and services of the University. Attendance is required of all entering freshmen.

**STUDENT ACTIVITIES AND SERVICES**

**BOOKSTORE** - The University Bookstore sells textbooks, related books, and materials for all courses. Gift and personal items are also available.

**HEALTH SERVICES** - The University retains a consulting physician who gives counsel and guidance for health problems.

**INTERCOLLEGIATE ATHLETICS** is provided through membership in Division III of the National Collegiate Athletic Association (NCAA). The University is also a member of the American Southwest Conference. The University fields varsity teams and engages in intercollegiate athletics for both men and women. Men's intercollegiate athletics include soccer, basketball, baseball, cross-country, and football. Women's inter-collegiate athletics include softball, volleyball, basketball, soccer, and cross-country.

**THE HOWARD C. BENNETT STUDENT CENTER** provides facilities for student services, relaxation, study, game room, cafeteria service, Chick-fil-A, postal service, and purchase of school supplies. Faculty, staff, and student I.D. cards are made in the Office of Student Services. An ATM and change machine are located near the entrance.

**LOST AND FOUND** articles may be sought in the Student Services Office in the Howard C. Bennett Student Center. Articles found on campus should be brought to the Office of Student Services where they may be identified and claimed by their owners.

**EMAIL SERVICE** is provided to every student at ETBU. This address is considered an official means of notification for the students. Each student is responsible for regularly checking his or her email, forwarding to a personal account, and keeping his or her ETBU account updated and active.

**MAMYE JARRETT LIBRARY** is a center of activity on campus, the Library's primary purpose is to support the curriculum of the University by collecting, organizing, and providing access to materials that will aid students, faculty and staff in their research and informational needs. The current collection contains over 115,000 volumes of books and periodicals and over 120 electronic resources. Librarians provide assistance with research and library instruction for many classes. In addition, the Library offers periodic programs and events that contribute to the educational and cultural life of the university. The Jarrett Library web pages contain links to Tigrercat (the online catalog), information about the library, circulation policies and procedures, electronic resources, evaluated Internet sites, tutorials, and guides for research. The Library is open daily and evenings during the academic terms. Electronic resources are available 24 hours a day from the campus network. These resources can be reached at [http://www.etbu.edu/academics/library](http://www.etbu.edu/academics/library).
SINGLE STUDENT HOUSING for single women is provided in Evelyn Linebery Hall, Merle Bruce Hall, Mabee Housing Complex, and the University Apartments. Single men’s housing is provided in Charles Fry Hall, Feagin Hall, Ornelas Residential Center, and the University Apartments. New freshmen generally are assigned to Merle Bruce Hall and Feagin Hall. To be eligible for housing, students must be enrolled in a minimum of twelve (12) semester hours. No pets are allowed in the dormitories.

All full-time single students (not living with parents or close relatives) are required to live on campus and participate in the food service program. Single students transferring to ETBU must reside in the residence halls. Furthermore, all single international students are required to live in on-campus housing and participate in the food service program. The University reserves the right to revoke registration and/or institutional aid of any unmarried student who fails to comply with this policy. Written exceptions to the policy must be submitted to the Vice President for Student Services.

FAMILY HOUSING is available for married student couples and families. The Van Zandt Street Apartments (Sims-Webb, Cobb, and Gardner Apartments) feature 24 one-bedroom apartments with 640 square feet of floor space and 16 two-bedroom apartments with over 700 square feet of floor space. Each apartment is equipped with range, refrigerator, and central heat and air. Some two-bedroom units also have dishwashers and garbage disposals. The University provides Internet access, cable television, natural gas, electricity, telephone, water, and trash collection. Campus houses owned by ETBU are located adjacent to campus. These houses are unfurnished and are rented on a monthly basis to married students and families. All utilities are paid by the University with the exception of local phone service. No pets are allowed in the campus houses or apartments.

Rent will be billed to the student’s account and is due on the first of each month. Rent for long semesters will be billed in one lump sum, but can be paid monthly; May, June, July, and August will be billed separately.

To be eligible for residency, students must either be married, qualified single mothers or fathers with resident children, or single men or women students who are assigned apartment living by the Division of Student Services. To be eligible, students must be registered for a minimum of nine (9) semester hours per semester and for a minimum of one (1) semester hour during other terms. (Exceptions must be requested in writing to the Vice President for Student Services.)

THE STUDENT GOVERNMENTAL ASSOCIATION (SGA) is the official representative and legislative body of the students. Every student is a member of the association and is encouraged to participate in SGA sponsored activities and to counsel with members of the senate. The legislative assembly, composed of four elected officers and elected representatives from each of the classes, meets each week during the fall and spring terms. The Student Government Association provides an opportunity for democratic action and student participation in campus affairs.

INTRAMURAL SPORTS are sponsored through the Division of Student Services. This program is broad and inclusive, for both men and women. More information about intramurals is provided in the Student Handbook and in the Intramural Sports Handbook.

TELEPHONE jacks are provided in each residence hall room. Local and University extension service is provided. Long distance service is available. Cable television and campus computer network connections, including the Internet, are also provided.

STUDENT, ACADEMIC, AND COMMUNITY SERVICE ORGANIZATIONS

East Texas Baptist University offers opportunities for students to identify with and participate in the organization(s) of their choice. The Division of Student Services is directly responsible for assisting each organization and for administering the guidelines for student organizations.

ALPHA CHI is a national honor society dedicated to promoting academic excellence and exemplary character among students. Its membership is restricted to the upper academically ranked ten percent of students with junior or senior standing.

ALPHA PSI OMEGA (Omega Pi Cast) is an honorary drama fraternity. Eligible students are selected on the basis of high attainment in drama/theatre and scholastic ability.
ATHLETIC TRAINING STUDENT ASSOCIATION is an organization designed for students within the Athletic Training Education Program to further their knowledge of the profession of Athletic Training through fellowship, ministry, discussions, attendance at local, state and national workshops, and participation in the daily activities involving the intercollegiate program at ETBU.

BAPTIST STUDENT MINISTRY (BSM) is an agency of the Baptist General Convention of Texas. This organization provides opportunities for every student to start, develop, and deepen his or her Christian walk.

BEHAVIORAL SCIENCES SOCIETY consists of behavioral sciences majors and minors, psychology majors and minors, sociology majors and minors, social work students, and other interested persons. The organization seeks to promote interest in the study of anthropology, psychology, social work, and sociology, and to broaden academic horizons.

BLACK STUDENT FELLOWSHIP is an organization with the purpose of equipping and uniting all God’s children of all nationalities, races, genders, backgrounds, and worship styles.

CHAPEL CHOIR is a choral organization open to all students without an audition. Various styles of sacred music are rehearsed and performed in the University chapel services or in evening concerts.

CHEERLEADERS are selected during the spring for the subsequent academic year. If needed, supplementary tryouts are held the following September. This designated group attends and generates spirit for varsity athletic contests and is sponsored through the Division of Student Services.

COLLEGE REPUBLICANS are committed to educating the campus and community about republican principles as well as promoting general political answers and interest on campus.

CONCERT BAND is open to all students who play band instruments. The Concert Band plays for selected University functions and in area churches, presents one or more concerts each semester, and tours in the spring. Non-music majors and minors receive one credit hour for participation and successful completion of the course. Contact the Department of Music for further information.

CONCERT CHOIR is a select touring choir and is part of the Music Department. Membership in the Concert Choir is secured by a short and simple audition. Any student may audition. One hour of academic credit is given for participation.

DEBATE TEAM is open to all students interested in competitive speech, interpretation, or acting events. The team hosts UIL-type competitions for area high schools and attends several university-level tournaments.

DELTA CHI RHO is a men's fraternity with the purpose of sharing God's name and love through serving others on the campus and in the community.

DELTA PI THETA is a women's sorority with the purpose of sharing God's name and love through serving others on the campus and in the community.

FELLOWSHIP OF CHRISTIAN ATHLETES is an organization designed for athletes with the purpose of presenting athletes and coaches, and all they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, and serving Him in their relationships, on and off the playing field, and in the fellowship of the church.

HILTOP PLAYERS is comprised of students interested in dramatic activities. Members perform in dramatic productions and gain experience in production, directing, costume, and stage craft. The organization is under the direction of the Department of Theatre Arts.

INTERNATIONAL CLUB is open to all international students and those who have an interest in international relations. The purposes are to promote understanding and appreciation of people from varying cultures.

KAPPA KAPPA PSI is a men’s honorary service organization whose sole purpose is to serve the university band programs through service projects, fundraisers, social events and other projects as needed.
KINESIOLOGY PROFESSIONAL CLUB is for kinesiology majors or minors and is dedicated to improving understanding in this discipline. Members are selected on the basis of grades, interest, and ability.

LYCEUM is an organization to encourage commitment to excellence within the opportunities and experiences of communication provided by the Department of Communication.

PHI ALPHA THETA is the international history honor society which seeks to recognize students who have singular achievement in that discipline. The membership of the organization is composed of students and professors who have been elected to membership upon the basis of excellence in the study or writing of history. To be eligible for Phi Alpha Theta, undergraduates must have completed at least twelve (12) semester hours in history with a minimum grade point index of 3.1 and achieved no less than a 3.0 grade point average on two-thirds of the remainder of their academic work.

PI SIGMA EPSILON is an all-male service fraternity designed to help ETBU strengthen school spirit and campus morale through the execution of both recreational and educational activities. The fraternity is committed to being Christian in its beliefs, practices, methods, and purposes.

REACT (REACHING EVERY ASPECT OF CAMPUS TOGETHERNESS) is an organization for all students interested in planning, promoting, and conducting a variety of campus activities.

RESIDENCE HALL COUNCILS serve to assist the residence hall staff in improving the environment and activities of residential life.

SIGMA ALPHA IOTA is a national music fraternity for women. The Eta Eta Chapter at East Texas Baptist University accepts women students who have given evidence of musical ability and who have a grade point average of at least 2.5 overall and 3.0 in music.

SIGMA BETA DELTA is an international honor society in business, management, and administration that honors students who have attained superior records in business programs in schools and colleges with regional accreditation. To be eligible for membership, an ETBU business student must rank in the upper twenty percent of the junior or senior class and be invited to membership by the faculty officers of the Fred M. Hale School of Business chapter.

SIGMA DELTA PI is a national Spanish honor society which seeks to serve the needs of students who have achieved academic excellence in the language. The local chapter, Kappa Lambda, has for its eligibility requirements the completion of at least three semesters of college work, at least one advanced course in Spanish literature or culture and civilization, a minimum grade point average of 3.0 in all Spanish coursework, and a minimum average of 2.75 in the remainder of his or her academic work.

SIGMA PI SIGMA helps students prepare for their chosen profession. Speakers of various professions are invited to discuss the different aspects of their chosen career and the experience needed to excel. Members also tour numerous medical/professional schools.

SIGMA SIGMA EPSILON is a women's social and service sorority, exclusively Christian in its beliefs, practices, methods, and purposes. The group is committed to the enhancement of school spirit and campus morale by both supporting and initiating recreational and educational activities.

SIGMA TAU DELTA is a national English honor society. Membership requirements are junior or senior standing, a grade point average of 3.0 overall and in English, subscription to the purposes of the chapter and national corporation, and election to membership by three-fourths of the members of the chapter.

STUDENT FOUNDATION is adjunctive to the University Office of Institutional Advancement and serves to assist the University in its promotional and fund raising efforts. The East Texas Baptist University Student Foundation is an undergraduate alumni group. Application must be made for membership.

STUDENT GOVERNMENT ASSOCIATION provides a voice for the student body. Officers elected from each class meet weekly to plan events, deliberate over student concerns, communicate with the administra-
tion, and distribute funds for campus activities. Every student at ETBU is a member of the Student Government Association and is encouraged to attend all meetings.

**STUDENTS IN FREE ENTERPRISE** is a not-for-profit corporation supported by individuals, foundations, and corporations. SIFE’s purpose is to establish and direct student-generated free market educational programs at colleges and universities in order to help America’s collegians and citizens better understand and appreciate the free enterprise system.

**TAU BETA SIGMA** is a women’s honorary service organization whose sole purpose is to serve the university band programs through service projects, fundraisers, social events and other projects as needed.

**TEXAS NURSING STUDENTS ASSOCIATION** consists of students in nursing who are dedicated to working as a group to contribute to nursing education, to provide the highest quality health care, to provide programs representative of fundamental and current interests and concerns, and to aid in the development of the whole person.

**TIGERLINE** is a drill team designated to generate spirit for athletic and other university events. Members are selected in the spring for the subsequent academic year.

**UNIVERSITY SINGERS** is a select and auditioned group who tour the state representing ETBU. They perform as madrigals during the Christmas season and are part of the Concert Choir.

**WEBB HISTORICAL SOCIETY** is comprised of students interested in the history of the United States of America and Texas. Members encourage history education, assist in the collection of historical books and documents for various libraries, and assist in the preservation of Texas landmarks.

**OFFICIAL STUDENT PUBLICATIONS**

- **The BEACON** is a journal of student prose and poetry. It is published each spring by the Department of English and includes winning submissions to the Era Miller Writing Contest sponsored by Sigma Tau Delta.

- **The COMPASS** is the University newspaper, published monthly during the fall and spring semesters by a student staff. It represents a voice of the student body and publishes current news on campus life.

- **The MARTIAN**, the University yearbook issued each fall, records all phases of University life.

Staff applications for the **COMPASS** and **MARTIAN** are made to the Director of Public Relations.

**AWARDS AND MEDALS**

- **AWARD FOR EXCELLENCE IN READING**—The Mary Lu Wiley Reading Award—is presented to an outstanding elementary education student who has demonstrated high academic scholarship in all areas and specifically in the field of reading/language arts, qualities of personal and professional leadership, and dedication to the reading profession.

- **BANK ONE AWARD** of $100 is given to that student majoring in the Department of Business who is recommended by the business faculty as being the most likely to succeed and who is approved by the faculty.

- **HOWARD C. BENNETT SPEECH AWARD** of $100, established by Susan Bennett Livingston in honor of her father, is granted annually to the graduating senior chosen in competitive participation by a panel of judges. Qualifications related to the award are to be determined in consultation with members of the Department of Communication.

- **ELIZABETH BRICE BETHEA MEMORIAL SCHOLARSHIP**, awarded by the Cypress Junior Women’s Club of Marshall, Texas, provides an annual scholarship in the amount of $500 in memory of Mrs. Elizabeth Brice Bethea because of her interest in and dedication to the art of music. The award is given to an outstanding and promising junior or senior music student with a high grade point average. Each spring the faculty of the Music Department presents nominees for this award to the Cypress Junior Women’s Club. Final selection of the recipient is made by the Cypress Junior Women’s Club.
**DELTA KAPPA GAMMA AWARD** is presented annually to an outstanding senior who plans to enter teaching as a profession. Selection of the recipient is made by Delta Kappa Gamma, an honorary society of women in education.

**DEPARTMENTAL OUTSTANDING STUDENT AWARD.** Each department, using specified criteria for that department, selects an outstanding student each year to receive this special recognition.

**DR. MARIE FRANKS KINESIOLOGY PROFESSIONAL CLUB SCHOLARSHIP** is issued to a student who has completed ninety (90) semester hours, is a kinesiology major or minor, and has a cumulative GPA of 3.0 or higher.

**FRESHMAN CHEMISTRY AWARD** is awarded to the student judged to be outstanding in general chemistry by the teacher of that course.

**WILLIAM S. “BILL” GEAN PHI BETA LAMBDA OUTSTANDING LEADERSHIP AWARD** is established by Phi Beta Lambda in honor of its past president, William S. Gean. The recipient must be an active member of Phi Beta Lambda business fraternity, maintain a GPA of 3.0, and possess good character and Christian ethics.

**DR. HARM HARMS AWARD** is presented to a student who has excelled in any area of business. Dr. Harms, author of *Methods of Teaching Business and Distributive Education*, served as professor of accounting, business education, shorthand, and business communication until his retirement at the age of 81. The student's name will be engraved on a plaque which is displayed in the Fred M. Hale Business Building.

**HIBERNIA NATIONAL BANK AWARD** of $100 is given to that student considered by the faculty as being the most proficient in first year calculus and worthy of the award.

**ROBERT L. HUNT AWARD FOR OUTSTANDING ACHIEVEMENT IN ACCOUNTING** is given to that student, chosen by the business faculty, who has excelled in the field of accounting.

**McKINNEY AWARD** is endowed by W.E. McKinney of Corsicana, Texas, for the junior or senior student who is considered by the English faculty to be the most proficient in the use of the English language. This student must have approval of the entire faculty.

**ERA MILLER CREATIVE WRITING AWARDS** are granted annually to students who demonstrate unusual ability in creative writing. The awards were created by the Department of English in tribute to Mrs. Era Reynolds Miller.

**EDWIN F. MOORE AWARD IN ECONOMICS** is presented to the student, chosen by the business faculty, who has excelled in the study of economics. Dr. Moore served as chairman of the Department of Business until his retirement in 1978.

**OUTSTANDING FRESHMAN ACHIEVEMENT AWARD** is presented to the freshman judged to have exhibited outstanding achievements during the school year. The recipient is chosen by the faculty, voting by secret ballot. A plaque is presented to the student in recognition of this honor.

**DOROTHY PAGE POOLE SPEECH SCHOLARSHIP** is given to a young lady of sophomore standing or above who plans to major in speech communication. The student must have and maintain a GPA of 3.0.

**PRESIDENT’S AWARD** is given by the Board of Trustees of the University to the graduating senior adjudged by the faculty to be the best all-around student enrolled in the University. Scholastic ability and development, degree of involvement in activities which reflect the ideals of the institution, character and integrity, and general attitude will be considered in making the award. A plaque is presented to the student in recognition of this honor.

**DEXTER LEE RIDDLE MUSIC AWARD** consists of $100 and a plaque. The award was established by Francis Cone Riddle, David C. Riddle, Brian Lee Riddle and Martha Riddle Speakman in memory of their...
husband and father, who served from 1946 to 1958 as the chairman of the Department of Music at ETBU. The award is presented annually to an outstanding sophomore, junior, or senior music major as determined by the music faculty.

**SIGMA ALPHA IOTA COLLEGE HONOR AWARD** is given to the member of Sigma Alpha Iota who is recommended by the chapter and by the Department of Music, and who excels in musicianship, scholarship, and general contribution to the department and to the chapter.

**DELORES NEALLY SPRUELL AWARD** of $100 is presented annually to the senior elementary education major recommended to the faculty by the Department of Teacher Education as the student most likely to succeed as an elementary teacher. The award was established by Eugene Spruell to honor his wife, a 1961 elementary education graduate.

**EARL THAMES AWARD** for the senior business student who best exhibits Christian character.

**UNIVERSITY WOMAN’S CLUB SENIOR CALL-OUT AWARD**, inaugurated in 1947, is made annually with traditional ceremony to recognize the young woman of the senior class judged to be outstanding in leadership, courtesy, kindness, appreciation of the beautiful, love of scholarship, self-discipline, devotion to duty, and intelligent Christian living. The senior so honored has her name inscribed on a bronze tablet presented to the club by Miss Sallie M. Duncan and receives a personal trophy from the club.

**JIM AND THELMA WILLIAMS AWARD** was created by children of Mary Thelma Robertson Williams and the late James Chambers Williams as a memorial to him and to honor her by recognizing outstanding work done by a student pastor each year. The award consists of $500 and a plaque.

**CARROLL WILSON AWARD** is given in honor of Mrs. Wilson who was one of the Founding Faculty of the Frank S. Groner Endowed Memorial School of Professional Studies. This monetary award is given to a graduating senior nursing student deemed to be outstanding by consensus of nursing faculty.

**SARA JANE YOUREE AWARD** of $50 is presented to a young man in the Teacher Education Program. The recipient is selected by the Department of Teacher Education faculty.

**JANICE WALKER WROTENBERRY MUSIC SCHOLARSHIP FUND** was established in memory of Janice by her husband, Clint, and their children. This scholarship provides voice study for female students selected by the music faculty.

**STUDENT LIFE GUIDELINES**

East Texas Baptist University encourages and strives to enhance the personal growth of each student. It is the belief of East Texas Baptist University that individual growth and maturity imply increased self-direction and responsibility.

In a society of individuals dedicated to the common cause of Christian education, it becomes necessary for each member to subscribe to and support a body of rules and regulations designed to protect the rights and privileges of each member. By voluntarily becoming a member of this society, the individual agrees to support and abide by these same regulations.

Students are responsible for knowing and abiding by the rules and regulations contained in the University Catalog and the Student Handbook. Students must also abide by the additional rules and regulations found in the Guide to Residential Living, Parking and Traffic Regulations and Information, and any rules posted throughout the year in the residence halls or other student housing facilities.

A full discussion of the rules and regulations may be found in the Student Handbook. The following selected ones should be especially noted:

1. The possession or consumption of alcoholic beverages on or about campus is prohibited. Students may not enter the campus under the influence of intoxicating beverages.
2. The use or possession of illegal drugs is prohibited. Students are required to be in compliance with all local, state, and federal laws regarding controlled substances including, but not limited to, their
sale, use, possession, or manufacture. For the purpose of complying with the legal certification requirements of the U.S. Department of Education for Drug-Free Schools, each student is required to be familiar with the contents of a pamphlet and to provide a signature attesting to this fact.

3. Gambling in any form is not permitted.
4. The on-campus possession of firearms, explosives, or fireworks is prohibited.
5. Hazing in any form is not permitted.
6. Students who marry while enrolled in the University are required to inform the Office of Student Services in order to update personal records.
7. Dress code regulations as listed in the Student Handbook and the University Catalog are to be observed.
8. Cheating and plagiarism are violations of academic discipline (see Academic Discipline Section).
9. Personal and corporate moral responsibility demands the highest standards of biblical sexuality in keeping with our Christian heritage.
10. Students arrested by law enforcement officials for suspected criminal activity or for the alleged commission of a crime will also be subject to disciplinary action in accordance with University guidelines, in addition to any penalties assessed by any civil entity.

INTERCOLLEGIATE ATHLETICS DRUG ENFORCEMENT AND SCREENING

In accordance with the University’s affiliation with the National Collegiate Athletic Association, all athletes are required to participate in an alcohol/drug education program. This education program may include random drug testing of student athletes.

A full statement of University procedures and policies related to drugs and intercollegiate athletics is available upon request to the Director of Intercollegiate Athletics.

DREAD AND INFECTIOUS DISEASES

East Texas Baptist University does not illegally discriminate on the basis of disability, including dread and infectious diseases. Students with contagious, infectious, long-term, life threatening, or other serious diseases may continue to enjoy the benefits of all aspects of the University’s educational program as long as, with reasonable accommodation, they are physically and mentally qualified to participate in the programs without undue risk to their own health or that of other students or employees of the University.

In its effort to accommodate a disability, it may be necessary for the University to request additional medical information from the student. The failure of any student to cooperate in obtaining necessary medical information may result in disciplinary action.

After consultation with public health experts, University officials will determine the ability of the institution to reasonably accommodate students with contagious diseases. Their determinations will be based on consideration of various factors. Among the factors to be considered are:

1. The duration of the risk.
2. The nature and severity of the potential harm.
3. The likelihood that the potential harm will occur.
4. The imminence of the potential harm.

UNIVERSITY SAFETY AND SECURITY

The University utilizes off-duty Marshall Police Department officers to provide security for the campus. Student officers monitor parking and traffic. All vehicles operated on the University campus must be registered with University Safety and Security. Vehicle registration forms may be picked up in the Business Office in Marshall Hall. Fines for traffic violations may also be paid at the Business Office.
Personal attire that is in good taste and in keeping with the standards conducive to a positive Christian learning environment is expected for class attendance and university business. Students should observe the guidelines for dress listed in the *Student Handbook*.

Student behavior in classes is expected to be respectful of faculty, fellow students, and any classroom visitors. Students should observe any other behavioral or dress expectations given by the faculty member, as well as guidelines in the *Student Handbook*. Please consult the *Student Handbook* for disciplinary and appeal procedures.
The fees below are for the academic year June 1, 2004 to May 31, 2005. The University reserves the right to change any of these charges unless covered by the “Guaranteed Cost Plan” at the beginning of any semester or term, provided economic conditions justify the change.

GUARANTEED COST PLAN

- A flat rate for tuition, fees, room, and board is guaranteed for 4 years (8 semesters).
- Guarantee applies to students taking 12 to 18 hours. An hourly charge will apply to students taking fewer than 12 or more than 18 hours in a semester. The rate does not include music fees or similar special fees applicable to some programs or courses.
- This guarantee assumes continuous full-time enrollment. If a student has no more than a single one semester break in attendance their rate will remain the same; however, the student’s eight-semester rate may not extend beyond ten semesters from initial enrollment.
- Students missing more than one semester in a row will re-enter at the current guaranteed rate.
- Students who enroll in more than eight semesters will move to the guaranteed rate of the student group following them.
- Room and Board Guarantee: Students in housing with full kitchens will have a 10 meal per week plan. Students in housing without full kitchens will have a 20 meal per week plan.
- Students enrolled full-time for the academic year (fall and spring) may take one 3-hour course in either the May, June or July term at no additional cost. (This begins with the June 2004 term)
- If a course is dropped and the total hours remain within the range of 12 to 18 hours, there will be no refund generated. In order to remain qualified for the “Guaranteed Cost Plan” a minimum of 12 hours must be maintained past the refund schedule period.

The student center, library, computer laboratories, Dean Healthplex, and most laboratories; admission to athletic events, most concerts, and social activities, as well as check cashing services and selected student publications are included in tuition.

HOUSING
All full-time single students (not living with parents or close relatives) are required to live on-campus and participate in the food service program. All single international students are required to live in campus housing and participate in the food service program. The University reserves the right to revoke registration and/or institutional aid of any unmarried student who fails to comply with this policy. Any exceptions to the policy must be granted in writing by the Vice President for Student Services.

PAYMENT OF CHARGES
A student’s tuition, fees, room, and board charges for each academic period are due and payable at the time of registration and prior to attending classes. Visa, Mastercard, Discover, and American Express may be used to make payments on student accounts. Payments may also be made through the ETBU website with a credit card, savings account, or checking account. The University offers a deferred payment plan (for fall and spring semesters) which permits payment of each semester’s charges to be made in three installments. Information about the payment plan is available in the University Business Office. The University may deny class attendance to students who fail to pay or make arrangements for their bill in accordance with University policy. Payment in full of all semester charges must be made in the Business Office before a student may enroll for an ensuing semester, obtain an official transcript or receive a diploma at graduation.

EARLY REGISTRATION
Early registration is offered each semester to students in good standing with the University. All charges are due and payable upon the issuance of semester billing statements. To hold advance registration, payment must be made on or before the date published in the academic calendar. If payment is not received in the Business Office by the appropriate date, the pre-registration will be revoked, the student will lose his/her class schedule and the student will have to register again during the scheduled registration period.

In general, purchases at the University Bookstore must be by cash or credit card. However, students with financial aid/scholarships in excess of tuition, fees, room and board, may charge books and supplies for a limited time period at the beginning of each semester. This period will end one week after the last day to add a class, for Fall and Spring semesters, and one day after the last day to add a class for May, June, and July terms. Students eligible to charge will be given vouchers by the Business Office each semester.

STUDENT ACCOUNTS
Student accounts may include only charges for tuition, course related fees, housing, meal plans, and student insurance. Fees for parking fines, miscellaneous fees, disciplinary fines, library fines, etc. must be paid at the time the expense is incurred. Unpaid fines will be charged to the student account at the end of each semester.

DELINQUENT ACCOUNTS
If a student account becomes delinquent and is determined to be uncollectible, it may be necessary to submit the account to a third party for collection. All collection costs, including legal fees, will be charged to the student account balance. The University reserves the right to charge interest on all delinquent accounts.

REFUNDS
Registration with the University is considered a contract binding students for the entire academic period.
A student finding it necessary to withdraw from the University must officially withdraw through the Registrar’s Office. This official withdrawal must be accomplished before any consideration can be given by the Business Office for granting refunds.

If a course is dropped and the total hours remain within the range of 12 to 18 hours, there will be no refund generated. In order to remain qualified for the “Guaranteed Cost Plan” a minimum of 12 hours must be maintained past the refund schedule period.

Failure to attend class or simply notifying an individual instructor of intent to withdraw will not be regarded as an official withdrawal.

When a student in good standing withdraws or drops from classes for reasons approved by the administration, eligibility for refunds will be determined as follows:

A class day (or day of class) is defined as any weekday for which regular classes are scheduled.

**FALL AND SPRING SEMESTER REFUND SCHEDULE**

*Tuition and Room Refunds*

- Through the second day of class ..........................................................100% refund
- During the third through fifth class day..................................................80%
- During the sixth through tenth class day ..............................................60%
- During the eleventh through fifteenth class day ....................................45%
- During the sixteenth through twentieth class day .................................25%
- After the twentieth class day .................................................................0%

*Board Refunds*

Prorated refund based on sixteen (16) weeks.

**MAY, JUNE, AND JULY TERM REFUND SCHEDULE**

*Tuition and Room Charges*

- Through the first day of class ..............................................................100% refund
- During the second day of class ............................................................80%
- During the third day of class ...............................................................60%
- During the fourth day of class .............................................................45%
- During the fifth day of class .................................................................25%
- After the fifth day of class .................................................................0%

The date of withdrawal upon which refunds are based will be the date that the completed withdrawal card is presented to the Registrar for processing.

Students are cautioned that withdrawal from courses or failure to maintain satisfactory academic progress toward a degree may cause partial or total loss of financial aid.
Based on the individual’s application and eligibility, East Texas Baptist University will determine appropriate student awards and will send the applicant an online award letter identifying the financial aid offered. Problems may arise, whether within or beyond the student’s control, which prevent identified financial aid awards from materializing (e.g., failure of the student to comply promptly with instructions, rejection of the applicant by an outside agency, and changes in federal or state regulations or funding). Therefore, the University reserves the right to review and modify any awards because of changes in an individual’s financial status, changes in eligibility requirements, lack of satisfactory academic progress, limited federal or state funding, or any other unforeseen events. In any such event, the Financial Aid Office will assist to the best of its capability, but the student remains fully responsible for all charges. A financial aid recipient is responsible for determining, before registration, whether personal resources plus financial aid will be sufficient to meet expenses. Students failing to demonstrate financial responsibility may be denied initial registration or barred from further attendance during the semester.

FEDERAL PROGRAMS

The federal programs which are identified as Title IV Financial Aid include Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study Program (FWS), Federal Perkins Loan Program, and Federal Family Education Loan Program (FFELP). Students who already possess a bachelor’s degree are ineligible for Federal Pell Grant and FSEOG. A brief description of the programs follows:

**FEDERAL PELL GRANT**
The Federal Pell Grant provides a “foundation” of financial aid with eligibility determined by the U.S. Department of Education.

**FSEOG**
The FSEOG is an award to help undergraduate students pay for their education. ETBU identifies FSEOG recipients with the awards going to students who have the greatest need as determined by the U.S. Department of Education.

**FWS**
The FWS is a program in which a student works part-time on campus or in the community service program. Recipients must have financial need as determined by the Department of Education.

**FEDERAL PERKINS LOAN**
The Federal Perkins Loan is a low-interest loan to help students pay for their education. ETBU identifies recipients with financial need as determined by the Department of Education. The Federal Perkins Loan must be repaid.

**FFELP**
FFELP includes the Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, and the Federal Parent Loan for Undergraduate Students (PLUS). Under the Federal Subsidized Stafford Loan a student may borrow funds for educational expenses and the interest does not accrue until six months after graduation or enrollment of at least half-time ceases. The Federal Unsubsidized Stafford Loan is similar to the Federal Subsidized Stafford Loan with the exception that interest accrues while the student is enrolled. The Federal PLUS borrower is the parent of a dependent student.

STATE PROGRAMS

There are six State of Texas programs: the Texas Tuition Equalization Grant (TEG), Leveraging Educational Assistance Partnership Program (LEAPP), Texas Work-Study Program (TWS), Texas Grant (TG), and Teach for Texas Condition Grant (TTCG), and the Hinson-Hazelwood College Student Loan Program (HHSL). These programs are available only to Texas residents.

**TEG**
The TEG is designed to help equalize tuition between state supported and private schools. To receive a
TEG, a student must show financial need, must be enrolled on at least a half-time basis, and may not be enrolled in a theological or religious degree program.

**LEAPP**
The LEAPP is funded by a federal grant provided to the State of Texas. LEAPP qualifications are identical to the TEG program. To receive a LEAPP, students must also be receiving a TEG.

**TWS**
The TWS is a program in which a student works part-time on campus or in community service. Recipients must have financial need as determined by the Department of Education.

**HHSL**
The HHSL offers a College Access Loan Program (CAL) to Texas students who need additional loan funds for their educational expenses. The interest on a CAL accrues while the student is enrolled and the student must have a cosigner for the loan.

**TG**
The TG Program is for students that graduated in the recommended or advanced high school curriculum from a Texas high school no earlier than fall 1998. They must show financial need, enroll at least 3/4 time, and have not been convicted of a felony or a crime involving a controlled substance.

**TTCG**
The TTCG Program is to encourage students to become certified teachers in a field having a critical shortage or in communities having a critical shortage of teachers. Applicants must meet the following criteria: Texas resident, CGPA of 2.5 (making satisfactory academic progress), show financial need, and have been recommended by the Dean of the School of Education.

**ETBU PROGRAMS**
If financial aid is provided from the ETBU programs, this financial aid is an integral part of a student’s financial aid and must be considered as filling part of the student’s total financial need. A student’s financial need is the difference between ETBU’s cost of education and a calculated amount that the family is expected to contribute toward costs. The expected family contribution (EFC) is calculated from data (income, assets, etc.) submitted by the student on the Free Application for Federal Student Aid (FAFSA).

ETBU provides financial aid to students in the form of academic fellowships, academic scholarships, unfunded scholarships, performance scholarships, other scholarships and work study. Academic fellowships and academic scholarships indicate academic excellence and require a specific academic standing (to include maintaining a set cumulative grade point average). Awards and grants-in-aid are identified for categories of students (e.g., ministry students).

**OTHER PROGRAMS**

**REHABILITATION ASSISTANCE**
Each state’s rehabilitation commission may offer assistance for tuition and required fees to students who have handicaps.

**VETERANS ASSISTANCE**
Students who have eligibility for veterans benefits will receive them while in attendance at ETBU. All VA students should contact the Veterans Administration or the ETBU Financial Aid Director for further information and application forms.

**SCHOLARSHIPS AND GRANTS FROM OUTSIDE SOURCES**
Scholarships are provided to students by other agencies, clubs, and honor societies. ETBU is not an agency for these organizations and students must make application through the individual agency. These scholarships/grants provided by outside donors will be administered by ETBU in accordance with the conditions specified by the donor. Outside scholarships and grants are an integral part of the student’s total financial need.
HOW TO APPLY FOR FINANCIAL AID

INITIAL APPLICATION

Students applying for financial aid must submit required applications to the ETBU Financial Aid Office. Necessary applications are available upon request from the Admissions or Financial Aid Office. A student is awarded financial aid after his/her financial aid file is complete. A complete financial aid file contains the following:

1. Application for Undergraduate Admission and Financial Aid (New students only).
2. Student Aid Report (SAR) - The SAR is the result of the Free Application for Federal Student Aid (FAFSA).

If the SAR requires verification, documents required include federal tax returns, Verification Worksheet, and/or other documents concerning untaxed income and benefits. The applicant will be notified from the Financial Aid Office as to exactly which documents are required.

Students may enter their FAFSA information through the Internet by accessing the website: www.fafsa.ed.gov and following the outlined procedures. The East Texas Baptist University Title IV code is 003564. The student is responsible for mailing the signed signature page to the address provided on the website.

After the student has completed his/her financial aid file, the student will be notified about his/her eligibility for financial aid awards. If the student has been awarded financial aid that requires additional applications (e.g. Federal Stafford Loan), these applications will be included with the initial award letter.

Priority deadline for filing for financial aid is June 1 for fall enrollment and October 1 for spring enrollment. Late applications will be accepted, but the University cannot ensure processing in time to make a formal offer of financial aid by registration day.

STUDENT STATUS

For the purpose of establishing eligibility for financial aid, undergraduate students are full-time students if enrolled for twelve (12) or more semester hours, three-quarter time if enrolled for nine to eleven (9-11) semester hours, and half-time if enrolled for six to eight (6-8) semester hours. Students below part-time status are not eligible for federal/state financial aid. Audit hours are not counted when a student’s status is determined.

MAY AND SUMMER TERMS

Financial aid is available but limited during the May and summer terms. Students are required to complete a separate application and must be enrolled or enrolling in the fall or spring semester before or after the term. Applications for May and summer terms are available in the Financial Aid Office approximately six weeks prior to the term start date.

RENEWAL

For renewal of financial aid, a new FAFSA and supporting documents must be submitted each academic year. The awarding of federal and state aid for subsequent years is subject to the same considerations as those identified for initial aid. The same priority deadline is applicable for renewal applications.

NON-DEGREE SEEKING STUDENTS

Students not enrolled in a degree program or not seeking teacher certification are not eligible to receive Title IV assistance or state financial aid.

SATISFACTORY ACADEMIC PROGRESS FOR STUDENTS RECEIVING FINANCIAL AID

The U.S. Department of Education (DOE) guidelines require the Financial Aid Office at ETBU to monitor academic progress. This is accomplished through utilization of a quantitative measure (time) and a qualitative measure (cumulative grade point average). A student placed on academic probation at the end of any semester or term will also be placed on financial aid probation. The student will be allowed to receive financial aid during the initial academic probation period. A student will be allowed one (1) financial aid probation during enrollment at ETBU based on DOE guidelines. Financial aid suspension will occur when a student has been placed on academic probation for more than one (1) term. A student is not eligible to receive financial aid while on financial suspension.
A student is placed on financial aid suspension when his/her cumulative grade point average falls below the following minimum standards:

<table>
<thead>
<tr>
<th>Hours Attempted</th>
<th>Minimum GPA</th>
<th>Financial Aid Suspension</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-29</td>
<td>1.50</td>
<td>1.49 or less</td>
</tr>
<tr>
<td>30-59</td>
<td>1.75</td>
<td>1.74 or less</td>
</tr>
<tr>
<td>60 or above</td>
<td>2.00</td>
<td>1.99 or less</td>
</tr>
</tbody>
</table>

Department of Education guidelines further state that “... at the end of the second academic year, the student must have either a ‘C’ average or its equivalent, or have academic standing consistent with the requirements for graduation from the program....”

The graduation requirement at ETBU is a 2.00 cumulative grade point average (“C” average), and as such, to be considered for financial aid, a student must maintain a 2.00 cumulative GPA after the second academic year.

To determine that a student is progressing quantitatively, the University has set a minimum number of degree semester hours which must have been successfully completed at the end of a given student’s academic year. For financial aid purposes, a full-time student pursuing a bachelor’s degree has a maximum of six (6) years to complete the degree, and a full-time student pursuing an associate degree has three years to complete the degree. Non-full-time students are allowed additional years of financial aid eligibility on a prorated basis. The following chart delineates this minimum total number of degree semester hours which must be successfully completed by the end of each academic year. Degree semester hours completed during the short terms will be utilized in computation of the cumulative GPA.

By the close of each academic year, a student must have successfully completed at least the number of credits listed according to the chart below.

<table>
<thead>
<tr>
<th>Year</th>
<th>Year</th>
<th>Year</th>
<th>Year</th>
<th>Year</th>
<th>Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student Status</td>
<td>1</td>
<td>2</td>
<td>3</td>
<td>4</td>
<td>5</td>
</tr>
<tr>
<td>Full-time</td>
<td>20</td>
<td>40</td>
<td>60</td>
<td>80</td>
<td>100</td>
</tr>
<tr>
<td>3/4 time</td>
<td>15</td>
<td>30</td>
<td>45</td>

<td>75</td>
</tr>
<tr>
<td>Part-time</td>
<td>10</td>
<td>20</td>
<td>30</td>
<td>40</td>
<td>50</td>
</tr>
</tbody>
</table>

The hours required for a degree from ETBU will vary with the degree and major, but one hundred twenty (120) semester hours is the minimum number for a bachelor’s degree and sixty (60) semester hours is the minimum for an associate degree.

RETURN OF TITLE IV FUNDS
If a student withdraws prior to the receipt of aid, the aid award is cancelled. If a student withdraws on or before the 60% point in time of period of enrollment, calculated using calendar days, a portion of the total of all Title IV funds awarded to a student (Pell Grant, Supplemental Educational Opportunity Grant, Federal Stafford Loan, Federal PLUS Loan and Federal Perkins Loan) must be returned, according to the provisions of the Higher Education Act Amendments of 1998. The calculation of the return of these funds may result in the student owing a balance to the University and/or the Federal Government.

TRANSFER STUDENTS
A transfer student is initially assumed to be making satisfactory academic progress upon his/her enrollment at ETBU. ETBU will use the number of hours accepted from the student’s previous institution(s) in placing a transfer student within the maximum time frame for degree completion according to the following schedule:

Zero to eleven (0-11) semester hours accepted; equivalent to an incoming freshman
Twelve to twenty-three (12-23) semester hours accepted; equivalent to 1 semester completed
Twenty-four to thirty-five (24-35) semester hours accepted; equivalent to 2 semesters completed
Thirty-six to forty-seven (36-47) semester hours accepted; equivalent to 3 semesters completed
Forty-eight to sixty-four (48-64) semester hours accepted; equivalent to 4 semesters completed
Sixty-five to seventy-six (65-76) semester hours accepted; equivalent to 5 semesters completed
More than seventy-six (76) semester hours will be reviewed on an individual basis.
PART-TIME STUDENTS

A part-time undergraduate student must also maintain a 2.00 cumulative GPA on ETBU hours. A student may not be eligible for some financial aid programs based on a part-time enrollment status. Because of limited funding, most programs require a student to be enrolled full-time.

APPEAL PROCESS

Financial aid ineligibility decisions may be appealed in writing to the Scholarship and Financial Aid Committee. The student will be notified in writing of the decision of the Committee.

FINANCIAL AID REINSTATEMENT

A student who has not maintained satisfactory academic progress can reestablish eligibility by improving sufficiently to meet the designated standards. In re-establishing eligibility, courses taken during an off semester schedule or at other schools and accepted by ETBU are included in determining progress toward a degree.

SCHOLARSHIPS

Scholarship awards available to students are: academic fellowships, academic scholarships, unfunded scholarships, performance scholarships, and other scholarships. These scholarships are under the direct administration of the University and are considered annual awards which are evenly divided between fall and spring semesters. Students awarded any such award(s) beginning with the spring semester will receive one-half the total award for the first semester and then, subject to renewal criteria, will become eligible for the total award beginning with the fall semester. The following general requirements apply to University administered scholarships. In cases where there are specific requirements that apply to a given scholarship, grant, or award, these requirements take precedence:

1. The University reserves the right to cancel or adjust any scholarship or grant-in-aid for reasons considered justifiable (e.g., academic probation, disciplinary probation, over awarded).
2. The right to hold a scholarship or grant-in-aid is contingent upon the maintenance of a satisfactory academic record and progress toward a degree.
3. Recipients must be classified as full-time students to receive scholarships (Twelve (12) or more semester hours).
4. Recipients must be campus residents, with the exception of married students and single students living with legal guardians or parents within commuting distance.
5. All recipients must maintain the grade point average requirements outlined in the description of the specific award. If no GPA is specified, a 2.0 cumulative GPA is required for renewal.
6. No recipient may receive more than two academic scholarship awards in any one semester nor more than two unfunded scholarship awards in any one semester. Unfunded scholarships, as identified by an asterisk (*), are those awards for which there are no specific funds endowed to pay for those awards but are included in the University budget.
7. Scholarships are awarded on a year-to-year basis, and application for renewal must be made by June 1 of each year. If a student loses an award because of failure to meet established criteria, the student must again apply when eligibility is established. This new application will not guarantee reinstatement of the award. In the event a student receives a scholarship, the renewal of the scholarship is contingent upon the student’s continued attendance at ETBU without interruption and upon the availability of funds.
8. Scholarships are applicable to direct University charges only (tuition, fees, books, room, and board) and may not be included when calculating amounts subject to cash withdrawal from a student account.
9. Unusual circumstances may justify the waiver of any given scholarship requirement (e.g., serious illness or injury causing withdrawal; a student must live with a relative to provide health care) and students may appeal these requirements by writing the Scholarship and Financial Aid Committee, requesting a waiver and providing justification. The committee will consider and decide upon the merits of each appeal.
10. ETBU scholarships for off-campus related study abroad are available on a limited basis.
ACADEMIC FELLOWSHIPS

H.D. BRUCE SEMIFINALIST NATIONAL MERIT/ NATIONAL ACHIEVEMENT FELLOWSHIP

The H. D. Bruce Semifinalist National Merit/National Achievement Fellowship covers tuition, fees, room, and board for fall, spring and one short term. A student receiving this fellowship is not eligible to receive any other ETBU funded or unfunded scholarships. Requirements include: entering freshman, full-time student status (twelve (12) semester hours or more), campus residency, completed application for admission (including all credentials required), and being a Semifinalist National Merit/National Achievement award recipient. Renewal requires a 3.5 cumulative GPA. This award is limited to two recipients and is available for four academic years.

EARL AND PATSY HOLLANDSWORTH ACADEMIC FELLOWSHIPS

The Earl and Patsy Hollandsworth Academic Fellowship covers tuition for fall, spring and one short term. A student receiving this fellowship is not eligible to receive any other ETBU funded or unfunded scholarships. Requirements include for entering freshman: an ACT composite score of 30 or SAT combined score of 1320, upper 25 percent of graduating class, full-time student status (twelve (12) semester hours or more), campus residency, and completed application for admission, including all credentials required. Renewal requires a 3.5 cumulative GPA. This award is competitive and is available for four academic years. A separate application, supporting documents, and portfolio are required and a deadline date is enforced. Contact the Admissions Office for additional information.

ACADEMIC SCHOLARSHIPS

The following scholarships are awarded in the amounts indicated. Funding limitations restrict the number of these scholarships. They are awarded on a first-come, first-serve basis. Requirements include full-time student status (twelve (12) semester hours or more) and a completed application for admission, including all credentials required. Other requirements are as specified for each scholarship. These scholarships are available for four academic years. The double astrix (**) represents the amounts for students entering in the Fall 2004 semester.

HIGH SCHOOL HONOR GRADUATE SCHOLARSHIP

The High School Honor Graduate Scholarship is $1,350** per year. The recipient must be an entering freshman and valedictorian or salutatorian of his or her high school class.

COLLEGE TRANSFER SCHOLARSHIP*

*(SEE SCHOLARSHIPS ITEM 6)

The College Transfer Scholarship is available initially to first-time students only who have completed at least sixteen hours at another school. Cumulative GPA requirements and scholarship amounts are:

- Level I—CGPA 3.20 or higher ................................................$2,800** per year
- Level II—CGPA 2.75-3.19........................................................$1,500** per year

College Transfer Scholarships are renewable for three academic years.

UNIVERSITY SCHOLARSHIP*

*(SEE SCHOLARSHIPS ITEM 6)

The University Scholarship is available for a maximum of four years to entering freshmen. Eligibility requirements are the student's ACT/SAT scores as follows:

Renewal Requirements

- Level I ACT = 28-29 or SAT = 1240-1310 ..................$4,000** per year ..........3.3 CGPA
- Level II ACT = 26-27 or SAT = 1160-1230 .................$2,800** per year ..........3.2 CGPA
- Level III ACT = 24-25 or SAT = 1090-1150 ..............$2,000** per year ..........3.0 CGPA

DEPARTMENTAL SCHOLARSHIPS

The academic departments of the University award a number of departmental scholarships to undergraduate students who demonstrate an interest and ability in the disciplines of the department. Inquiries should be directed to the respective chairman of the academic department. Requirements include: audition, interview, and/or testing by the department, full-time student status (twelve (12) semester hours or more), and major or minor in the department making the award. For renewal, students must meet a departmental specified GPA and at the end of each semester the department will review the student’s performance. If the student’s per-
performance has proven satisfactory and the student continues to meet scholarship criteria, the scholarship will be renewed.

OTHER SCHOLARSHIPS AND GRANTS

STUDENT GOVERNMENT WORK-GRANTS

of $1,000 each are awarded to the four elected officers of the Student Government Association (President, Vice President, Treasurer, Secretary). This award is based on the election results for the fall semester. The award will be renewed for the spring semester if the student’s leadership and service performance has proven satisfactory and the student continues to meet the award criteria. The Student Government Association falls under the supervisory capacity of the Vice President for Student Services.

THE CHRISTIAN LEADERSHIP SCHOLARSHIP*

*(SEE SCHOLARSHIPS ITEM 6)

is available to students who exhibit exceptional Christian leadership. Any one of the following criteria may be used in the selection process: campus or church leadership, Baptist life involvement, leadership training, and servant ministry. Amounts range from $750 to $3,750 annually. A separate application is required and these qualities must be certified by the student’s pastor or youth minister. Renewal requires a 2.0 cumulative GPA.

THE SIBLING SCHOLARSHIP*

*(SEE SCHOLARSHIPS ITEM 6)

is $1,000** per academic year to each sibling attending ETBU concurrently.

THE CHRISTIAN EDUCATION COOPERATIVE GRANT*

*(SEE SCHOLARSHIPS ITEM 6)

will match a church scholarship up to $1,000** per year. To receive the Christian Education Cooperative Grant, a student must be enrolled full-time. Renewal requires a 2.0 cumulative GPA, continued support from the student’s church, and annual church certification.

THE MINISTRY SCHOLARSHIP

of $60 per semester hour is available to students who are pursuing careers in the vocational ministry, $50 if receiving a full-tuition scholarship. Requirements include being certified, licensed, or ordained by a church cooperating with the Southern Baptist Convention, recommendation from the student’s church and pastor, and submission of forms required by the Spiritual Development Office. Students who receive the award are required to complete specific religion and/or music courses. Renewal requires a 2.0 cumulative GPA and completion of renewal forms through the Spiritual Development Office.

THE MINISTER’S DEPENDENT SCHOLARSHIP

is $750** per academic year and is available to students whose family members are full-time employees of a Southern Baptist church or agency.

MISSIONARY SCHOLARSHIP

Students who receive the International Mission Board Post-Secondary Missionary Allowance are also eligible to receive from East Texas Baptist University a scholarship equal to $2,500 per academic year for a maximum of four years. In addition, the student will be eligible for the $750** per year Minister’s Dependent Scholarship. All students are required to file the Free Application for Federal Student Aid (FAFSA). Students receiving the Missionary tuition discounts are not eligible for scholarships or other assistance from East Texas Baptist University. Student must contact International Mission Board for application for the IMB-Post Secondary Allowance.

THE STUDENT FOUNDATION

provides a limited number of scholarships from funds raised by the Foundation. These scholarships are administered by the Student Foundation and are for returning juniors and seniors only. Necessary forms may be obtained from the Office of Institutional Advancement.

THE RUFUS SPRABERRY MEMORIAL ALUMNI SCHOLARSHIP

provides a limited number of scholarships from its endowment. These scholarships are awarded by the Alumni Association on an annual basis. Necessary forms may be obtained from the Office of Alumni Relations.
DONOR SCHOLARSHIPS
from outside the University are provided by various churches, foundations, schools, and organizations
who award them to specific students. These scholarships will be considered an integral part of the student’s
financial aid award. The Financial Aid Office administers these funds in accordance with the specifications of
the donor.

ENDOWED FELLOWSHIPS AND SCHOLARSHIPS
are established by friends of East Texas Baptist University who are interested in the education of worthy
and needy men and women students. While the donors of these funds are listed in the catalog, specific applica-
tion for these scholarships/grants/fellowships beyond the normal financial aid application process is not
required. These are administered through the Financial Aid Office or the donor identifies the recipient(s).
Awards are made on the basis of student eligibility, financial need, and the availability of funding according to
earnings on endowment investments established by donors and designated gifts to the University. Many of
these awards are in honor or memory of specific individuals.

Courses transferable to ETBU are not limited to those in the above list, which represents only those courses for which common course numbers can be identified. Other courses may be transferred by evaluation and may be considered equivalent to ETBU courses in many cases. Students should refer to the section on Admission of Transfers in the catalog for policies governing transfer of course work to ETBU.

**NOTE:** Students enrolled at ETBU must complete a Permission for Course Transfer Form to transfer courses not found on the TCCN list above.
